## The Question of God

God Himself reveals His Nature to us

A selection of Revelations from God,  
received through the 'Inner Word'  
by Bertha Dudde

## The Question of God

This booklet contains a selection of Divine Revelations, received through the Inner Word by Bertha Dudde as promised by John 14.21: "Whoever has My commands and obeys them, he is the one who loves Me. He who loves Me will be loved by My Father, and I too will love him and show Myself to him."

*Reason for the revelations ....*

I want to reveal Myself to all of you who listen to Me as a God of love, wisdom and omnipotence .... My revelations require but an open heart, a ready ear that listens to My voice when I speak . . . And My revelations will always be proof of My love for you, because I speak to you like a father to his children: admonishing, instructing, comforting and promising love .... I want to touch the hearts of you who listen to Me; I want to make you happy by speaking to you, I want to give you something that will help you progress: light and strength, which is needed by every being in order to come closer to Me. Therefore, I speak to you.

However, I also want to reveal My fundamental nature to you, I want you to recognise Me as a God of love, wisdom and omnipotence and, once you have recognised Me, also see the Father in Me and then strive towards Me as My children. If you believe in My love, wisdom and omnipotence, then you will also surrender to Me in meekness and love and relinquish every resistance that still keeps you separated from Me. And that is the reason why I reveal Myself to you .... For you all should know that your God and Creator would like to embrace you with infinite love which, however, will not abide resistance. And in order to break your resistance, I speak to you, yet I will not force you to listen to Me. Nevertheless, you shall feel My love as soon as you hear My voice, you shall be touched by a flow of energy which shall prove to you that it is I Who speaks to you, but that the flow of energy becomes instantly less effective if you continue to resist, whereas it will keep growing when you are willing to accept My Word. I want to bring a light to all of you whose spirit is still dark and prepare you such that the spheres of light will be able to receive you. Yet this is only possible if, due to your faith in Me, you decide to live a life of active love .... If, however, you are able to love Me you will also feel the inner desire to do kind-hearted deeds .... and so that you may learn to love Me, I reveal Myself to you.

You humans on earth certainly speak of a 'God' Whom you fear and honour as a power at Whose mercy you are, Which can destroy or judge you .... if you still believe in it .... but you do not offer Him the love He would like to receive from you. I, however, only want to be loved, for then a far better relationship can be established than fear can bring about. I want to receive your love and constantly pursue this love; yet you will only be able to love a Being Whose perfection you recognise and of Whose love, wisdom and might you are convinced. And if I can speak to you Myself, you will soon gain the conviction that My love for you is infinite, that My wisdom is unparalleled and My might unlimited. And then you will also surrender and long to unite with Me eternally. And thus, Words of love will continue to be spoken to you which seek to enter your hearts .... And anyone who willingly receives Me shall be gladdened by My Words, and I will open the gate to beatitude for him, for with My Word I will bring him a light and as soon as it shines, all darkness will leave him, he will recognise Me as the light of eternity, he will love Me with all his heart and stay with Me forever. . .

Amen

*Fulfilment of divine promises ....**Truth ....*

You are guided into truth by My spirit .... Since I spoke these Words to you humans Myself it must therefore be possible for you to live in truth and thus you cannot say: No one knows what and where the truth is .... You just have to seriously think about the problem of **how** you can arrive at the truth. A truth exists which is irrefutable, which comes forth from Me as the 'Eternal Truth Itself' and which will never change. And you have to approach this **primary source of truth** yourselves by wanting to get hold of the truth from its origin .... from Me Myself .... I know everything, I know all correlations, nothing is concealed from Me, and I also want you, as My living creations, to know everything .... I want you to become as illuminated as I Am .... I want you to know where you came from and the goal you ought to reach. Your fellow human beings, however, are unable to inform you of this unless they have received this knowledge from Me.

However, many people claim to be knowledgeable and also try to convince their fellow human beings of what they have acquired through intellectual study. But their intellectual conclusions do not correspond to the truth as long as they have not approached Me directly for enlightenment of their thoughts .... as long as they have only applied their intellect .... And then the justifiable objection can be raised: No **human being** knows what and where the truth is .... But **God** knows and therefore also the person to whom God imparts the truth .... And I have told you that My spirit will guide you into truth, and My Word is and will remain truth ....

But far too little attention is paid to this Word of Mine, the great promise I thereby gave to humanity is not being recognised .... For they have no interest whatsoever to be instructed in the 'truth' but unreservedly accept **everything** as truth that is presented to them by their fellow human beings, or they reject all credibility of it. And that signifies a major spiritual decline. For every person must possess **spiritual knowledge**, and therefore everyone should want to have the **right** spiritual knowledge. This determination alone will take him closer to the truth, for I will not let a person live in darkness if he desires to become enlightened .... I will intervene Myself and direct his thoughts such that he will start to search and take the path to the right source .... I Myself will offer the truth to him, if not directly then through My messengers, which he then will also recognise as My messengers, for I only require the **desire** for truth in order to be able to distribute it, because I want people to live in the truth, because I want them to be instructed through My spirit, if only they are of good will. But then a person will no longer doubt the truth of what is imparted to him by My spirit, and he will also remember My Words 'But the comforter, which is the holy Spirit, whom the Father will send in My name, he shall teach you all things, and bring all things to your remembrance, whatsoever I have said unto you ....'

Hence you also have a criterion insofar as that you will hear the same Words from Me through the spirit which I spoke to people when I lived on earth .... And thereby you can recognise who speaks to you and then also believe with conviction that it is I Myself Who makes His promise come true, Who instructs

you through His spirit .... And it will remind you of many a Word I spoke to people Myself. And then you should also seriously consider every one of My Words because they are God's Words which will never pass away, even if heaven and earth shall pass away .... And if you thus believe these Words of Mine unreservedly then you will penetrate the truth ever deeper, for then you will live accordingly, and you will experience the effect that you are not just hearers but doers of My Word .... You will experience the effect of love which is preached to you through My Word time after time and which will grant you enlightenment, so that you will grow in realisation, so that you will attain the knowledge again which you had lost .... so that you will completely live in truth again because you have entered into association with the Eternal Truth Itself .... Which guided you into the right knowledge, as I promised you ....

Amen

### *Introduction to spiritual knowledge ....*

I want to give people an easily comprehensible instruction; I want to enlighten them in the simplest possible way if they are still entirely without knowledge but willing to accept a correct explanation: You humans can imagine that I did not create you as you are, for you can detect many shortcomings in people, and if you spend some thought on it, it will seem doubtful to you that the most perfect Being, Which you call 'God', should have created such an imperfect human race .... But since you, as well as all visible works of creation surrounding you, could not have been able to create yourselves there must have been a Power at work, in Which you are expected to believe .... A God has to exist, a Creator of everything you can perceive, including yourselves .... Thus this Creator is supremely perfect, and you can procure numerous evidence of this in earthly life .... He created you humans too, but not in the state you find yourselves in at present, rather, you emerged from Him in a supremely perfect state, you are products of the absolutely perfect Creative Power, Which is an intelligent Entity .... just like you but of highest perfection .... therefore you were perfectly created but did not remain perfect because you possessed free will which was able to evolve in any direction and therefore was also able to relinquish all perfection and change into the opposite .... And this is what you have done ....

You left the Father's house, you distanced yourselves from your God and Creator, you rejected His Fatherly love and became unhappy creatures, because it requires God's unlimited love in order to be happy. My love, however, is infinite and also follows you into the abyss, to which you aspired of your own free will .... My love wants to achieve your return to Me one day and therefore won't leave you in your wretched state but will help you to ascend from the abyss again, it will help you to return from the realm of darkness into the kingdom of light again and regain your former state of bliss, because love always wants to please, and so My love will not lessen until you have completed the path of return to Me. And your existence as human beings on this earth is a very short stage on the path of return to Me .... You have the gift of reason, you possess free will and intellect, you are able to think, feel and want and therefore can also

conduct yourselves accordingly .... And if you think and want correctly then your thoughts and intentions will always be based on love, love will determine your thinking and wanting because a correctly directed will allows itself to be determined by Me Myself into activities of love and because the activity of love is the same as approaching Me, Who is Eternal Love Itself .... because it is the same as transforming your imperfect nature into the original being which had once came forth from Me in utter perfection .... Thus you humans on earth only have the one task of living a life of love .... In doing so you fulfil the purpose of your earthly life which connects you with the Eternal Love again and thereby enables the Eternal Love to make you abundantly happy and you will become blissful again as you were in the beginning ....

This is the only goal you should endeavour towards reaching on earth, and in order for you to do so you will be taught by Me Myself through the voice of conscience, through the voice of the spirit, the spark which glows within every human heart and only needs to be kindled through kind-hearted activity in order to tell you humans what you should or should not do .... and which will stimulate you into more and more loving actions .... Love is the fundamental substance of your nature, and if you want to be and remain perfect you also have to be completely permeated by love .... If, however, you neglect love you will remain imperfect beings, and then you will belong to the generation which you can presently recognise all over the world: heartless, selfish people who only ever think of themselves and never take care of their neighbour who is suffering in adversity next to them .... But a lack of love also means a lack of happiness, it means spiritual darkness, ignorance, weaknesses and a lack of freedom, for then the human being will not recognise his God and Creator either, and he will not take the path to Him .... Yet only through a union with Me can the being regain beatitude .... And for the sake of this union with Me you are living on earth. You ought to achieve your perfection again which you once renounced of your own free will, you ought to change yourselves into love again which had been your fundamental substance, and with this change you will also establish unification with Me .... You will be allowed to give love and receive unlimited love yourselves, you will be able to enter into a true life which lasts forever, and you will be perfect and therefore also infinitely happy ....

Amen

*The significance of realisation ....*

I will talk to you time and again, My children, for I know that you require My Word which shall give you the strength for your path of earthly life. You should always know that I Am present with you if just one thought from you is touching Me, if you wish to be in contact with Me. And when I Am present with you My strength also has to flow into you. Your soul needs this strength in order to mature fully, and this is why you will always achieve progress if you let Me speak to you .... the light permeating you has to become increasingly brighter, and that also means ever more profound realisation, it means progressive knowledge, it means clarity of thought and a correctly directed will. My speaking to you will

guarantee this, for the strength flowing from Me to you has to take effect and thus bear witness of itself in the form of increased wisdom. And all you humans should desire light, you should all try to escape from the spiritual darkness and request more spiritual information. For in what ignorant state did you enter life on earth? .... And although your intellect begins to become active .... can you penetrate spiritual spheres with it? Dense darkness remains in you, and all spiritual concepts remain unresolved and indistinct as long as you don't feel the desire to receive an explanation. And until you do, the purpose of your earthly life will also remain unknown to you and you will be dead in spirit, despite the fact that you live physically .... And can you be satisfied if you have no knowledge at all about the reason and purpose of your earthly life? Are you content with your lightless existence on this earth with only earthly goals to strive for?

This state of darkness is not a happy state, and you should recognise it as unsatisfactory yourselves and try to receive an inner light, for only then will the unsatisfactory state change, and you will experience inner happiness when you receive the knowledge which explains to you the purpose of your earthly life. You should request such enlightenment and therefore also pay attention to My Words which are given to you by My messengers, if you are not yet able to hear Me directly. You should endeavour to enlarge your spiritual knowledge, for this knowledge is the light which was lacking in you at the beginning of your embodiment but which can be kindled and then shine brightly within your hearts .... For the light is emanated by My spirit, the tiny spark of love which, as part of Me, rests within you and has to be ignited by yourselves through love .... Thus love irrefutably has to result in wisdom .... the result of a life of love irrefutably has to make profound knowledge accessible to you, for the 'fire of love' emanates the 'light of wisdom' .... Your spiritual state will have to become bright, the spiritual darkness will have to disappear, you will have to become able to recognise all correlations, you will have to learn to understand Myself and My reign and activity, and you will have to be able to offer explanations yourself, because then I can be active in you Myself and thus you will only think, act and speak in accordance with My will ....

The degree of realisation is decisive for the degree of maturity of soul, for I do not speak of dead knowledge which is academically passed on to you, but I speak of living knowledge which is the only meaning of 'realisation'. I speak about the 'Wisdom of God', which can only be gained through love, which can only come to earth through the 'working of the spirit' and is received by a heart which allows rays of bright light to enter it because it is full of love .... It is only given by love and only love will receive it .... whereas the same knowledge remains dead knowledge for the person who still lacks love. And you all should endeavour for the light of realisation to illuminate you, for only then will you approach the state of the brightest light again, which made you happy in the beginning and which you all have to reach in order to be happy again ....

Amen

*The difference between 'knowledge' and 'realisation' ....*

The degree of realisation corresponds to the soul's degree of maturity. You should not confuse 'realisation' with mere knowledge, for you can acquire the latter intellectually as well; it can also correspond to the truth if you accept it from those who have already attained realisation .... But it need not mean 'realisation' for you quite yet, for only when you have reached a certain high degree of love will you be able to penetrate the 'knowledge', it will come alive in you, then it will also provide you with insight, and thus you will regain the state which you once voluntarily abandoned by having replaced the light with darkness, thus having lost all realisation. Academic knowledge about Me and My Nature, about the destined purpose of your existence as human beings and about My plan of Salvation concerning the return of the spirits is not sufficient .... for you won't understand everything as long as you don't demonstrate the said degree of love which guarantees you an inner light, the working of My spirit within yourselves ....

Yet 'realisation' is the sign that the divine attributes, which are buried within yourselves as long as you are devoid of love, are coming through again .... **Realisation is light**, which you have to regain in order to become blessed, providing you desire light during your earthly existence. For you can also live a loving way of life without experiencing any desire for knowledge; in that case the light of realisation will suddenly permeate you when you discard your earthly body and enter into the spiritual kingdom. A spiritually-awake person, however, must be able to differentiate between 'knowledge' and 'realisation' .... He should not equate intellectual knowledge with realisation, but he should also know that true realisation demands a high degree of love and proves that you humans can consider yourselves fortunate if you are introduced to profound knowledge and thereby attain realisation .... The latter already signifies that you are entering your original state, in which you were permeated by light and love, in which you had not yet fallen prey to darkness, but in which you still existed as a human being as long as you were still immature, that is, in which you were still spiritually unenlightened.

I can never please a human being with the light of realisation if he does not exhibit the prerequisite which permits the working of My spirit .... For **My Spirit** is the part of Me which imparts this realisation to you humans, which makes knowledge accessible to you which you can understand, which makes you happy, which enlightens your spiritual state, which clearly lets you realise all correlations and thus it can be considered to be evidence of an advanced maturity of soul .... True realisation will always be gladdening, and it can never be confused with a mass of knowledge which is not understood because My spirit is as yet unable to work, even though the intellect has accepted this knowledge. In that case it nevertheless remains dead knowledge which is worthless for the maturing of a soul. And then people can only be cautioned not to acquire such knowledge, for a loving way of life is necessary first in order to bring this knowledge alive. Love is necessary, for it stimulates the spirit within the human being to come alive, and only then will it kindle a true light, only then will 'knowledge' become 'realisation'.

Only then will the soul have reached a particular degree of maturity which will lift the spiritual darkness .... only then will it be possible to speak of a light which illuminates the human being from within and gives him clear realisation about all spiritual occurrences, about the very first beginning and the ultimate goal of everything in existence, and about the meaning and purpose of human life on earth .... And as soon as the human being has come to this **realisation**, as soon as he can understand everything, he will also understand My Nature and fully appreciate My eternal plan of Salvation, for then he will know the correlations, he will see everything brightly and clearly, and then there will be no other goal for him but to achieve his original state again, in which he was happy .... He will wholeheartedly strive towards unification with Me and also achieve it and return to Me, from Whom he once originated ....

Amen

*The right concept of God ....*

And it will be revealed to you through My spirit that there is only one God and that this God manifested Himself in Jesus Christ, because He is a Spirit. It was not possible for Me to become visible to My created beings as a limited Being, but in Jesus Christ I became a 'visible' God for all My living creations, and therefore you cannot speak of Jesus Christ and the Father, for I Am one with Him, so when you speak of Jesus Christ you are speaking of Me, your God and Creator, your Father of eternity .... For the infant Jesus sheltered My spirit within Himself, and after His birth I was already remarkably active in Him in order to show the people in His neighbourhood that My spirit dwelt within the infant. The man Jesus exhaled his last breath on the cross .... Jesus body, however, was spiritualised and He rose from the dead .... For all His substances had merged with Me, My spirit had permeated body and soul and nothing human remained in Him .... What arose from the dead on the third day was I Myself, the Father-Spirit of eternity, the God Whom the beings desired to behold and Who had now manifested Himself in the outward appearance of Jesus Christ ....

Jesus Christ is 'God', for I Am a Spirit and thus became visible to all My beings in the shape of Jesus Christ, and you cannot visualise Me in any other way than the divine Redeemer Jesus Christ .... And if you want to call upon Me, if you want to make contact with Me, you have to call upon Jesus Christ, you have to talk to Him, you have to acknowledge Him as your Father of eternity, and then you will also have the right concept of God .... which, however, can never be right if you pray separately to Me as 'God' and to Jesus Christ as 'Son of God' .... The soul which dwelt in the man Jesus was My 'Son' .... a supremely perfect being created by Me which remained with Me when the great apostasy of the spirits took place ....

And this 'Son of God' made it possible for Me to embody Myself in a human shell .... so that the complete merger of the eternal Father-Spirit with Jesus Christ could take place, but then there no longer existed two separate beings but only one God, for the 'divine Spirit', My fundamental nature, utterly permeated

the human shell and likewise spiritualised it .... Everything was 'divine Spirit' it was the Spirit which permeates all of infinity and merely manifested Itself in a form visible to people, so that they were able to develop a concept of Me, so that they were able to pray to a Being in order to unite with this Being .... For the original sin of the spirits' apostasy consisted of their voluntary 'separation' from Me because they were unable to behold Me. And thus I provided for them the possibility of willingly joining with Me again by making Myself visible to them in Jesus Christ. But you must never separate 'Jesus Christ' and 'Myself' .... For He and I are one; and whoever calls upon Him also calls upon Me .... whoever sees Him sees Me, Who is and was eternal and shall remain so in all eternity ....

Amen

*'I Am the beginning of all things ....'*

I Am the beginning of all things .... Take this to heart when you are moved by the slightest doubt about the creation of everything you see around and above yourselves. If My power is thus sufficient to call every life form into being, what kind of strength would then be necessary to oppose this creative will? An equally destructive will perhaps? .... In that case a second Deity would have to be at work next to Me, whose expression of strength would run contrary to My own activity. Anyone who imagines the Deity as an imperfect Being can truly place many such gods next to this One, yet he will not have the right kind of concept about the one true Deity, Which has created everything and controls all. Anyone who wants to recognise Me must believe .... and subordinate himself as a creation to the Creator .... And he will become enlightened, and in this light he will see Me as the Ruler of the universe .... He will realise that no opposing force is able to counteract Me by working destructively where I Am creating.

Only the physical transformation of the earth's surface has been left to the human being's free will, so that people's creative urge, which I likewise have placed into their hearts, can occupy itself. Thus they can more or less act at their own discretion but they nevertheless will always have to recognise their own inadequacy and always be dependent on the omnipotence of the Creator and the activity of natural forces and cannot oppose them arbitrarily. Thus nothing is more understandable than wanting to ascertain the almighty Creator and yet nothing is more impossible .... Human intellect is not sufficient by far to fathom Me in My full elementary power .... and it will be even less possible to categorise Me, that is, to put My Being and Becoming into any kind of form which seems acceptable to the human mind. This is a hopeless undertaking which could never produce a satisfactory result, for I was, I Am .... and I forever will be an inscrutable Spirit Who harbours within Himself everything that can be found in the entire universe .... to Whom creation is subordinate because it originated from Him .... and Who is the beginning and the end of all things .... the Spirit of Love from eternity to eternity ....

Amen

*God is inscrutable ....*

You, My living creations, will never be able to fathom Me, even when you, as My supremely perfect children, are able to work and be active next to Me. You are the product of My eternal creative power .... I, however, Am the source of strength Itself, Which is inexhaustible, Which knows no limit, Which constantly pours Its flow into infinity .... But I Am also a Being, i.e., I Am a thinking Spirit of most profound wisdom Who works according to His will with inconceivable love and makes everything He creates infinitely happy .... I Am a thinking Entity Who constantly lets new creations arise, since the strength flowing forth from Me cannot remain inactive because it is life and constantly creates life. And when you, My living creations, reach highest perfection of your own free will so that you can work and create next to Me as My children, then you will indeed have penetrated the most profound wisdom, you will have light and strength at your own disposal which will make you tremendously happy and of which you can make infinite use in order to be creatively active for your own happiness, and this strength will constantly flow to you from the Primary Source of eternity.

He Himself, however, will be and remain inscrutable for you, yet the awareness that you will always be nourished by Him is utmost bliss, and your love for Me will continually increase, you will yearn for Me and forever sense My presence, you will be able to behold Me in Jesus Christ .... and yet, I will remain an enigma for you, since it is not possible for a created being to totally ascertain the Entity which is and will remain from everlasting to everlasting, because the created being is but a tiny spark that was externalised by My love's sea of flames. But the fact that this created being knows that it is forever nourished by My strength of love, that the being is aware that it is united with Me .... that it can constantly associate with Me like a child with its Father, that it can speak to Me and be active with Me in absolute blissful togetherness, is continually increasing its bliss and lets its love become ever more profound .... And love is bliss .... love is light .... love is strength .... love is the divine which makes every being become a god in its own right, because love always grants ever greater perfection .... Yet the fact that there is no limit, that is the unimaginable beatitude which I bestow upon My living creations time and again and which can only be understood in the state of perfection, when the being which I emanated as a living creation has deified itself and become My child.

Then it knows that I Am forever inscrutable, and yet it adamantly keeps striving towards Me, it feels the bliss of approaching Me and finds its happiness in My reciprocated love .... of which you humans lack all understanding as yet because you are still imperfect. But you are only intended to receive a concept of eternity which will be comprehensible to you one day, and therefore you shall also know that this supremely perfect Being will certainly reach His goal of being able to make everything that was created by Him infinitely happy. And it shall only be an incentive for you to keep striving towards your perfection, for it will bring you beatitudes in abundance .... Yet it is and will remain incomprehensible for you that I draw close to you, My living creations, and speak to you .... that I Am and eternally will remain unattainable for you and nevertheless embrace every single living creation with deepest love and draw it close to Me, that I try to make Myself and My Nature explicable to you in order to win your love,

because I can only merge with love and this unification is needed in order to make you infinitely happy one day .... The most perfect Being .... the greatest Spirit in infinity .... the Eternal Source of strength and light .... is seeking the union with you, His living creations, and therefore He is speaking to you .... He bends down to the smallest being in order to aid its ascent. And His love will never diminish, because love knows no limit and tries to make everything blissfully happy that once had emerged from this love ....

Amen

*Inscrutability of the Deity ....*

You should believe that you humans will eternally be unable to fathom My fundamental nature. It is not possible to make you understand what I Am in essence, for your thinking is still limited, and thus you are incapable of comprehending the infinite. Infinite, however, is the spirit for Whom you created the term 'God'. And what this spirit is in Itself again cannot be explained to you either, because He has no form and you always imagine everything in existence as a form .... especially when it is of substance, thus when it possesses a thinking will. I, however, certainly exist but Am not conceivable in any shape .... I Am unlimited strength Which works without limitation .... And thus this strength permeates the entire universe, It permeates every physical and spiritual creation. And It always and forever works in lawful order .... For a thinking will directs this spiritual strength according to a plan in love and wisdom. This 'thinking will' entitles you to imagine a **Being**, you just may not give this Being a form but have to regard everything that is visible to you and all spiritual creations as imbued by My strength of love .... by My spirit .... with Which, however, you are able to make mental contact, because I Myself Am a thinking Being.

My fundamental nature, My spirit, My love, My strength .... everything is the same. The all-pervading strength is God .... love in itself is God .... The spirit is God. And yet God is a **Being**, for a thinking will determines how the love, the strength, the spirit expresses itself, it determines My every reign and activity. And though the strength of love dispersed itself into countless tiny sparks .... each tiny spark is again the same as I Myself: a spirit with the same characteristics as I Myself, only extremely small .... and yet powerful, for it is a carrier of the eternal Deity Itself again or it could not continue to exist if it were not permeated by My strength of love. And thus the human being can indeed liken himself to Me Myself, because you all are images of Me. Nevertheless you are **finite** beings, you are a part of Me which has to be looked upon as finite as long as you are still imperfect. Once you become perfect again, as you were in the beginning, then the fusion with Me will take place again too, and then it will be easier for you to form a concept of the Deity, albeit I Am and will remain inscrutable to you in My innermost nature. But then you will no longer apply limited standards as you do as human beings and which is the reason for your frequently misguided reasoning.

I Am a spirit, that Is, I Am a Being Which is not perceptible to your human senses but Which nevertheless exists .... Which, however, is a **Being** because you can recognise meaning and purpose in everything I brought into existence and thus arrive at the logical conclusion of a **Might** capable of thought and will. Therefore you should contact this **Might** Which cannot be denied by you. For only this connection, the union, makes you realise that you are the same in your fundamental nature .... And when this **Might** speaks to you, then it does not address your external shell .... the body .... but what is inside of this shell, which characterises you as a divine image: your spirit, which thus emerged from Me (was given to you) and is part of Me .... which you once rejected and which was given to you again as a tiny spark for your existence as a human being, with other words: I speak to the eternally immortal part in you, I speak to what belongs to Me Myself, which emanated from Me Myself as a minute spark and shelters in your human cover, which is only evidence again that I Myself wanted to find Myself again in you, My living creations, and thus you will also stay inseparably connected to Me, because My spirit is undividable .... Because My strength of love assures your existence, because you can never again cease to exist, for you are My emanated strength which, according to eternal law, has to return to the source of strength again.

You will only understand all this in the state of perfection, your thinking will no longer be limited but you will also know that I Am a Being to Whom all your love belongs, you will know that I Am love Myself, and you will understand why you were unable to grasp all this as a human being. For as long as I Myself .... My spirit .... My love, cannot take full possession of you because you are still imperfect I cannot permeate you such that you are radiantly enlightened either. Yet I Am active in you, as far as this is possible, as far as your degree of maturity permits it .... bestowing ever more light upon you, so that one day you will reach perfection ....

Amen

*Can God's existence be proven? ....*

My existence can never be proven to you humans, because then you would become subject to compulsory faith .... But you are supposed to arrive at the light and realisation about Me of your own free will during your earthly life, and this is certainly possible. You only need to think about it, for everything around you can provide you with the evidence of a God and Creator .... For even if you at first try to deny a **divine Being** you nevertheless have to acknowledge a **Strength** Which is expressing Itself throughout the whole of creation. Thus you cannot deny this strength, but the natural law, which likewise cannot be denied by you, the destined purpose of the works of creation around you .... are in turn evidence of a deliberately **directed Strength** Which infers a thinking **Being** ....

Hence your goal on earth is to establish contact with this thinking **Being**, otherwise it would be irrelevant as to whether you describe Me as the strength that is recognisable by you. Yet you are not likely to call upon a 'Strength' and try to establish contact with it .... As soon as you spend some serious thought on

it with the determination to ascertain the truth, I will also reveal Myself to you as a spiritually tangible God and Creator .... If, however, you are indifferent to **Whom** you owe your life as a human being, then you will be lacking the sincere will and you will never attain inner clarity. Furthermore, your own nature as a human being should make you think .... No person is able to create a being with the ability to think, with self-awareness and free will .... Consequently, you must have emerged from a similar Being, only that It is, in contrast to you, supremely perfect, but this Being, too, has to possess self-awareness, the faculty of thought and a will, and this Being works with love, incomparable wisdom and power ....

You can never regard yourselves to be a product of coincidence, for if this strength were not directed by a will it would always have an elemental effect, thus be destructive but never progressive, yet this refutes the destined purpose and natural law of creation .... My existence cannot be proven to you, but creation is convincing evidence of an all-powerful Being for every thinking human being, even if this Being is inconceivable to him, if he is unable to form a real idea of it .... He is just still very distant from Me and thus spiritually completely unenlightened .... which is due to the fact that his fall into the abyss had deprived him of all light. And if such a person receives the knowledge about Me as the highest and most perfect Spirit in eternity his opposition to Me breaks through, and he wants to deny Me as he once had done when he rejected the light of My love and thus became spiritually unenlightened. But in earthly life he must try to escape the darkness, he must want to get clarification about himself and his origin, and he must be willing to do what is right, and thus also allow himself to be taught by those who are able to bring him light. But a completely dark spirit will also lack willpower, and he will reject all explanations because he always feels that the knowledge about a God and Creator will give him a guilty conscience, which he refuses to accept.

Trying to convince a fellow human being of the existence of a powerful God therefore only makes sense if he himself wants to know something about it, whereas a person who constantly likes to deny God remains incorrigible and no energy should be wasted on him, for his will is the decisive factor as to whether he ever finds his way out of the darkness. He must also come to realise the existence of a God and Creator without proof, which will happen if he endeavours to live a life of love, as in that case he is already making contact with Me and the desire for truth will subsequently arise in him too. And then his thinking will already be guided, he will be mentally influenced by beings of light into whose care he is entrusted, and his resistance will begin to wane .... which is also aided by the intercession of fellow human beings, and that will always have the effect of an increased strength of will ....

Amen

*God is a spirit Who has manifested Himself in Jesus ....*

You should not imagine your God and Creator as a strictly limited Being, you should not try to associate Him with a form, for then your idea would always be wrong, because something defined can never correspond to My nature, which is utterly perfect, thus infinite. For I Am a spirit Who fills and permeates **everything**. In My nature I will be eternally unfathomable for My living creations, for although My living creations were externalised by Me in **supreme perfection** they are nevertheless only sparks of love, emanated by the fire of My Eternal Love and externalised as individual beings who, however, would be unable to behold the eternal source of **light and strength** if I showed Myself to them in My full abundance of brilliance, since they would perish if they faced the radiating light ....

Yet you need not visualise Me in any other way than as the divine Redeemer Jesus Christ .... In Him I became the 'visible' God for you, in Him the eternal, infinite spirit has manifested Itself, in Him you see Me and are able to behold Him face to face .... Thus I gave Myself a form for you, whom I had externalised from My love and My strength as My living creations .... The Eternal Spirit Who fills all of infinity permeated this form with light and became a visible God for you .... And yet I reign and work throughout all of infinity and thus My Being cannot be limited either, I can only have become a **conceivable** idea in the form of Jesus Christ for you, who are still finite yourselves, who have not yet attained the highest perfection, for I have to give to you what corresponds to your state, which is still far from perfection.

However, I Am and remain also inscrutable in My nature for the spirits of highest perfection, which, however, is a cause of increased beatitude, because My children constantly strive towards Me, are constantly delighted by Me through My fulfilling of their desire yet never able to reach Me .... and on the other hand may behold Me from face to face in Jesus Christ .... This, too, will remain an enigma to you, and only in the state of enlightenment will you begin to comprehend and yet eternally unable to fathom My nature. To you I appear infinitely far away and yet I Am as close to you as only a father can get to his child. But this awareness makes you immensely happy, and your love for Me increases constantly and is also the cause of bliss, because it always meets with fulfilment.

And thus your love for Jesus Christ will blaze ever more ardently, in Whom you have recognised your Father of eternity and in Whom I bestow unlimited bliss upon you .... For in Him I Am now able to be close to My children, even though I Am not bound to the form, even though I fill all of infinity with My light and My strength, with My Being, which is and remains inscrutable. But you, My living creations, shall look for and find Me in Jesus, for I have chosen Him as the form which received Me; and this once human external form completely spiritualised itself and yet remained visible to every being which attained the state of maturity of spiritual vision ....

Thus you see My eternal spirit when you see Jesus, for He and I are one, you see the Father when you see Jesus, because I wanted to be visible to you, My created beings, in order to gain all your love. Yet you will never be able to behold Me

in My infinite abundance of strength and light without ceasing to exist .... But I want to be able to create and work with My children and thus also reveal Myself to them in order to heighten their beatitude .... And I want to experience their love Myself and therefore will always be close to My children ....

Amen

### *Belief in God in Jesus ....*

It is only necessary for you to believe in Me and take the path to Me when you suffer hardship .... for you, like children, to take refuge with the Father, Who will protect you in every spiritual and earthly adversity because you entrust yourselves to Him .... Time and again I emphasise that you only ought to contact Me in thought, through kind-hearted activity or in prayer and, truly, you will not be able to go astray anymore, because your bond with Me also guarantees you My help to be delivered from My adversary and to return to the One from Whom you once originated. Admittedly, evidence for the existence of a God and Creator cannot be given to you, you have to believe in Him .... Yet if you are willing to do so then you will see the evidence that bears witness to Me in everything that surrounds you .... And by just thinking about it you will already be able to come to believe in Me .... I just do not want you to spend your life thoughtlessly, to only take notice of the world and believe that your earthly life is an end in itself ....

You should always ask yourselves **why** and for **what reason** you live on earth .... in order to then also get hold of the thoughts about a God and Creator, which will time and again encircle you like waves, for the purpose and goal of your earthly life is to recognise a God and Creator, to acknowledge Him and to desire making contact with Him. Then this God and Creator will also take hold of you and never ever let you fall again .... And He will also convey the knowledge of Jesus Christ, your Redeemer, to you . For you will have to find Him so that you lose your weaknesses, so that your ascent to the pinnacle is assured .... For even if you recognise Me, you will have little willpower to seriously strive for Me, since you are too weak due to the sin of your past apostasy from Me .... And for the sake of strengthening your will the man Jesus died on the cross in order to acquire the blessings of a stronger will for you .... I Myself came to help you in your great spiritual adversity which was the result of your original sin, and I Myself accomplished the act of Salvation for the redemption of your guilt in Jesus the human being . So the path of return will now be possible for you if you appeal to Jesus Christ for strength, if you place your guilt of sin at his feet and express the sincere will to return to the Father, Who took abode in Jesus, Who united Himself with Him for all eternity .... Even if you thus believe in God as the Creator and Redeemer, this God can never ever be regarded as being separate from Jesus Christ, for God and Jesus are one, God merely made use of a external human shell which people called 'Jesus', but Who sheltered the fullness of Me in Himself.

I created everything, even the human shell of Jesus came forth from Me, Which I chose for Myself in order to be able to stay amongst people. You humans,

too, came forth from My will yet you once separated yourselves from Me voluntarily, for only love establishes a bond with Me but you forfeited it of your own free will, whereas the human being Jesus was permeated by love, thus My fundamental substance was in Him, for this is Love .... Hence, in keeping with His nature He must be God Himself, and only his external shell was human until He spiritualised it as well, so that it was able to unite with His divine Soul and nothing human remained once Jesus had accomplished the act of Salvation .... Anyone who therefore has recognised Me in Jesus has also escaped the darkness, for then the Light Itself will draw him into higher spheres, for I Myself Am the Light, and the light shone to earth through the human being Jesus because it permeated the human being completely. And I would like to send this ray of light to all of you, yet your heart has to open itself to Me, you must direct your thoughts towards the One Who created you .... You have to muster this will freely but then you will also be seized by My merciful love and everything will be done to impart the correct knowledge about Jesus Christ to you .... and if you acknowledge Him as God's Son and Redeemer of the world Who became as one with Me you will never ever be able to go astray again ....

Amen

*God's message to rationalists ....*

*Deniers of God ....*

I want to speak to those who are not yet able to make the right decision, who are not unwilling to believe and yet cannot acknowledge Me with conviction either; to those who oppose the knowledge which My representatives on earth want to make accessible to them with their intellectual knowledge .... to those, who first want everything proven to them and believe that they can understand or refute it with their sharp intellect. Their knowledge kills the spirit .... What is described as higher truth, what cannot be proven in an earthly sense, because compulsory faith may not be exercised in earthly life, cannot be fathomed scientifically and even the sharpest human intellect is no guarantee for correct thinking on the spiritual level. I want to put this question to you humans: to which category of works of creation do you class yourselves? Don't you realise that you are the only thinking and reasoning beings, whereas all other works of creation are unable to exhibit this thinking ability and freedom of thought?

From this alone you can conclude that you were created by a Power which is equally capable of thinking, which is merely infinitely powerful, for despite your faculty of thought you yourselves are incapable of creating living beings with the same faculty of thought .... You cannot quote your offspring as evidence, since you do not create them yourselves but merely fit in with existing natural laws which also provide you with evidence of a law-giver. Consider furthermore: Is a 'natural force' capable of thought? .... That is, is it able to bring beings into existence whose organism testifies of supreme wisdom? Would this natural force itself not have to be recognised and acknowledged as a Being with an ability of thought and will and thus be able to create and give life to expedient forms? And is the work of creation not sufficient evidence in itself even for the intellectually

most astute philosophers? Indeed, would you be able to substantiate the 'non-existence' of a Being .... would you be able to even vaguely quote a comparison as evidence that a force brings forth orderly creations unless this force meets its match in a human being's will?

Let a force become uncontrollably active and you will have a dreadful experience but you will not be able to produce creations whose expedience and order you can admire .... Thus, by virtue of your intellect alone you are able to acknowledge a Supreme Being Which you have to regard as the Creator of eternity .... It truly does you no honour that you want to deny this Being, that you merely want to explain His activity, which is visible to you in His creation, as the effect of an unguided force, that you thus want to base the emergence of creation on an unconscious and blind process. Such an explanation is truly no evidence of a correctly employed intellect, on the contrary, it is a defiant evasion which you are looking for because you do not want to acknowledge a God .... for even with just a weak will both possibilities are considered first, and then a person will rather decide to accept than to reject a spiritually tangible Power which reveals itself in creation.

If you humans knew the serious effect a rejection, a denial of a spiritually tangible Deity has on your soul you would also understand why I want to enlighten you, why I want to stimulate you to seriously think about it so that you will give your misguided thoughts the right direction of your own accord, so that you will be able to believe what seems unacceptable to you as long as you just make one-sided judgments, as long as you believe that you can intellectually ascertain the truth. But the belief in a God and Creator is necessary in order to make a connection with this God and Creator .... And this connection with Him is the real purpose and goal of earthly life .... otherwise you would truly not have been allowed to embody yourselves on this earth, which was only created for the purpose that the human being will re-establish the unity with God which he once had voluntarily severed. If, however, you deny a God then it means that you are still very distant from Me, it signifies renewed opposition to Me of your own free will which will incur a dreadful fate in the beyond or a repeated banishment into matter when the end of this earth has arrived. Therefore I would like to address you and encourage you to think it through before it is too late, and even if your earthly knowledge is extensive .... you will with certainty penetrate far more profound knowledge if you entrust yourselves to the One Who has created you and Who wants to be recognised as your God and Creator of eternity in order to then helpfully assist you ....

Amen

*Countless evidence of God ....*

I make it easy for you to believe, if only you wanted to, for I furnish you with such obvious evidence of Myself and My working so that you would easily be able to recognise Me and consequently could also gain a convinced faith. I give evidence of Myself through creation, through everything surrounding you .... And I give evidence of Myself through My Word which rings out to you from above and is conveyed to people who are willing to believe .... For the will to do so must be present first, then the human being will also be able to believe. The will to believe opens his eyes, ears and heart .... and he will be able to see, hear or perceive countless pieces of evidence of My existence, because I will reveal Myself to a human being of good will .... because I will come close and make Myself known to him. Hence no person can say that it is **impossible** for him to believe .... but it is merely a lack of **willingness**, and no human being can be compelled. In that case his will is still utterly opposed to Me, for the denial of a Deity is proof that the person is still totally entrenched in the original sin, that he has not abandoned his past opposition to Me, and then his will cannot be forcibly broken either.

Even so, I constantly try to attract his will during his earthly life by repeatedly revealing Myself to him in the most diverse ways, so that he can always recognise Me by merely changing his will. Faith in Me can be gained by every person, because he lives in the midst of My creation and the works of nature frequently affect him, which he only needs to think about. Admittedly, an opposing will always tries to find different explanations about the miracles of creation rather than the existence of a spiritually tangible Creator of eternity; yet as soon as his own will becomes less important other thoughts will be able to arise in him and he can consider it possible for a higher Power to be the Originator and Controller .... And I will always endeavour to influence the human being such that he can achieve this realisation.

During the last days before the end faith will continue to dwindle, and even My revelation will not achieve very much, precisely because of people's will, which cannot be coerced. However, I will not stop speaking to people from above, because My Word has the strength to change a person's thinking if he allows it to take effect in him. For it does happen, albeit only rarely, that complete unbelievers hear or read My Word and feel touched by it. However, every soul is important to Me and I will not slow down trying to attract each individual soul. And by way of fate I also cross the path of people who do not want to believe, by allowing them to meet with serious difficulties so that they can turn to an overwhelmingly powerful Being with an appeal for help .... Yet I must always grant complete freedom to their will and therefore I can only ever aim to influence this will, which indeed will be done by My love and mercy for as long as the human being lives on earth ....

Amen

*Existence of God ...*  
*Worldly scholars ...*  
*Heart and intellect ...*

The worldly scholar often finds it difficult to believe in a Deity because his intellect is forced to conclude otherwise due to knowledge which, however, does not entirely correspond to the truth. Simply a mistaken view concerning the evolution of the earth leads to wrong ideas, and then it is difficult to acknowledge an eternal Creator, a Being which could certainly be recognised by its expression of strength, but whose recognition is usually not wanted. Science attempts to prove everything. However, where this is not possible it does not admit its inability but simply refuses to acknowledge what is outside the scope of its research. And thus it is based on a wrong concept, and the path to the eternal Deity is ultimately very difficult to find, even if the will to do so exists.

All kinds of research activity should start by revealing God's existence, which admittedly cannot be proven but which can be believed with complete inner conviction. Such research will then progress quickly and successfully. But to achieve this certain belief the human being, in spite of his keen intellect, has to disregard the latter for the time being and dedicate himself to the feeling of his heart, he has to leave all science to one side and, like a child, allow himself to be taught from within, i.e. he has to accept what his feeling imagines or wants as the truth. Effectively, he has to dream with open eyes. Then he will always find a Deity, Who directs and guides everything, and he will know that he is supported by It.

A human being's innermost desire is and remains a strong power above himself; however, worldly intellect attempts to stifle this because it is also spoken to by the one who wants to supplant the Deity but who is unable to enter the human heart and instead attempts to influence the human intellect all the more. God expresses Himself through the heart, his adversary expresses himself through the intellect, unless the heart is stronger and persuades the intellect to be on its side. In that case it is also possible to recognise God intellectually, heart and intellect will aspire to the eternal Deity and then science will also build on a different foundation, it will draw different conclusions which will definitely not be false ones. Because once an investigation with belief in a Deity begins it will sooner or later achieve success and also come close to the truth, irrespective to which field it is applied. Then science and belief will no longer contradict but merely complement each other, and only then will knowledge be free from error, when it is in harmony with the belief in God as an omnipotent, wise and loving Being Which governs everything that was, is and remains in eternity

....

Amen

*Faith in God in free will ....*

My strength of love flows into every human heart when it opens itself to receive it. And My strength of love causes the spark of love to ignite itself and the flame to leap towards Me, the Father-Spirit of eternity. And thus the path to Me is unimpeded, it was started purely by the will to be illuminated by Me and My love, in other words, anyone with a positive attitude towards Me, anyone who believes in Me and wants to stay in contact with Me, will also receive My divine strength of love. And then he will advance in his development, for this is the effect of My strength. Hence the human being first has to believe in a God and Creator and recognise himself as My living creation, for only then will his desire awaken to enter into contact with Me, and then he will open himself to Me, thus willingly allowing himself to be illuminated by My strength of love, for only this willingness is required for it to happen. But it is difficult for a person to be affected by this ray of love if he does **not** believe in Me, if he merely regards himself to be a product of nature and therefore never establishes a bond either, because he refuses to acknowledge a **Being** Which has created him.

An extraordinary occurrence could certainly allow him to gain faith in Me, yet he may never be compellingly influenced or his faith would be worthless. And all proof of My existence is compelling. Even My Word would be compelling evidence were I to speak to people directly from above, so that everyone would **have to** hear My voice and believe in Me .... Such faith, however, is of no value .... Yet My Word is conveyed to humanity all the same, I merely avail Myself of a human form and speak through it directly .... but I leave each person the freedom to believe or disbelief whether these Words are spoken by a supremely perfect Being .... Free will is always decisive, and faith can never be forcibly attained. And even if I Myself revealed the most profound wisdom to people it would nevertheless not suffice to persuade a person into believing in Me if he doesn't want to .....

Alternatively, however, it is enough to give evidence of Myself to a person .... The human being can gain such convinced faith through My Word that no power of hell can take it away from him. For My Word is an illumination of love which can touch the human heart, which can trigger the love that grants him radiant enlightenment .... And then love will be pushing towards love .... Then a light will be kindled within the heart, the radiance of which dissolves all that is dark, which completely drives away the darkness .... which bestows a living faith upon a person, which is unshakable and withstands every onslaught that time and again is launched by hostile forces .... And thus it will always be up to the human being himself as to whether he allows himself to be touched by My ray of love, for he has to open himself voluntarily .... he has to want to enter into contact with Me as his God and Creator; he has to believe that he has emerged from the hand of a perfect Being and that he cannot sever the connection with this Being .... Then he will acknowledge Me, and only then will he look for Me and I will let Myself be found ....

Amen

*Wrong image of God ....*  
*Misguided teachings ....*

What kind of distorted image of My Being do you get when I Am portrayed to you as a God of wrath and vengeance, as a strict judge without mercy, Who only punishes and condemns and never shows mercy .... You can only be fearful of such a God, you will be obedient to him because of fear, you will also observe his commandments only for fear of punishment but you can never love him in the way I want to be loved by you .... Consequently, as long you as you are presented with such an image of Myself you are not walking in truth, you are still in spiritual darkness and will hardly achieve your goal to find unification with Me .... Because only love can achieve this, and you can hardly feel love for a Being that is presented to you in such a way. I, however, want to win your love, only your complete trust, I want to be recognized by you as faithful Father Who wants to be closely linked to His children because of love. And that is why you must also have the right image of Me, you have to be given the truth about My Being Which is love, wisdom and power in Itself .... Which is supremely perfect and Which you can love in return when you feel embraced by My love, which eternally is intended for you ....

You can only fear a God who punishes you when you have offended but you cannot love him .... I, however, don't punish you but only ever help you to escape your sinful state and bestow you with strength and mercy to achieve it. And I will never cast into the abyss what has become sinful, I will never condemn it but always attempt to lift it from the depth because I take pity on it since it has taken the path into the depth itself .... And all methods I use to lift again what has fallen, what has become sinful, are evidence of My love and not acts of punishment which are incompatible with My infinite love .... You need never believe teachings which portray Me as an avenging and punishing God .... And therefore you may certainly reject the teaching of eternal condemnation because I never condemn a living creation .... but it has desired the depth of its own free will and eternally I only want to release it from the depth again. However, that My justice may not be abolished should explain to you that I cannot give happiness to a being which has voluntarily distanced itself from Me and desired the depth ....

But when you think of Me you should always regard Me as a benevolent, exceedingly affectionate Father Who is always willing to give you His love but Who, due to His perfection, cannot act regardless of eternal order .... Nevertheless, the path to Me is always available to the being .... Even those who have fallen to the lowest point need only longingly stretch their hands out to Me and I will take hold of them and lift them up because My love and My mercy are so great that I overlook every guilt if the being surrenders to Me voluntarily .... Then I can delete the guilt, because for that reason I had shed My blood in the man Jesus, thus the guilt has been paid for as justice demands. And if My Being is described to you in all truthfulness you will not find it difficult to take the path to Me voluntarily ....

But you will give little love to a God Whom you must fear and thus the pure truth has to be given to you .... spiritual knowledge which gives you clear information about Me, your God and Creator, Who wants to be your Father .... Because

misguided teachings cannot lead you into happiness. Consequently they have to be denounced since they originate from My adversary who wants to keep you in darkness of spirit .... who will do anything to prevent you from finding your way to Me .... who places fear of Me into the human hearts to stop love from appearing which unites the child with the Father .... I, however, want your love and will therefore repeatedly bring you the truth about Me and My Being, and you will be happy when you live in the truth ....

Amen

*The doctrine of the Trinity of God ....*

You have the gift of being able to use your intellect and you ought to use this gift. In an earthly respect your life compels you to do so and you readily comply with this compulsion. It is the most natural thing in the world for you to think about everything you encounter, to explore and ponder and thus intellectually enhance your earthly knowledge. But only rarely if ever do you use your intellect in order to acquire spiritual knowledge of your own inner accord. You certainly allow yourselves to receive it from external sources and accept it **without** using your intellect, without scrutinising or thinking about it. But you don't assimilate it with your intellect and thus you don't use the latter, or you misuse it by drawing entirely wrong conclusions because you accept the spiritual knowledge you receive without examination. But He Who endowed you with intellect will also hold you to account as to how you have used it.

Countless people live with misconceptions because they don't think about doctrines which should motivate their scrutiny because, in the form they are presented to people, they are simply unacceptable .... Admittedly, you reject all scrutiny with the remark that you, as human beings, are incapable of making a correct judgment, and you are right insofar as your intellect **alone** is not enough for this. Yet each and every time this has to be countered by the fact that enlightenment by the spirit can and always must be requested in order to truthfully explain the most difficult problems, and that God will never deny His assistance to someone who seriously wants it. And thus it is also possible for a human being to get an explanation for questions which the intellect alone is unable to answer. But the less a person believes that he is incapable of making a correct judgment the more it is necessary to appeal to God for assistance. This is more advisable than to accept doctrines which a person finds difficult to accept, for whatever a person wants to endorse as truth also has to be completely explained to him, on account of which teachings from above are constantly conveyed to earth which bring light into the spiritual darkness. And darkness is wherever the truth is being displaced or veiled, where misguided teachings are spread and upheld by people as truth. And this darkness shall be penetrated by light .... Lies and error shall be displaced by the truth, it shall be exposed where people are wrongly instructed, because only the truth leads to eternal life and only the truth is divine, whereas misguided teachings are God-opposing ....

And so it is essential to throw light on a doctrine which, mixed up and completely distorted by the enemy of souls, has found approval amongst people, and

precisely because the latter did not use their gift of intellect and accepted without inspection what they were offered: the doctrine of the Trinity of God .... This doctrine is completely incomprehensible, that is, it cannot be rationally grasped and understood, it is an unacceptable explanation of the eternal Deity because it is absurd, since the human being who is professing it is not allowed to think about it anymore or, if he thinks about it, cannot admit to it .... Wanting to place the eternal Deity into a strictly-limited form is a sign of those people's imperfection who accept this teaching. Every form is a strictly-limited concept but God's Being is limitless because it is something profoundly perfect. Hence something supremely perfect cannot be divided either, for perfection is a state of spirit and something spiritual can never be divided into three parts .... thus one can never speak of a three-person God because it is an inconceivable concept which will lead to completely wrong points of view about the Deity's nature. God the Father .... God the Son .... and God the holy Spirit .... these concepts do not justify the assumption that three persons have united themselves as the eternal Deity, hence that these three amount to one God, whereas the nature of God can be made comprehensible to people if the three concepts are explained such that the 'Father' is love, the 'Son' is wisdom and the 'Spirit' is strength ....

And this alone is the correct explanation which is the foundation of the doctrine of the Trinity of God, yet due to misunderstanding it was wrongly interpreted and resulted in the misguided teaching that the Deity consists of three persons.

The spirit of God, the partial concept of God's Nature, can never be personified; it cannot be limited to a form in line with human ideas, it is an infinite abundance of light and strength which is directed and used by an exceptionally strong will of love. The light is God .... the strength is God .... and the will of love is God .... one is not without the other, everything Divine incorporates this Trinity within Itself; it is the sign of perfection if love, wisdom and strength are inherent in a being, in which case it has become an image of God. Yet it is only ever one Being .... not a form but something infinite, spiritual, which requires no form in order to exist and which would burst all forms if they had not spiritualised themselves first, so that they were able to contain love, wisdom and strength in abundance without ceasing to exist.

Such a form was the human being Jesus, Who was chosen by God as the carrier of the entire abundance of love, wisdom and strength in order to serve people as a conceivable Deity so that they can believe in an Essence Which, being of supreme perfection, is nevertheless in connection with imperfect people, His living creations. But this form was purely physical, it was effectively only at the disposal of physical onlookers because the spirit requires no form in order to be able to be seen .... The idea of Father, Son and holy Spirit as three separate entities .... even with the addition that they are one .... is misleading, because people will then be at risk of implementing a separation by calling upon every part individually and will thereby increase the consciousness of each of the three parts, thereby losing the right, truthful sense of the one God to Whom alone they should turn in every earthly and spiritual adversity.

Even the man Jesus, Who lived on earth as an individual being in order to accept the abundance of God within Himself, became one with Him, which was evidenced by His ascension, because the body had completely spiritualised itself and all substances were able to join the eternal Deity and thus there no longer

existed two separate beings who were perfect but it was only one Deity, Which was love, wisdom and strength in supreme perfection. God the Father, God the Son and His Spirit, which permeates the whole of infinity and implements everything that is determined by His will. It is the eternal Deity's Nature which is being characterised by the concepts of Father, Son and holy Spirit. Wisdom .... the Son .... comes forth from the Father of love, and the all-permeating strength implements what is decided by the Father and the Son. God is all-powerful and exceedingly wise and loving .... This concept is more understandable and solves the problem of the triune Deity in the simplest way, and only spiritually blind people are unable to grasp or acknowledge this uncomplicated solution because they are misled by spiritually blind leaders who are unenlightened and refuse to let themselves be taught ....

*Blind faith is worthless ....*

The human being shall believe but he shall not believe blindly .... he shall form a mental opinion about everything he is required to believe and then let his heart decide whether to reject or accept it. This is what I expect of people, but I Am not content with blind faith when the demand of such signifies a coercion of will, as I gave people completely free will. And you always have to bear the human being's freedom of will in mind, then you will also recognise whether a doctrine has originated from Me, for I gave you humans absolute freedom, I gave you no other commandments apart from the divine commandments of love, the fulfilment of which, however, also presuppose free will. So now I want to guide you into bliss, and for that reason I repeatedly convey My Word to you .... I instruct you and familiarise you with spiritual knowledge .... and once again it is up to you to believe it or not .... Yet you have to form your own opinion about it, you have to think about it and have the good intention to recognise and accept what is right. I don't expect you to blindly believe what you receive through My Word; yet I expect you to scrutinise it before you make a judgment, and after serious examination you will also recognise the truth of what you are presented with, and then you will no longer believe blindly.

But I cannot absolve many people from the accusation of having accepted spiritual values without checking them and then holding on to them .... which, after serious consideration, they would have had to recognise as being untrue .... Many people are satisfied with what was handed on to them by way of tradition, and they deem it wrong to dwell on it because this is what they were also taught .... But how do they want to justify themselves one day? Every human being received from Me the gift of faculty of thought, but does he make use of it? Why does he scrutinise the value of earthly commodities but refrains from doing so with spiritual goods? Why is the salvation of his soul of so little significance to each individual person that he would anxiously ask himself whether he can rely on the fact that he was offered the truth? Why is he indifferent to the 'truth'? For truly, anyone who desires the truth will not live in darkness .... And this state of indifference can be found wherever any kind of spiritual knowledge is

unreservedly and without scrutiny accepted because it originates from a specific source .... and precisely this source was not made accessible by Me, or the human being would live in truth and also clearly recognise it as such as soon as he forms an opinion of it. You, however, accept and believe blindly, and thus you strengthen the power of the one who is My adversary, who wants to push you into darkness and keep you there .... For you have dedicated yourselves to an organisation but not to Me, Who in fact wants to guide you to the light ....

However, you have free will and therefore I have never proceeded forcibly but left the decision to you, and as long as you have searched for Me in all sincerity I allow Myself to be found and kindle a bright light in you which also clearly illuminates My adversary's activity. And every person can possess this light by just desiring the light .... But it involves the sincere will to be released from My adversary and this necessitates a close bond with Me .... And thus you need only ask yourselves whether you .... who believe blindly because you are told to do so .... feel impelled towards Me .... No one having sought this close bond with Me has remained empty-handed, for I reveal Myself to everyone and grant him the enlightenment which illumines his path ahead. For if he is searching for Me then love is in him too, which soon will bestow upon him the correct realisation. And thus he will also be able to separate error from truth, he will no longer believe blindly, his bond with Me will release him from My adversary, who will no longer be able to keep a person in darkness once he has seen the light, which makes him happy and only increases his desire for more light .... And he will free himself from the influence of those who pretend to be My true representatives on earth, who do not live in truth themselves and therefore cannot distribute it either .... who exert spiritual coercion on their followers, which can never correspond to My will, because earthly life is a matter of the human being's free decision of will which is being prevented by the former ....

Amen

### *Sincere desire for truth guarantees truth ....*

Understand that it only requires a sincere desire for truth in order to be able to receive it .... Yet this sincere desire is rarely to be found, even though every person claims to strive for truth. But this, too, is just something people say without spending any thought on it, given that the desire for truth ought to arise from deep within the heart and not leave the person again .... he should dread nothing more than falling prey to error, and therefore he has to approach Me in his heart and appeal to Me to impart the truth to him. And it will be given to him .... If, however, the human being has received knowledge and holds on to this knowledge without ever having checked that it is true, then it will also be difficult to offer him the truth if it does not correspond to his knowledge, for he will refuse to let go of his knowledge in exchange for the pure truth .... In that case he lacks the inner desire for truth, and he will also be incapable of examining it because he fails to make contact with Me, because he fails to appeal to Me for spiritual enlightenment in order to be able to form a correct opinion. This is why it is not always possible to convey the pure truth to earth, this is

why so much spiritual information is assumed to be true although it cannot lay claim to it. And yet it is endorsed as truth .... especially if it originated from the spiritual kingdom, if people believe that they definitely have received the truth. But since the recipient's sincere desire is a prerequisite for the conveyance of truth, the 'origin from the spiritual kingdom' does not always guarantee the truth of what is transmitted to earth .... rather, it necessitates serious examination. And this has to be conducted with Me, with My support.

For the spiritual kingdom also shelters beings of darkness or imperfect beings which still uphold the incorrect knowledge they have taken across from earth and which they just as eagerly endorse in the kingdom of the beyond as they have done on earth. The human being is unable to detach himself from what he loves even in the spiritual kingdom. And that is significant for his process of development, since it can last eternities until such a soul has liberated itself, until it finally starts to accept the truth. But it can influence people in the spiritual kingdom detrimentally if it finds willing people to whom it can mentally transmit wrong information or through statements made to people who consider themselves mediums who consciously establish contact from earth to the spiritual kingdom. Such contact can and will only be beneficial if the human being is governed by the sincere desire for truth and always appeals for support through My spirit .... Then there will be no risk, then the person will build a firm wall around himself which ignorant beings cannot overstep and only the world of light will have access to him, which will truly only impart the truth from Me because it works on My instructions and because it is My will that you shall be taught the pure truth ....

And everyone should examine himself as to what extent he **wants** the truth .... He shall fear error and always pray to Me for protection from it and his appeal will be granted, for I Myself want you humans to live in truth; I Myself want you to receive it, hence I will also provide you with the opportunity, always assuming that the same will for truth is inherent in you which is your certain protection from misguided spiritual information, from erroneous thinking and wrong interpretation of what you are offered. For the truth-desiring human being will also have the right power of judgment, because I convey it to him at the same time as the truth and therefore he is also able to examine the value of the spiritual information. I Myself Am the Truth, I Myself want to enter into contact with My living creations and thus I also want My living creations to live in truth .... And I will protect them from the influence of beings which try to spread error and disguise themselves as beings of light in order to deceive you into becoming victims of misconceptions. The close bond with Me also guarantees correct thinking, correct instruction, it guarantees you the transmission of truth through the spirit .... For the spiritual spark inside of you is part of Me, and it will truly instruct you correctly .... You should all endeavour to be directly taught by your spirit so that you won't need to abide by transmissions from the spiritual world which you cannot verify because you don't know the spiritual state of those who receive such channelled messages .... for there is always a great danger of interference by beings who lack realisation .... But wherever My spirit is at work you will know that I speak to you Myself and that I really impart the truth to you because I want My living creations on earth to live in truth ....

because only through truth can they attain Me and therefore also bliss ....

Amen

*What is the purpose of life on earth? ....*

You have to know the purpose of your earthly life if your progress as a human being is to be successful and you want to reach the goal, if you once again want to become what you had been in the beginning .... You came forth from Me as supremely perfect beings, you were created in My image, endowed with all divine attributes, full of light and strength, and you were in constant contact with Me as your God and Creator, so that you were continuously able to receive light and strength from Me and thus were also indescribably happy. But your perfect nature also included free will or you could not have been called divine living creations. Consequently this free will had to open up two possibilities for you: to remain as perfect as I had created you, or to relinquish your perfection and change your nature into the opposite .... Thus you were meant to prove your 'divinity' by keeping the direction of your will in line with Mine, so that it totally merged with My will although it was completely free .... In that case, however, you also had to be capable of behaving to the contrary .... You also had to be able to fall away from Me as a sign of free will, if this was opposed to Me and My will.

I required My 'created' living beings to make this decision of will in order to be able to grant them even greater delights .... I required this decision of will of My first created being, the spirit of light, whom My greater than great love externalised and who, as My image, was intended to create and work with and beside Me in the spiritual kingdom. He had come forth from Me in supreme perfection, he was My image .... Yet one thing set him apart from Me: he received his strength from Me, whereas I was the source of strength Myself .... He certainly recognised this, for he possessed absolute realisation .... And so he was confronted by the test of will which required him to acknowledge Me as the source of strength from Which he constantly received his power .... However, his will and My strength had brought countless beings into existence, all of whom were of highest perfection, endowed with all gifts and free will which demonstrated their divine nature. And the awareness of having been the creator of all these beings made this first-created spirit, the bearer of light, arrogant, and in his arrogance he rebelled against Me.

Hence he did not pass the test of will but he voluntarily caused a separation from Me which, admittedly, was impossible to happen, because all created spirits would have perished in view of the fact that they are unable to exist without Me and My flow of strength .... but the bearer of light .... Lucifer .... deliberately turned away from Me, and therefore fell into the abyss, drawing with him a large number of beings which likewise were supposed to make a decision and deserted Me .... This occurrence, which took place in the spiritual kingdom, forms the basis of the 'creation of the world', of the countless different kinds of creations which I brought into being as the 'path of return' for the spirits, in order to guide all fallen spirits back to their origin again, in order to guide

them back to Me, because they can only be happy again when they are united with Me, whereas the distance from Me signifies a state of utter wretchedness. I Am now trying to make this information accessible to you humans, for you are these fallen spirits which are on the path of return to Me and are approaching the goal. You had changed your once perfect nature into the opposite and became imperfect ....

Even as human beings you are still imperfect creatures, but you are able to perfect yourselves during your earthly life if only you fulfil My will, if you fit in with My law of divine order, if you live a life of love and completely change your nature into love again, as it was in the beginning .... Love reunites you with Me, but you have to accept it from Me voluntarily again. You must not resist it when My love wants to illuminate you once more; you have to do your utmost in order to fulfil your task in earthly life, which solely consists of directing your will towards Me, of surrendering to Me and striving towards Me with love .... Then profound knowledge will be revealed to you, the darkness within you will recede, you will achieve bright realisation, understand all correlations and leave the state of wretchedness, you will enter into union with Me and in this unity find the former bliss again which you once voluntarily relinquished but which belongs to every being that once originated from Me as a radiant image of Myself .... and which it irrevocably will become again one day, because this has been and will remain the goal of My creation: to educate 'children' for Myself who can create and work with Me in supreme happiness ....

Amen

### *Jesus Christ's act of Salvation ....*

The return to Me was guaranteed as a result of My act of Salvation .... One day all souls will be able to stay with Me again, one day all beings which once had originated from Me will be permeated by My love again, as it was in the beginning, for with My sacrificial death on the cross I established a bridge from the abyss to the pinnacle, from the kingdom of darkness into the kingdom of light and beatitude .... My death on the cross paid for the extreme guilt which separated all beings from Me when they followed My adversary into the abyss ....

Until My arrival on earth an unbridgeable gulf existed between people and Myself which they had caused themselves but which they were no longer able to bridge by themselves since they were too weak, since the burden of sin pushed them to the ground and My adversary, too, prevented their every attempt to bridge this gulf. And thus I built a bridge by descending to earth Myself and only then made amends for the immense guilt .... by taking the burden of sin from people and shouldering it Myself I walked the path to the cross with it ....

What was impossible before has now become feasible: that people who are of good will shall follow Me and take the path of the cross, that they only abide by Me and never exclude Me again, that they want to belong to those for whom I died on the cross, and that they then find complete forgiveness of their guilt which enables their return to Me again into the kingdom of light .... I did not

forsake people in their adversity, I came to help them, I took abode in a human being's shell and accomplished in this human being Jesus the act of Salvation, for I wanted to start a path leading from the abyss to the pinnacle again ....

And My life on earth was a life of love until My death, for people lacked love and therefore I set an example to them, for only love is redeeming, because love is the law of eternal order and because .... anyone who returns to Me .... has to change his nature into love in order to unite with Me again, since I Am love Myself .... And thus the kingdom of light and earth were bridged when I descended to earth Myself. And you all have to cross this bridge in order to reach Me again, Who was unattainable to you because of your guilt.

But My love is greater than your guilt, and My love sought a way out, it tried to re-establish the connection between you and Me which was broken by you .... And thus I found a way: My love Itself made amends for the guilt and opened the path of return to Me. By then a connection had been established from the kingdom of light to earth, because a soul of light had descended to earth in which I was able to embody Myself; for this soul took on flesh .... the human being Jesus was born, Who then travelled the path on which all human beings can follow Him, which enables you to enter the kingdom of light and concludes your return to Me .... My love built this bridge for you, for My love took abode in this shell and walked the path of the cross for you, that is, it compensated for the immense guilt of your apostasy from Me which had created the unbridgeable gulf between the kingdom of light and darkness .... My love for you is infinite and wants to win you back again, My living creations. Yet My justice did not permit Me to accept you again without the redemption of your guilt. And thus My love has also made amends for the guilt on your behalf .... a human being made the sacrifice of atonement on your behalf, and I Myself was within this human being ....

What was impossible before My crucifixion became achievable through the crucifixion: that you were allowed to approach Me again, that you would be able to return to your true home again, into the kingdom of light, where you can be active again in light and strength and freedom as in the beginning. The path to Me was open, you could leave your guilt behind under the cross, you could hand yourselves over to the love and mercy of Jesus, your Redeemer, and He would then open the gate to beatitude for you, to the kingdom of light. But even this, your 'deliverance', is a matter of your free will, otherwise every soul would instantly return to the kingdom of light, but in that case My goal to prepare you as My children would not be achieved .... You have to take the path to the cross of your own free will, in free will you have to ask for forgiveness of sins, and in free will you have to desire your salvation and approach Me in Jesus Christ. And it will be given to you .... you will return to Me and be joyfully received by your Father, Who descended to earth Himself in order to set you free ....

Amen

*Test the spirits ....*

You humans should believe that I will keep sending you the truthful information about Jesus Christ and His act of Salvation, for you have to recognise and acknowledge Him .... the divine Redeemer .... as Son of God and Redeemer of the world Who had sheltered Me within Himself. But the mission He had to fulfil on earth cannot be proven to you, yet I Myself will convey the correct information of Him to you through My spirit, and this in itself will be proof to you .... For what historically cannot be demonstrated to you, shall be taught to you by My spirit .... And thus you also know that it is I Myself Who reveals this to you .... that you can 'test the spirits' by all means, for as soon as you are given information about Jesus Christ and His act of Salvation you know that it is the spirit of God, which can only impart the pure truth. You are entitled to scrutinise the origin of all spiritual knowledge, and I Myself have shown you the criterion, for no opposing spirit will ever proclaim that 'Jesus Christ has come in the flesh ....' And once you have got the proof that it is the activity of 'God's spirit' then you can also accept everything proclaimed by this spirit as truth.

My working within the human being, which expresses itself so distinctly as the transmission of My Word, cannot be interpreted or explained as personal intellectual thought, but it can be even less described as My adversary's activity, for then people only demonstrate that they themselves do not recognise the Father's voice, that they do not belong to My Own who completely hand themselves over to Me, but that they are intellectually still too active themselves or they would feel that they are addressed by Me, their Father of eternity .... For My transmission of the Word into a human heart .... be it directly or through My messengers .... will not fail to have the desired effect. It touches the heart as soon as it just opens itself and is willing to be addressed by Me; and that necessitates that the person listens to Me impartially and thus is also willing to let himself be permeated by My spirit, by My light of love ....

However, if a person undertakes a purely intellectual examination of the spiritual knowledge he received from Me, then he will hardly be able to recognise His Father's voice, for it will not touch his heart, and only this is capable to make the test. You shall not blindly believe what you inwardly reject .... Yet if My revelations are conveyed to you then you will never have a feeling of resistance, providing you desire to be addressed by Me Myself .... rather, My Words will so touch you that you would not want to miss them anymore, and you will also be fully convinced of the truth, because you are now able to feel Me Myself .... The content of divine revelations will always consist of God's human manifestation in Jesus and the act of Salvation, and this shall always be the clearest evidence for the truth, for My adversary would never inform you of the fact that Jesus Christ sacrificed Himself on the cross on your behalf, in Whom I Myself accomplished the act of Salvation .... My adversary will never try to encourage you humans to believe in Jesus, he will never preach love to you, which likewise is the substance of My revelations, for only love unites you with Me and he will prevent everything that could establish this unification.

You have to know about his nature, which is pure hatred and wants to corrupt you .... And you will be able to recognise his activity by the fact that he will

do everything to demean My divine revelations and to darken your spirit as to prevent you from recognising Me .... However, you need only appeal to Me for illumination of your spirit, and truly, I will help you and change every ambiguity into brightest realisation, if only you seriously desire it. My adversary only ever seeks to cause confusion, but he will only be successful where the desire for the pure truth is not yet prevalent; but where it exists he has lost all power, for I Myself radiate the light which agreeably touches everyone who wants to be enlightened ....

Amen

### *Understanding the working of the spirit ....*

The knowledge which is imparted to you through an instrument of My choice comes forth from Me, the Eternal Truth, and therefore also has to be true .... With good will you can certainly recognise it as a direct revelation from Me, because the transmission process of spiritual knowledge on this scale demonstrates an extraordinary ability, an ability which no human being can ever acquire himself but shows the working of a Power Which has this knowledge at its disposal and can also transmit it to people .... It is God's spirit which is speaking to people, that is, the spirit within the person, being in constant contact with the Father-Spirit, which is educating the person from within .... It is not an instruction from person to person but a revelation on My part which I promised people when I Myself lived on earth. No human being can claim that he is able to intellectually penetrate the truth, and this is why spiritual information that has originated from Me is often doubted, for as long as the human being is still spiritually unenlightened he cannot understand such 'working of the spirit' which gives evidence of Me Myself, that I reveal Myself to people in order to bring them the pure truth. Only the Eternal Truth Itself can be the Provider of truth, and then it is only up to you humans to scrutinise the spiritual knowledge as to **whether** it is the truth from God .....

Spiritual knowledge can never be proven .... but if a person is taught from within he will need no external resources, he will need no instructions from other people, and by way of inner education he will also receive illumination .... he will recognise that the imparted knowledge is the truth, because I also bestow upon the instrument, which is used by Me to convey the truth to earth, power of judgment and full understanding for everything which extends into the spiritual realm, which cannot be explained or proven in an earthly way .... which therefore has to be believed and also can be believed because it emanates wisdom and grants clear realisation and extensive knowledge to someone who accepts these revelations. When people exchange their points of view they are not protected from error, for when human intellect gets active error can occur through the adversary's influence, and full conviction of the truth will be lacking in people .... But I want people to live in truth, because only truth can make them happy. And the transmission of truth can only take place through an obedient earthly child which willingly serves Me as a vessel into which My spirit can flow. And then you humans can also be confident that the Eternal Truth Itself

is speaking to you, that it is imparting substantial knowledge to you which you will never be able to receive in any other way but through the working of My spirit. The fact that it is doubted time and again that I reveal Myself to you is proof that people still keep themselves very distant from Me, that they themselves have no connection with Me as yet and are therefore of darkened spirit, in which My adversary wants to keep them in order to prevent them from recognising Me and taking their path to Me.

Nevertheless, I know how urgently people need the truth, I know that they are taking the wrong path as long as they are not taught by Me Myself, Who instructs them truthfully and explains the purpose and goal of their earthly life to them .... And since I yearn for their return to Me I show them the path which leads to Me: I convey truthful knowledge to them which will guide them out of the darkness of night into the light of day .... The truth can only come forth from God and that is why you humans have to ask Me for it, for you have to activate your free will and desire the truth, since then the human being will also desire Me Myself .... And I will not deny Myself to any person, I will not withhold the truth from anyone who seriously requests it .... But the fact that earth is shrouded in profound darkness, that people walk along without light, simply demonstrates that they are totally indifferent to the truth, that they don't want to escape the darkness, otherwise they would truly find another path which I illuminate for them Myself and which leads to the right goal. As soon as they want to know the truth they will also realise when I reveal Myself and subsequently also know that I convey nothing but purest truth to you humans, if only you are of good will ....

Amen

*Living faith ....*

*Awakening of life ....*

Awakening into true life begins when the human being makes conscious contact with God, when he acknowledges a Being above himself .... when he thus believes in this Being and tries to join Him, that is, when he feels a relationship between the higher Being and himself and would like to continue this relationship. In that case the spiritual spark in him has already come alive and is trying to influence him from within to strive towards the eternal Father-Spirit. The spark of love has already ignited itself, thus he will always feel inwardly urged to do deeds of love, although at first they will only consist of being kind towards his fellow human beings .... But love will always be recognisable or the life in him would be unable to arise. And now this life is making itself noticeable, it is effectively a second life within himself, independent from his actual physical life which every human being experiences even if the spiritual spark in him is still dormant and he is thus spiritually dead. But only this second life gives the human being real satisfaction, for then he will be associating with God through directing his thoughts towards Him and through prayer .... And this person will not forget his God either, because God Himself will hold on to him and prevent the person from succumbing to death once more ....

Nevertheless, a distinction has to be made between the **intellectual** knowledge of Him and the **living awareness** of a higher Being, for anything taught can be forgotten again, it can be rejected at a later time; it has not yet brought the soul to life .... The latter knowledge, however, can lead to a living faith if the human being is of good will .... And then he will never lose the life again once it has come awake in him. And it can arise from the moment the human being is able to think. For as soon as he is willing to love his thinking will be guided correctly, and then he will seek the bond with God, with a Being to Whom he can give himself with confidence. For the human being feels his own inadequacy, he feels that he needs a Guide and Protector because he is aware of his weakness .... And therefore he **looks for** the Being from Which he expects help in every situation of life .... It happens unconsciously at first but it makes him very happy if he can believe in such a Being and has entered into contact with Him. This is the plain and simple faith which can be gained by every child but which is alive in him and not the result of teachings, which the child can certainly accept but which do not bestow the inner conviction upon him. For this conviction involves the child's willingness to love which brings the spiritual spark within itself to life. And everything else will then be induced by this spiritual spark, which time and again will stimulate the person's longing for the eternal Father-Spirit until the person quite consciously establishes the bond through heartfelt prayer which then, however, will absolutely guarantee the Father's care of the child and will never again let it descend into spiritual blindness, into death.

This is why the passing on of religious doctrines is not sufficient; although they will not be rejected they won't necessarily bestow 'life'. Only love manages to attain true life, and this alone motivates the children to think about the religious doctrines and look for the Father, Who will also let Himself be found .... And then the spiritual spark within the person will constantly urge him towards the Father-Spirit. He will feel inwardly pushed to bond with Him; he will feel inwardly pushed into kind-hearted activity and prayer. And both will initiate the unification with Him, which is the purpose and goal of earthly life .... both will awaken the human being into eternal life, into a life he cannot lose anymore because it is the spiritual life which has nothing in common with earthly life. And then the human being will have found his God, the child will have found the Father and surrendered itself to Him forever .... And from now on the human being cannot die again; he will live eternally ....

Amen

*Standstill of earthly life ....*

You start your life on earth without knowing the purpose of earthly life, you gradually become aware of yourselves and then you first have to be informed of the meaning and purpose of your existence. Yet this instruction by and large only concerns your physical welfare, and it can often take a long time before you become aware of a spiritual life .... before you consider your soul and its requirements. If, however, you are correctly instructed early enough, that is, if your attention is drawn to your spiritual development, then your soul will be able to prepare itself accordingly and assert its wishes, i.e. you can live a spiritual life next to the purely physical life and gain spiritual benefits for the soul .... However, a person who only pays attention to his earthly life, who only meets the body's requirements and ignores his soul, will gain little spiritual success. Only when he becomes aware of the fact that there is a different purpose and goal than merely the physical welfare of the body can the beginning of a spiritual life be spoken of. Prior to that earthly life is just a standstill, lived in vain for the soul, for the human being's spiritual development.

But every person has the opportunity to receive the information about the meaning and purpose of existence, it is just that he doesn't always believe these explanations, in which case the soul will be considerably disadvantaged .... And then it can often take a long time until the person begins to understand the worthlessness of earthly ambitions and strives towards a different, spiritual goal. Nevertheless, it has to be left up to him in which direction he shall turn his thoughts and his will, yet he will always receive instructions and then it will depend on him whether these instructions will help him gain understanding, and whether he will derive a benefit from the information conveyed to him. He has to accept this information of his own free will, he simply has to want to fulfil the **right** purpose of his life .... Then he will also of his own accord turn to the Power Which He recognises above himself with an appeal for assistance, then he will be helped in coming to the certain realisation and subsequently live his life on earth consciously.

For the human being was given intelligence, he can think and mentally consider the pros and cons and thus make a decision, it solely depends on his decision as to whether he will only live an earthly life or strive spiritually as well .... And although it also depends on his will as to whether he thinks correctly he will nevertheless always be offered the option to arrive at the correct conclusion, he will not be left without help, for it is always **possible** for him to find and travel the right path, so that his life need not be a standstill but can result in complete spiritual development. However, in the final analysis his will is always the crucial factor, for it is free and its direction cannot be determined by any means. Yet everything will be done on part of God in order to direct this will such that it will turn towards God of its own accord, and then every support will be given so that the human being will reach the right goal ....

Amen

*God's will: Fulfilment of the commandments of love ....*

My will plainly manifests itself in My commandment of love for God and other people. It includes everything you should and should not do, and if you therefore fulfil these commandments you will approach your perfection. For then you will neither be able to sin again nor remain within the old sin which consisted of the fact that you had voluntarily distanced yourselves from Me, thus you denied Me love and consequently became heartless towards all living creations which originated from Me. And thus your love for Me, if you fulfil My commandments, signifies renewed unification with Me and illumination by My strength of love, so that your past nature of light and strength will be restored again and you will possess full realisation and be able to work and create in line with your own will .... so that you will be perfect again, that is, you will have shaped yourselves into divine beings again which you were in the very beginning.

For this reason you humans must first know My will, so that you can live accordingly in order to become blessed. You have to be informed of My will and thus you have to listen to My Word which clearly and understandably reveals My will to you. My Word familiarises you with My commandment of love, with your obligation towards Me and your fellow human beings; My Word explains your distance from Me if you don't try to reduce it yourselves; My Word informs you of My love, grace and mercy, of My wisdom and omnipotence, so that the flame of love for Me can ignite itself if only your heart is willing to love. My Word also describes your fellow human beings as My children whom you therefore should approach like brothers, to whom you should also give your love if you want to fulfil My will. My Word cautions and admonishes you and draws your attention to the consequences of a wrong way of life, of a heartless way of life, by failing to observe My commandments. You have to accept My Word if you want to become blissfully happy. But leave it to Me as to how My Word shall be conveyed to you, just be willing to accept it when I offer it to you, for you can only discover My will through My Word and only through living in accordance with My will can you become blessed ....

Amen

**Who was Bertha Dudde?**

Bertha Dudde was born on 1. April 1891, as the second oldest daughter of a painter, in Liegnitz, Silesia. She became a dressmaker and began to receive pronouncements from God through the 'Inner Word' on 15. June 1937.

"In a clear dream I was moved to write down my thoughts after devout prayer. Understandably this often gave way to doubt and inner conflicts until I was convinced that I was, myself, by no means the initiator of these exquisitely gracious words; but instead it was the spirit within me, in other words, the love of the Heavenly Father was obviously responsible for them and introduced me to the truth".

"I was given knowledge of the spiritual world which far exceeded my elementary school education. I received and receive this knowledge as a dictation in a state

of complete consciousness; I write down everything I am told in shorthand, in order to then transfer it word for word to clean copy. The procedure does not take place in a state of compulsion, for example in a state of trance or ecstasy, but in an absolutely level-headed frame of mind. However, I have to want it to happen and then I can receive these dictations voluntarily; they are neither bound by time nor place.

“Now I only have one wish, which is to be able to make these gifts of grace accessible to many more people and in accordance with the will of God Himself to be allowed to do much more work in His vineyard.”

(Quotations from an autobiography from 1959).

Bertha Dudde died on 18. September 1965 in Leverkusen, Germany.
