*People's low spiritual state necessitates an end ....*

Once someone has penetrated spiritual knowledge he is also entitled to make a judgment in regards to humanity's spiritual state, and he will realise that spiritual progress on this earth is not possible anymore .... He will be able to observe that the commandments of love for God and one's neighbour are only very rarely lived up to and that the disregard of these commandments results in ever greater darkness .... He will also know that people's will itself is the decisive factor and that this is also misused, since it is turning increasingly more towards the adversary which explains why people are under his control. Salvation would certainly be possible if only people were willing to accept the Word of God, which He Himself conveys to earth and which truly has the strength to lead to a change in human thinking. Yet precisely this willingness is missing and thus humanity is irrevocably approaching the end, so that the unspiritual state will be brought to a halt and a new phase of redemption will start which will impede the endless fall into the abyss, and the being which had failed as a human being will be integrated into the process of return once again, in accordance with divine will.

Anyone who has penetrated spiritual knowledge will also understand everything that is happening .... he will know that one period of Salvation is coming to an end and that a new one is beginning, because he knows the reason for people's unspiritual state and also that God's love keeps creating ever new possibilities to lead the beings, which had once emerged from Him, to their goal. And only those people who penetrated spiritual knowledge can offer a little help by passing their knowledge on to their fellow human beings .... but then free will has to be prepared again to accept such knowledge. And people's will is extraordinarily weakened .... A person could certainly place himself into a state of strength and also attain a stronger will, but this requires him to love himself and to take the path to Jesus Christ Who, through His crucifixion, acquired unmeasured blessings, thus also the strengthening of will .... Deeds of love will always grant strength to a person, and a call upon Jesus will fortify the will, for then the will is no longer completely averted from God, for anyone who is lovingly active also establishes contact with God, the Eternal Love. And anyone who calls upon Jesus Christ acknowledges Him as the Redeemer of the world and thus also as God Himself, Who became a human being in Jesus Christ .... Hence you all can escape this state of weakness, you are not left to your own devices in your helplessness, but strength is at your disposal at all times if only you desire it .... And those who possess this knowledge will always provide you with clarification, but as long as your heart and ears are unreceptive to it

their words will remain ineffective, you will remain weak and unenlightened and won't live up to your purpose of life.

However, force will never be exerted on you on God's part, it will be entirely left up to your will as to how you deal with your fellow human beings' instructions, yet they will be conveyed to you so that you can also make this decision yourselves. If, however, your own will rejects it and you cannot find your way out of the state of darkness then you are entangled in a net of lies and errors which you can no longer tear apart yourselves, since it keeps you constrained and was cast upon you by the adversary himself. And then the only option left is to break the adversary's power, that is, to remove the opportunity for him to harass people on earth, which means the dissolution of earth with all its creations as well as all living creatures up to the human being .... hence an end for you humans with a subsequent banishment into hard matter and a reshaping of all material creations for the purpose of sheltering the still bound spiritual substances, which likewise shall attain higher development on this earth ....

A spiritual change on **this** earth is impossible because people fail to muster the will for it .... Yet that which will follow later will also demonstrate a spiritual change, for after the demise of the old earth a new earth will arise with incomparably beautiful creations, with spiritually mature people who had passed their test of faith and will on this old earth and who shall be returned to the new earth as the root of the new human generation .... For they will be spiritually awakened, they will know about God's love and His reign and activity throughout the universe and they will also know that all creations only serve the once fallen spiritual beings to attain full maturity, they will know that divine order must be observed and that everything which leaves this order will require endless time in order to reach the goal again one day, to integrate with the law of eternal order and to live a life of selfless love .... And at the end of an earthly period love will have grown completely cold amongst people, thus profound darkness will be on earth, for only love is the light which penetrates the darkness .... And only the one who lives in love will also penetrate spiritual knowledge, he will ignite the light within himself and all the terrors of darkness will be over for him .... And this bright light will illuminate the new earth, and all people will be fully enlightened for they will live in love and walk with God, Who is Love Himself and the Light of eternity ....

Amen

*Cycle ....*

*Concluding a period of Salvation ....*

The circle is completed .... It is the end of a period of Salvation which began a long time ago and can be spoken of as a very significant phase of Salvation because I Myself descended to Earth in order to accomplish the act of Salvation on behalf of all fallen spiritual beings. And after this act of Salvation the first fallen spirits were able to return, they acknowledged Me and will remain with Me forever because they voluntarily shaped themselves back into love .... But now a new period of Salvation will begin .... And this first necessitates the dissolution of all material creations on, in and above the earth and a total transformation of the earth's surface. And once again a judgment of spiritual beings in every degree of maturity will take place, new creations will arise which will receive the spiritual substances according to their degree of maturity and will help them to develop further; and a new human generation will come forth from those people who remained faithful to Me, who will survive the final battle of faith on this earth and thus pass the last great test of will .... And these people will form the root of the new human generation which will occupy the new earth .... whereas everything that is still utterly opposed to Me will be banished in solid matter to start its higher development again ....

An earthly period comes to an end, and that means that one cycle has been completed again .... that many souls will have left their external cover for good and finally have returned into the spiritual kingdom again .... that they thus found complete redemption through Jesus Christ and then comply with their purpose in the spiritual kingdom, that they continue to ascend ever higher because there is no limit in the kingdom of light and because all My children will eternally strive towards Me, since it increases their happiness to always find fulfilment of their love and never to lessen their desire for My love .... And likewise the process of returning the spirits on earth will continue .... For an infinitely long time and countless periods of development will still have to pass by until all spiritual beings are redeemed .... I say this to you, My servants on Earth, because I can only initiate a few people into My plan of Salvation, for only a few can grasp this reign and activity of Mine in order to guide the fallen spiritual beings back to bliss ....

The connections from Earth to Me are established ever less often, a living faith in Me is ever more infrequently to be found which is the requirement to convey this knowledge to people. However, wherever possible I will constantly influence people through the mouth of those who offer their active service to Me. They find little credence with their fellow human beings and yet I reveal My plan of Salvation through My messengers to all people who want to accept My revelations. And I inform them of the fact that once again one phase of Salvation is coming to conclusion and a new one will begin. And this will be an extremely painful process for those who do not believe, who have handed themselves over to My adversary, who did not find redemption during this period of Salvation and who therefore will have to go through the process of development once more .... I would like to protect everyone from this, I would like to lead them back and let them enter the spheres of the blissful spirits but I cannot let My love work contrary to law ....

People must enter the eternal order during the final stage of their development, only then will I be able to accept them again in My kingdom, which they once left of their own free will. This period of development, during which I Myself lived on earth in the human being Jesus, has been extremely beneficial .... All people would have been able to release themselves from My adversary by merely availing themselves of the blessings of My act of Salvation, for My act of Salvation was accomplished for all people past, present and future. And My spirit will also convey this knowledge again to the people on the new earth .... For My immeasurable love wants to help all fallen beings to ascend, and as soon as a person allows himself to be guided by Me, as soon as he merely surrenders his opposition and acknowledges Me Myself in Jesus Christ he will also have started on the path of return to Me, which the man Jesus walked as a good example to him .... And then he will also enter the law of eternal order and the process across the earth will one day be over for him as well, he will step out of his physical cover and pass into My kingdom of light and beatitude ....

Amen

### *Satan's and the demons' activity during the last days ....*

All demons will be unleashed during the last days of the end; hell will spat out its most evil spirits and the prince of darkness will transfer his thoughts onto them to act destructively amongst people on earth. And you humans will be living in the midst of his domain and will be in constant danger of being devoured by hell and its forces .... But they cannot compel you .... as yet it is still up to you to let them be victorious or to defend yourselves against their onslaughts and you will truly not be at their mercy because the good spiritual world will also stand by your side, it will merely wait for your call in order to be able to help you. All hell will have broken loose and God's adversary will know that he won't have much time left and will really make every possible use of this final time of his. And many hellish forces will take possession of people if they don't resist them, if they themselves delight in the conduct by the evil world. The demons will try to take control of their own kind, they will take possession of their body and then commit truly evil things, and that alone is a sure sign of the end .... For only too often they will have an easy game, people will follow their suggestions only too willingly and scrupulously accomplish what the former demand of them. The prince of darkness will have truly gained great power over people, and therefore his activity will become ever more obvious, after all, he believes himself able to win the final battle against God. Consequently he will not leave any stone unturned in order to incite people against God, he will not even shy away from assailing those who want to work for God, he will use his accomplices to cause them grief with the intention to destroy their faith in God and he will try to extinguish any light coming forth from God .... His arrogance will know no bounds and thus he will exalt himself above God to an extent that it will result in a speedy end to his activity.

However, people will be drawn into this battle and should prove themselves therein. For they will not be without knowledge about God's love and power and

will be able to call upon Him for protection and help in every adversity, which then will definitely be granted to them. Thus no human being will need to be afraid of this coming adversity and pressure on part of the dark world, because the path to God is open for everyone and no person can be prevented from taking it. The demonic activity is also easily distinguishable by every individual and would be able to make them think. And, thus, these forces will fight in vain wherever people are of good will, because they are on God's side and the world of light will form a wall around them. You humans should indeed be careful and always on your guard but you need not be fearful, for your resolve will banish the danger or defend against it .... And therefore the direction of your will depends entirely on you. Every look you take into the adversary's realm is noticed by his vassals who constantly entice you ever deeper into their domain. This is why great care is required but all those who have the serious will to resist them are also guaranteed to receive strength. You can certainly be **tempted** but not be forced .... Nevertheless it will be and remain a fight for those of you who want to remain faithful to God, which will last until the end. You will be able to survive it and emerge victorious, for you can expect as much protection and help from God's side as His adversary can gain influence over you, and you decide for yourselves to whom you concede more right. However, the activity of hell and its forces will be recognisable everywhere, and people more than ever will give way and hand themselves over to them. And therefore the time will come when God Himself will put a stop to His adversary's activity and put him and his followers into chains, so that there will be peace again amongst people of good will ....

Amen

*New banishment inevitable for the adversary's followers ....*

My eyes rest full of pity on the degenerated human race which is controlled by My adversary and unwilling to pull itself away from him. It has willingly surrendered to him and thereby denies Me the right to intervene effectively, for I will not proceed against My adversary's will, since you want to belong to him yourselves. Yet he keeps drawing you ever further down, he is preparing your downfall, for you will fall back to the depths from which you had started your process of development across earth and had to pass through all creations in order to one day finally exist as a human being. And now the same fate will be granted to you, since this is what you want and you do nothing to escape from his power. And even though this information is presented to you, you don't want to believe it, and there is almost no other way left to change your thinking unless the tremendous affliction, which will befall the entire earth before the end, can still achieve it. As long as you are able to think there is still the possibility that you will spend some thought on yourselves, that you will consider the death of your body and wonder what will happen afterwards .... Yet by and large you will dismiss such thoughts, you don't believe in anything at all and assume that you will cease to exist when your body dies.

But you are hugely mistaken and will have to pay heavily for this mistake, however, you refuse to accept a truthful explanation and cannot be forcibly influenced either. And faced by a serious crisis you just revolt against the power which inflicts this on you, for as soon as you are in serious trouble you gladly blame someone else for it, even if you yourselves deny a God and Creator .... Yet you cannot stop misfortunes and have no option but to acknowledge a power which is stronger than you are .... Consequently, such strokes of fate and extraordinarily severe adversity are the only means left which could still change your way of thinking, and I have to use them in view of the end and considering the fate, which I would like to avert from you .... Don't feel sorry for people who suddenly have to depart from this life, for they will still be able to find some light in the beyond, if they are not already completely enslaved by My adversary and then also sink into the abyss in order to be banished into matter yet again .... But woe to those who will experience the end without having changed their conduct of life, their thinking and their unbelief .... They cannot be saved anymore, and even the greatest mercy on My part, My infinite love for all My living creations, will be unable to avert the fate of a new banishment from them, because it is the only option for the soul to attain perfection one day when, after an infinitely long time, it lives on earth as a human being again and consciously travels the path to Me in order to become liberated from every form.

And this new banishment amounts to a deed of love on My part, because I will seize this soul from My adversary's power and subordinate it to My will again. And as a human being it will only be able to release itself from him if it consciously calls upon Jesus Christ to be redeemed .... And since people on earth no longer believe in Him and appeal to him for help, they cannot be released from his control either, and he invariably will pull them down into his domain .... Yet you humans have free will and thus are just as able to direct it towards the divine Redeemer as to him .... and you would be saved for time and eternity .... Since you don't do so you will consequently also have to accept the results of your opposing will towards Me.

But time and again I will impart the relevant information to you, I will speak to every one of you through the voice of conscience, and I will make him realise the fleeting nature of all worldly pleasures and commodities, I will let him personally experience suffering and adversity .... And finally I will speak to him through the elements of nature .... Yet I will not force his will, and therefore he only has to blame himself for the fate he is approaching .... I would like to bestow him with unlimited happiness .... He **himself**, however, chooses the state of wretchedness, the state of utter torment and of being constrained. And thus he will receive what he desires, for his inclination for earthly matter will result in his own banishment into hardest matter again. For although I have every power at My disposal, I will not forcibly influence the will of a self-aware being or I would be in breach of My law of order, which will never be possible .... Yet I will speak to people until the end, and anyone who pays attention to My Words will be saved from the fate of a new banishment, and he will thank Me eternally that My love has pursued him until he changed himself ....

Amen

*Gulf and bridge ....*  
*Renewed banishment ....*  
*Circuit of flow of love ....*

The gulf between humanity and Me grows deeper and deeper, for the number of those who believe in Me with conviction continues to fall. The strength of My representatives on Earth gets constantly weaker, they certainly speak in My name yet are not the distributors of the pure truth. Ever more people leave the faith and turn to the one who is My adversary .... they turn to the world which is his kingdom and thereby increase the distance from Me which they should reduce during their earthly life. They move away from Me and broaden the gulf that separates them from Me. Yet this only works up to a point, for once the limit has been exceeded when the strength of My love no longer affects them, the spiritual substance within people hardens again into solid matter .... As long as the earth still exists the defected people will remain within the circuit of My flow of love, yet leaving it signifies the disintegration of the forms which shelter the spiritual substances .... it signifies the death of people as well as of animals, it signifies a dissolution of creation and a restoration of the same.

No being can distance itself from Me with impunity, for it will lose its life if it loses Me. And so, anyone who wants to stay alive and does not want to lose his life ever again must strive towards Me and look for Me, he must endeavour to reach Me and thus lessen the gulf between us. However, without faith in Me as Father and Creator of eternity there is no path across this gulf, for the bridge leading to Me is invisible .... Only faith makes the bridge apparent, for faith causes people to call upon Me. Faith in Me leads to prayer, which is the safest bridge to Me. Untold people go past this bridge and even those who should be their leaders often don't find the bridge themselves because their words are lifeless, because the paths they take are unsuitable to serve as a bridge, paths, which time and again lead back to the beginning; because their words of prayer do not emerge from their heart and therefore do not reach My ear either, thus they do not use the bridge which is the only path that leads across the gulf to Me. Sooner or later, however, even this bridge will not exist anymore, for once My Own have come across it will be too late for the others, because then every path will be cut off and there will be no more escape for those left behind; then they will be devoured by the abyss, the earth will admit them again and everything will become solidified and become matter once more, because it didn't strive to ascend but chose to reach the abyss ....

Amen

*God carries out his plan of Salvation ....*

You will never be able to prevent Me from implementing My eternal plan of Salvation. I have indeed said that you will be able to avert much from yourselves through heartfelt prayer, but My plan of Salvation is based on humanity's will which I recognised from the start and thus was also able to appoint the appropriate times when the great transformations will take place, and I will indeed adhere to these times. Due to his heartfelt prayer I can certainly avert occurrences from every individual person, I can guide every individual in a way that he will not be affected by the events which I allow to befall people if I want to achieve My purpose: to continue the process of return, which has come to a standstill .... Yet I have always predicted exceptional events to you, and these predictions will indeed fulfil themselves since they must fulfil themselves if the divine order is to be restored again. And I have truly known throughout eternity at what point the divine order will no longer be observed and have therefore always been able to refer to this time and mention the substantial upheavals which will irrevocably occur according to My announcements. But people will never believe these announcements undisputedly, for what is prophesied to them as shortly forthcoming surpasses human notions ....

They will certainly be able to recognise the course of world events, that a change will have to happen because people have reached the lowest point, as is clearly evidenced in their self-indulgence and an excessive craving for a good living standard, earthly commodities, honour and power .... Thus they would be able to recognise by the signs of the time that these announcements have a certain justification, which they ought to take seriously and then live their own life accordingly. But their unbelief is already too great for people to listen to such indications. They unreservedly live a purely earthly life and reject all thoughts of drastic change. And this is why humanity will be taken by surprise by a catastrophic natural event on a scale which has never been experienced on earth before, which will end many people's lives and lead to unprecedented chaos of huge proportions and mean immense misery for people. This is a last warning sign and shall therefore be constantly proclaimed to people .... My messengers shall draw people's attention to it so that they will recognise the truth when this event takes place, so that they will make good use of the last days before the soon-following end for the maturity of their souls. Admittedly, they will find little or no belief, and yet I keep instructing My messengers time and again to speak up wherever possible. People don't want to be disturbed in their lives of pleasure but they will get a sudden shock, and the forthcoming event can mean the end for any individual person, and he will be not be able to take his material possessions across with him. And this is what he shall always bear in mind, for even if he is usually not willing to believe he nevertheless knows that he cannot prolong his physical life by even one day because the hour of his death is predetermined, and he knows that one day his end will come and that this can happen at any day, that he will have to leave everything behind which amounts to the purpose of his life. And therefore he should not value earthly goods so highly but procure himself possessions for eternity .... And he would only be acting intelligently, whereas a purely earthly life is no sign of prudence but only attests to confused thinking ....

My plan of eternity, however, will be carried out and the day I have set for Myself will be adhered to, because the human generation no longer fulfils its earthly task and will therefore be devoured by the earth with the exception of those who have recognised Me, who believe in Me and remain loyal to Me until the end .... For the earth must continue to serve its purpose as a place of education for the spiritual substances which are on the path of return to Me .... And this is why the great work of transformation cannot be omitted and everything has come to pass as I always predicted, because I don't leave people without warning and offer everyone still enough opportunities to find Me and seek union with Me in faith and love. And truly, these shall still be saved before the end .... I will call them back earlier so that they will not run the risk of descending completely but they can still mature in the beyond .... Or I will remove them from the earth at the end and take them to a place of peace because they are intended to populate the new earth again as the root of the new human generation .... You humans should believe what I announce to you time and again, for there is not much time left, and everyone of good will can still be saved, so that he will not meet the dreadful fate of a new banishment ....

Amen

*Last Judgment is an act of divine love ....*

The Last Judgment also has to be considered an expression of God's love, for this, too, is based on the continued development of souls which had failed their last test of earthly life and which have to be placed into a new developing process in order to reach the final goal one day. Hence the Last Judgment is, in a manner of speaking, a finalising rearrangement of what had become disorderly .... it is for judging and integrating it into the various forms which correspond to the soul's degree of maturity .... it is the conclusion of one developmental period and the beginning of a new one in line with My plan of eternity which is based on profound wisdom and love. Even a **judging** God remains a God of love, because My justice is only able to take effect as My love deems beneficial for the soul and yet compensates the wrong thoughts and conduct of people who become subject to this judgment. Even the greatest sin will somehow have to be atoned if it hasn't been handed over to the One Who offered Himself as a sacrifice of atonement .... A balance has to be created in order to diminish this great guilt, and precisely this balance is guaranteed by the Judgment .... by placing the soul, having become sinful, into a situation where it has to reduce this guilt, since it had not voluntarily accepted the gift of atonement ....

The Last Judgment is by no means an act of divine wrath but just an act of love which also expresses My justice .... since this cannot be excluded from a supremely perfect Being. I could certainly let each person feel My righteousness separately, I could more or less punish every sinner immediately .... but this would not correspond to My wisdom, and in that case My love would hardly be recognisable. For I Am exceptionally long-suffering and patient and postpone a judgment, like the one at the end of a developmental period, for as long as possible, in order to still gain people for Myself beforehand .... And I place My

protective hand over the unrighteous and wicked, because I wish to defeat them with My love and not be feared by them as a punishing God .... But once the point in time has arrived when I restore order, because there is no further hope of a voluntary return to Me, My love seemingly has to withdraw and yet, it alone is the driving force ....

My love brings a satanic situation to an end and prevents further destructive activity by My adversary .... I rescue souls from falling into the deepest abyss .... I constrain them within solid matter again and thus place them into the developmental process once more .... a judgment which yet again only intends **Salvation** and not everlasting **death** .... and which therefore indeed even more demonstrates My love for everything I have created .... for everything that is dead and shall attain eternal life ....

Amen

### *Judging' the souls at the end ....*

The hour of reckoning will come, the hour when every person will have to justify himself before his Judge .... For order will have to be restored again sooner or later and everyone who has transgressed this eternal order will have to be answerable .... The sentence will be passed in accordance with justice .... Every soul will experience the fate it has prepared for itself; the spiritual essence, which has taken the path through the creations, will be moved to where it belongs in relation to its degree of maturity .... the old creation will be dissolved, i.e. all forms will be reshaped into different kinds of works of creation, and the unredeemed spiritual substance will be placed into these forms either to re-start or to continue the path of salvation, depending on its degree of maturity. At present you humans still do as you want and please, and you are not prevented from doing so, irrespective of how God-opposing your actions are .... But the end will come soon, and you will no longer be able to do as you want, because the time will have passed when you were able to work for your soul's salvation. For you will not have used the time in accordance with God's will but strengthened your soul's cover even more and thereby will have prepared your own fate by becoming increasingly enslaved by matter, and thus you will become matter again yourselves, which you had already long overcome. Yet the law of eternal order will have to be fulfilled again one day. Every spiritual essence, which lived on earth as a human being, will have to receive new forms, since higher development has to continue where it was interrupted .... And the spiritual essence which had failed in its embodiment as a human being has to be given a new opportunity to integrate itself in the process of return .... This could indeed be called an extremely harsh judgement but it only ever corresponds to the human being's own free will, which he had misused on earth .... with the result that his soul will gain banishment into matter, it will be dissolved again and will have to take the infinitely long path through the creations until it once again enters the stage of a human being ....

One day it will achieve the final goal and leave every external shape behind, but it extends or shortens its own time until it can finally enter the kingdom of light

in a redeemed state. And although God is inconceivably merciful and patient and in His love constantly tries to encourage people to make the right decision of will .... one day the time will come to an end and then His righteousness will come to the fore, and He will re-establish the old order which, however, will also signify a 'judgement of the soul' .... a transfer into the external form which corresponds to its state of maturity .... And, at the same time, this 'judgment' is the end of an earth- or salvation-period .... It will necessitate a destruction of all works of creation on earth which shelter unredeemed spiritual substance that travels along its process of development in a state of compulsion, as well as people who did not use their earthly existence to progress in their development. They, too, will be 'judged' .... that is, according to their spiritual maturity they will be placed into hard matter again .... You humans are now facing the end of this old earth, whether this seems credible to you or not .... Time and again your attention will be drawn to this fact in order to improve yourselves before the event and to enter the law of eternal order, which only requires a life of love, for love is a divine principle which you, too, as His living creations, will have to acquire if divine order is to be observed.

You are constantly admonished by seers and prophets, who proclaim this near end to you, to consider your real purpose of earthly life, so that the end will not catch you unawares and you will have to step before God's judgment seat laden with sin if you have done nothing to fully mature in the final form .... as a human being, even if you are not yet released from your original sin by having taken this guilt under the cross and prayed to Jesus Christ for redemption from it .... Only he can take all guilt from you, and then you can step before God's judgment seat free of guilt, and you will not have to fear the Last Judgment, then you will be able to exchange your stay on earth with the spiritual kingdom, which is your true home .... You will be able to enter the kingdom of the blissful spirits and neither have to fear the end of the old earth nor new banishment, for the eternal God is not a strict but a righteous Judge, Who will give to you all in accordance with your own will ....

Amen

*New banishment of the spirits ....  
Salvation in one era ....*

The most severe punishment for any spiritual being that has already lived embodied as a human being on earth, is to be placed into hardest matter. Countless creations are proof that untold beings have to start their process of development again. As long as there are spirits in need of development, material creations will also exist to serve as carriers for the spiritual substance and, due to their usefulness and different external forms, depending on their shape and more or less hard substance, will enable it to develop. As long as these creations do not cease to exist the spirit is not yet released either.

It is possible for the spirit to evolve from hardest matter to a human being in the course of one period of Salvation. This opportunity is available .... But it requires the surrender of resistance within a specific length of time, which is

just as possible but very often fails due to the spiritual substances' obstinacy which is so God-opposing at first, that an eternity can pass until its resistance is broken or has lessened. And this resistance is demonstrated by creations which, to the human eye, appear to remain unchanged, often throughout an infinitely long time .... creations, which effectively form the earth's crust, which have to be forcefully dissolved through divine will if the spirits are to be provided with an opportunity for higher development. Consequently, one period of Salvation does not suffice for this spiritual substance.

Nevertheless, at the end of this era it can sense the turmoil in the universe and then will surge towards a new transformation of its own accord. The resistance to God will decrease because it senses God's enormous strength and might, and God will take its needs into account and at the end of an era will dissolve all creations. This signifies a turning point for the spiritual substances which had been bound in inactivity within the earth through an eternity. The spiritual substance will now be willing to be of service and will subsequently be placed into an external form which, at first, will only permit minimal activity. Thus the process of development above earth begins and will, with certainty, also lead to the embodiment as a human being, albeit only after a long period of time.

This is an additional explanation about the forthcoming final destruction of earth which is part of the eternal plan of Salvation, and even though many people's lives will fall victim to it, it will nevertheless be a release for the spiritual substance which ardently awaits its new transformation ....

Amen

### *The atheist's fate ....*

It is the adversary's greatest triumph if he totally dissuades a person from having faith in a God Who brought the world into existence and also created himself .... Then he will have achieved what he wanted, to displace God completely from the human being's thoughts. Then he need no longer fear to lose him. Yet a person who completely denies a God is generally also an unkind person in life, therefore the adversary is able to influence him, while a person with just a spark of love left can still gain the realisation that a spiritually tangible Power exists Which determines his destiny and on Which he is dependent. The former, however, is wholeheartedly attached to the world. Nothing else exists for him apart from this earthly world, and he believes that he will cease to exist and return into nothingness again after his physical death, as a result he will take whatever earthly life offers him. And although such a person can possess sharp intellect he will be misguided by God's adversary, he will even arrogate himself to quote substantiations which intend to shatter the belief in a God. He will try to explain that all creations arose from a natural power .... However, he will refuse to accept the fact that this natural power must be an intelligent **Being** in possession of will, and his thinking will continue to be wrong and confused as long as he fails to kindle a small light within himself through kind-hearted actions .... which, however, are completely unknown to him. Thus he will still be totally enchained by the adversary. And therefore an atheist will

almost certainly approach a renewed banishment, for he will completely fail in his last decision on earth. He will still be as opposed to God as he was when he apostatised from God, he will belong to the adversary and in the end will also have to share his fate .... Such a person cannot be intellectually enlightened either because he does not want to believe and will therefore also dismiss all spiritual knowledge as imagination and fantasy ....

Trying to convey spiritual knowledge to this person would be entirely futile, for God's adversary is his lord and he will never allow him to become enlightened, he will always keep him in profound darkness and let the world's deceptive lights appear the more brightly to him, so that the person will be totally incapable of accepting spiritual knowledge. The adversary will have taken complete possession of him and will no longer let go of him either. But in earthly life it is only important that the once fallen original spirit will now acknowledge God in the stage of a human being .... that his original sin will be taken from him, which can only happen through Jesus Christ, Whom he must acknowledge and Whose act of Salvation he has to profess, then he will also acknowledge God Himself Who, in Jesus, accomplished the act of atonement for his original sin .... But for as long as the human being lives his earthly life entirely without faith he will remain burdened by his guilt and will never ever be able to enter the spiritual kingdom but will have to endure the process of development through the creations of earth in horrendous pain for an infinitely long time again. For even in the kingdom of the beyond it will not be possible to change an atheist's mind and to persuade him to surrender his resistance to God because, like on earth, he remains closed to all instructions, and he cannot be enlightened against his will. However, were only a person on earth who believes himself to be unable to have faith seriously interested in knowing the truth as to whether a spiritually tangible God and Creator exists .... then the efforts would truly not be in vain, for then he would keep thinking about it and also achieve a different result by intellectual means, for enough evidence exists within Creation which could change his mind .... But even such people will time and again receive blessings, time and again they will be given small gestures of support, for God's love also pursues these people and tries to win them over for Himself, time and again He offers His hand to them which they need only take hold of so that they would subsequently be able to release themselves from the adversary's control. Nevertheless, his will shall never be forced, and therefore the person determines his own future fate and will have to take the path across earth in a constrained state again, because this complies with the law of eternal order ....

Amen

*Spiritual turning point is not a reversal but renewed banishment ....*

Development for the better is no longer possible on this earth, people will not even remain on the same level but descend constantly, they live beyond all bounds and distance themselves from Me to such an extent that they live their earthly life entirely without strength, hence it is totally pointless. And therefore a substantial change is intended to put an end to humanity's spiritual decline and to pave a new path which will lead to an ascent again. You humans are unaware of My plan of Salvation apart from the few to whom I reveal Myself. But you would be able to take notice of it were you at all interested in the issue as to what forms the basis of all events around you. Yet your questions are different, the questions you are concerned with only relate to earthly advantages, to ways and means of procuring a wealth of earthly goods. You only increase your knowledge in this field and ignore all spiritual matters. But therefore you will also be taken by surprise by the forthcoming events and will be unable to find an explanation if you intellectually search for it. However, the knowledge of My plan of Salvation would explain everything to you, the knowledge of My eternal plan of Salvation would let you look at everything from a different perspective, and it would awaken your sense of responsibility because your soul's fate after death is determined by your way of life. Then a small improvement could still be achieved, although only a few will take the explanation seriously which is offered to them by knowledgeable people. And therefore I will bring one period of development to a conclusion and let a new one begin.

This should certainly be looked upon as a spiritual turning point yet not as a reversal or a sudden advancement of the souls' development, instead it is far more a total failure on the one hand and the creation of new possibilities for development on the other. For that which failed during the old period of development will start its process of development again in the deepest abyss; hence it will not continue an interrupted process of purification. This is why the time before the end of this epoch is so extremely significant since it will, after all, shape the fate of countless souls as to whether they live or die. A continued existence of this earth would by no means benefit these souls, because they severed the bond with Me long ago, thus they are entirely without faith and in this state will not make use of the blessings either which could ensure their spiritual progress. Until the end every effort will still be made to save the individual souls, that is, to draw their attention to their purpose, yet they cannot be supported against their will and this will only strives to descend, it only applies to matter which shelters the lowest developed spiritual substances. And I always take the soul's will into account, it shall receive what it desires .... and therefore hard matter will become the external cover of that which had already reached the last stage of development on earth .... the souls of the furthest distanced living creations will be banished again in the creations of the new earth. And time and again this dreadful fate shall be presented to people, time and again they shall be given the information of My eternal plan of Salvation, because it is the time of the end when every person should become aware of the great responsibility he bears for his soul, because he can still use the last days for the salvation of his soul if he has the will to do so. He should know that an end will come and what this end means for his soul, he should know that there

will be no postponement but that it will come true what seers and prophets have announced since the beginning of this epoch of Salvation, that the end will come without fail and with it the last Judgment, which will decide over life and death, over light and darkness, over reward and punishment .... over hell and damnation and paradise and beatitude ....

Amen

*The concept of 'hell' ....*

*Renewed banishment ....*

*God's infinite love ....*

Even the most depraved living creation is a child of My love. Therefore it also has My unabated care to return to Me one day, even though it will have to travel a far longer path in order to bring itself into line with Me and My fundamental nature. But I will not let it fall, and whatever can be done on My part will be done by Me in order to help the creature to recognise and change itself. However, the distance is often so vast that the opposing force has greater influence and My illumination of love remains ineffective. For this reason it may also take eternities until it comes a little closer to Me but I will never abandon it .... However, when we talk about hell this relates to an accumulation of such depraved living creations in the beyond, which had already passed through earthly life with negative results and which continued to descend ever further in the beyond because they submitted themselves to My adversary anew .... Therefore, before a renewed banishment of the creations on earth takes place, which always signifies the beginning of a new era of Salvation, these adherents of Satan move within spheres where they can indulge in their most evil passions, where they inflict all kinds of evil deeds on each other and where constant fighting and arguing prevail and where they always try to draw weaker beings into their domain .... hence where they, on instructions of My adversary, act such that they will sink ever deeper. These places have no boundaries; hell is, in a manner of speaking, wherever such deeply fallen beings congregate, where they rage against each other .... on account of which one can also speak of on earth of hell and of states of hell when evil-minded people are hostile towards each other and wreak all kinds of havoc. All these beings are nevertheless My living creations on whom I take pity and whom I would like to release from their sin and their bondage to My adversary, for they are still wholly under the influence of the one who rose up against Me and who also incited all of his created beings to revolt against Me so that they, too, apostatised and became wretched.

But they had **also** been My children because they emerged from My **strength** which permeated My adversary without limitation and which enabled him to create these beings in the first place. Therefore My love also belongs to these beings no matter how deep they have sunk .... which will now also explain to you humans why a new creation of earth will have to take place. For I Am just as concerned about these unhappy creatures in the deepest abyss as I Am about the people on earth .... I also want to prepare a path again for those

which have already languished under My adversary's control for an infinitely long time; I want to wrest them away from him and constrain them once more in solid matter so that their path will go upwards again, so that the immense resistance they still offer Me will slowly wane .... My love for those having descended remains unchanged and will never diminish either, but there is no other way to demonstrate My love than through a renewed banishment into earthly creations, there is no other way to achieve success or their return, therefore it follows that a transformation of earth is necessary, as I always and forever proclaimed to you. Only love determines My every activity and reign throughout the universe, even if you humans are unable to detect love therein .... Sooner or later you will understand My plan of Salvation and give thanks and sing your praises to the One Who also guided you out of darkness and death, Who wants to give happiness to all beings which emerged from Him .... and Who, with invariable love, also considers those which require His love most urgently because His adversary is keeping them enslaved ....

Amen

### *Agonies of a renewed banishment in solid matter*

No words can describe to you the agonies which a renewed banishment in solid matter entails for the spirits, because this state is inconceivable for the human mind. The spiritual substance perceives itself as a being and yet is unable to use its will although it is aware of it as evidence of its existence as a being. The spiritual substance is held captive and was originally created as something that was able to be freely active, hence its helplessness and weakness and constrained state result in inexpressible agonies which usually make it revolt even more instead of becoming submissive to God's will. Humanity is in possession of free will and is approaching this very painful state .... It would still have enough time to avert this destiny from itself yet it is not open to any presentation by knowing people, and it is completely lacking faith in retribution, in the soul's continuation of life on account of which instructions will not be able to achieve anything and thus the adversity of most people's souls is extremely severe.

As yet the human being is still lord of creation, he is effectively in charge of it and able to avail himself of the creations according to his will .... but one day he himself will be a work of creation again, at first a lifeless, immovable object which can be used but also remain unused throughout an inconceivably long time .... one day he will be very far behind that which he is at the present time and an infinite length of time will pass by until he has evolved into a human being again, into the being which is endowed with free will and the strength to use this will. However, the many stages it will have to pass through, the countless torments it will have to endure in a bound will and the activities it will have to accomplish are not comprehensible to a person and therefore hard to believe for him. And yet he himself is responsible for the fate of his soul after his body dies. As yet he still has the strength to carry out deeds of love which will avert this bitter fate from him, he still has the opportunity to take notice of God's will by listening to the divine Word, and if he complies with this will

his nature will change and gain the right to a state of light and freedom after his physical death. As yet he is still able to use his intellect, he can think about himself, his Creator and his purpose of life and, if it is his will, he will also be able to believe .... God approaches every person with His grace and gives them a small incentive to move in the right direction, to choose the right path.

If the person is not opposed to it then he will let himself be pushed onto the right path and the true goal will be assured to him. Yet God also pays attention to opposition, that is, He does not force a person against his will .... but the person also bears the responsibility for his soul, he himself prepares its fate which will be extremely painful, and to its inexpressible regret it will have to take the path of a renewed banishment, for God's grace may not be rejected given that this also means a rejection of His love and thus a distancing of the soul instead of coming closer to Him, which is the purpose and goal of earthly life. Only a few people will take the right path during the last days, and thus the adversity is gigantic and urgently requires corrective action. This is why God's servants on earth should mention the dreadful fate which will await the human soul if it does not change during the last days before the end. Time and again the end shall be described to them as approaching imminently, for time flies and demands utmost activity in order to still save those souls from the downfall which accept the admonitions and warnings and are willing to do what is good. For the day will come unexpectedly and will throw countless people into ruin, into death, i.e., into the constrained state within matter from which they will only be able to release themselves after an infinitely long time. Be warned, you humans, for it concerns eternity, it concerns you yourselves, your souls, which are in acute danger and yet can still be saved if you are of good will ....

Amen

*Are dissolved particles capable of suffering? ....*

Every being will forfeit its self-awareness again if it totally fails as a human being and can no longer escape the fate of a renewed banishment .... And this is the most dreadful thing that can happen, for although having been dissolved into countless minute particles it is no longer able to feel like a whole entity, as you humans assume, it nevertheless experiences inconceivable agonies, because the spiritual being, which was once created as a free entity and already had partially regained its freedom again as a human being .... is now constrained and experiences this constriction as dreadful torment. For My once emanated strength had been self-aware beings, they had been able to live to the highest degree, thus they had not just been dead shells .... yet they became like that when they apostatised from Me .... When the spiritual substances became hard the actual life had escaped from it, that is, My strength, which gives life to everything in the first place, no longer permeated these shells .... And the dissolved minute particles will also remain without life as long as they cannot be illuminated by My strength of love .... The fact that these lifeless tiny particles can nevertheless be sensitive is incomprehensible to you humans .... In that case, however, they would never react when My strength of love tries to capture and

enclose them so that the fallen spiritual substances can be reshaped into matter .... For even its resistance is a reaction which demonstrates that the spiritual substance feels a certain amount of pain and tries to put up a fight .... And the whole of Creation is in this state of torment, for it is subject to a law of which I Myself Am the Originator .... It is not free and has to subordinate itself to My law of eternity .... which is extremely painful for the spiritual substance which once was created as a free being .... However, would it not feel this agony, it would never ever be possible to change this lifeless state again .... You humans will never be able to understand this, but you should believe it, otherwise you would not need to fear a descent into the abyss and you would be completely indifferent as to what will happen to you after the death of your body. On earth you have your self-awareness again and are free up to a certain degree and yet not entirely happy as long as you have not found unity with Me by completely handing yourselves over to Me ....

Nevertheless, as long as you are alive you can still attain the latter .... If, however, you lose your self-awareness again then you will also lose all freedom, your activity will be determined by My will once more leaving you unable to use any will of your own, you will be bound within deepest darkness without knowledge of your existence, because you will be dissolved and only perform those functions which your God and Creator has decided you should do .... And if you, in a mature state of soul, are one day able to view this long period of time in the state of compulsion, then you will also know about the inconceivable agonies your soul had to endure in the countless forms, and you will also understand why My love is constantly admonishing and warning you in order to spare you this appalling fate. For you cannot vanish again into nothingness, and because you are immortal .... albeit dissolved .... then that which remains will never be insensitive either .... You humans should only ever content yourselves with the information I convey to you as truth .... I want to rectify misguided assumptions like the one that the dissolved spiritual substances lack sensory perception, that its state is therefore synonymous with 'non-existence'. Then the process of development would not be a maturing until the state when it receives its self-awareness again as a human being, for all spiritual beings only redeem themselves by way of suffering and being of service, both before their incarnation as a human being as well as during their human existence .... It should not be forgotten that the being had burdened itself with tremendous guilt due to its past apostasy and that it will increase this guilt again if it does not make use of the last time of grace as a human being and descends again into the abyss. And although a complete redemption through the being is not possible, it will nevertheless have to make amends and suffer for as long as it is not released from this guilt through Jesus Christ's act of Salvation .... To accept Jesus' work of grace and compassion is the human being's task in his earthly life, and therefore he could easily ascend .... If he fails and rejects all help from above, if he descends again into the abyss, then it will also be understandable that his path of suffering will start again when the soul is dissolved again and the path through the creations starts all over .... And neither will the suffering come to an end until the immense guilt is, sooner or later, redeemed through Jesus Christ, when the human being's will is ready to take the path to the cross and to appeal to Him for forgiveness of his guilt .... And this great blessing is at

the disposal of you humans on earth .... If you don't use it and pay no attention to it then your suffering will not come to an end, for you are very distant from Me, your God and Creator, and that always signifies lack of freedom, light and strength and consequently you will not be happy either ....

Amen

*Beatitude or renewed banishment depends on free will ....*

Whatever you may desire on earth, your wishes shall be granted .... For you will receive whatever you desire once your life on earth is over. If you desired spiritual possessions, the spiritual kingdom will provide them to you in abundance, if earthly commodities had been your wish then the earth will accommodate you again .... the matter you aspired to will become your cover once more as it had been an incredibly long time ago .... But you will always have created the fate yourselves which is granted to you after your passing away .... If, however, the grace is bestowed upon you to be recalled before the end of this earth, then a short time will still be granted to you during which you can still discard earthly desires, during which spiritual wealth is offered to you once again which you need only seize in order to take possession of it for the sake of your salvation. Yet once again it depends on your free will whether you still make use of these final blessings or let them pass you by unused in order to then be embodied into earthly creations once more because you asked for it. But you can only be blissfully happy in possession of spiritual wealth .... This is My constant admonition and call for caution which applies to all people as long as they still live on earth .... You will all have to bear the consequences of your earthly life, for it is the law of divine order which cannot be revoked by My love and I cannot, for the sake of 'grace', bestow beatitudes upon those who live their lives on earth contrary to My will, contrary to My eternal order .... who are merely the servants of the world and therefore deprive themselves of the expectation of a blissful spiritual kingdom .... As long as this earth continues to exist My flow of divine grace is still open both on earth as well as in the beyond, and all wrongly thinking and living souls will be offered blessings but they shall all keep their free will ....

However, as yet there is still the possibility of a change of will, all those who are misguided .... be it on earth or in the beyond .... still receive kind-hearted advice to consider their actual task; as yet the spiritual world eagerly endeavours to gain access to people's thoughts on earth, just as beings of light approach the souls on the other side, and they all only strive to direct their thoughts correctly, to turn their eyes towards Me and to awaken a desire for light in them, so that they will not walk past the fountain of grace where it opens itself, from which they can draw to benefit their souls. But even this time of grace will come to an end and then the day will come without fail when every soul receives what it desires .... And anyone who never paid attention to spiritual wealth will be left empty-handed and will have to accept a dreadful fate .... Then the period of Salvation will have come to an end, then an infinitely long night will start for the souls whose will was wrongly directed .... But inconceivable bliss will

be granted to those who made an effort to reach Me and learned to despise earthly commodities .... The kingdom of the beyond, however, will likewise be only a kingdom of bliss, for all wretched souls will have to go through the excruciatingly painful process of development again, but only in order to one day attain the freedom again which they had misused in this earthly life. Sooner or later all beings will be able to make a free decision again and it will depend on them whether they prolong their time of agony or enter into beatitude again within a short time .... But all will receive help to reach the goal, for I pour out My blessings without limitation, and anyone who makes use of the blessing will be relieved from all adversity and pain ....

Amen

*Separation of the spirits ....  
The end of an earthly period ....*

The path as a human being through earthly life is the once fallen original spirit's last phase of development on this earth .... it is the conclusion of the time this spirit was granted for its higher development, it is the conclusion of the period of time during which the original spirit is able to attain perfection again if it makes good use of the last phase, the stage as a human being, if it turns its will in the right direction during this time. Thus it is able to achieve its goal of entering the kingdom, from whence it originated, in a completely spiritualised state again; it is able to return to the light, to the Primary Source of eternity, to the Father, from Whom it formerly emerged as His living creation. But although this earthly life is short, compared to the infinitely long period of time of preliminary development, the great risk nevertheless exists that the human being will misuse his will again, that he will not strive to attain his perfection but descend into the abyss again .... And since this is his free will he cannot be prevented from doing so, just as he, vice versa, cannot be forced to turn his will correctly. Hence it is a matter of testing his will for the second time, and he has to pass this test as a human being or his course through earthly life will have been unsuccessful .... which might also result in a renewed banishment into matter if he is not granted the last grace to gradually ascend in the kingdom of the beyond under far more difficult conditions than on earth. This possibility still exists for as long as the earthly period has not yet been concluded because the realm of the beyond is still open to the souls which depart from this earth in an immature state. Yet the gates to the beyond will close as soon as this period of Salvation comes to an end and a new one starts again .... For the end of an old era also means the complete separation of the spirits, it means a reintegration of all spirits into external covers or creations which correspond to their degree of maturity.

And for the purpose of a renewed banishment hell will also spew out everything during the last days, then every possibility to advance further in the kingdom of the beyond will also be over, on account of which considerable redemptive work is still carried out in order to still save souls from below from a repeated banishment into matter. Substantial sifting will take place in the beyond and

on earth. And if people on earth would consider how far they have already progressed and how near they are to attaining their perfection they would truly muster all their strength in order to still make good use of the time they have left until the end .... Yet no matter what is said to them they take nothing seriously; they don't use the time in order to reach their goal and the last grace of their embodiment as a human being is passing them by ineffectively, for even all other means of grace bestowed upon them during this time are either not accepted or used incorrectly, and an infinitely long process of development is coming to an end without have reached the right outcome for the human soul .... for the once fallen original spirit, which is intended to return to God .... However, people can only be admonished and warned, and that happens to a large extent through the divine Word which God's greater than great love conveys from above to people on earth as an exceptional means of grace .... And all people will be addressed by it and need only open their heart and ears in order to feel the strength of the divine Word and to assuredly ascend. Thus every human being has the option to obtain strength for himself, he only has to be of good will and strive to fulfil the purpose of his earthly life .... He must live the short time until the end of his life consciously, he must want to comply with the will of the One Who had given him his life, he must hand himself over to Him and appeal to Him for strength and grace. Then he will also reach his goal, for this appeal will always be granted to him, and God will bless everyone who turns to Him for strength and grace, and his earthly path will not have been in vain ....

Amen

*Disintegration ....*

*Work of destruction ....*

*Renewed banishment ....*

Spiritual progress can never be achieved in a world of hatred and unkindness, and therefore the earth is failing in its real purpose of helping the spiritual substances embodied in it to attain higher development. Therefore the time has come for the manifold creations, which are intended to accomplish this purpose, to be dissolved and to release the spirits for the purpose of receiving new forms. For humanity, however, this disintegration signifies a fall from its already achieved advancement into the deepest abyss; it signifies a return into hardest matter and a repeated process through all works of creation on the new earth. But due to their lack of love people are completely ignorant and have neither time nor will to dwell on what lies ahead of them if the information is presented to them. They do not concern themselves with spiritual problems and this, too, is a sign that the time of the disintegration of the old earth has come. They are not open to any relevant clarification, they only live for their earthly interests and refuse all spiritual conversations. Consequently, admonitions and warnings are fruitless.

If, however, there is no further likelihood for a spiritual change to take place on earth, if a spiritual forward motion is completely out of the question, then only a complete decline can be expected; but God will not allow this to happen, instead

He will transform the earth prior to it. This certainly involves a complete work of destruction yet it is intended in the plan of eternity in order to provide the completely degenerated human race, that is, the bound souls within, with the possibility of higher development again, because God's infinite love will never let anything fall completely, even if it is still totally opposed to Him. Earth's final destruction is therefore an act of supreme compassion at the same time, yet it will come to pass without fail in order to prevent an even further decline of people who, due to their heartlessness, have already severed every connection with God and widened the gulf between Him and themselves and thus lack all strength for higher development. And this is why God will come to their assistance, He will deprive them of their external cover and confine the spirits again, so that the infinitely wide chasm, which was established by people's free will, shall become less again in the state of compulsion, so that the spiritual substance will come closer to God again in the constrained state and once again receive the opportunity to use its freedom of will correctly in order to attain God, if only after an infinitely long time ....

Amen

*End of a period of salvation and start of a new one ....*

There will be no spiritual change during this period of Salvation anymore. People have lost faith in Me, and even if My Gospel is spread throughout the world there will only ever be a few who accept it; yet increasingly more will fall away whose belief was just a conventional faith and who only need an incentive in order to cast it completely away when a decision of faith is demanded of them. Only a small flock of people have a living faith, who establish the contact with Me in their hearts .... only a few people associate with Me like children associate with their father, who therefore also always experience My evident help when they encounter difficulties and who thus will also passionately endorse Me because they are inwardly convinced, thus have a living faith. And this number will not get much larger ....

The battle of faith, however, which will be waged everywhere and the beginnings of which are already noticeable everywhere, will merely reduce the number of the faithful, for then everyone will be willing to surrender Me for the sake of earthly gain, and they won't muster the courage to fight for Me because they are lacking living faith. And thus the earth will ultimately no longer fulfil its purpose of serving the souls to attain spiritual maturity .... Most people's earthly progress is in vain because it does not lead to the souls' maturity, which is the reason why they live on earth .... Nevertheless, the spiritual beings' development has to continue .... And therefore the earth will have to be restructured so that it will be able to be and remain a place of education for the spirits, as it is intended to be ....

Consequently, this period of Salvation will come to an end and a new era will start. New creations will shelter the spiritual substances whose development was prevented .... which necessitates a dissolution of these creations so that the bound spiritual substances can be set free and placed into new forms again ....

And so people, too, ought to take an impending end into account and those who failed on earth will have to be banished into creation again, into the hard matter on the new earth. And if people cherish the illusion that humanity's spiritual attitude might still change on this earth, that they will come to believe in Jesus Christ and His act of Salvation and in this belief live a different way of life with spiritually orientated intentions and aspirations, then it will remain the wishful thinking of a few people which will never materialise. For My adversary is in authority which people themselves had granted him; and his activity will so get out of control that he will have to be bound .... and for that reason alone an end will have to come, so that his activity will be stopped or no-one would be able to become blessed anymore .... And this time has been referred to ever since the beginning of this period of Salvation; and no matter how far away these announcements seem to you humans .... one day even the future will become the present, and that has to be said to you time and again. This is why a spiritual change must come, however, not on this earth anymore but in a world of peace and happiness .... A new developmental era will start with spiritually highly evolved human beings, whom I will remove from this earth due to their loyalty of faith and lead back to the new earth again .... And then a spiritual change will have taken place and people will live in peace and harmony again .... in constant contact with Me, their God and Creator, and the blessed beings in My kingdom. For then love will reign again on Earth, My adversary will no longer be capable of influencing the people on the new earth, for he will be bound for an infinitely long time .... until people themselves loosen his chains and enable him to exert his influences once more. But prior to that there will be a long time of peace and happiness ....

Amen

*Reference to the end ....*

*Renewed banishment ....*

It has been amply proclaimed to you humans that you are approaching difficult times, time and again you have been admonished and warned to stop and change your conduct into a God-pleasing way of life .... Time and again it has been pointed out to you that your soul will be in great danger if it suddenly has to give up its earthly life and enter through the gate to eternity .... Imminent Judgment has been announced to you, the spiritual and earthly upheaval of earth .... your attention has been drawn to the renewed banishment on the Day of Judgment. You have been exhorted to eagerly work at improving your soul in order to avert this fate of a new banishment from you .... But you listen to it and yet do not seriously believe that everything that has been predicted might come true .... You have no faith, and without faith you don't have the right sense of responsibility towards your soul, which suffers dire adversity .... For only a few more days remain which, however, would be enough to provide it with a certain degree of maturity if this were seriously aspired to. People lack faith and even the believers harbour slight doubts when the near end is being mentioned to them .... even the believers don't want to accept unreservedly what they are

told about the end, although it comes from above. And you must keep your freedom of will, you may not be coerced, and so the days pass by without any achievement for you as long as you do not willingly strive to attain spiritual maturity. Yet then you will no longer doubt that which you were foretold .... As soon as you spiritually strive of your own accord everything you were expected to believe will also become a certainty for you. Then you will also be able to confidently inform your fellow human beings as to what time it is and that the end is near ....

Only someone who is convinced of it will also be able to proclaim the near end with conviction and everything else which humanity is approaching. Only a few are certain that the end is near, for they recognise the signs of the time and are able to recognise it because they look at everything from a spiritual point of view and thus also consider that the time of the end has come. You humans should pay attention to the signs which were announced long ago. Then you will also realise the hour in which you live and it should not be difficult for you to believe in an end and in everything that is associated with this end. Whether you like it or not, you don't have much time left .... Only, the believer will still endeavour to draw a spiritual benefit from this information, whereas the unbeliever will not even utilise these last days, which he will bitterly regret one day, if he is not granted a renewed banishment, which is such a dreadful fate that the human being should do everything in his power in order to avoid it. This is why he will be informed of it time and again, the knowledge will be conveyed to him as to what will happen to the souls which fail during their earthly life and which will no longer be admitted into the kingdom of the beyond because the time has come to an end .... This knowledge should motivate them to eagerly work at improving their soul. But only a few people believe in it, and proof may not be given .... For this reason countless souls are at risk of losing their earthly life and, at the same time, having their substances dissolved again for a new process of development through the creations of the new earth. They would still be able to avert this danger from them during the last days but they must voluntarily work at improving themselves, they must .... if they think that they cannot believe .... consider the possibility that it is true what they are told and subsequently live accordingly, and they would gain a considerable plus for their souls and not get lost when the day of Judgment has come ....

*Renewed captivity ....*

What will happen to you humans if you don't change cannot be described to you pessimistically enough, for it will exceed your worst imagination .... It is most dreadful for you, because you will have to give up your already attained degree of freedom, because you will be constrained and for infinitely long periods of time find yourselves in captivity again, until one day you will meet the same fate of living as a **human being** on earth once more .... But irrespective of how shockingly your fate is described to you, you don't allow yourselves to be affected by it and yet, you would still be able to avoid this fate if only you would

take it to heart and change your ways .... For I only require you to change your nature, I only require you humans to change your attitude towards each other, that you help rather than fight and antagonise each other, that one will make the other happy and offer kindness instead of being mutually nasty and intensify the hatred in yourselves. I only require every individual to make an effort in cultivating unselfish neighbourly love, then his whole nature will change and then the person will make contact with Me Myself, and the danger of a new banishment after the end of this earth will no longer exist for him ....

And even if you don't want to believe what awaits you, you should nevertheless try to improve yourselves, for a life of love would still only have beneficial effects on earth, because then you will have the energy at your disposal which a heartlessly thinking and behaving person is lacking .... The forthcoming fate can only ever be portrayed to you as a horrible experience to which you will fall prey yourselves .... And you should only ever be encouraged into loving activity if you want to evade this dreadful outcome .... If you find it difficult to believe .... you can nevertheless still live a life of love, and you will soon know for **certain** what you don't want to believe, for then your spirit will become enlightened by love and you will clearly recognise the inevitable consequence of a violation against the law of order .... because then you will be able to observe cause and effect in every event and experience .... Yet anyone who remains indifferent to these admonitions and warnings will experience what he could have avoided .... and he himself will be the victim of his life without love. For all his strength will be taken away from him and the utterly weak substance of his soul will harden again, the most solid matter will confine the being again and the release from it will take infinitely long periods of time .... in order to finally arrive at the same level you are at the moment .... An infinite cycle, which will repeat itself until you exclude yourselves through conscious endeavour and a conscious connection to Me .... Only then will the process through matter be over and the path into the spiritual realm assured for you ....

You could already achieve this now if only you would put My will into practise: that you release yourselves from all restraints through loving activity, that you believe in Me and seek contact with Me .... and that you establish this contact precisely through this loving activity .... You are able to do this while you still live on earth and the energy of life is at your disposal, but you only have very little time left .... Use it well, believe My Words, believe that an appalling fate awaits you, and consciously avoid this fate by just striving to live correctly and honourably and practising neighbourly love. It is an urgent exhortation which I proclaim to you with a loving heart: Change yourselves before it is too late .... Remember Me and remember your neighbour with kindness, so that you become free and don't have to fear what is approaching you ....

Amen

*The Flood ....*

*Last days ....*

*Worldly progress ....*

Shortly before the end it will be just like it was at the time of the Flood. People will have a great liking for all worldly pleasures, they will indulge their physical longings and vices, they will lead an immoral and unethical way of life and send no thought to the One above, Who is Lord over heaven and earth. For they will have no more faith .... The spiritual level will be the lowest ever since the beginning of this developmental period. Mocking and blaspheming they will confront the few believers with hostility, pursue them and deny them everything they need for living. They themselves, however, will feast and gorge themselves, they will live and love .... but their love will be false and their way of life wrong, for the devil's servants will populate the earth in the last days, and the disintegration of earth will merely end a state which no longer allows people's higher development.

It will be a time of sinfulness which will go beyond all imagination. God will be completely displaced and those who believe in Him will be in danger of being killed .... And God Himself will put an end to this period, the last day will arrive suddenly and unexpectedly amid the ecstasy of the world in which the people of the last days constantly live .... Hence, prior to this an apparent progress will be noticeable, everything of a worldly nature will be offered to people, their demand for worldly things will be extreme and everyone will unscrupulously grant himself whatever his mind desires; the strong will fight the weak and the winner will be the one who heartlessly acquires what he doesn't deserve, because he is supported by Satan himself who bestows material favours on him and incites him to increased enjoyment of life.

Sin will escalate to an alarming extent and Judgment will come to pass when no-one expects it. For once people have reached this level of development they will have to be devoured by the earth, as they will have become true servants of the devil and completely deny God. And then the hour of accountability will come to all sinners, the day of God's Justice will arrive, the Day of Judgment will come to all who belong to God's adversary and the day of Recompense for the few who are faithful to God, who persevere and don't fall prey to the temptations of the world .... as it is proclaimed in Word and Scripture .... A salvation period will come to an end because humanity will be ready for its downfall.

Amen

*Renewed banishment is the reason for the unusual revelations ....*

I Am revealing Myself in an unusual way before the end to you humans by conveying knowledge to you from which you should draw the consequences .... knowledge which so far had been withheld from you because it was of no significance for your salvation of soul, because you still had time to change your character and were also still able to achieve this in the beyond although under far more difficult conditions .... But it was still **possible** for you to be redeemed for as long the time you were granted for releasing yourselves from the form had not yet run out .... This time, however, is drawing to an end and that means either your return to Me or the renewed path through the creations of earth. But the knowledge about the latter has been withheld from you until now, for it would only have induced you to spend your earthly life under a certain amount of duress, which I, however, will not use for the sake of your perfection .... But now it concerns the human being's last free decision, it concerns the soul's salvation or its renewed banishment, because after the end of this earth higher development in the spiritual kingdom will become impossible for a long time to come, since the gates of this kingdom will remain closed until the new earth has **again** entered the state in which immature people will depart once more from this earth, in which case My merciful love will also want to help them attain maturity in the beyond again. Yet before **this** period of Salvation comes to an end I will still make use of all means in order to save you from the awful fate of a renewed banishment .... And therefore I inform you humans of the path you have already travelled before you reached your embodiment as a human being on earth. And My revelations are so unusual because most people are lacking this knowledge. But since the fate of a renewed banishment is only now becoming the imminent disaster .... since until now the opportunity still existed to mature in the kingdom of the beyond if it was neglected on earth, it was not necessary for people to know about the prior long process of development before .... although occasionally I was able to address people directly and so introduced them to this knowledge ....

However, now the time has come when people are in utmost danger but when it is still possible for them to avoid this danger if they have the serious will to endeavour towards a change .... And the knowledge about the process of development, of a repeated banishment in matter is intended to motivate them into this change of will .... This is why I reveal Myself in an **unusual** way, this is why I convey a knowledge to earth which can have tremendously beneficial results for people by just paying attention to it, by allowing My Words to take effect on them, think about them and then also live their life accordingly. But there are only a few who believe what is conveyed to them by extraordinary means .... And I cannot compel faith .... Therefore I cannot reveal Myself by any other means but through a human mouth either, for an enforced faith is worthless and will not result in the soul's progress. But the fact that I Myself reveal My plan of Salvation to you is a significant light which you humans are still being granted .... If you want to live in this light you will definitely take the right path .... For although I speak through a human mouth it is nevertheless the evidence of My love .... if I send My Word directly to earth, it is the evidence of My presence, in other words: you can call it an extraordinary gift of grace

if you are taught about things which are inaccessible to a person's intellectual knowledge ... which therefore cannot be explained to you by other people if I Myself do not work extraordinarily in this person too .... Therefore pay attention to My unusual revelations, don't discard them as human work but believe that it is only My love which wants to reveal Itself to you because I would like to save you before the end, because I want to spare you the fate of a renewed banishment which, however, is inevitable, if you do not believe ....

Amen

### Who was Bertha Dudde?

Bertha Dudde was born on 1. April 1891, as the second oldest daughter of a painter, in Liegnitz, Silesia. She became a dressmaker and began to receive pronouncements from God through the 'Inner Word' on 15. June 1937.

"In a clear dream I was moved to write down my thoughts after devout prayer. Understandably this often gave way to doubt and inner conflicts until I was convinced that I was, myself, by no means the initiator of these exquisitely gracious words; but instead it was the spirit within me, in other words, the love of the Heavenly Father was obviously responsible for them and introduced me to the truth".

"I was given knowledge of the spiritual world which far exceeded my elementary school education. I received and receive this knowledge as a dictation in a state of complete consciousness; I write down everything I am told in shorthand, in order to then transfer it word for word to clean copy. The procedure does not take place in a state of compulsion, for example in a state of trance or ecstasy, but in an absolutely level-headed frame of mind. However, I have to want it to happen and then I can receive these dictations voluntarily; they are neither bound by time nor place.

"Now I only have one wish, which is to be able to make these gifts of grace accessible to many more people and in accordance with the will of God Himself to be allowed to do much more work in His vineyard."

(Quotations from an autobiography from 1959).

Bertha Dudde died on 18. September 1965 in Leverkusen, Germany.
