Clarifying traditional doctrines

You have already been assured many times that everything you have received from Me Myself through the working of the spirit within you can be supported by you as pure truth I will certainly not let you live in error if you have the sincere will to live in truth to think correctly and if you always ask Me to impart the truth to you But people are frequently unwilling to abandon erroneous thoughts because they have accepted a mental concept which they deem to be irrefutable truth because they had repeatedly adopted and passed it on over a long period of time. And since no particular knowledge was necessary for the souls to mature, but more likely would have confused people's thoughts, they did not need additional knowledge either. But if a person's desire to attain (receive) clarification is very strong, he will also receive it, because only I can give clarification, only I can instruct those people correctly, who allow the working of My spirit within themselves

The Word I convey to people excludes all error, but the person who receives My Word has to free himself from all spiritual knowledge received from other sources, because truth can only be given to a heart devoid of error in other words, I can only exist where My adversary has left

You humans rely on the Book of Books and believe that its content has not been subjected to forgeries But I repeatedly tell you that nothing remains pure once it is handled by imperfect human beings. Although it will indeed always be similar to what had originally emerged from Me but you have no guarantee for undistorted spiritual truth and this even less the further back you look at the earliest time of people on this earth Whatever you are told about it now is only partially true, because pure truth is an attribute of perfection and people are not perfect, consequently you cannot rely on the reports from primeval times which you still consider to be the only truth

The truth will never remain pure throughout the generations, whereas error and a misguided doctrine will be tenaciously supported and even maintained for a long period of time without infringement. And these misguided teachings are people's foundation, and they are not willing to be taught differently either until once again an opportunity arises when the purest truth from above can be conveyed to people But this is not accepted if it differs from adopted ancient spiritual dogma, and only those who desire the truth with all their heart will be touched by it and accept a teaching even if it contradicts traditional doctrines.

My spirit does not err, but My spirit cannot always work in a person who allows himself to be drawn into the world when he wants to know things which cannot be considered to be spiritual knowledge, which are of no importance for the maturing of the soul and which the person usually has already answered himself, and thus by his own thoughts he prevents the expression of My spirit This is a danger which can only be eliminated by means of an intimate bond with Me and a constant request for protection from error. And if it now concerns

a teaching which has never been doubted since time immemorial, which every person has accepted as his mental property by being unable to believe any other account, it cannot be disproved either if I don't want to compel a person's thoughts But anyone who desires the pure truth will receive it and then also gain the inner conviction that it is the truth The point is to transmit spiritual knowledge to earth during the last days which should make My reign and activity in the universe understandable to people, so that they can extract from it the right explanation for everything, because this pure truth shall be taken along to the new earth.

Consequently, misguided teachings will have to be revealed and counteracted by pure truth, and that is only possible if I Myself, as the Giver of truth, can work within a human being who is so loyally devoted to Me that he unconditionally accepts what I offer him, and then also distributes what he receives Particularly at the time of the battle of faith it depends on who has accepted this truth, for he will endure all attacks because the truth has also given him the necessary strength to defend it. The issue is not that the human being should know everything, but every misguided teaching, which was spread amongst humanity by My adversary himself, will be used by My adversary during the last battle of faith to destroy all faith in people when they will have to recognise that they had supported implausible doctrines, and these very doctrines will be quoted by your enemies themselves to encourage you into surrendering everything. You do not know his cunning and trickery, but I know how he proceeds against you who want to believe.

And therefore I inform you of the facts wherever possible. And you, who are receiving My Word, will soon be faced with questions which you cannot answer in any other way but with My given clarification from above, and then you can also understand why such knowledge was given to you by Me, which appears to contradict the Book of the Fathers and yet is the pure truth For the origin of this book can no longer be examined by you for its credibility

But when I speak to you Myself then I Am also the origin of the spiritual information you receive, and then you need not fear that you receive errors, because I Am the truth of eternity, and I give it to those who sincerely desire it. And ever since the beginning I have informed the people Myself, because the first human beings heard My Word within themselves, but they only possessed the degree of knowledge which was necessary to recognise Me Myself and to fulfil My will. However, due to My adversary's influence the light of awareness faded steadily, the less they observed My commandments. Amongst the first human beings were also embodied beings of light who would let their light shine amid the people, but the growing heartlessness of people resulted in an increasingly darkened state of mind And time and again I spoke through the mouth of the prophets to repeatedly kindle a light in them again

When Jesus descended to earth, because the darkness had become almost impenetrable, a bright light was emitted yet again into humanity's spiritual night And you must know that error could always establish itself during such times of spiritual darkness And the people who had accepted the task to record the events which were compiled in the Book of Books had not been without misconceptions either

Consider the length of time which has passed since and don't believe that such records have been truthfully preserved throughout this time But I have always been able to tell you through enlightened human beings what you require for the maturing of your souls And these messages have always remained the same, time and again they have been made known to people as 'My Word', and I will continue to convey My Word to earth time and again so that humanity can obtain the pure truth. However, historical records cannot be described and valued as 'My Word' as long as they do not relate to spiritual events which had taken place in the spiritual realm at the time of and after the creation of the beings, which had been brought into existence by My love

You should know of these events, and thus you will be instructed in all truthfulness, because you should know the meaning and purpose of your earthly existence And thus I will also give you clarification about the process of return of what had deserted Me and shall return to Me again and this in all truthfulness Hence you were also given clarification about the origin of creation and the path of all fallen spirits through the works of creation up to the human being The origin of the human being has also been explained to you, but every event of creation had occurred countless times, because I have no limitations and My strength is constantly at work besides, countless (innumerable) spiritual beings were also in need of the works of creation, the human being cannot even imagine their huge number. But the human being limits himself even in his thinking and therefore he will also be subject to wrong conclusions, which can only be rectified again by Me if My spirit is allowed to work in him. Then the correct clarification can be given but only if a truthful clarification about it is requested because it has nothing to do with the achievement of a person's spiritual maturity But such a clarification has been requested and therefore the prayer has been fulfilled

Amen

Will of resistance to truth (Bible)

The poverty of people on earth is such that they are not accessible to God's truth They can only find salvation in truth and refuse to accept it they oppose it with an extremely strong will of resistance because they are trapped in fallacies and lies Only pure truth would be able to enlighten them but people shield themselves from it and yet cannot be forced to surrender their resistance This is proof that God's adversary has great power over humanity, and particularly during the period before the end it is proof that heaven is suffering violence, and whoever wants to seize it for himself has to use force. He has to take a forcible step and achieve his separation from all falsehood, all untruth he also has to be ready to surrender his knowledge if he wants to receive pure truth. Above all he has to desire the truth with all his heart and mind Then he will be able to withstand God's adversary, and then the adversary's power will

be broken Who gives you humans the assurance that the ancient, adopted records correspond to the truth?

Why do you cling so firmly to the distorted reports of human inadequacy and do not consider the Words spoken on earth by the Lord Himself? And His Words can truly be correctly understood if they are not just contemplated by the intellect but also by the heart Although His Words can indeed be misunderstood as well they will always allow for the meaning which corresponds to the pure truth But this does not apply to the words which were added by human beings to the pure Gospel of Jesus Christ Because the meaning of human spoken words becomes fixed And human spoken words result and have resulted in serious misconceptions and confusions, but they were equated with the Lord's Words and yet they would only be of equal value if they had been a direct expression of the divine spirit However, such words completely concur with the Word of the Lord You can severely hurt yourselves if you commit yourselves to words that deal with human nature far too humanly

You should know that the spirit of analogy was far more prevalent at the time when Jesus Christ lived on earth than today, but people could understand each other because almost everyone knew the key to the parables, and thus metaphorical comparisons were sometimes used as well which, however, at a later time were interpreted word for word by people But as soon as you compare the Word of the Lord Himself with every question of doubt you will also understand the meaning of the figurative comparisons but you should never give them precedence over the Word of the Lord He brought the pure teaching to you humans, He provided you with information, and His Word has still retained its purity, it is merely frequently misunderstood But this does not apply to the words which had been added to His pure Gospel, because these did not remain unchanged, and from time to time human will had substituted the expression of the spirit with intellectual thought And this resulted in almost imperceptible changes but which completely sufficed in creating confusion in giving rise to misguided teachings, which are truly a great danger to as yet spiritually blind humanity And this, too, is a reason why God reveals Himself over and over again to human beings, why He, as the eternal truth, repeatedly transmits the truth to earth, why He imparts His Gospel in all purity to those who, in their desire for truth, pray to Him for it and are willing to pass it on God's spirit has certainly always conveyed the pure truth to His servants, yet time and again the working of the spirit will be negated by common sense people, because people have free will which God does not infringe upon even if spurned by His adversary it interferes with the pure truth. But time and again God will purify what people have spoilt time and again the eternal truth Itself will reveal Itself time and again the light of truth will shine for those of good will who open themselves to receive its ray of love

Amen

Interpretation of the divine Word

The 'Word of God' has been subjected to many amendments, and it is still amended, so that My Words were not in vain when I said: I will guide you into truth Because I knew that My Word would not remain unchanged and thus I promised to send My spirit to those who kept seeking the pure truth and made it possible that I could reveal Myself to them But as far as possible I have always protected 'My Word' from amendments so that the deep significance of My teachings could be retained

Yet My Word was interpreted such that this resulted in misguided teachings which I consistently fight against by conveying the correct explanation to people And hence it will no longer matter whether and to what extent the writers of the Gospels were commissioned by Me, but solely what you humans have made of the Words that were written with the best intentions and with the will to serve Me. Even My scribe John could not prevent that the original text was changed by people, that the translations were not flawless and therefore were often interpreted differently. Hence it was possible to give My Words, which were preserved in the original text, a completely different interpretation, because they were mainly spoken to My disciples and therefore intended to be passed on but they understood the spiritual meaning of My Word. They did not convert it into worldly instructions but in the course of time these replaced the true meaning of My Word

Therefore, in view of the many translations that were carried out during this time, it was not possible to preserve the Gospels in their original form. And if a spiritually awakened person had pointed out the error as soon as he recognised it, he would have been sharply denounced as a heretic. Where My adversary had succeeded in even spoiling the prayer that I Myself had taught you, by portraying My essence incorrectly without people even noticing it, he has made good use of their spiritual ignorance and blindness And thus even today the concept of the 'working of My spirit within the human being' has not yet been sufficiently clarified, in as much as My 'representatives' on earth are arguing as to whether the words I spoke to My disciples were meant only for My disciples or whether they were meant for all people thus whether everyone should heed them.

But I continue to transmit the pure truth to earth, therefore it is of no significance whether everything has been preserved unaltered, because I knew what the amendments would be, and because I kept giving clarification where necessary where the divisions of the churches occurred, which were always based on differences of opinion The division of schools of thought always happened when My representatives on earth disagreed, when each one believed to understand My Word correctly and a dispute ensued as a result. They could not twist My Word but they succeeded in changing its meaning. And thus a number of fundamental words of Mine were misunderstood, which resulted in one division after another and finally in the commencement of many sects, each with their different problems, but with not one of their followers knowing anything about the 'working of My Spirit', or he would have taken the path to Me for clarification as a matter of course.

And if I want to bring clarity again and inform people of My will I need to find a vessel which puts itself at My disposal to which I may speak Myself and through which I tell people how I want My Word to be understood. Because today the confusion is greater than ever, and every person interprets the Word for himself as it suits him And if humanity is to be given a light it can only happen by way of inner enlightenment, so that people can be taught by Me directly, but then they can also convincingly present their knowledge to other people. But then every question will also be answered and every problem will be solved, then you will be guided into truth, as I promised you

Amen

'I will guide you into truth'

Truth cannot long keep as pure as it is when it comes forth from Me, therefore I already told you during My lifetime 'I will guide you into truth' because I knew that My Word, which I brought to you Myself, would not remain pure either And this will always be the case as soon as it is studied by human inadequacy, as soon as the pure Word enters the region of imperfect human beings who look at it from an entirely intellectual point of view. Hence I kept sending My pure Word from above to earth but it has always been spoilt again. You humans have no guarantee that the Book of Books is protected from change, because I do not interfere with people's free will and can only ever safeguard a presenter of My Word if he commends himself to Me and asks Me to protect him from error. However, you humans are not at risk from misguided thoughts if you spiritually and in truth ask Me to enlighten your spirit, then you will also know where error has crept in

But the claim that I Myself protect My pure Word from becoming spoilt is incorrect, because this would question the free will of human beings, who can do whatever they want with My spiritual information. And thus you also need to consider with regards to the Book of Books that changes were made in the course of time which I could not prevent precisely because of human free will Consequently, the necessity for a new revelation constantly arose again which had to clarify the existing misconception. Hence you humans only have to want the truth, but you should not feel certain to have the truth because you can obtain it from the Book of Books otherwise I would not have needed to tell you so clearly and precisely that 'I will guide you into truth' Furthermore, you also have to take into account that the working of My spirit is always of a spiritual nature that I Am concerned with the salvation of the soul which I want to win for Myself through My Word that every Word from Me merely intends to achieve your spiritual perfection.

And these spiritual instructions have often been combined with human supplements which later proved themselves to be wrong and gave rise to doubt just as My divine Words of love were frequently combined with human additions, but people hold on to these and refuse to let go of this human product. Hence concepts applicable at the time were included in My 'divine' Word such as, for instance, 'that women shall not teach' This is not My commandment at all,

instead allowances were made for that period of time but it had no right to be regarded as 'divine Word', as is apparent from My Words 'that I will pour out My spirit on all flesh; servants and maidens will prophesy' Consequently, what I deemed necessary to correct was repeatedly done through new revelations which, however, could not retain their purity either but also had to be corrected again But I gave you the promise that I will guide you into truth, and therefore you may rest assured that every person asking for truth will also receive it Because I will not let anyone walk in error who does not want to fall victim to the adversary who desires the pure truth with all his heart But this is only possible by means of a new revelation, in view of their freedom of will I cannot prevent people from distorting My initially transmitted Word, and that this has happened is due to people's low spiritual level which does not offer the adversary any resistance But I will always make sure that the light of truth will nevertheless shine for you who desire it

Amen

*'Correcting' God's Word
Corruption of truth*

Irrespective of how pure My Gospel was sent to you from above you humans will not leave it unchanged for long, and time and again errors, having arisen from human intellect, will creep in and which consequently have to be corrected again if the people who sincerely desire it are to live in truth. Once thoughts have established themselves in people they will hardly want to let go of them. For this reason My adversary uses a person's intellect to reinforce his erroneous opinion.

You are always of the opinion that I protect the truth However, human free will makes it clear that any distortion of truth is possible But you can just as well voluntarily desire the pure truth, which you then will certainly receive My Word from above is truly a gift of grace from Me which should be so sacred to you that you would not dare change this Word But precisely because people are imperfect and still exist in dark spheres they do not recognise My Word's immense value and do not shy away from adding their own intellectual thoughts, thereby devaluing My Word from above And then misguided opinions arise in due course, the light becomes dim and loses its radiance because only pure truth emitted by Me Myself can bestow bright light

You humans, consider how presumptuous you are when you correct 'the Word of God', when you believe that you can offer more easily digestible nourishment to people by making changes to it which you are truly not entitled to do Earth could not experience such darkness if My light's radiance from above had not been reduced over and over again. For I have often sent a bright light from above to those who had requested it from Me, who had asked Me for the gift of pure truth And anyone who listened to them also lived in the light of truth

and could pass it on too But time and again human intellect intervened. Time and again selfishness, people's craving for recognition and their material outlook has resulted in people utilizing My Word from above and exploiting it, in the true sense of the word, for the sake of worldly success In that case spiritual success will only ever be sparse and again can only be found where deep desire for truth predominates, so that I Myself can work in a person and clearly make him recognise the truth while placing a will of resistance against wrong spiritual knowledge into his heart. And therefore, I can only ever show you the way to the source. Accept what has originated from Me and is given to you unadulterated You should always examine and not accept everything given to you but you will also be able to recognise the true source if you sincerely want to do so And then abide by what you receive because then you are drawing living water which has a truly healing effect, whose strength cannot be surpassed as it originates directly from Me and radiates into your heart, touching your soul and giving it food and drink to help you achieve eternal life.

Hence you humans can consider yourselves truly blessed if someone lives amongst you whom I was able to choose as a vessel for the flow of My spirit, who has become a source for you from whence living water comes forth. You can consider yourselves blessed in the knowledge that this water of life is offered to you just as pure and clear as it comes from the source, which I Myself have made accessible to you Bend down and drink from it and truly, you will be able to continue your earthly path refreshed and strengthened. You will live in the light of truth and then influence your fellow human beings such that they too will take the path to the source, if they are of good will But the corrupted Word will increasingly lose its value and only be advocated by those who lack the desire for truth, who therefore do not object to changes and misguided teachings but unreservedly accept everything as truth although it did not originally emerge from Me in this form Nothing accepted by imperfect humanity will remain pure for long but time and again I will make sure that pure truth is transmitted to earth, and you humans need only sincerely desire it and it will be given to you.

Amen

Purification of Christ's spoilt teaching

The reason for the present transmission of My Word by which I send the pure truth to earth is the very spoilt teaching that is proclaimed on earth as the doctrine of Christ It is no longer the pure Gospel as brought by Me through Jesus to the people His Words have been subjected to many changes, a lot is no longer understood properly and much is also misinterpreted Over a period of time the Word, which is described as 'My Word', has caused differences of opinions which resulted in divisions amongst those who campaigned for the truth of their own points of view Words with a spiritual meaning were interpreted in a worldly sense, and people hold on to this tenaciously because they simply cannot understand the spiritual meaning any longer. The result

is a structure of faith whose teachings completely diverge from what I Myself brought to the people when I lived on earth As a result many people are no longer spiritually approachable at all because their intellect refuses to accept teachings which they regard as obvious error, which has indeed crept into the truth and which is now only upheld as truth by fanatics Such a distorted doctrine has to be purified if it is to be of any benefit for people's souls.

Hence this intention is the basis for My new direct revelation, which can be recognised as divine revelation by every willing person. But only the willing person will accept and acquire the pure truth again, and he will be able to see that and where humanity was moved by misconception until now. However, even this process of transmitting the pure truth of correcting misguided teachings can only be accomplished in a completely normal way. No unusual signs may decisively or forcefully influence the faith of other human beings Consequently, this task is not associated with strange phenomena, the transmission from above takes place in a most natural manner whereby a person hears with his spiritual ear what I Myself tell him and he transcribes My Word as he receives it from Me. Thus there is available evidence now and the person cannot be wrongly accused of confusion, self-deception or a deliberate literary work with the intention of deceiving or startling other people. The process of receiving spiritual messages cannot be denied because there is written evidence for it. And yet every individual human being has the option to accept it as credible or to reject it in order to retain his religious liberty.

However, the misguided spiritual knowledge which has crept into people's thoughts urgently needs to be examined and exposed as wrong and useless or dangerous for the development of the soul Because error can never lead to Me, the eternal truth As a result, the majority of people are taking the path which leads away from Me, and these people shall receive clarification, providing they want it and are willing to accept it And this task by the person I have chosen will be supported by Me in every way, because it is a necessary work to combat My adversary's activity, who will always fight the truth by seeking to contaminate it with error in order to prevent people from attaining the light of understanding. Therefore I will indeed bless everyone who contributes to this important work by wanting to spread the spiritual knowledge, conveyed to earth by Me, among his fellow human beings. For truth is a light which should shine for all who want to take the right path to Me, to their Father of eternity, Who can, however, never be found by way of misguided teachings For this reason war has to be declared on error, as well as on the one who has brought error into the world. And yet, truth will only gain entry into human hearts where there is a desire for it Because this desire proves that they also desire Me Myself and want to become free from the one who would like to keep them in spiritual darkness They shall receive the pure truth, and therefore the teaching of Christ as it is currently preached to people shall be cleansed, and My uncontaminated Word shall be made accessible to people once again, so that they can become blessed, because only truth comes from Me and only truth leads back to Me again

Amen

The Word-recipient's task: Purification of Christ's (spoilt) teaching

You humans can come to Me with every problem, I will help you on a worldly and spiritual level so that you will never feel lonely and abandoned but always feel the care of My love which embraces everyone who endeavours to fulfil My will And you will feel My response in your heart, you will experience My advice as thoughts to which you inwardly agree, which you would like to and can implement because they are My inner instructions for you. And by the same token I will put the appropriate feeling of resistance into your heart if something does not comply with My will, always provided that you are inwardly connected to Me and request My guidance and help. Because I want to be asked for My blessing and assistance in all your undertakings, then it will also be granted to you

An unusual task was given to you in your earthly life: to receive the pure truth from Me and to pass it on truthfully thereby exposing misconceptions which had crept in through My adversary's influence, and to do whatever it takes to contribute towards the purification of My already completely spoilt teaching This task demands an ever ready will and steadfastness, because a servant who has voluntarily accepted such a task will be confronted by the greatest obstacles and difficulties, because it is an almost impossible undertaking to take action against the immense error which the bulk of the population is already subject to and which mighty quarters also protect and support as God's truth Trust Me that the light has to shine brightly if it is to break through such darkness as is presently engulfing the earth Hence the brightest light of substantial radiating strength has to come from Me, a light which will expose every error and which shines so brightly that it cannot be extinguished But the bearer of My light has to shield himself from all deceptive lights, from artificial external illuminations, he himself should not allow anything untrue to come close to him which could lessen the radiance of My eternal light of truth He has to carefully protect the spiritual knowledge, which was radiated as a true light from above to earth, from every addition by another source

Because you should know that time and again there have indeed been vessels of good will who endeavoured to discover the truth and who subsequently proclaimed this as the truth to their fellow human beings but by doing so they also used their intellect and did not allow for the pure working of the spirit and thus new schools of thought were constantly formed, which can in fact all claim an ounce of truth and yet could not be referred to as pure truth For this reason I constantly reveal Myself, because I know the darkness which covers the earth Only by way of My direct revelations, only by way of the working of My spirit, can the pure truth be sent to you. However, you should also support it now and protect it from infiltration by other spiritual knowledge. But anyone receiving My Word from Me Myself should also sincerely support it in the knowledge that he can only receive the purest spiritual knowledge from Me. Then he should also eagerly work on My behalf by giving this unaltered spiritual knowledge to his fellow human beings and as far as possible without any comments, because his intellectual activity can result in changes again which are not in accordance with My revelation unless the person speaks in My name for Me and My kingdom, in which case I put the words into his mouth.

Then he need not fear that he might add his own thoughts which contradict My revelations.

And thus all My workers are given a task by Me which they are assigned to fulfil I put everyone in the place where they can work for Me Nevertheless, the degree of maturity of My servants on earth differs, and hence My revelations are also of a diverse nature but in regards to their contents of truth do not deviate from one another. Likewise, their state of maturity determines the activity of the various recipients as well They will always be able to favourably influence their environment and even make use of their own spiritual knowledge to help other people, thus they will also 'radiate light'

But in another way than is your task: to purify the presently existing teaching which is known as 'the doctrine of Christ' from all lies and deception from all errors that had crept in and caused immense spiritual hardship, which humanity is suffering in the last days Because no proper light shines for people to find the path to Me anymore, they are walking on dark paths which lead towards the abyss, necessitating a brightly radiating light to shine into the darkness This is an immense and formidable task which will receive My every support as long as My will is fulfilled, as long as the conditions, which I constantly expect, which guarantee the right kind of light, are observed: that My servant himself wants the pure truth And this also includes the condition that he protects it from any addition which has not emanated directly from Me to him.

You humans have to understand that, although I can sharpen your power of judgment, you nevertheless cannot keep track of My adversary's conduct, who often approaches you in the disguise of an angel of light and offers you his spiritual values again, because he always seeks to undermine the truth and his power in the last days is particularly compelling And because you are not entirely safe from his assaults as long as you live on earth as human beings, resist all temptation to mix My pure spiritual knowledge with your own additions, be content with what I Myself can offer you and do not join a community which aims to merge with other spiritual knowledge, even if you deem it not to oppose the truth

And always remember that I Myself will give you everything you need, and that you don't need what I do not give to you Remember that it is easy for My adversary to cause confusion merely by adding a misguided word to the pure truth Because a fierce battle is being waged between the kingdom of light and that of darkness. However, the pure truth only comes from Me, and you should do your utmost keep it pure and give your will to Me alone, then you will do whatever corresponds to My will

Amen

Is the Bible completed

How misguided you are to assume that with the Scriptures, the Book of the Fathers, My Word has come to an end that I Myself have set a limit in so far as that I now do not communicate anymore, that I do not speak to people any longer Who gives you the authority to make such an assumption? Who will deny Me to speak time and again as Father to My children? Who gives you the right to make the assertion that the Bible is sufficient on its own, that you humans need no other Word?

Those of you who reject every new revelation are still confined in the darkness of spirit And in this darkness you will not understand the Bible either, thus it is still a closed book for you because you do not understand the spiritual meaning of the letters, or you would also find the references concerning My continuous revelations in this book and the working of My spirit would be comprehensible to you But as long as your spirit is still unenlightened you cannot grasp the meaning of the Word which I Myself spoke to My disciples while I lived on earth You humans would be unfortunate if you had to content yourselves with a book which can no longer be checked by you yourselves for changes in its contents if you were not repeatedly offered the pure truth from above as a guiding principle as to whether you yourselves are living in truth

Those of you who only accept the Book of the Fathers have not yet penetrated 'the Word' yourselves, you have only read it intellectually but not allowed the spirit within you to speak, who instructs you and explains to you the spiritual meaning of the Word You adhere to the letter and do not understand its meaning And when I Myself want to guide you into truth you deny My activity, and you suspect My servants of associating with My adversary you question My will and the power to speak to those who devoutly offer their service to Me and who are thus also able to hear My voice within themselves

And you stubbornly hold on to your opinion that My Word is concluded with the Scriptures, which you acknowledge as the only book through which I have revealed Myself And that is your loss, because by rejecting My Word from above you prove yourselves to be mere dead Christians, because **living** Christianity is an 'activity of love', and this would result in your spiritual enlightenment and thus also in an understanding for My exceptional help in times of spiritual hardship

Then you would also comprehend the Bible words, the promises, which I Myself gave to you and which point out that I will reveal Myself to those who keep My commandments So how do you intend to interpret My promises, if you deny every 'New Revelation'? Do you want to call Me a liar when I announce My 'comforter' to you who will 'guide you into every truth' How do you understand these Words which have to come to pass, because every promise I gave to people during My life on earth fulfils itself And why do you not want to believe? Because your spirit is arrogant, because you lack inner life, spiritual

awakening, and thus you believe that you are able to determine and limit Me and My activity as it suits you But you are mistaken, even if you believe that you have acquired knowledge through your studies which entitles you to reject My Word from above You are spiritually arrogant and therefore you can never receive a revelation from Me yourselves, because I only bestow My grace to the humble, and you are lacking this humility And thus you still walk in darkness, and you will not be able to penetrate it since you avoid the light which could give you insight if you wanted to step into its radiance

My love for My living beings will never end, and hence I will never fail to speak to you humans wherever the conditions to do so are met. And My Word will always sound in those who are of good will, to whom the Father can speak like to His children and who have a living faith in Me. And to them I will give evidence of Myself, and My Own will recognise My voice because I can be present with them I can reveal Myself to them as I have promised

Doubting divine revelations

Time and again people will doubt My divine revelations because they do not have enough living faith, otherwise they could easily understand My actions during the final time before the end. Living faith demands a life of love, which most people disregard because they only want to love themselves, and in this misguided love they cannot find Me, they cannot recognise Me as their God and Creator, Who also wants to be their Father. Their faith is a mere formality, an acquired knowledge of faith, which could not yet become alive in them and therefore they cannot understand the 'outpouring of My spirit' either, which I have promised to all of those who 'believe in Me and keep My commandments ...' because it is to those whom I want to reveal Myself. And the more they adhere to this formal faith the more they reject My revelations which, however, I will continue to send to earth because I consider it necessary for people to be informed of the whole truth and not seek the purpose of life in distorted doctrines by believing what is far removed from the truth and not being able to recognise the plain, simple truth from Me any longer

In fact, it is far easier to introduce the pure truth to a completely sceptical person than to convince those who overzealously study the Book of Books, who attempt to explain every letter intellectually and who reject My simple communication as the work of demons. My adversary has already spread dense darkness, and even uses this book to confuse people's logical thought and to prevent the people from gaining a clear understanding. He is succeeding because their bond with Me is not deep enough for My strength of love to flow into a human heart which would enable it to receive the light and to distinguish truth from error.

However, human beings would be in dire trouble if I did not have compassion on them and try to strengthen them remarkably, if I did not, by way of direct communication with them, give them proof of Me and My presence and even speak to My children like a Father You humans are still seeking Me in the distance even if you believe in Me you cannot believe that the Father speaks to

His children that He Himself bends down to persuade His children to submit themselves to Him trustingly, asking Him to guide them through their earthly lives. You forever think of Me as the strict God Who gives commandments, Who demands obedience and punishes those people who are disobedient You should know that I never 'punish' My living creations, but that they create every painful state for themselves, that they themselves also ventured towards the depth, that I do not condemn them but forever attempt to lead them back again, that I help them to ascend from the abyss and entice and call on them not to go astray or to fall prey to My adversary

And how better can I show My love for My living creations than by My direct communication, by revelations which explain Me and My Being and which, being divine truth, can only be experienced by the human soul as extremely effective and strengthens it for its earthly pilgrimage. Because I Am motivated by My love towards My living creations who live on earth as human beings in order to return to Me and who can only reach that goal when I Myself give them the strength to do so, when I nourish them with the bread from heaven and the water of life with My Word

And people refuse to understand this act of love and hence also decline My valuable gift of grace They are not alive and also remain faithful to the lifeless form of Christianity, because they lack the strength of faith for as long as they lack love, which would provide them with the right concept of Me, of My Being, which is love, wisdom and power And love will give itself time and again, and it will give to those who are weak but of good will everything they need to successfully complete their pilgrimage on earth Time and again My love will show itself because it also wants to be loved by those who originated from My love and who have to unite with Me again forever

Amen

True disciples

Working of the spirit

'Why' misguided teachings

My disciples were enlightened by My spirit and therefore taught correctly. When they preached for Me and My kingdom they could not utter anything but the words I put into their mouths, the words that My spirit revealed to them. And they taught the same as I Myself had preached to people on earth; they instructed them in My name, they spoke on My behalf, and thus they proclaimed to people the true Gospel in accordance with My will. And their true followers will always be those who are likewise enlightened by My spirit, for only they will speak the truth, only they will be My true representatives on earth. However, anyone who is not enlightened by My spirit yet preaches all the same will not uphold the pure truth, because a person in whom My spirit cannot express itself will distort the truth, he will interpret My previously spoken Word

incorrectly, he will teach errors even though he has acquired knowledge through study and deems himself capable of instructing other people as a teacher.

The simplest explanation for it is this: Where My spirit cannot work My adversary's spirit is at work, and he works in a truly truth-destroying manner This explains the ease with which My pure teaching can be spoilt and then be offered to people in the form of a distorted representation. To understand the spiritual meaning of My spoken Word as I want it understood requires the working of My spirit within the person, it requires enlightenment of thought, and this in turn requires a way of life in accordance with My will. Nevertheless, the latter does not consist of fulfilling commandments decreed by a church but solely of fulfilling My commandments, the commandments of love for God and other people. A life of love results in the person becoming a vessel for My spirit, and only such a person is enabled to instruct other people, only he knows the spiritual meaning of My every Word And this knowledge is absolutely essential in order to recognise the blatant error into which people have turned My Word. This knowledge, which My spirit gives to a person who wants to serve Me, entitles him to teach, and after that every instruction is again aided by My spirit Anyone working for Me will not utter anything but My will, because I want people to be told the truth

But the spirit of falsehood dominates people because My spirit, the mediator of truth, can no longer express itself in those who believe themselves to be My disciples' successors, those who are holding the ministry but who have no contact with the giver of truth themselves. Although they interpret My Word they do not know the spiritual meaning of My Word at all, they teach what they were taught by the fathers. They thoughtlessly accepted these teachings and unreservedly passed them on, without thinking that sooner or later they will have to answer for every word. Being spiritually blind themselves they are blind leaders of their fellow human beings, instead of guiding them into truth they turn them away from it. I have never preached on earth what they claim to be Christ's teaching, because they only observe the letter and do not understand the true meaning, since My spirit cannot enlighten them. Believing to possess it, they do not search for truth, thus they do not seek Me and therefore I cannot guide them into truth. For if they sought Me they would live within love and then recognise Me, because I reveal Myself to everyone who believes in Me and keeps My commandments. Anyone who wants to be My disciple has to follow Me as My apostles did, he has to live a life of selfless love for his neighbour, awakening his spirit within him so that he unites with Me through love and subsequently can be taught by Me Myself, as it is written 'You all shall be taught by God ...' My spirit will guide him into truth and only then can he be My representative on earth

Amen

False Christ's and prophets

In the last days the pure truth will be particularly attacked, which is the work of Satan who, being God's adversary, wants to undermine the truth by confusing people's thoughts so that they cannot recognise the truth as such any longer. And his methods and tactics are so well devised that even people whose will does not oppose Me often do not want to see the situation clearly but who could see it if they sincerely only wanted the truth. Especially during the last days true and deceptive lights will flash at the same time, and a genuine will for truth is necessary in order to be able to differentiate between them, because it will be difficult to understand the matter Because many false Christ's and prophets shall arise, as was foretold which is also a sign of the end time From this follows that they will fight in the same manner, that they will therefore present themselves as messengers from above, that they will speak the words of Christ and foretell the future to people but that they are representatives of the one who fights against the truth to lead people astray so that they cannot recognise the truth anymore. Thus you don't always have to search for these false Christ's and prophets outside of spiritual life since even the representatives of misguided teachings within the ecclesiastical organisations are false Christ's and false prophets everyone offering vague, misleading explanations has to be included, as well as all those who try to prevent the pure truth from being given to people, hence all those who adhere to distorted teachings and restrict people's freedom of thought by withholding from them what could have a clarifying effect

Everything that is untrue is the work of false Christ's and prophets, and to make a distinction irrefutably requires the sincere will for truth, which also has to be willing to surrender what the person has always endorsed if it does not comply with the truth. Hence you humans can only protect yourselves from the actions of God's adversary during the last days before the end if you place yourselves into the safe hands of God, Who is eternal truth if you pray to Him with sincere will for truth that He should protect you from error and then open your eyes and ears Then you will emotionally recognise what you should accept or reject Then false Christ's and false prophets will not be able to dazzle you with a deceptive light Then the rising of a soft glow in your heart will give you reassurance that you live in truth, and then you will also maintain this truth with conviction and support its cause during the last battle on this earth and you will be true defenders of Christ

Amen

*Change of the true Gospel
Followers?*

You are being taught the pure Gospel and are learning to recognise the difference between My pure Gospel and that which is now taught on earth as My Word You are learning to recognise that My Word has been changed to the extent that it is interpreted and consequently observed differently that far too little attention is given to what is essential whilst the unessential is emphasised, and thus little spiritual progress will be achieved. I have shown people on earth the only feasible path by teaching and exemplifying My teaching Myself, by walking the path which all people should walk in order to reach Me It is the path of love, only by taking it will the human being be guaranteed the kingdom of heaven, that is, after his physical death he will be able to enter the spheres of light where the soul will blissfully exist close to Me My teaching has become a deviation it can only still be found hidden in a structure of human additions, wrong interpretations and the observance of unimportant commandments, which were never given by Me to people but which present the great danger that the only essential commandment will be disregarded and thus not acted upon.

It is of no use to you humans when you castigate yourselves, when you perform duty bound actions or confess Me with your mouth if you do not recognise the commandment of love first and foremost and act accordingly You believe that you worship Me with your countless ceremonies, and yet you can only worship Me by doing what I ask of you And I ask of you to love Me and your fellow human being As long as you find that you lack love when you honestly look at yourselves, you are not yet on the right path, even if you go down on your knees daily and hourly and beat your chest This is demanded by people and only serves people too, whom you want to convince of your piety

Yet you are still far removed from true piety as long as you do not accept your fellow human beings with love, which also demonstrates your love for Me as long as you let your fellow human beings next to you live in utmost hardship and distress, as long as you do not attempt to help them first before you flatter yourselves with outward gestures before you pay homage to the world through mundane pomp, through everything that you call 'in honour of Me'. I do not want to be worshipped this way while there is still hardship crying out for Me, which you humans could certainly ease if you etched My commandments of love into your hearts As long as I lived on earth I cared for the needy, the poor, the sick and the oppressed You, who claim to be My followers on earth what are you doing for these needy, poor, sick and oppressed people? As long as you can help but won't, you are not My true followers even if you call yourselves such.

I only value the fulfilment of My commandments of love, since everything else profound faith, recognition of pure truth, unification with Me and, finally, eternal bliss are the results of love and can never be gained without love. It is already evident from this as to why there is such great spiritual hardship on earth, why people are without faith and live in error My pure teaching is the teaching of love, which I taught on earth. The moment this is taught as

well as practised you humans will live in truth and will have started on the path which follows Jesus However, if you ignore these commandments you could outdo each other with external deeds you will not achieve any progress for your soul you will continue to live in error and take this into the spiritual kingdom, since I only value the degree of love attained by your soul until the time of your death

*Correct proclamation of the Word
God's presence*

The work for Me and My kingdom has to be carried out diligently since time is pressing and many shall still be won before the end And world events also contribute to the fact that people could become reflective and listen to My Gospel, providing a living sermon is given by those who are spiritually awake. In fact, only such people can be successful during the last days, lifeless preachers are more likely to achieve a reduction in faith than an awakening of their listeners Because they do not even preach on My behalf, but they have anointed themselves as 'servants of the Lord', which they cannot be as long as My spirit does not work in them, as long as they have not let My spirit awaken them, which, however, demands a life of love. Only the evidence of life can produce life again

And My Word has to be given to people as a living sermon in order to revive them, it has to be offered to them such that they feel the strength of the Word and thus feel motivated to comply with it. They have to feel addressed by Me Myself and this is only possible if I Myself can speak to them through the mouth of an awakened servant And this is incomprehensible and unknown to those who pretend to be My representatives on earth and yet proclaim a rigidly lifeless Gospel to people who merely use the words which I once spoke to the people, but which are thoroughly without life because they are without the spirit which will bring them to life first. Only a few of them speak effectively when they live a true life of love and by doing so also achieve illumination of thought And if these people allowed themselves to be wholly embraced by Me they too could become true representatives of My teaching on earth But they have problems finding the path to Me, which must lead directly from the heart to Me, and not through an elaborately devised structure which they call 'church'

You humans don't want to hear the truth, but once you have sincerely and trustingly taken this direct path to Me you will never need to regret it Yet I can only give this advice to those who have abundant love, because only then can I speak to them, because then My spirit will descend and then they can also be My true representatives There is a lot of work still to be done, and I keep urging this vineyard labour to be done, time and again I seek to attract labourers willing to serve Me faithfully And I will also tell them what qualities are required by those who are needed to work in this vineyard They must have a living faith which was brought alive by love. For I Myself have to be able to work in them otherwise their work will be in vain Speaking My Words is of

no avail if the life reviving strength does not flow from them at the same time, and life can only be given by God, Who is life Himself Thus every messenger of My Gospel has to allow and enable Me to speak through him Myself.

He has to unite with Me so sincerely though love so that I will then be present in him and speak through him when he opens his mouth to preach My Word He should not assume that My presence is a matter of course if he merely uses My Words which, without My spirit, are just empty letters He has to ask for My spirit beforehand by consciously uniting with Me and then facilitating My presence through unselfish works of love And an inconceivable blessing will emanate to all who listen to him, because then they will hear Me Myself and can be touched by the strength of My Word so that they come alive themselves And then they will no longer be in danger of getting lost, because whatever has become alive on this earth cannot lose its life again whatever has escaped death has escaped the one who had once subjected it to death But then it will live forever

Amen

Christianity

Formalities

Fight against schools of thought permitted

That which you believe to own must first be acquired, because you cannot call something your own as long as you are satisfied with the formality. The teaching of Christ has been forced to become a formality, and this formality is now incorrectly called Christianity. Consequently, people who comply with this formality call themselves Christians. They presume to possess the teaching proclaimed by Christ, they believe to be followers of the church of Christ and yet they can be a long way from it if they do not live in accordance with the teaching of Christ. Now then, if you want to be true Christians you have to make an effort to delve deeply into the divine teaching of love which Jesus Christ has proclaimed on earth. Only then will it become your possession, then you will own something wonderful, and only then may you call yourselves Christians.

Today's Christendom is not widespread because there are only few people left on this earth who live in harmony with Christ's teaching, and they are found everywhere, i.e. in every denomination and school of thought are people to whom the divine teaching of love has become the guiding principle for their earthly way of life. And these are the true Christians, they neither observe external appearances nor do they depend on specific organisations created by people, which claim to have been founded by God. Spiritual attachment is indeed very beneficial for the soul's development, whereas a formal unification is rather more a hindrance since it incorporates the danger that the formal unification will be more observed than the teaching, which should constitute the core of every spiritual endeavour. And for this reason the very formality, i.e.

the structure, which has developed as a shell to enclose the core, will become rotten and collapse

Everything built by people in the course of time will vanish, and then it remains to be seen who can claim the right knowledge, profound faith and the pure teaching of Christ as his own The human being now has to prove the depth of his Christianity and to what extent he has become dependent on the formalities which are mere human work and therefore cannot continue to exist either. Because everything made by human beings does not last, and only what is of God will remain But God through Jesus Christ gave the divine teaching of love in a pure and unaltered form to humanity, and it will also remain as such. However, anything which was added or changed by people is approaching its disintegration. And thus no school of thought which deviates from the teaching of Christ will continue to exist. For this reason God permits the fight against the different schools of thought even though it is not His will that everything revealing spiritual endeavour on earth should be fought against. But His eternally true Word will be sent to earth with all the more clarity, it will be made accessible to people time and again as the pure teaching of Christ, so that they can make it their spiritual possession and then shape themselves into real Christians if they live in accordance with this teaching

Amen

Traditional faith

Conventional faith

Misguided teachings

It is extremely hard work to change people's traditional faith, the conventional faith, into a living faith, because they do not yet understand the word 'faith'. They have adopted the word traditionally without being aware of its actual deep meaning and rather adhere to external practices and customs than to the core which constitutes the teaching of Christ.

They may have indeed listened with their ears to everything in relation to Jesus Christ as the divine Redeemer and describe this knowledge with the word 'faith'. They only mean by this that they do not object to this knowledge or reject it as improbable. But they have neither explored the details of the Christian teaching nor are they at all aware of the significance of the act of Salvation. Hence they refrain from forming an opinion of what they are being taught which, however, is necessary in order to gain a living faith, i.e. to gain an inner conviction for every religious doctrine.

But only living faith can lead to eternal life, because all kinds of conventional faith are unsuitable to transform the soul.

And everything is a conventional faith as long as the person is not overcome by a deep desire for pure truth. Because only this desire prompts him to think about the imparted spiritual knowledge which is then followed by inner conviction or by conscious rejection if he cannot find inner conviction, or living faith.

And this elimination of wrong from right has to take place. Error has to be separated from truth otherwise people cannot find a correct concept of God,

Whose essence is of such perfection that everything which testifies of Him also has to be perfect. However, false teachings will never reveal God's essence but forever mirror a distorted image of God. But as long as the people wanting to instruct other people do not know the difference between conventional and living faith themselves, as long as these people have not gained the knowledge of truth themselves, precisely by forming an opinion with divine help thus having achieved a living faith, they will not convey the right faith to the learners either. This explains why countless people may well call themselves religious yet are far removed from it why error is therefore widespread and truth is only of little interest, why human beings accept much as truth which, with sincere will, they certainly could recognise as error. But they keep to tradition, for generations they thoughtlessly and unreservedly continue to adopt the same distorted teachings which initially were given by Jesus Christ in their purest form to the people and which only became clouded and distorted due to a lack of own thinking and thus deviations were ignored. Moreover, people became duty bound to accept religious dogma unconditionally, so that they did not feel responsible and thus their faith became increasingly inflexible and a dead faith cannot result in spiritual progress.

People's attention should be drawn to their lifeless state, and thus living faith has to be preached all the time. They have to be advised that they may not call themselves believers as long as they only accept traditionally adopted spiritual knowledge without having made it their own, thus being able to uphold it with innermost conviction and not just with their mouth, and that this also necessitates intellectual contemplation. Then the veil will fall from their eyes, then heart and intellect will occasionally refuse to accept something, and only then will the truth be made known, which will then make the person joyful and turn him into a diligent supporter. And then the human being will be able to believe actively and have freed himself from formality, only then can his soul mature and only then can he be a member of the church which Jesus Christ founded on earth

Amen

Message to the formal Christians

You humans only have one way to achieve maturity of soul on earth: you have to live in love. I repeatedly tell you that you can only become blessed through love. Time and again I have to present My commandments of love as a priority to you, because there is no substitute for a life of love, since nothing can help you achieve bliss if you do not live up to My commandments of love Hence you can do what you like you can zealously observe the laws decreed by people you can comply with all regulations which are supposedly necessary but your spiritual development will not progress one iota if you disregard love. Consequently, in all your undertakings you should consider carefully whether you are motivated to do something by the love within you or whether you merely comply with 'commandments' which were given to you by people and which are in no way related to a 'labour of love'

You should always carefully think about the reasons of your thoughts and actions and attach no importance to anything devoid of 'love'. Particularly people who feel denominationally committed apply My commandments of love half-heartedly They give their sole attention to traditional customs, they fulfil 'duties' which, they are told, are important, but by doing so they do not further the maturity of their soul and yet they should know that the maturing of their souls is the only reason for living on earth But I keep emphasising that a life of love is absolutely necessary to achieve it, that nothing else will substitute unselfish works of love. Irrespective of how eagerly they perform the commandments decreed by people, they will not be able to accomplish the slightest progress for their souls Therefore, everything you humans do is worthless if love is not the determining factor.

And when you say 'Everything in honour of God ...', how can you honour Me if you do not love Me? And how can you love Me if you ignore the hardship of your fellow human being who is, after all, your brother? How can God's love be in you if you lack compassionate love for other people by which alone you prove your love to Me? You live a wrong life if you feel committed to denominational customs and traditions, to ceremonies and implementations of duty, you are wasting the energy of life which is given to you by Me for gaining spiritual strength on earth, and this can only be acquired by deeds of love

You humans, do take earthly life seriously, do not live so indifferently that you won't even consider whether your God and Father can be satisfied with your mere fulfilment of formalities Consider what I Myself might ask of you if I stayed with you again as a human being, if I walked across your earth again as a human being Do you think that I could feel pleased that you humans exist in a dead faith, that you only mechanically perform things which can never be of any value in My eyes? How do you humans imagine your God and Father to be? How can you humans reconcile My wisdom with what you have built, with what you believe to be the 'church of Christ'? How could I find pleasure in traditions and customs, in activities which are presented to you as 'My will'? I can and will only take pleasure in those carrying out works of love I will only ever acknowledge things that have their basis in love, and souls can only mature fully when the human being transforms himself into love, when he fights the love of self and becomes absorbed in unselfish love for his fellow human being Because you are lacking love and should acquire it again while you live on earth You have to live a life of love or your life on earth will be in vain and you will never reach your goal

Amen

Wrong concept of church

BD 1516

received 11.07.1940

'You are Peter, the rock'

Some gladness in receiving the following message is a prerequisite: the living faith is the rock upon which Jesus wanted to see His church built a faith so profound and steadfast like that experienced by Peter while the Lord was close to him. Thus Peter was an example for anyone who wanted to belong to the church of Christ. Because without this faith the teaching of Christ, i.e. His Gospel, could not be received Only faith affirms Jesus Christ and accepts Him as the Son of God and Redeemer of the world If people were to accept what the disciples were spreading across the world they first had to believe in a God of love, goodness and compassion, in a God of omnipotence and wisdom, in a God of justice Only then could His teachings penetrate them as divine will, hence profound faith was a prerequisite. All His disciples were profoundly faithful, and therefore they accepted His teachings very quickly and endeavoured to do justice to the divine will which He had revealed to them. And by doing so they penetrated the knowledge of divine truth ever more, and this also developed their ability to teach in accordance with God's will which would never have been possible if they had lacked faith. Thus the Lord says 'upon you I will build My church ...' And His church is the community of those who want to follow Jesus Christ; His church is the small community of those who firmly and steadfastly believe everything the Lord has said and done on earth; who, for the sake of this faith, make an effort to fulfil God's commandments, who desire eternal life and thus live earthly life in accordance with God's will The church is a community of believers

And when people are profoundly faithful no power in hell could ever disturb this faith and exercise control over such utterly devout people who only seek God and acknowledge Him as their Lord and Creator. Profound faith in God will always overcome the power of the adversary, because anyone who lives in faith also lives in love, and love is the adversary's harshest opponent. Hence nothing is more understandable than the Lord using the most devout of His disciples as an example, that He makes firm faith a prerequisite of belonging to His church that therefore Peter exemplified this faith and that Jesus Christ wants to count all those to His church who are also profoundly devout It is so easy to understand these words, and how are they understood by the world

....

Amen

'Go and teach all nations ...'

The adversary's greatest deception consists of clouding a person's thoughts and making them comply with his plans.

If, however, the person humbly asks for the divine spirit, his thoughts will be right and he will clearly recognise the meaning of these Words. He will also recognise that the will to dominate had to disable the working of the divine spirit, that his thinking was misguided and therefore a false doctrine had to develop, which seriously distorted the divine Word. And God did not stop the human being, He did not interfere with the person's free will He had taught the Gospel to His disciples and instructed them to pass it on by saying 'Go and teach all nations.' His disciples' profound faith was the guarantee for the working of the Holy Spirit, and hence the disciples could not teach anything but the truth. Thus the assurance of truth for a teaching servant of God will always be found in his profound, thus living, faith

He will be a true follower of Peter and the church which Jesus Christ Himself founded but which was not ever supposed to represent a worldly power, instead it was meant to be spread only spiritually throughout all the nations on earth.

God has never given people the task to establish an institution on earth and then, within the context of humanly decreed commandments, to also include the pure divine teachings yet more or less demanding the compulsory fulfilment of the commandments, which is in opposition to divine will. The human being should accept Christ's teachings within himself and endeavour to carry out God's will with complete freedom of will. This doctrine should be offered to people by truly devout teachers wanting to serve God, who are then enlightened accordingly by God's spirit when they proclaim this teaching.

However, the spirit of God can never express itself where a structure of worldly power has evolved and where the reinforcement of this power has been the sole purpose for the many regulations and commandments which were supposedly decreed with the help of the Holy Spirit, thus leading to the creation of the doctrine of the church leaders' infallibility. The Holy Spirit is constantly at work to disprove these misguided teachings and to offer people clarification, but time and again human will is strong enough to reject the pure truth and to adhere to misguided teachings. And the human being's will cannot be compelled to accept the truth, nor can it be compelled to acknowledge God as the giver of the knowledge which is presented to him as truth. It has to be up to himself to recognise the truth; however, much help for this is at his disposal Anyone with just a small desire for truth will be guided to it, and anyone willing, i.e. anyone seriously interested in walking the right path on earth, can at any time in his prayer ask for the strength of insight

Amen

Peter's successors
Ecclesiastical-secular power

Read the Bible and you will see that the spirit of truth has been pushed aside in a most obvious way. God's Word has been withheld from you so that those of you who are looking for truth shall not recognise it. The records are carefully maintained but to what extent these records comply with Christ's teaching is not scrutinised. And how often has the divine Word been changed, how often has God's Word been wrongly interpreted and how rarely was the wrong interpretation objected to. This deception of humanity cannot be emphasized often enough; after all, it has been the cause of all divisions and religious conflicts. When Jesus lived on earth He spoke about the kingdom of God, about a kingdom which is not of this world He did not speak about a worldly power, nor did He speak about an ecclesiastical power, about an organisation, He did not speak about men who were meant to rule His Own on behalf of God either He merely said to His disciples 'Go and teach all nations' He gave them the task to instruct people in His teaching of love and He promised His assistance if they remained in His spirit For as soon as they taught love they had to live within love themselves, thus the Lord Himself, Who is love, was with them. But where love rules all dominating control is unnecessary where love rules one person serves the other and where love rules commandments are superfluous unless the commandment of love given by God Himself is preached to people. Anything that teaches love complies with divine will, but the addition of further commandments is not in accordance with God's will because the basis of any command is a dominant force But people should live together like brothers, they should merely submit to God's will if they want to acquire the kingdom of God. By no means should they rebel against the worldly power which God has indeed appointed for the sake of keeping order where it is violated, however, His kingdom is not of this world He alone is Lord and Master in His kingdom, and He certainly needs no one on earth to represent Him and exercise their power over other people. But which Word of the Lord during His life on earth specifies such power?

He has lived a life of love, He gave love and taught love True love, however, excludes the need to rule The stronger should not rule the weaker even where the fulfilment of divine commandments had been taught. Because an enforced action is not to be very highly valued, regardless of how noble and good it is. Not until a person uses his free will are these actions done before God. And thus God only demands the human being's free will. But at no time are people on earth entitled to add their own commandments to the divine commandments. And even less may people be obliged to obey these commandments by threat of temporal or eternal punishment. For then a commandment would be observed to avoid punishment, which otherwise would have been ignored. Thus the fulfilment of such commandments cannot possibly have great value before God and for eternity. When Christ's disciples complied with His instructions and spread the Gospel throughout the world God's activity was clearly visible because in the name of Jesus they healed the sick, they expelled evil spirits and performed miracles in order to reaffirm what they were teaching. God's spirit was with and within them; everything they achieved was the divine working of

the spirit. They proclaimed the teaching of Christ, the divine teaching of love, and simultaneously exemplified love to their fellow human beings. Thus, they eliminated the desire to rule, for they were like brothers among themselves and served each other with love. This was the office Jesus Christ gave to his disciples for their future work He did not appoint one of the apostles as a person in charge, as a leader to whom all should succumb. However, what developed at a later time completely differed from what the Lord Himself stood for. An ecclesiastical-secular power came into being that also structured every commandment of love, which no longer corresponded to what Jesus Christ Himself had taught the people. Although servitude in love was demanded, it was no longer practiced by them. And this was of most decisive significance because what Jesus had condemned during His life on earth surfaced again people were commanded to do what they should have done voluntarily. And reputable men of distinction called themselves successors of the apostles who had met the duties of their office in greatest poverty and a structural establishment displaying enormous splendour called itself the only beatifying church, which Jesus Christ had supposedly installed with the words 'You are Peter, the rock'

(27.1.1942) These words were interpreted thus by people who desired power; but these words do not by any means allow for the interpretation that Peter is the founder of an ecclesiastical power and that the heads of this church are the successors of the apostles those very apostles who, without status and distinction, only proclaimed the Gospel, the divine teaching of love, to the world. Peter was the most devout of them and Jesus emphasized his strong belief with the words 'You are Peter, the rock, on this rock I will build My church.' He calls the community of believers His church, because those who want to acquire God's kingdom have to join together with innermost faith and thus constitute His church. Such is His will, and He expressed this will with those words. However, it is not His will that eminent and exalted dignitaries should believe themselves to be the head of such a community and thus also exercise their power that untold customs and ceremonies let the truly essential part become unimportant; i.e. that due to the countless formalities, which are given too much merit, the divine teaching of love remains unnoticed, and that therefore the apostles' real task of spreading the Gospel throughout the world is no longer recognised. There can indeed also be men after God's heart amongst those rulers, and God will truly not deny His spirit and His mercy to them, but then their wisdom is not the result of their position or the exalted office they fill but due to their right way before God These then are Peter's true successors because they are strong in faith, and from the strength of faith they draw wisdom, for then they are like a rock from whence the living water comes forth Then they are true representatives of the church of Christ, which is the community of believers

Amen

The only beatifying church

There is no 'only beatifying church' if an organisation is meant by this. Anyone belonging to the church founded by Me on earth will become blessed, because his eternal bliss is already guaranteed by the fact that he is a member of My church, that he therefore lives in a faith which has become a living faith through love. It is not the 'church' that ensures a person's beatitude but faith and love which might well be entirely missing in spite of belonging to a church supposedly founded by Me but established by people as the 'only beatifying' church. Indeed, true members of My church can emerge from every church or school of thought as this is solely determined by faith and love, but no human being can ever belong to this church of Mine who cannot demonstrate its characteristics the working of My spirit, which is based on faith and love. My kingdom is not of this world and although My Words were undeniably spoken to the people of this world they nevertheless had a spiritual meaning, because they were meant to help establish My spiritual kingdom, they referred to the kingdom outside of this world, which is everlasting. What I demanded of people was to guarantee their eternal life in the spiritual kingdom, My demands should in fact be fulfilled on earth but not with earthly actions in which the soul could stay detached rather the soul has to comply with My will

Only the soul has to change itself, and if it genuinely strives to do so it will already be a member of My church, because then the person also has faith and his inner impulse for willing pursuit is My spirit, My voice, to which he will listen and strive to follow. And this working of spirit is proof of membership to My church which will later result in blissfulness I brought the pure Gospel to people, I enlightened people about everything required to enter My kingdom which is not of this world I taught them to love and thus showed them the way which leads into the kingdom of bliss, I gathered around Me all those who so far had been taught wrongly, and thus I was their preacher representing His church and wanting to give its beatifying effect to the people who listened to Him Therefore I founded the true church while I lived on earth, and I admitted everyone into it Jews, Gentiles, tax collectors and sinners and to those who believed in Me, who accepted My teaching and lived accordingly, I sent My spirit after My death, the attribute of My church, which cannot be overcome by the gates of hell

But where is the working of the spirit in the church which calls itself the 'only beatifying church'? My spirit can certainly express itself even there, as long as a connection with My church has been established first, because I alone pour out My spirit and only where the conditions are met which result in a working of My spirit. And that is where the true church of Christ can also be recognised, because no matter what is done to its people, they cannot be defeated or driven away even if hell itself takes action against them My church is invincible because it is My work it is the only spiritual church which leads to beatitude. No self-righteous Christians can be found in it because they exclude themselves from the community of believers and are therefore not true followers of Christ and neither are they devout representatives of My name when they are put to the test. And this test of faith will be demanded of them, it will be demanded of all who call themselves believers, and then it will be proven who belongs to the

true church, the church which I founded Myself. Then the working of My spirit will be proven as well as the strength it can give to those who come under attack for My name's sake but who gladly acknowledge Me before the world when the decision is demanded.

And then it will also be proven how little the church, which calls itself the only beatifying church, lives up to its promises how all its members will leave who did not belong to My church, who then recognise its weakness but not the spiritual value of the church which was built on faith as strong as Peter's Because every one of My Words was and is to be understood spiritually and can only be understood as such when My spirit can work within a person. But then he has a living faith and he will only strive for the kingdom which is not of this world

The true church of Christ

Peter, the rock

Every devout Christian belongs to the church which I Myself founded on earth But I emphasize: every devout Christian For many people only call themselves 'Christians' because they belong to a 'Christian' denomination, to a denomination which certainly preaches of Christ but this does not prove that the people also have a living faith in Him And I demand this faith in Me because My church is built upon a profound, living faith. People do not, in fact, openly reject the teachings which have been passed on in tradition they dare not disagree, but they have no profound unquestionable faith in My act of Salvation, in My actions as a human being on this earth. Therefore, I cannot acknowledge them as living Christians who belong to My church either, rather they are mere nominal members, formal Christians They are people who have never spent serious thought on the problem of God's human manifestation in Jesus, nor do they know about the mission of Jesus the human being, instead they merely consider the events surrounding Jesus the man as a myth, possibly believing in Him as an idealist who wanted the best for His fellow human beings But even this cannot be rated by Me as 'faith in Jesus Christ and His act of Salvation'

However, anyone with a living faith also knows why I demand such faith, so that I can bestow eternal bliss upon him This is because an irrevocable part of it is love, only this gives birth to a living faith, and you humans must have this love in order to clearly understand the significance of My act of Salvation for humanity and the reason for My life on earth. And only those who have arrived at such awareness can talk about a maturing of their souls, which is the purpose and aim of earthly life as a human being Because My spirit, which I promised to everyone who belongs to My church, to everyone who believes in Me, is working in them Enlightenment by the spirit is the sign of belonging to My church, which I Myself founded on earth and if you humans call yourselves 'Christians' while your spirit is not yet enlightened the name 'Christ' cannot mean anything at to you at all You are outside of My church even if you

belong to an organisation which speaks of Me, because you do not heed the only important sermon: that you should fulfil the commandments of love, which are undeniably taught by every church but which are not made the focal point and therefore it mainly produces dead Christians. However, anyone living with love can belong to any ecclesiastical organisation he will be a member of My church, because it is built on the living faith which sprung to life through love You can only become blessed through love

Thus, you will have to comply with My divine teaching of love and thereby prove to Me that you want to belong to My church. And since the divine teaching of love is being preached in every Christian organisation you have to exemplify this teaching first and foremost, you should not give precedence to other additional commandments by people, for these do not benefit the soul's maturity but only stop you from fulfilling My will, Who gave you the commandments of love for God and other people. Thus, living Christians, who will subsequently be regarded as members of the church founded by Me, will be able to emerge from every church. But not one of these churches can claim to be the only beatifying one, because only love results in blissfulness and this love can and will be practised by followers of all denominations, who will then also be regarded as true Christians, who are aspirants for My kingdom which is not of this world. Consequently, it is irrelevant which school of thought you join in earthly life if only your life of love leads you to a living faith in Me and My act of Salvation Then I will admit you into My church, then you will also exemplify My Word which I taught on earth; you can follow Me by living with love, as I have done. In this way you will become true followers of My teaching, because I came to earth to ignite the love which you humans had stifled due to My adversary's influence I taught love and exemplified it and anyone living with love like Me follows Me, he joins Me He belongs to the church I founded because he has the same faith as Peter, the rock on which I built My church Do understand these Words correctly and do not apply their wrong interpretation Because Peter's followers are only those who, by means of a life of love, have acquired the very same solid faith within themselves and who thus have the right to call themselves followers of 'My church'

Ecclesiastical organisation

There is still a lot I have to tell you since much error has yet to be eliminated if you humans want to live in truth. But My spirit can only work to a limited extent, to the extent which corresponds to your state of maturity. In order to absorb knowledge which is as yet entirely unfamiliar to you, the recipient's surrender to Me has to be so heartfelt that My spirit can flow into him unimpeded. You humans will ask why I allowed such considerable distortion of the truth which originated from Me to result in this great spiritual darkness of humanity. In reply to this I must repeat that man's free will resists any limitation if he belongs to My adversary whose will he fulfils on earth. Since it is My adversary's sole objective to prevent people on earth from recognising their God and Creator

since he is only interested in extinguishing or darkening every light from Me, and since he has the same right to influence the human being's will, the truth will always be contaminated again. Because the adversary wants to distort My image, he wants to portray Me to people such that they shall not feel love for Me, and in order to achieve this he will use any means.

After I had accomplished My act of Salvation on earth, My pure Gospel was spread across the world by My disciples

They had received the truth from Me in its purest form and passed it on equally pure, since they were filled by My spirit. However, people's nature varied, their souls were still burdened by the original sin, and they were still a part of My adversary although he could not force them to surrender to him completely. But the hereditary evils arrogance and thirst for power were still present in them to a substantial extent. And these were used by him to influence them and to sow the seeds of discord even among the followers of My teaching, of the pure Gospel. And a few people became particularly prominent and founded organisations of their own accord, promoted themselves to administrators and thus developed an establishment with many earthly and worldly interests. And thus My adversary, whose greatest objective was to undermine the truth of the Gospel, already played his part

Hence the light grew consistently dimmer and adverse influence established different teachings which were not recognised as misguided teachings, but were ardently defended as allegedly having been conveyed by Me to these administrators, who subsequently also demanded faith in them by the members of that organisation, which became extremely powerful in due course Every human being could and should have realised that an organization with people who want to dominate could never have been built by Me because I taught 'service with love', whereas the adversary's action promotes thirst for power and hunger for dominance And every person can still form his own opinion today as to where these characteristics can still be clearly detected. However, he has free will

If I had used My power to destroy such organisations it would have interfered with the human being's free will, because the final maturing of the soul during earthly life has to be an act of complete free will if the person is to achieve perfection. My adversary has certainly erected a work of deception which has caused much harm to people's souls, but I gave the human being intellect and provided him with blessings in abundance I gave him the blessing of prayer and have come so close to people that they could call to Me in prayer. And if only they had prayed for receiving the truth and protection from error truly, their spirit would have become enlightened, and they could not have been deceived by lies and error Every person should think carefully, because for this reason he has intellect; if he fails to do so it is his own fault that he is far removed from the truth, that he has allowed himself to be captivated by misguided teachings Because every human being is My living creation intended to reach maturity on earth. I long for his return to Me and will truly provide him with every opportunity to do so, but he has to use these opportunities of his own free will. For I do not force this free will but My adversary cannot force it either

In view of this you will also understand that I will repeatedly ensure that the pure truth is conveyed to people, that I will expose misguided teachings, prove

them to be wrong and denounce them, so that it certainly will be possible for the truly willing human being to live in truth. But he also will have to make every effort to free himself from the structure of lies erected by the one who will always attempt to increase the darkness on earth and employ every possible means to extinguish the light. However, it is difficult for the truth to penetrate because people's thinking is already so distorted that it cannot free itself from traditional spiritual knowledge and thus every bearer of light commissioned by Me to spread My light will come under attack But there cannot be clarity as long as people are not given a full explanation, and people will continue to fight each other as long as they do not approach Me with the genuine desire for truth. Not until then will they receive light and subsequently try to disassociate themselves from spiritual knowledge which they had upheld as truth but which had emerged from the adversary, who is an enemy of truth because he is in hostile opposition to Me Myself

Infallibility of the head of church

Infallibility

Ecclesiastical commandments

You place too much significance on the infallibility of the head of your church, and yet you are hugely misguided. It was not God's will that His church should be arbitrarily formed by people and in accordance with people's will. Everything right and proper to maintain and spread His teaching was given by Jesus Christ Himself on earth to his disciples. He made the distribution of His teaching conditional on the individual's will to accept it or not. He gave precise guidelines which applied to everyone who wanted to accept His teaching. These consist of the promises which were made on condition that people comply with the requirements of the Lord's teachings.

He always respected the free will of the human being. The human being should make his decision voluntarily and without external pressure and thus fulfil God's will. And to these people He promised eternal life Thus He only requires faith in Him and His Word when He says 'I Am the way, the truth and the life I Am the means, the law and the fulfilment anyone who believes in Me will have eternal life ...'. His love wants to give something unimaginably wonderful eternal life. And for this He only requires people's faith and their will. However, it is not His will to burden humanity, who is already living in a constrained state on earth, with new sins The restraints of someone who truly believes in Jesus and His Word will be loosened, however, someone who does not believe is already punished enough by his constrained state because he has to remain in it for an eternity. Anyone who disregards the Ten Commandments given to people by God Himself, anyone who defies them, commits a sin, i.e. he disobeys God Who is love, because he disobeys the commandment of love. He does nothing to liberate himself from his state, instead he does everything

to make it worse. Fulfilling these commandments is the only means of release, while infringing against them is the very opposite.

The dogma of infallibility, however, became a new lawgiver for people in as much as the God-given Ten Commandments were increased by several more, so that the new ecclesiastical commandments more or less were added to God's commandments and failure to comply with these laws was considered to be as sinful as acting in opposition to the God-given commandments. And this error has an appalling effect. Because people now burden themselves with entirely irrelevant yet duty-bound actions which are quite unrelated to the commandment of love for God and their neighbour. And now they only focus their whole attention on keeping these ecclesiastical commandments and on releasing themselves from presumed sins Thus the sum total of their soul's task consists of complying with commandments decreed by people or to do penance for the guilt of the alleged infringement. And the soul's dreadful bondage, which can only be resolved by love, is ignored by them

If these commandments had been necessary, truly, the Lord Himself would have given and preached the fulfilment of these to His disciples on earth first Thus people tried to improve Christ's teaching arbitrarily and did not hesitate to give themselves divine approval for it. By deeming themselves to be enlightened by the Holy Spirit while still in a state far removed from it, they now decreed laws which could not be in accordance with God's will. These laws considerably reduced people's sense of responsibility for the God-given commandments due to the fact that the newly decreed commandments were now given the greatest attention, to an extent that humanity now observes them purely automatically and believes that it follows Christ's teaching when it fulfils its imposed duty.

The truly enlightened human being is chosen by God to put a stop to this deplorable state of affairs, i.e. to reveal it. However, God can never have enlightened those who had decreed or approved such commandments. The infallibility of the head of the church is a distorted image of the outpouring of the Holy Spirit. Anyone inspired by the Holy Spirit will always have recognised the error of this set of laws but worldly-ecclesiastical power prevented them from correcting this momentous error. For these commandments did not come forth from the spirit of love Lawmakers had little interest in reducing the work for the struggling souls to achieve their final release. Rather, their motive for establishing these commandments was a craving for increased power and the will to lead people into a certain state of dependence, since at the same time the failure to observe the commandments was deemed to be a grave sin. True servants of God have always recognised this deplorable state and have wanted to confront it but the teaching of infallibility of the head of church is already too deep-rooted that it could be easily removed. And only someone looking for pure truth and asking God Himself for the truth and the spirit of inner enlightenment will be able to liberate himself from it

Amen

Infallibility of the head of church

Every religious doctrine should be examined before it is accepted. God demands this from you in order to reduce the adversary's influence, because then you will also understand how he works yourselves. His objective is to infiltrate the divine truth with inaccuracies, but the human being can certainly become aware of it if he seriously examines what he is offered with the desire only to accept the divine, the truth. The opponent uses human will, i.e. he influences people to arbitrarily add other teachings to the divine teaching and to pass them on as God-given teachings. But human work is not without error and consequently the pure divine teaching is spoiled too, and even more so the less people scrutinise and think for themselves. And once again it is the opponent's doing that human doctrines inherently prevent their scrutiny and contemplation that people are therefore required to accept each religious doctrine unconditionally and scrutiny of it is made out to be wrong. This furthers the activity of the prince of lies very much indeed. But God requires people to have a living faith, i.e. a faith of heart, a faith which affirms with full conviction what it is taught. Anyone who seriously thinks about it will be able to affirm every divine truth wholeheartedly, however, he will never be able to accept the action of Satan. He will soon recognise it as human work and, having found it to be worthless, thus abandon it with an easy heart. Examine everything and hold on to the best

And because scrutiny inevitably has to entail the recognition and rejection of every error, the adversary knew how to prevent the examination of religious dogma by establishing a teaching which was intended to eliminate human thought and which thus has resulted in very nasty consequences This concerns the teaching of infallibility of the head of church, which apparently relieves the human being of every responsibility yet leads him into deep spiritual darkness if it is accepted and regarded as divine truth. Because any misguided teaching could then be added as divine truth without permitting criticism or rejection. And thus the door was opened to every error a field had been made available to the adversary's activity on which he could scatter his seed widely

Infallibility of the head of church

People's obligation to believe the teaching of infallibility of the head of church means that every additional teaching or rule set up by the head of church has to be approved or accepted without criticism, and thus the human being's thought and choice are eliminated, even though they are indispensable if the human being is to give account of his relationship to God one day. Every person has to answer for himself, consequently he has to make his own decision with complete freedom of will However, in order to make a decision he has to be able to examine and consider what he should decide on It should not be the case that an individual person decides and this person then demands of thousands

and thousands of people to follow his decision, subsequently expressing this demand in the form of a commandment (a doctrine) which is undeniably the case if every church commandment were to be acknowledged as in accordance with God's will, because its foundation is the (alleged) infallibility of the head of church. These teachings are now unreservedly accepted without the human being clarifying their meaning and purpose, resulting in routine actions which are unrelated to free decision, profound faith and deeply felt closeness to God

A church service evolved which, in reality, is not a service to God. Customs were introduced which are more or less formalities The adversary's actions succeeded in alienating people from the truth under the guise of piety, to stop them from using their own thoughts and thus their free decision too, since all this is suppressed by God's adversary due to the dogma of infallibility. Because once this teaching has been made plausible to a person he will no longer need to have an opinion about it. Thus he accepts without scrutiny, he need not make a decision because someone else has already made a decision on his behalf and free will is not utilized. Instead, the person has to believe what is given to him as religious dogma if he does not want to come into conflict with the particular religious dogma, which the church makes out to be so very important, that the head of church can never err or take wrong measures when he makes a decision concerning the church.

God only values free decision-making, but this has to be made by the person himself and thus the pros and cons of religious dogma have to be considered by him. Only what he can affirm in his heart can be called faith, and not what he finds himself compelled to affirm Because religious dogma intended by God will bear up to every scrutiny and will be even more convincingly accepted the more the human being delves into it However, anything that is not of God does not stand up to scrutiny and will be rejected by every person who seriously struggles for knowledge

Amen

Leaving the church, divisions of faith, various schools of thought

Leaving the mother church

The biggest foolishness in life takes place when people withdraw from the church they belong to. The circumstances the clergy find themselves in nowadays are not easy they do everything possible to help the church keep its sheep and yet one after the other isolates itself and often no longer finds its way back It is then exceptionally difficult to influence the souls of such deserters even though this is and indeed should be every clergyman's task. Now the Lord puts the gift of teaching into the hands of His chosen servants not to push the clergy out

of office but to help them, so that people outside the church also receive the blessing of God's Word. But who listens to and accepts the Word

It is indescribably difficult for someone having voluntarily separated himself from the church to submit to God's commandments It is not as if he did not have the opportunity to walk the right path If his heart dictates what is pleasing to the Lord and he follows this voice he will very soon reach a level which can lead him to much further ascent but usually people who have separated from their mother church are not at all interested in purely spiritual matters. They deny everything and are therefore in an extremely unsafe position by delivering themselves to evil powers, since they give up all support which the church had still provided to them and are far more likely to become entirely unbelieving, and their whole direction of thought only applies to the present but they deny life after death, which is generally the reason why they have separated from their previous belief. If these people are confronted by great hardship one day they won't know where to turn then they will look for their God and don't know where to look for Him

The clergy will never again be able to keep up the old discipline, it has lost the strength which makes the task of the messengers of God's Word easier, because they themselves often lack true profound faith as well They cannot any longer support with holy eagerness what they are teaching, and thus one thing explains the other. God's Word has to come to life in the messenger anyone speaking to the people has to be permeated by true love for the Saviour. Then every word flowing from his mouth will be spoken by the Lord Himself then every word will also enter into the human beings' hearts, and the small flock of people on earth which follows the Saviour and is willing to serve Him, will unite ever more closely. But anyone leaving the mother church surrenders himself to divine grace if he does not voluntarily bring himself in his heart to accept the divine doctrine Such struggle of heart is of immense value at the present time if you do not want to perish. The soil is being prepared wherever a community congregates to hear God's Word, and if a person's love is active as well the earthly child will soon feel the blessing of God's Word by being able to penetrate the divine teaching ever more and by receiving the right understanding for God's Word.

And thus the foundation of faith is laid in such a community, and if a faithful, God-serving shepherd is in charge of this community the Lord's Words will soon take root in the hearts of the believers, and they will be correctly guided onto the path of ascent. Therefore remain faithful to your mother church and don't leave it, for every church can give you the foundation for your own progress of ascent if you don't just listen with your ears but also with your hearts to what your Heavenly Father is telling you through His servants. Therefore, when you hear God's Word you should know that the Lord Himself is speaking to you you should know that everyone who serves the Lord has been chosen to proclaim the Word, that one day there shall be a great harvest and respect all workers in the vineyard of the Lord Any person proclaiming His Word has been given the task and strength by Him thus listen to him and the blessing of God's Word will always come over you

Amen

Reformers

There have always been people who desired truth and were close to Me in profound love, who very soon realised that the pure teaching which originated from Me has been spoilt, because those who wanted the truth also recognised the error and digression from the pure truth. A person who loves Me knows that My Word is divine but he also recognises all misguided teaching as human work because love for Me and desire for truth sharpen his intellect and perception. And therefore error has constantly been fought against, i.e. time and again human beings have tried to correct what was wrong and consequently appeared as reformers, being met with hostility by those who could not detach themselves from error and defended it as God's Word. And I was always with them in as much as that I joined them in the fight against error, thus I Myself spoke through these humans to everyone who listened to them. And there were always people who avidly absorbed what the former conveyed to them, who acknowledged and eagerly supported it themselves.

Thus every reformer found his followers which resulted in the 'division of the church ...' i.e. the church which claimed to have been founded by Me experienced frequent changes because it insisted on holding on to doctrines which were recognised to be wrong and its parting members followed their own school of thought by forming another church, which again claimed to be My church. The founders of this church were indeed enlightened by My spirit since they looked for the truth for love of Me. However, their followers did not always seek or require the truth, instead their dislike of the first church made them follow the second. And now it is the same again: Only the human being who seriously seeks and requires the truth will find it, for I will reveal Myself to him and he will always know of My teaching which I preached to people during the time of My earthly life. My spirit will always enlighten people who, in their desire for pure truth, pray for the enlightenment of spirit

Amen

*Different schools of thought
Where is truth?*

All spiritual disagreements could be resolved if each supporter approached Me Myself with his opinion and awaited My explanations Then there would truly be no conflicts, then all people concerned would have to re-unite because they would all simply receive the same answer from Me. The fact that so many divisions have occurred, that so many schools of thought have been formed, is certain proof that this path to Me had not been not taken, that people had only used their intellectual thought and this can never produce the same results, because My adversary can all too easily intervene and confuse the intellect where I Myself Am not called upon in order to enlighten it. A few advocates of their point of view have done this, and therefore their opinion will more likely correspond to the truth, but it is not accepted by those who have ignored Me.

And thus the law, the truth, will repeatedly shine through but too little attention is given to its light and conflicts are not resolved. They will always surface because intellect is more highly rated and intellect can alter the worst distortions such that they are deemed to be wise and are then endorsed again. If you humans now considered the many different religious doctrines and schools of thought, then this itself should make you doubt the truth of what everyone supports, since there can only be one truth Thus if the truth really was amongst the various schools of thought all others would have to be wrong. But which one is true? Each one claims to have the truth and yet it cannot be recognised or it could not be doubted and abandoned in favour of another. Do consider this Do consider that the truth belongs to Me, do consider that you are My children, whom I love Thus I will not withhold the truth from you thus it will also have to be recognisable. Therefore, as long as you humans do not know but merely assume that you live in truth you will not possess it.

However, this does not apply to those of blind faith who have never formed an opinion of what they are expected to believe, rather I address the leaders, the representatives of individual denominations or schools of thought who in turn seek to convince their followers of the truth of what they represent. I speak to those who use their intellect and come forward in order that their still undecided fellow human beings should join them. I speak to those who certainly would be mentally capable of recognising the pure truth if they let their heart speak at the same time, if they offered the spirit within themselves the opportunity to express itself but have so far refrained from doing and are thus misguided in spite of having a highly developed intellect. All these would be surprised to get the same results if they followed the right path to Him Who is truth within Himself and can and will only ever give the truth

The many denominations and different schools of thought provide alarming evidence that the 'working of the spirit' is alien to all those in charge at the top, who do not work together because they represent conflicting opinions And if they were to permit the working of the spirit they would soon realise that there is no need for an external organisation, that the human being has to look for the truth within himself and that everyone will recognise the truth who allows himself to be taught by his spirit, who takes the path to Me, abides by My will and listens to Me But then he can claim the right that his 'faith' has become 'certainty', and then he will also convincingly support the religious doctrines. And all those of the same spirit will also be taught the same by their spirit and thus know that pure truth can only be found in Me Myself, that it makes everyone indescribably happy who has found it and that all disagreements will be resolved when it is explained by the only One in authority to do so

Amen

The true church

Sects

Working of the spirit

The fact that so many schools of thought or faith exist and that people are usually admitted into them without their own will should make you humans think. The child's will does not determine the faith it is 'born into', and therefore it is similarly not a person's own merit or own fault to be educated in a particular school of faith And if now either one church or the other would be the 'only beatifying', if only one or the other would be right before God or pleasing to Him, then people who were born into other schools of thought could rightfully feel disadvantaged by God that the 'true church' was withheld from them due to their birth. But it is by no means the case that a human being can come to the truth without their own effort, and again it is completely unimportant into which school of thought he was born into Because every human being has to struggle for the light of truth himself. And it is equally certain that truth cannot be implanted through education unless the person has gathered the right foundation within himself on which the truth can take root in order to now become and to remain his possession. But this aforementioned fact should also make those people think who maintain their affiliation to a particular school of thought and deem themselves to be 'living in truth'

It is a presumptuous idea to believe to possess the privilege for the kingdom of heaven But many people have this presumptuous idea because all members of sects are utterly convinced to possess the exclusive truth And yet they have mostly taken on board what they in turn were taught by those who equally fanatically deemed themselves infallible. And none of them have spent any thought on how God Himself regards those who do not belong to their school of thought

As long as a school of thought is only based on love for God and other people and Jesus Christ's act of Salvation it can also produce true Christians to whom the light of truth will soon shine as well For if God's commandments of love are fulfilled while believing in Jesus Christ the divine Redeemer, the human being is becoming active himself, and then he has voluntarily joined the 'community of believers', the church which Jesus Christ Himself founded on earth

And every human being has to make this personal decision for himself, or: the fundamental religion is the fulfilment of the commandments of love and as long as this is ignored the person stands outside the church of Christ, outside of the truth, in spite of belonging to a school of faith which pretends to be the 'only true' and 'beatifying' one.

No human being can acquire beatitude merely by belonging to a particular school of thought or through actions demanded by it Only truly unselfish love for other people and thereby also demonstrated love for God leads to beatitude, and this can be practised in every school of thought, which will then also lead to the knowledge of pure truth. However, as long as there are separate communities, as long as each one tries to win members for itself who have to prove their membership by accepting what they teach themselves as long as these members' freedom of thought is restricted they are mere supporters but

not living (24.3.1958) Christians who can consider themselves to belong to the church of Christ

But as soon as a person becomes 'alive', which thus only requires the condition of a life of love, he also realises the extent of truth a school of thought can claim for itself. Then he will certainly be able to instruct his fellow human beings better than the leaders of the schools of thought but he will not be able to transfer his insight to his fellow human being either, instead his fellow human being has to fulfil the same conditions which will lead to the realisation of the pure truth: He first has to become a 'living' Christian through a life of love because this results in a strong faith, and then he also belongs to the church of Christ, which He Himself has built on the rock of faith.

It should make sense to every thinking human being that God will never depend a person's beatitude on the school or community of faith he belongs to, since the simple fact that people are born into and attached to such communities without volition should make them think provided they still have enough faith to acknowledge a God and a purpose for the human being. For atheists such thoughts are not worth discussing anyway because they dismiss every school of faith. But to those who all too eagerly support their opinion and repeatedly try to prove their truth by quoting words from the scriptures which, however, they only interpret rationally, apply the words that only love alone activates the spirit within the human being. In that case, however, the spirit will also instruct them in accordance with the truth, and therefore misguided teachings will also be highlighted from which the person has to liberate himself if he wants to be a living Christian, a follower of the true 'church of Christ', which does not exhibit any other outward characteristics than just the working of the divine spirit

Unity of ecclesiastical denominations?

There is no chance that the ecclesiastical denominations will agree with each other because they hold on to their spoiled teachings and do not try to distance themselves from them They all concentrate on external practices, they represent a Christianity which does not correspond to what Jesus describes as the church founded by Him Because this church is a spiritual union, its members exemplify a living Christianity which transforms a person from within, it cannot be compared with the Christianity advocated by the churches which mainly follows external customs, has adopted countless practices and ceremonies and thus attaches more importance to those while neglecting the inner change of the human being's nature into love As a result it can never achieve the right relationship with God, the spiritual rebirth, which, however, is the essence of the church founded on earth by Jesus Himself. None of the denominations will relinquish their traditions, not one of them will, for the sake of another, renounce anything even though it is a mere human product and has no value before God.

The denominations' argument concerns those differences which were created by them in the course of time, but no thought is given to the actual misguided

spiritual knowledge which had caused the confusion in the first place and which is eagerly defended as the original religion. This, however, can only be found in the truth taught by Jesus Himself on earth which has also been distorted by now and is no longer supported by any of the existing denominations, nor can it be supported because it needs the working of the spirit, which can only be attained by fulfilling the divine commandments of love. And particularly this commandment is in fact taught but observed least of all, because all later added man-made commandments are paid more attention, although they are of no value since they did not originate from God but are mere human work thus they cannot last and have no influence on the further development of the human soul which has to mature here on earth. The divine Word of Jesus on earth which gave mankind the full truth has been interpreted so incorrectly that these interpretations have resulted in many wrong customs.

Here God's adversary has played his part by confusing the spirit of men, which became noticeable in the demands of these various denominations, which always separated when people argued over the spiritual meaning of Jesus' Words. And each denomination supported such controversial issues according to the degree of their understanding or the spiritual state of those who believed themselves to have a calling but who did not belong to the church of Christ themselves, or their spirit would have been enlightened and they would have dissociated themselves from the existing creeds or schools of thought. Some eager representatives whose maturity of soul was already further advanced certainly did fight for the knowledge they had gained. But they could never prevail because their opponents were not willing to relinquish a structure which only consisted of misguided human practices, which never correspond to divine will because they did not concur with the pure truth

And even if the denominations intend to unify, they will still not give up these human institutions and endeavour to build the true church of Christ which expects of people an inner life in accordance with divine will not reliant upon any external practices, but solely upon a life of love. This will establish a connection with God and result in living faith as well as a full understanding of the pure truth which is gained through the working of the spirit within the human being and which is the sole characteristic of the church which Jesus Christ established on earth. And as long as people do not abandon the formalities through which they deter many people's faith altogether, as long as they do not want to experience the inner awakening themselves, which results in the working of the spirit and enlightenment of thought, it will be a pointless beginning to achieve an agreement, for then they do not agree in truth but hold on to the misguided spiritual knowledge which, however, will be of no benefit for their souls

Amen

Unification of ecclesiastical organisations?
Spoilt teachings

As long as people cannot decide to cleanse the Christian doctrine of all human additions, as long as every single denomination does not have the sincere will to embrace the fullest truth and to remove every error, no agreement of the churches will take place because the various denominations can only meet within pure truth and only then will they be united. However, no group is willing to renounce any of its spiritual knowledge and, above all, usually persists on the misguided teachings since they are unable to differentiate by themselves as long as they are merely governed by their intellect. And, remarkably, no school of thought endorses the 'working of the spirit' God's working within the human being and only accepts knowledge gained in this way, instead they deem the product of human intellect more valuable and are unable to dissociate themselves from it. Hence the attribute of the church which I Myself founded on earth is rarely found as proof of credibility and truth of what is preached. The ecclesiastical organisations lack that very aspect which guarantees the truth or they all would meet in the same truth and any disagreement would be eliminated.

And thus it has to be stated to humanity's greatest regret that the pure truth can no longer be found where one would expect to receive spiritual knowledge It has to be said that merely a thin thread connects everything when the commandments of love for God and one's neighbour are taught although this faintly glowing teaching material could still suffice to make truth accessible to the people since compliance with these commandments of love also guarantees 'God's working in the human being', who is then taught from within, thus he is certainly able to differentiate between truth and error But only the teaching of love has survived as divine teaching material, consequently every human being has the opportunity to live within truth as long as he complies with this teaching. Then he will also know that everything else is human work which only leads to wrong concepts that they are mere earthly expressions of what is spiritually demanded of people by God. However, people do not have the will to thoroughly cleanse the structure which they themselves have erected in the state of spiritual blindness

No school of thought desists from its doctrines and rules and each one remains a purely secular affair as long as they advocate external customs and practices which can only be regarded as symbols which lack the true interpretation And yet they are all fully convinced of their own school of thought, and precisely this is the tragedy, because in doing so they show their heartless attitude which prevents them from recognising the truth as well as their indifference, their irresponsibility towards their souls. For every human being living within love will value truth too highly as not to seriously ensure that he is living in truth. And merely a sincere question and request for it would result in enlightenment. But where can one find doubts concerning the truth among those who have made themselves leaders of people, who took on and are in charge of a teaching ministry themselves? Where, on the whole, is serious desire for truth still to be found? Why doesn't anyone raise the most important question 'What is truth? Do I possess it myself?' Everyone upholds with certain obstinacy what

he has adopted himself without forming his own opinion He believes to be 'devout' by accepting everything without a word of protest what was conveyed to him by other people He shakes off all personal responsibility, he neither uses his own intellect nor his heart to examine the accuracy of what he in turn is supposed to endorse again He himself sins against the spirit, because the spirit is within him and only wants to be awakened by love in order to be able to express itself. And this in a manner which will give him light and clarity so that he will become truly wise because he may receive the light from Me Myself which will give him brightest comprehension But why do only so few people experience this light of comprehension why are so many upholding spiritual values which are so unconvincing when they are seriously examined?

Why are people satisfied with doctrines that have truly not come from Me and why don't they accept the precious spiritual knowledge from My hand which may be asked for and received by every person who earnestly searches for pure truth and who can, through a life of love in accordance with My Will, also establish direct contact with Me in order to be taught by Me directly because you humans lack the knowledge about the working of My spirit within the human being. And this in itself is proof that you were and are not correctly instructed, that even the teachers are lacking this knowledge and that consequently they were not given their teaching ministry by Me. For when I commission someone to become a teacher to his fellow human beings I will certainly also equip him with the right knowledge But you, who deem yourselves appointed to be in charge of your school of thought or denomination and want to be looked upon as leader, lack this knowledge. You have not been appointed by Me, and you will never be able to lead your fellow human beings into truth because you do not possess it yourselves and do nothing to receive it.

And therefore take notice of what I tell you: The true church, which I Myself founded on earth, can only be found where the working of My spirit in the human being is evident. And this is not outwardly recognisable but it includes members from all the different religious communities, from different schools of thought, for they have won a living faith through a life of love. These will also know that My church does not present itself outwardly, instead it guarantees the closest union with Me to which I then disclose the truth a clear spiritual perception.

This is missing in those who do not belong to My church, who cannot dissociate from misguided spiritual knowledge which cannot possibly have originated in Me but is human addition, motivated by My adversary who will always oppose truth but which will never be accepted by those who give themselves to Me in love and faith. And thus you will also understand that there will never be a unification of Christian denominations because each one will insist on the doctrine it has represented so far, that the argument between the denominations always concerns misguided teachings which will be anxiously guarded every one of them because they are unwilling to abandon them However, only truth can lead to beatitude and only the person who genuinely wants it will also receive it if he takes the path to Me directly and asks Me for it in all sincerity

Amen

New school of thought

Human work

It will be the object of those who no longer recognise God, due to their heartless way of life, to coerce people into a completely new school of thought. They reject the old belief and will try to replace it with new teachings, their intention will be to confuse people's thought by seeking to disprove everything and, through objections, will awaken their doubts in order to introduce them to the new school of thought, to recruit them for it with guile and force. Because they do not shy away from achieving their aim by unfair means, they will rigorously proceed against people who remain faithful to their old belief and honour those who do their will and promote the spreading of the new teaching. These teachings are the work of human beings, they incorporate neither wisdom nor love; the aim of these teachings is to de-spiritualise people, to make people get the wrong idea about the purpose of earthly life, they do not originate from the spiritual realm but deny all spiritual concepts and only accept worldly goals.

And these teachings are offered to people in such a way that no one may evade their influence, that daily life will more or less depend on the acceptance of these teachings so that people will have to make the serious decision to accept or reject them. This school of thought will find approval everywhere because it takes people's worldly attitude into account which is the key factor for most people, because humanity is becoming increasingly materialistic and has completely turned away from the spiritual kingdom. They accept what they are given by people but do not recognise spiritual gifts as such, they laugh at or mock God's Word and reject any truthful explanation.

On the other hand, human structures and human ideas, which heartless people are trying to spread, meet the approval of most, and thus a school of thought will evolve which completely contradicts the pure truth. This is a school of thought which has nothing in common with Christ's teaching since Christ's teaching of love will be frowned upon. Since love is not taught first and foremost it will grow cold and wisdom, which is unthinkable without love, will also come to an end. People's thoughts will be ever more misguided, fewer and fewer people will take refuge in God as the source of all wisdom and it won't be possible, therefore, to give the pure truth to them anymore either. Nor will the truth be recognised any longer while error will assert itself, since humanity will no longer be able to distinguish truth from error due to its heartlessness. And thus it will allow itself to be encouraged and descend ever deeper into a state of ignorance. There will be spiritual darkness for humanity and no one will want to see the light And for this reason the adversary will have an easy time The battle against faith will be carried out on all levels of society since unkindness dominates everywhere and prevents people's perception. However, human work will not last It will disintegrate, like everything that is not of God, after it has triggered an enormous chaos, because these things do not survive for long and will therefore be eliminated by God Himself when the time for the end has come

Amen

Unification of different schools of thought during the battle of faith

The various schools of thought will, due to their deviation from each other, always quietly fight each other in as much as each will try to lay claim to the truth and will therefore not want to accept the other. Yet, in the last days, they will all walk together, provided Jesus Christ's teaching is their basic principle and they confess His name. Then, all other differences will disappear into the background because every spiritual aspiration will be fought and every spiritual aspirant will therefore seek to meet other people of like mind. Thus, the teaching of Christ will emerge from every school of thought and their followers will belong to God's parish, to His church, which He Himself founded They will belong to this church because of their faith in Jesus Christ in spite of belonging to different schools of thought. Each one will discard external practices and customs and only pursue the inner connection with Jesus Christ, and each one will foster love, teach love and practise love.

The battle against all schools of thought will be carried out particularly brutally so that half-hearted people of little faith will fall away if they do not have a profoundly living faith because they will not be able to offer resistance, they will falter under the burden imposed on them by the world. The cause of their failure will rest in the error which can be found in every school of thought, when serious action against them forces them to think about it. Any person who lives within truth due to his loving actions and correct instruction by God's chosen servants will also muster the strength of faith and not waver during any hardship, because the truth will give him strength as well as perception. Thus, he will know of the approaching end and the salvation from utmost adversity by God Himself. However, he will not be able to find this perception through misguided teachings and his faith will falter and desert him when he is confronted by the serious choice to either confess Jesus Christ before the world or to deny Him. Then the person, whose works of love have made him receptive to God's truth, will be strong, he will offer resistance and need not fear any worldly measures because he will expect God's help which he will receive whenever his body or soul experiences hardship.

Then the church of Christ will only be small and followers of every school of thought will seek refuge in it, and every hatchet will be buried just as all outward appearances and ceremonial actions will fall by the wayside in view of the immense persecution which all followers will have to fear. For the individual's psychological development it is also beneficial for him to only take notice of the core, to recognise the Christian teaching of love as the core and thus his faith will be strengthened the more he abides by this teaching. The group of believers will get smaller, it will only be a small flock but they will live in the truth, in the right knowledge, and they will survive the hardest trials of the last days and emerge as victors, because the church of Christ will be victorious and embrace all who live in love and faith, who acknowledge Him before the world and are filled by His spirit as a result of their continuous actions of love The defenders of Christ will join together from all schools of thought and face up to their last battle, and God Himself will be their commander-in-chief. God Himself will protect them, the shield of faith will cover them and make

them invincible they will fight in the name of Christ and victory will be on their side

Amen

Different schools of thought

Christ's teaching

The absolute truth cannot be represented by any school of thought as long as it cannot show that the origin of its dogma is based on the Word from above, although not everything taught by each spiritual movement can be called an error. Their followers will always be sincere people if they abandon ecclesiastical organisations and turn to such a school of thought. And therefore they are repeatedly offered the opportunity to come closer to the truth, because once they have recognised it as such they will hold on to it and hence be more faithful members of spiritual groups than the followers of the church which is officially made out to be My institution, but who are for the most part mere supporters or formal believers, never desiring to delve deeper into eternal truth, into My teaching of love, which I describe as the core of the church founded by Me. Only the Word from above is pure truth and this Word was received and spread by Jesus on earth, consequently His is the only true teaching and will remain so for all eternity. Hence the person who preaches Christ's teaching is My representative on earth and will be able to inform every school of thought to what extent they have the truth and which opinions are misguided. However, during the last days the real advocates of My teaching need not concern themselves with other denominations or religious groups because they will all be fought against by earthly authorities and will lose their supporters with certainty, too. My servants shall merely gather the deserters and try to win them over for Me and My kingdom; they shall impart the pure truth to them and take every opportunity to enlighten misguided people

And I will provide them with the opportunity to do so, I will send them to those who can still be won over, who are still undecided and only need the truth in order to take the right path. The truth speaks for itself and no one will be able to undermine it, but where misguided teachings have occurred people can always be expected to leave when they are confronted by hardship, which they can avoid through devotion of faith. Because in the last days great hardship will only be suffered by those believers who want to remain faithful to Me and will thus be treated with hostility by the world. The world will demand the complete rejection of faith in a God and Creator of eternity Who governs the fate of every human being, and the hardship of anyone relinquishing his faith will be resolved. People who endure will have to suffer in remarkable ways. But anyone who has true faith, who lives within the truth he has received from Me Myself, will also stay faithful to Me because he will know that such hardship won't last forever and will then give way to a joyful state of bliss. He will know that the earth is experiencing its end and so will the people who relinquish their faith for the sake of worldliness. The truth received from Me has given him the

knowledge of things to come and this knowledge will give him the strength to endure to the end.

Only truth gives strength, only the person who lives within truth will endure, and for this reason it is so urgently necessary to impart the truth to people because this alone will enable them to understand everything that will happen. Anyone who does not know the absolute truth will become unsure, he will doubt everything and prefer the world and its pleasures to his doubtful knowledge. But I want to give people the pure truth in order to help them survive the final end by firmly believing in Me, in My wisdom and love which wants to prepare a paradise for My Own after the destruction of this earth Anyone instructed by My Word of My eternal plan of Salvation will understand everything, always keeping his eyes on Me he will be able to glance into the spiritual realm and receive strength and grace to endure until the end

Amen

The latter-day Saints

How often have I revealed Myself to people before now and told them My will, if only people had kept to My Word all resulting misguided teachings would have been instantly recognised as being in opposition to My will But each school of thought has its followers and thus whole communities developed who supported the truth of their teaching who regard themselves as 'latter-day Saints' and defend their belief such that hardly anyone can stand up for themselves against them. But now I Am clearly manifesting Myself by denouncing all teachings which contradict My Word given to you from above, and there are quite a few of these It is of such great significance to be spoken to directly from above and to hear My Word that, in view of it, any misguided teaching truly has to disappear into thin air, that it has no further right to continue as truth. Because I Myself Am the source of truth, the eternal truth, Which cannot ever lead you into error, Which will not impose a misguided doctrine on you, Which eternally is and remains pure and sincere Consequently there can only ever be one truth, and this may not contradict itself

As long as you humans still abide by formalities, as long as you rely on these to achieve psychological maturity, you are lacking the foundation of truth And as long as you do not know the reason for your embodiment on this earth you will not take the right path which leads you to the goal you are meant to reach You humans should seriously consider to what extent each school of thought supported by you corresponds to My Word sent to you from above And try to find a person among you who has the grace and maturity from above to serve Me as a vessel In that case you will hardly find a teaching which contradicts the other, for they are all taught by the spirit, they are taught by Myself, and this in all truth indeed. And My Word will penetrate everywhere even those still living in error will be spoken to but they have to voluntarily accept My gifts of grace, they cannot be forced to do so. Hence time and again there have to

be people who, having been taught by My messengers, shall now labour in the vineyard by passing it on again

However, nothing happens without a struggle, no one will be willing to abandon the error, you will have to speak as My labourers and request My grace for this. But be aware, bringing pure truth to people who are already too enslaved by error is not an easy undertaking. Because every school of thought insists on its spiritual knowledge and can only be convinced if the human being has much love. Then the spirit is awakened and enlightens him from within. Then he accepts whatever you tell him and is grateful to you for the light by which he can now recognise and understand all correlations All schools of thought no matter what they call themselves need only ever be asked the question whether 'My spirit is working' in their group of people, which then expresses itself in a way that a person receives important knowledge without his own action knowledge, which enlightens him about his origin and his final goal That is where the pure truth from Me will be, because I can only ever say the same, since eternal truth never changes and thus continues to exist eternally. If only people would take the right path, the path to Me and ask Me for clarification Truly, they would all be filled by the spirit and no person could become enslaved by misguided teachings. But this is a matter of free will, and people do not utilize their will but rather listen to what equally unenlightened people tell them. And for that reason the error grows immensely, for that reason it will not be recognised, and for that reason countless people support misguided teachings which, however, they could recognise as error if they would apply their will to do so. And that is the great spiritual hardship on account of which I need many workers in My vineyard But only a few will let themselves be taught by them, only a few accept as truth what they are offered from above But I will bless everyone who supports Me in My work, who informs people, thus helping to reduce the great spiritual hardship

Amen

Who was Bertha Dudde?

Bertha Dudde was born on 1. April 1891, as the second oldest daughter of a painter, in Liegnitz, Silesia. She became a dressmaker and began to receive pronouncements from God through the 'Inner Word' on 15. June 1937.

"In a clear dream I was moved to write down my thoughts after devout prayer. Understandably this often gave way to doubt and inner conflicts until I was convinced that I was, myself, by no means the initiator of these exquisitely gracious words; but instead it was the spirit within me, in other words, the love of the Heavenly Father was obviously responsible for them and introduced me to the truth".

"I was given knowledge of the spiritual world which far exceeded my elementary school education. I received and receive this knowledge as a dictation in a state of complete consciousness; I write down everything I am told in shorthand, in order to then transfer it word for word to clean copy. The procedure does not take place in a state of compulsion, for example in a state of trance or ecstasy, but in an absolutely level-headed frame of mind. However, I have to want it

to happen and then I can receive these dictations voluntarily; they are neither bound by time nor place.

“Now I only have one wish, which is to be able to make these gifts of grace accessible to many more people and in accordance with the will of God Himself to be allowed to do much more work in His vineyard.”

(Quotations from an autobiography from 1959).

Bertha Dudde died on 18. September 1965 in Leverkusen, Germany.
