'My kingdom is not of this world'

My kingdom is not of this world Therefore pay only little regard to the earthly world, only let it affect you as far as your earthly task in life requires, but constantly strive for My kingdom which can be found beyond the material world. My kingdom is the kingdom which lasts forever, whereas the earthly world vanishes with the death of your body; but you can already possess My kingdom on earth if you turn away from the pleasures and commodities of the world and raise your thoughts to Me, if you send them into infinity, questioning Me and opening yourselves up for My reply. Then you already enter the spiritual kingdom which will be your abode one day, then the spiritual kingdom will be of greater value to you than the earthly world, and then you will also receive the wealth which belongs to this kingdom but which cannot be physically received by you. My kingdom is not of this world Understand that I want to call you into this world with these Words, which is your true home and which also wants to admit you again after the death of your body. My kingdom is the realm of light, which you will only be able to enter if you have become receptive to light, if you aspired on earth for My kingdom and thus became aspirants for the kingdom which belongs to Me and wherein you may behold Me one day.

These Words of Mine clearly allow you to understand that you should not ardently desire the earthly kingdom, but that you must rise above it if you want to be admitted into My kingdom I want to explain the difference to you, I want to tell you that this world does not belong to Me but that My adversary is its master and that I thus place My kingdom in **opposition** to the earthly world I want to entice you over into My kingdom because I want to give you what the material world does not offer an eternal life in bliss.

Earth is the valley of suffering and tests; it is the place where imperfect human beings are meant to become perfect. Nevertheless, the earth is not a permanent abode; it is just a stage of development of extremely short duration compared to eternity. And the human being himself, his earthly material cover, is transient; it only serves the soul, which ought to achieve higher development, as a temporary abode. Only then will the soul enter the spiritual kingdom which is everlasting but which can still be My adversary's realm if the soul has not achieved spiritual progress on earth, and thus will enter the kingdom of darkness

Yet you shall strive for My kingdom, the spiritual kingdom in which I Am King and Ruler, where only light and happiness exist, where I Myself give in order to delight all who have entered My kingdom Therefore pay only little regard to the earthly world, strive for the kingdom which reveals to you splendours which you humans could not dream of, the kingdom whose splendours I have

promised you with the Words 'Eye has not seen, nor ear heard, the things which I have prepared for those who love Me ...'

Amen

God's justice demands atonement

Every injustice has to be atoned for by the sinner This is demanded by My justice. And this sin has to be removed on earth or in the beyond and when a soul, burdened by sins it had committed on earth, enters the spiritual kingdom, it can take an infinitely long time until it has removed this guilt of sin Yet it is unable to make amends for the original sin of the past apostasy from Me in the kingdom of the beyond, because the original sin is too great for the being to remove it itself, whether on earth or in the spiritual kingdom. Nevertheless, even a soul still burdened by the original sin is demanded to make amends for sins it had committed on earth, and for these alone it might have to endure an unspeakably difficult and agonising fate, because My justice demands compensation for every sin.

Yet My infinite love has taken pity on all sinners it has redeemed the guilt of sin, it has made reparations for it, it has accomplished the act of Salvation on behalf of sin-burdened humanity, and it also paid for the original sin, so that the souls will be able to enter the spiritual kingdom truly redeemed when they have to leave the physical body. I have made the atonement Myself in the human being Jesus through My bitter suffering and dying on the cross, through an act of compassion which only love was able to accomplish. And thus even the greatest sinner can be released from his sin and enter the kingdom of light, provided he accepts Salvation provided he voluntarily approaches Me in Jesus Christ and for the sake of the crucifixion appeals to Me for forgiveness Yet this path to the cross has to be taken in **free will**, otherwise the human being places himself outside the act of Salvation, otherwise he does not belong to those for whom My blood was shed as atonement for humanity's guilt of sin.

You will only be able to appreciate the great importance of the act of Salvation if you consider that it depends on **you yourselves** what kind of fate you will sooner or later experience in eternity if you imagine that immeasurable suffering will await you because you have sinned and do not accept the mercy of Jesus Christ Who wants to release you from your guilt of sin if you consider that you yourselves will not even in an eternity be able to redeem your immense sin and therefore have to linger in unspeakable torment and darkness for eternities and if you consider, that you can also be released from your own guilt by just handing yourselves over to Me in Jesus Christ if you walk with your guilt of sin to the cross and appeal to Me in Jesus for forgiveness. You have to answer for every sin and make amends, and you all have sinned in your earthly life

But you all can also find forgiveness; you can become free from your guilt and enter redeemed into the kingdom of bliss by just turning to Jesus Christ, to

the divine Redeemer, Who has served Me Myself as a cover, because My love wanted to accomplish the act of Salvation for you humans and this could only take place in the external shape of a human being, Who took all sins upon himself, Who suffered and died as a human being and Who shed His blood out of love in order to help His fellow human beings and release them from spiritual adversity. You need only direct your path to Him, you need only entrust yourselves to Him in your spiritual hardship, confess your sins to Him and ask Him, that He might also have shed His blood on your behalf, so that you will be released from you guilt of sin, so that you will be able to enter the spiritual kingdom when the day of passing away from this earth has come for you

And He will accept you, He will wipe out your guilt of sin, for He has satisfied My justice He has endured the suffering and pain which you should have endured and which you cannot be spared if you leave the earth unredeemed, without Jesus Christ Admittedly, you will still be able to call upon and find Him in the kingdom of the beyond, and even then you can still be redeemed, but the path is long and difficult and you often lack the will to do so Yet without Jesus Christ the gate to the kingdom of light remains locked for you, without Jesus Christ you will never be able to become blessed

Amen

Fate in eternity corresponds to will

Love of matter is wrong

Whatever the human being strives for he shall receive, for his will alone determines his fate in eternity. If you strive for the kingdom of God you will also acquire it and become joint ruler of all worlds yet if you strive for the world, for fulfilment of all earthly wishes and longings, then the world, that is, worldly commodities, will not leave you even though you will have entered the beyond, for your wishes also create your soul's environment. The possession of these goods, however, will not make you happy, for soon you will realise that they are unreal, thus your cravings can no longer be satisfied yet you continue to crave, and this longing will torment you, consequently, you already ought to endeavour on earth to let go of such cravings, you ought to desire spiritual possessions if you want to be blessed one day.

Whatever you strive for will be your share And thus every human being creates his own fate and should therefore be conscious of his great responsibility, for he is facing eternities ahead of him, eternities which he can either spend in beatitude or experience in wretchedness. For eternities can pass by until he has overcome earthly matter, in view of the fact that the temptations in the spiritual realm are far worse since he offers them little resistance, whereas he can easily detach himself on earth if he seriously wants to do so.

A soul which has risen above matter and enters the kingdom of the beyond in a free state is indescribably happy, since the pleasures awaiting it are far more magnificent than people on earth can possibly imagine. This soul, too, will desire, yet it will find constant fulfilment, for it desires spiritual possessions, it is God's emanation of love which beatifies it without end, for which it

constantly yearns and which it will constantly receive. And this emanation of love spiritualises its whole being, it will bring itself ever more into line with the eternal love and will constantly feel attracted by it, it will incessantly desire the presence of God in order to be united with Him for all eternity and thus to be indescribably blessed. People on earth demand earthly joys, physical pleasures and only ever strive for material possessions And all that will come to an end with the death of the body They will be unable to take anything along into the spiritual kingdom if they have failed to gather spiritual possessions which, however, can only be gained by neglecting earthly wishes. If they are still able to detach themselves from the world before their physical death, if they still recognise its worthlessness before and ponder thoughts of the hereafter they can be considered blessed, for then their path of ascent in the spiritual kingdom will no longer be closed to them, even though inexpressibly difficult to climb, but then they will no longer strive for earthly possessions and no longer have to fear the awful temptations which weaken the soul and render it incapable of resistance. Then they will soon find support from the beings of light which will help them by handing out spiritual possessions, if only within certain limits, until the soul makes its own effort to increase them, until it has recognised its task in the spiritual kingdom and strives to comply with it. What it wants it will receive Only its will is decisive, and in order for the will to make the right decision God constantly instructs people of His will, yet they won't listen to Him, they will continue to desire the world and thereby seriously endanger their souls.

Therefore God has mercy on them, and He clearly shows to them the value of earthly matter by allowing people to lose it, by time after time taking away what they own and what is dear to their heart without realising that they harbour the wrong kind of love within them He takes away what they don't want to give voluntarily, in order to show them on earth already that it can be overcome, in order to help them become free from their longing for it, to content themselves with less and to turn their love to spiritual possessions which are incomparably more valuable and everlasting.

Every earthly loss affecting the human being is God's help; it is a gentle admonition to turn away from it and an indication of the fleeting nature of worldly things And anyone looking around with open eyes will be able to recognise God's activity everywhere, Who wants to help people become spiritually minded, so that they will still learn to despise matter before the death of their body and only strive for spiritual wealth so that they will create for themselves a blissful fate in the afterlife so that they will become blessed because it is their will

Amen

The souls' fate after death varies

I Am present with you Myself when you hear My Word, and My presence has to fill you with light and strength because I Am the primary source of light and strength Myself. The fact that purely physically you do not feel it cannot be helped for your own sakes, since My permeation of light would destroy your weak body if I would not just impart it to the soul which is already able to tolerate a greater measure of light and strength and is happy in this state.

Hence you have to believe this, for I cannot provide you with any other evidence but the fact that you hear My Word and that this Word also has to make your soul very happy, it demonstrates My direct contact after all, for My Word is strength and light and this is what you hold on to, it cannot vanish anymore, it is the obvious sign of My presence which continues to please you even if you detach yourselves from this heartfelt bond by complying with the world and its requirements again. But you have an abundance of light and strength and are able to resist all temptations by the world, you constantly look into My direction, and you will no longer leave Me, just as I will not let go of you, who have become My Own through your heartfelt bond with Me.

And time and again I want to delight you anew by initiating you into profound secrets, into a knowledge which only I Am able to impart to you, because it touches on spiritual areas which are still locked to you as human beings as long as I Myself don't open them for you. And such knowledge will always please you and demonstrate My boundless love for you:

The transition from earthly existence into the spiritual realm entirely corresponds to a person's state of maturity and varies considerably A still imperfectly shaped soul possessing little love, usually does not know that it is physically dead, it still moves within the same environment and just can't quite understand itself, for it keeps coming across obstacles arising from the fact that it still believes to live and yet it is neither listened to nor able to do the things it used to do on earth. And such souls are also in darkness which, corresponding to their low degree of love, is impenetrable or occasionally changes into a faint state of twilight A soul like that is not blessed, it wanders about, it clings to similar natured souls on earth, it tries to impose its thoughts on them and resists all beings wishing to improve its position, which can last, or even get worse, for as long as it will not withdraw and reflect on its state

If, however, a soul departs from earth which had not lived a bad way of life, which even had acquired small merits through deeds of love but had little will to believe and failed to find Me in Jesus on earth, it will also be frequently unaware that it is no longer physically alive on earth, it will walk through vast deserted regions, admittedly in a slight twilight yet unable to perceive anything, meet no other beings and be alone with its thoughts And it will still dwell on many worldly thoughts, hanker after many different things and grieve its lack of possessions, which it is unable to understand and thus believes that it was placed into barren stretches of land as a result of disasters or by people with ill-intentions, and then keeps looking for ways out

And it is possible that it will wander through such areas for an infinitely long time until, due to the bleakness, it will gradually change its way of thinking and

subsequently also meet similar minded beings, which already signifies a small ascent. As soon as it is able to communicate with others it is possible to instruct such souls, for they are usually approached by beings of light under the same cover in order to help them become aware of themselves. And then these souls will also gradually start their ascent

And a soul which leaves its earthly body having recognised Me on earth, having lived a life of love, believing in Me in Jesus and thus is redeemed from its original sin, will enter the kingdom of light, that is, it will find itself in a delightful region where it feels profoundly happy, where it is met by beings which, like itself, are permeated by light it will meet its loved ones again, it will have discarded all earthly heaviness it will be able to move itself to wherever it desires to be, wherever it wants to stay, it will experience the kind of bliss it had no idea of on earth it will come aglow with burning love for Me, Who prepares such splendours for you it will also recognise in a flash what it didn't know before, be it awareness of profound wisdom, be it the spiritual sphere which cannot even remotely be described to you on earth overflowing with love it will turn towards the beings requiring its help, be it on earth or also in the kingdom of the beyond It will want to serve Me in utter devotion and unite with equally mature beings for greatest activation of strength in order to tackle rescue missions which necessitate immense power. The transition from earth into the spiritual kingdom is but an awakening from a hitherto dead state into life for these souls For now that it has attained true life, it considers the state as a human being merely as a state of death, and with an abundance of merciful love it will devote itself to the 'still dead' in order to help him come likewise alive. For 'eye has not seen, nor ear heard, the things which I have prepared for those who love Me'

If only you humans on earth were able to get an idea of what fate might await you on the other side, you would truly strive to create this fate for yourselves; yet this knowledge cannot be given to you in advance, it can certainly be presented to you, but as long as you have no evidence of it the knowledge will mean too little to you as to make serious use of it.

Nevertheless, it is extremely wonderful for a soul if it is able to immediately exchange its life on earth after death with the spiritual kingdom, if it no longer has to go through the difficult process of maturing in the beyond, for this can often necessitate an infinitely long time if it does not receive loving intercession on part of people, and again, only those will experience this intercession if loving thoughts follow them, and this will only ever be gained by the person who has carried out labours of love himself. In that case his further development will proceed more easily, and the longing to meet his loved ones again can also be a great incentive just as every instructing spiritual friend will help him to reach maturity faster, if his instructions are accepted by the soul. But as long as you humans live on earth you will be unable to form an accurate concept, just as the various spheres in which the souls will be able to stay can only vaguely be described to you. And every human being should be grateful for all kinds of ailments and afflictions, which will guaranteed lead to a **better** fate for the soul, irrespective of its nature than if it would depart from earth without suffering providing its degree of love and faith do not assure the soul the kingdom of light

Yet the majority of people are without love and faith in Jesus Christ And their transition from life to death will not be a pleasant one, for they will meet on the other side what they had pursued on earth. The longing for the earthly world will still be excessive in worldly people and yet no longer be fulfilled, in its illusive existence the soul will indeed create a world for itself, however it will soon realise that it only created mental images, until it eventually loses interest and realises that it is in a miserable state and yearns to change its situation Then it will also receive help

Yet even those who neither lived a good nor a bad life on earth cannot expect an enviably fate in the kingdom of the beyond Admittedly, they will not be depressed by most profound darkness yet their lack of knowledge will torment them, for they cannot understand why they are unable to see anything, unable to speak to anyone and yet exist They will have little strength, and only when they think of Me will it become a little lighter around themselves, and only then will My messengers of light be able to cross their path and help them to improve their situation providing they allow themselves to be taught and let go of their previous attitudes. But blessed are those who won't have all these difficult experiences in the kingdom of the beyond, for whom the kingdom of light is open and who may take possession of all glories which the Father offers to His children in abundance because I (He) love them and now they also respond to My (His) love

Amen

Heaven and hell

I will not let anyone who gives himself to Me as My Own fall ever again. But anyone who remains in opposition to Me is in great danger of losing the strength of My love completely and becoming hardened in his fundamental substance, an extremely agonising condition which I would like to prevent. This truth, which has not been concealed from humanity from the start, resulted in the concept of 'heaven and hell', of a blissful and a wretched condition, which in people's imagination is a limited space, until ultimately the real truth the condition became less important in their imagination and only the place remained, visualised by fantasy in every conceivable way. This gave way to many misguided thoughts so that the truth is now completely distorted and the human being no longer has any knowledge of what heaven and hell really mean.

Life and death are heaven and hell Busy, joyful activity in the most brightly radiating light is life Weakness, helplessness and deepest darkness are death And every condition can continually increase in both directions until the final aim, blissful union with Me or deepest descent, infinite distance from Me, has been reached Inconceivable is the bliss of the former, inconceivable is also the torment and suffering of the condemned, who languish for eternities and have no strength for redemption. It is these souls you should consider

It is a misguided teaching that there is no salvation from hell, that these souls are eternally condemned by Me It is not I Who condemns them but they

themselves who have chosen damnation, not I Who pushed them into the abyss, but they themselves aimed towards the deepest point. However, My love leaves nothing so far away forever and therefore there is even salvation from hell, since I died on the cross for these beings too and accepted their guilt, because My love is greater than My wrath, than My justice. Even hell will have to let go of its last victims, i.e. even the hardest matter will be disintegrated one day, freeing the spirits within for the purpose of ascending to life Because hell, as you humans imagine, does not consist of an eternally blazing source of fire, it is not a place which contains the condemned. Hell is an indescribably agonizing condition, a condition which starts on earth when people do not acknowledge Me, hence they disassociate themselves from Me and remain without the strength of My love. They certainly continue to live their physical life without Me and as yet do not feel the weak condition, which their distance from Me entails, as torment, but as soon as their bodily life is over the agony starts: the consciousness to be completely without strength and yet to exist

It is still possible at first to let go of the resistance if the soul listens to the advice of knowing beings, but these opportunities are rarely valued and the soul descends ever deeper, the distance to Me gets ever greater and the weakness increases until the final hardening takes place the new banishment into most solid matter Then an infinitely long developmental period will have passed unsuccessfully for the spiritual substance which was once bound in matter and then set free as a human being in order to voluntarily strive for shedding every physical restraint. That it has failed is his free will because I truly do not withhold direct admonishments and warnings. But hell has a far greater attraction than heaven and the human being strives with utmost zeal towards matter again which the soul had long overcome. And therefore it is also his fate matter will once again be the shell for the spiritual substance which had failed its final test of will.

Hell has opened its gates wide, and countless souls will enter the darkness voluntarily Hell will triumph, i.e. its prince will have, as far as numbers are concerned, great success, but I will extort all these souls from him by placing them into the new creation again, and at the same time remove My adversary's every power over these beings by banishing him into the center of earth that is, he will be given the hardest cover as a constraint, which he will be unable to leave again until the will of humans gives him power once more, by people desiring material goods and increasingly distancing themselves from Me again. Then he will fight for the souls again and this contest will be permitted so that the souls can prove themselves by choosing between Me and him, because without the right decision no person can achieve blissfulness

Amen

The state of darkness in the spiritual kingdom

BD 3952

received 04.01.1947

The souls' state of darkness in the beyond and help by beings of light

And your share will be light or darkness. You will stay in the light if you had allowed the light to enter you, if you had let it flow into your hearts and thereby dispelled the darkness you lived in until you were touched by the light from the heavens. However, if you avoid the light darkness will be your fate And spiritual darkness means wandering about lonely, it means being all alone in darkest surroundings without goal and without hope for a change in your situation. Hence a soul staying in darkness in the beyond suffers indescribably, since previously it had physical eyesight enabling it to recognise everything surrounding it, but now it will require spiritual vision in order to behold spiritual things, however, the soul will be spiritually completely blind. And thus it will stay in a dismally barren region, and if it encounters other souls it will be unable to recognise them and thus will have to depend on other soul's help for guidance, for providing it with an occasional glimmer of light to recognise its environment.

The enlightened souls, however, will take care of such poor souls, yet their help is limited according to God's will, for they are not allowed to give light to them against their will. As long as the soul does not miss the light it has to languish in darkness, no matter how long it will last. It has to long for light, its condition has to become intolerable, and it must demand a change of its situation, only then will the bearers of light approach and provide it with a small glimmer of their light they will offer a few explanations and, depending on its willingness to listen and to accept them, the light will then take effect on the soul.

Its insufferable situation can awaken or enhance the soul's willingness to help as soon as it encounters other suffering souls. It will clearly recognise the suffering even though it is unable to recognise much, and as soon as the suffering of these souls stimulates its will to help it will become brighter within and the opportunity to help a suffering soul will present itself. Then it will feel an influx of strength, and it will use this strength to render assistance and in turn will be assisted itself by the beings of light, which will never leave such a soul again. It will receive because it gives, because love will have awakened within and every activity of love on earth as well as in the beyond results in receiving strength; strength and love, however, are always together its will becomes stronger and its realisation will grow The darkness is penetrated, and for the time being it will give way to a twilight which is followed by a golden dawn when the sun of the spirit has risen, that is, when the soul receives knowledge on every subject from the beings of light, which delights the soul and will impel it into constant actions of love, that is, into giving of what it owns itself, to souls which still languish in utter darkness.

Every soul is able to escape the darkness; every soul is able to deliver itself, yet the reason for imparting light must always be a loving thought, for without it the beings of light are not allowed to distribute gifts, because free will has to strive for light or eternal night will continue to engulf the soul and the consequence

can be a descent into the deepest abyss. Light, however, belongs to beatitude, and once the soul has developed spiritual vision it will recognise its task and behold splendours and never again descend into darkness

Amen

*Involuntarily premature deceased people
Beyond*

The undeserved fate of those who have to sacrifice themselves against their will on account of unjust actions by malicious nations will not remain without punishment, for there has to be just retribution if souls lose their embodiment's permitted time of grace on earth due to human fault and thus were unable to mature fully, as is possible in a long lifespan. It is an unmerited shortening of earthly life which admittedly releases them from the body but they enter the beyond in an immature state. The soul can only receive what its state of maturity merits; it has to enter the spheres which correspond to its degree of maturity. But it has to be understood that terminating human life in a certain state of compulsion has to be atoned, for nothing that is unjust before God can remain unpunished. For no-one is entitled to take a fellow human being's life. On the other hand, however, the human being's soul has to be given the opportunity in the beyond to continue the self-redemption which was interrupted on earth. And therefore especially these prematurely deceased souls are assigned a rich field of work in the beyond, so that they only need to be of good will in order to advance their soul's state in line with earthly life. If the soul's progress of development is interrupted due to someone else's fault, the beings in the beyond have the most incredible opportunities at their disposal to nevertheless still reach the state of maturity, providing they have an active will and the being desires to reach God.

However, particularly a prematurely deceased person is at great risk that his soul will be unable to detach itself from the earthly sphere since it had left it before it was able to overcome its fondness for matter, for all earthly pleasures. And there is great danger that it will not make use of the opportunities in the beyond as it is still far too earthbound but, nevertheless, just as in earthly life, has to abandon this will in order to be able to travel the path of higher development. Nor can its will forcibly be directed towards ascent, the soul is just as free as on earth to voluntarily strive towards ascent or the abyss, although countless beings of light will try to help such a soul.

But those who have caused the premature demise of a human being will gain little spiritual success from earthly life, for their guilt will thicken the layer of their own soul and the release from such a layer will be extremely difficult. Consequently, the person will have to struggle tremendously to free himself from this immense guilt, the state of his soul will be very low once he leaves earthly life himself, and he will have to do bitter penance for his guilt in the beyond

Amen

Suicide

Fate in the beyond

The path of the flesh has to be taken until the end, that is, every being also has to experience the embodiment as a human being. The earthly path prior to this cannot be deliberately shortened or interrupted. However, in the stage of free will the human being is able to use his free will and therefore also end his earthly life as a human being arbitrarily without being prevented. But the consequences of such interference in divine will are awful. A person like that is still immature, that is, he is without recognition or he would not take this step which deprives him of a great blessing to be able to improve his character until God Himself ends his life. Nevertheless, he will become aware of his wretched action in the beyond and his remorse will be beyond description.

If it is God's will to end a life, irrespective of whether the person is still young and not ready for eternity, then God recognises the necessity of it and terminating the earthly life is an act of grace, either to avert peril from the soul or to offer this soul an opportunity in the beyond that will raise its state of maturity within a short period of time. The forcible termination of life is, however, spiritually a great step backwards, for the being is suddenly without strength to improve itself and depends on the mercy of the beings of light or people, that is to say, if they don't help it will forever remain on the same level of imperfection. The soul first has to come to realise this in the beyond which will trigger an indescribable state of remorse. But if the soul is willing it will use every opportunity to be helpful, yet its struggle will be too difficult for words. In a manner of speaking, it has to carry on bearing the earthly suffering in the beyond, which it had wanted to escape; the same things it had thrown away are still clinging to it and torment it dreadfully.

Yet God is not without mercy even towards a soul which had disregarded His will, providing the soul is not entirely obstinate. After some time, which to the soul seems to last forever, it will also be given tasks in the beyond which will ease its situation. And then it will have to use its will again. If it agrees to help suffering souls in the beyond it will soon notice an obvious improvement in its circumstances. But this may well be after the time God had designated for its actual earthly life, thus it will not have arbitrarily shortened its earthly path after all and will still have to linger in the state of suffering in the beyond, that it thought unbearable on earth, until God takes pity on the soul.

Hence its intervention in divine will was entirely pointless; it deprived it of the grace to mature fully on earth but by no means ended the ordeal of earthly existence. Consequently, such souls are pitiable, for it will take a long time until they are redeemed and the awareness to have thrown God's blessing away is so agonising for the soul that it is in a sorry state in the beyond. Such souls are especially in need of people's prayers. Only people's love on earth can relieve their torments and impart the strength to improve their fate by using their will, in as much as the soul in the beyond is prepared to be of service and thereby, after an apparently endless time, will be able to change its lightless abode which, understandably, is its share (fate?) until it is saved by God's love and mercy

Amen

The souls' agonising fate in the beyond

Anyone having devoted himself to the world must and will fear death, for the human being has not disappeared when he dies yet the soul has left him, which is unable to die and thus continues to exist in the spiritual kingdom in a state which corresponds to its earthly life. Only now will the soul be able to enter the true life, which lasts forever and is a state of blissfulness, for in complete freedom, in light and strength it will be able to create whatever it wants which, however, is also My will, because it has completely subordinated itself to My will Yet it is also possible that it will stay in the kingdom of the beyond in an agonising state, in darkness and helplessness but still conscious of itself. In that case one can indeed speak of death, but not of a state of complete disappearance And its agony precisely consists of the fact that it knows with how much abundance of strength it had lived on earth, and now it is helpless and incapable of any activity The fact that it remains conscious of itself is the very reason for its increased torment but it can also help the soul to emerge from this state of death, by listening to the helpers by whom it is approached in the spiritual kingdom and following their instruction, which will already result in a slight improvement for the soul.

Yet it is extremely difficult to encourage the souls to take care of other wretched souls, because they are only ever occupied with themselves, just like on earth they lack love and their selfishness is still predominant. Yet only love will enable the soul's progress in the beyond It has to receive loving intercession which it experiences as strength, and then it will be possible that it will change its will. It has to awaken love within itself by also paying attention to its needy brothers in the beyond and willingly offering small gestures of assistance These will then also be felt by the soul as influx of strength and stimulate its will to love, which alone is able to release the soul from its agonising situation.

If it enters the kingdom of the beyond in utter spiritual darkness it can take a very long time before it becomes aware of its wretched condition and yearns for improvement But as soon as the desire arises to change its state of death, as soon as it realises that it no longer lives on earth and yet has not ceased to exist, it will also reflect on its situation and try to get out of it. And only this will bring it into contact with helpers, beings of light which come along in disguise and try to explain that it can escape its situation if it has the will to do so Especially unbelieving, from earth departed human beings require much intercession from human side which will enable them to muster the will in the beyond to improve their situation. For every prayer on behalf of these souls conveys a flow of strength to them and this strength will never be lost, providing the soul leaves people behind on earth who will remember it in intercession

Hence you humans are able to contribute to a large extent that these souls, too, will overcome death, that they will still awaken to life on the other side For as long as the soul is self-aware I will not abandon it, for then it will also be capable of changing its will, which need only be directed towards Jesus Christ and its redemption will be assured However, if it descends to a point when no spark of light will be able to reach it anymore, then it will continue to strive

towards the abyss and harden again, and that also means disintegration and loss of self-awareness, it means renewed banishment into matter and the start of a new period of Salvation, because no being will be lost forever Because no being will remain dead forever, but one day for sure will return again to life everlasting.

Souls, which no longer have to go through this new banishment, will also be fought for in the kingdom of the beyond, and every person who lovingly remembers these souls is participating in the redemption work, and the souls will be eternally grateful to him for having led them from the night of death into the light of day For what once originated from Me as a being cannot cease to exist, but only when this creation will be able to work in freedom, light and strength has it come alive, but then (it) will never be able to go astray (lose it) again

Amen

Concept of eternity

Perfection

Infinitely long periods of time have passed in which My creative will has been active in order to guide the estranged spirits back to Me Infinitely many creations have thus emerged which were intended to make this return possible, and countless souls have reached their goal to dwell with Me in the light again Yet far longer periods of time will be necessary until all spirits have travelled the path back to Me. For innumerable beings came forth from Me and once strayed from Me of their own free will.

These are eternities, periods of time the duration of which is inconceivable to you humans, and therefore the word 'eternal' can indeed be applied without being a wrong concept for you, even if one day the point in time will arrive when the set time for every period comes to an end For even the longest period of time is just like a moment for Me, but infinitely long for all living creations in the state of imperfection **In the state of imperfection** And now you will understand that a limit of time only ever exists in the state of imperfection whereas **perfection does not** know any limitation, that the concept of time can no longer be applied to everything perfect, and thus it is irrelevant to Me Myself **when** the complete return to Me will be accomplished. Yet for you, My living creations, who became imperfect of your own fault, it is of utmost importance how long you will remain in a condition which is agonising for you and the duration of which will consequently be shortened or prolonged by yourselves.

The deeper you are entrenched in sin, the further away you are as yet from perfection, the more the concept of time and space will frighten you, precisely because it is incomprehensible to you and yet it cannot be denied because

your lifetime on earth is strictly limited and yet infinite ages in the past as well as infinite ages of the future have become a certainty for you The latter is even your firm conviction, so that you do not consider it possible for an era to end. Your conviction is in so far justified as that there is no such thing as an 'end', that the spirit will always and forever exist, but this alone is 'real' only the unreal things will vanish, which are only the means of return to Me And the human being all too often counts himself as the unreal, as what is not permanent, which passes by like time because he ignores the soul within himself which is not subject to limitation and which can never cease to exist but which is able to suffer eternal torments because it requires eternities to become perfect and then it will also be able to be infinitely happy in utmost freedom, independently from time and space because it will stay with Me again, Who is without beginning and end and everywhere, Who exists from eternity to eternity

Amen

Eternal damnation

God's mercy knows no bounds, God's love is infinite, His patience immeasurable, and for this reason His living creation cannot be lost forever or He would not be perfect. For this reason it is wrong to speak about eternal damnation, if it is to be understood as a concept of time which intends to describe something that is never-ending. For this kind of eternal damnation would then signify something completely lost to God thus a spiritual being would finally be relinquished to His adversary, which originally had emerged from God and was taken away from Him by His adversary But in that case this adversary would be greater than God, to a certain extent he would be the victor and superior to God's might and strength which, however, is and never will be possible, for no being is able to surpass His perfection, might and wisdom.

What has emerged from Him will eternally remain His in possession, it will just be separated from Him for a time, that is, it has distanced itself from Him to the greatest extent due to its own will. Yet even this distance is not a permanent condition because the being, in order to be happy, has to be affected by God's emanation of strength and if it lacks the will for this itself, it will be seized by God's love and mercy which wants to provide it with the state of bliss. Hence eternal damnation would contradict God's love and mercy, or they would be limited, whereby God's perfection would suffer a loss. An utterly perfect Being has no human weaknesses, but eternal wrath would be an inferior human attribute, just as every eternally lasting state of punishment could not be called a divine principle, for the Divine is characterised by love Love, however, saves and helps; it forgives and will never push something away from itself forever.

In contrast, the adversary lacks the divine principle of love, and it will always be his objective to pull the spiritual beings down to himself forever. He is the one who causes confusion to people's concept of eternity, who tries to portray God as merciless and harsh in order to stifle people's love for Him he is the one who does not know mercy himself and therefore unhesitatingly aims to render

the souls miserable, who wants to deprive them of every opportunity of help in order to corrupt them forever. And he finds many followers of his doctrine of eternal damnation who do not recognise God in His infinite love or they would be unable to believe this teaching. Yet the truth will always be conveyed to people and the error glaringly brought to light, so that God will be recognised and loved as the most perfect Being, so that people will join Him and abhor His opponent

Nothing will remain unredeemed forever

Every human being is responsible for his soul's state of maturity himself, consequently the human being also determines how long he will remain distant from Me, that is, every original spirit the embodied soul in a person will return to Me without fail, yet the length of time it takes to achieve this return depends on free will, and thus it can take eternities until the soul has become what it was in the beginning: a perfect being which is closely united with Me, which then will be able to work beside Me in light and strength and freedom The fact that this return to Me will happen sooner or later is certain, because it is the fundamental law of eternity that everything emanated by Me as strength will have to return to Me again Yet the duration of return to Me can stretch across eternities and you humans are incapable of comprehending this period, for your thinking is limited

Nevertheless, there is no such thing as 'eternal' death, if it is understood as being perpetually distant from Me You can indeed speak of eternities but not of a state that will last forever, which thus is without end For such a concept is not compatible with My Nature, which is love and wisdom and might Do you really think that My wisdom and might don't have the means at their disposal to achieve everything, even the final return of the spirits which once had fallen away from Me? Or do you think that My love is so limited that it would leave even just one being in a state of eternal death?

You know that even My adversary will return into the Father's house one day and that he will be accepted by his Father as the son having returned home, even if infinite times will still pass by Nevertheless, he will not be banished from My face forever, he, too, will yearn for My love one day and voluntarily return to Me. And nothing will remain in an unredeemed state, for even the hardest matter will dissolve one day, it will release the captured spiritual substance and bit by bit spiritualise itself, for everything in existence in the whole of the universe is spiritual strength, of which I was and Am the source, its effect merely manifests itself at various degrees of hardness, thus consequently hardened or already softened it is approaching its spiritualisation but the spiritualisation of all matter will certainly take place and nothing defying Me will remain This wrong assumption is also a product of human intellectual thought which has to be corrected through My direct instruction from above, for such a teaching was never conveyed to you humans by Me

Time and again My adversary will intrude and influence people to change spiritual knowledge with the intention to mislead you and to awaken doubts in My Nature, for as soon as you believe it possible that unredeemed spirits have to remain in their state forever it will also question My infinite love it would be limited, which is impossible with a Being, Which is and will remain supremely perfect for all eternity. My adversary has truly many opportunities to slip in and cause confusion, and he will always do so when My spirit's activity is displaced by intellectual thought, which is only possible when people are not content with a simple explanation and feel committed to add or delete something. If, however, they would shy away from making changes at all, such errors could not creep in, for then they would strictly keep to My Word and could not fall prey to error

And therefore I have to keep exposing errors all over again, I have to convey My pure Word to you humans, I have to correct everything so that you will not acquire spiritual information that has not originated from Me but which is eagerly endorsed as My Word It was conveyed to earth in all purity and truthfulness, yet if a person takes it upon himself to make changes he cannot be prevented by Me, but I will always make sure that you humans will come into possession of the pure truth time and again And if you yourselves desire to know the truth then you will also query every misguided teaching and won't be able to reconcile it with the supremely perfect nature of your God and Father of eternity

And the best and safest test you can make is to ask yourselves whether your God's love and wisdom justifies a teaching, for as soon as one quality is missing you may also reject it as incorrect And truly, I will also substantiate to you why a teaching of **eternal condemnation** is misguided so that you can believe it and be sure that you are living in truth, which I will keep imparting to people because truth alone is the light which illuminates the path of ascent

Amen

Do not forfeit your eternal life

Do not forfeit your eternal life Admittedly, one day it will be granted to all of you, but eternities of infinite agony and darkness may still go by when you are in a state of death and entirely without strength and light. And you can prolong this agonizing time indefinitely so that you can indeed speak of 'eternal damnation' but which I have not given to you, instead you volitionally cause and continue to cause it yourselves if you fail to use your human existence to achieve eternal life for yourselves.

I will not let you be lost forever, because you are My living creations whom I loved from the start and will never cease to love either, but I cannot give life to you prematurely if you yourselves prefer the state of death, if you are unwilling to accept life from Me However, you can easily acquire it by merely entrusting yourselves to Me, Who is eternal life Himself

And for this purpose earthly life is given you, where you are in possession of intellect and free will, where you can accept instructions concerning your

task on earth and thus you need only want to emerge from the state of death. And this time on earth is very short, no great sacrifices are expected of you considering what you shall receive if you use your will correctly. The lifespan of a human being is very brief indeed but it suffices to let you reach the goal

Yet your preliminary development took an infinitely long time until you were able to enter the stage of a human being And it will take an equally infinitely long time until you will receive the grace again to repeat your test of volition. The length of these infinite times is beyond your human comprehension since your thinking is limited in your imperfect state And just as you do not know of this agony, because retrospection of your preliminary development is taken from you during your earthly life, you do not know of the indescribable bliss either which is integral to the concept of 'eternal life' You do not know of the splendours awaiting you in My kingdom when you decide to finally return to Me And neither one nor the other information can be proven to you, since then it would be impossible to make a free decision of will.

But you should believe it even without proof and live your earthly life accordingly, you should not forfeit the bliss of a 'life' in My kingdom, you all should include this possibility in your intellectual consideration even if it seems implausible to you and you should live such that you need not reproach yourselves when the hour of your departure from this earth has arrived one day. You should also listen to those who talk about such things which are unrelated to the physical world And you should reflect on it and imagine how you would fare if they were right

There is too much at stake for you humans, it is not just a question of a few years like your lifetime on earth it concerns eternal life, it concerns the **never-ending** state of supreme blissfulness a state in light and strength that was yours in the beginning And for this eternity in light and strength you only need to renounce utterly worthless things for a very short time, for a 'moment' of this eternity But you value these things exceptionally high, and hence will forfeit 'life' and continue to remain in a state of death for an endless time again

And all I can do to help you attain life is to constantly send My messengers to you humans, who warn and remind you on My behalf, who should inspire you to try to arrive at the truth who point out to you that I, as the only Truth, enlighten your thoughts, who advise you to establish the connection with Me Myself, so that I can then seize and draw you to Myself But you have to take the first step, since I will not force you for the sake of your beatitude. But I will support and strengthen even the weakest will which turns to Me. I caused the entire creation to come into being in order to give you life.

I do not want your death, I want you to live and finally escape your state of death, which has already lasted for an infinite time I want to impart My love on you again and offer you a wonderful fate which will never end again But I cannot stop you from taking the path into the abyss once more if you volitionally follow My adversary again who once had taken your life and delivered you unto death. I can only ever call to you again 'Do not forfeit your eternal life' but you have to follow My call voluntarily, you have to endeavour to achieve life

while you live on earth, and I truly will help you achieve it because I love you
....

Amen

*Explanation about re-incarnation
Jesus and Salvation*

It is completely misguided to assume a return to earth in order to atone for the guilt of sin, although God's law of divine justice demands compensation for all guilt Yet there are truly many possibilities open to Me, so that one day all guilt will surely be redeemed and the being can be admitted into the kingdom of light and bliss again, which is closed to it in the state of guilt. The kingdom of the beyond, into which the soul enters after the death of its body, corresponds to its degree of maturity, hence it can either stay in utter darkness or in brightest light and as a result its fate will either be an agonising or a glorious one.

And both the torments as well as the splendours are indescribable and impossible to explain to you humans, and therefore the torments thus the fate of the unredeemed, sinful souls, can be dreadful and the soul consequently often suffers beyond imagination for its guilt or for the sake of its guilt, thus with its suffering it also makes amends for much of its guilt. And its state of suffering can last an infinitely long time if it is incorrigible, if it refuses to accept advice from the spiritual guides who want to help it out of its misery. For it cannot enter the kingdom of light until it has redeemed its guilt as far as it concerns the sins it has committed on earth

But since the original sin of its apostasy from God is far greater and this guilt can never be redeemed by the being itself, the human being on earth or his soul in the beyond irrevocably has to find Jesus Christ, for He alone is able to deliver it from this guilt for which He died on the cross Without Jesus Christ the soul will never be free from its guilt, even if it languishes for ages in the darkness of the beyond Thus it has to call upon Jesus for mercy, for forgiveness of its guilt, and time and again its spiritual helpers will try to persuade it to seek salvation in Him, Who sacrificed His life for this guilt.

And if the soul hands itself over to Him, then its original sin as well its earthly committed guilt of sin will be redeemed Then it will be free from all guilt and for the sake of Jesus' blood be accepted in the kingdom of light and bliss If, however, the soul is so obstinate that it will not turn to Him despite all efforts by the beings of light trying to help, it will descent ever lower, its torments will be immeasurable, and if it doesn't succeed to still lift itself up from hell which even then is still possible with the light beings' help it will have to take the path through the works of creation again in order to sooner or later reach its goal after all Yet **this** return to earth is not the soul's re-incarnation as you humans assume, and it is also all but desirable, because once again it is an infinitely long state of agony for the soul, having been dissolved into tiniest of particles, until it reaches the stage of a human being again

You humans have to be told time and again that you will never be released from your guilt without Jesus Christ. This is why Jesus' act of Salvation is so

significant, because He alone is the gate to the kingdom of light For even if your immense torment in the beyond makes amends for the guilt of sin which you committed on earth you will nevertheless be unable to enter the kingdom of light without redemption from your **original sin** by Jesus Christ And similarly, even a repeated life on earth would be of no use to you, in which you add new guilt and first have to find Jesus but Whom you can also find in the beyond hence you don't need to return to earth again

Time and again I draw your attention to this misguided teaching, because you thereby also devalue the act of Salvation, because by way of this misguided teaching you try to convince your fellow human beings of being able to remove the guilt yourselves, and thus you bypass Jesus, but without Whom you can never be delivered from your original sin, which cannot be redeemed even through the greatest agony on earth or in the beyond. Let yourselves become convinced of the importance that you have to take the path to the cross, and don't deceive yourselves with false hopes by which you will only prolong your unredeemed state and languish for an infinitely long time in darkness, for He alone is the light Which descended to earth, Which brought you salvation from sin and death, if only you voluntarily appeal to **Him** for forgiveness of your guilt, if you don't rely on being able to cope with your guilt in further earthly lives and through such belief only ever prolong the state of darkness and suffering, for without Jesus Christ and His act of Salvation you will never attain light, freedom and beatitude without Jesus Christ you will never be delivered from your guilt

Doctrine of re-incarnation
Misguided teaching
Celestial bodies

Do not be misled by supposed contradictions, rather, see the reason in the fact that your ability of comprehension does not always suffice in order to understand something properly, and that there need not be a contradiction, but you only suppose it to be. It should be sufficient for you to know that I will never teach you wrongly and that I will always give you the information such that it will benefit your soul

The doctrine of karma does not encourage you to increase your spiritual endeavour. It is far more likely to encourage you to conduct your life half-heartedly in the spiritual sense. For this reason alone it is of little benefit for the soul, and it does not meet My full approval that you humans count on a return to earth and as a result become negligent in your effort. Although I support the soul's higher development in every way, and wherever I recognise a reliable opportunity to advance your soul's maturity I Am willing to give My consent, but it always has to be on the basis of My lawful eternal order and never for the sake of a deliberately created opportunity Hence it must be understandable to you that I will not inform you of a repeated process of development on this earth, which presupposes your total failure during your earthly life, but that I would

like to protect you from this failure, and therefore caution, warn and instruct you in order to prevent a failure.

It would be a wrong instruction if I were to offer you the prospect of another path to reach your goal while the right path is still ahead of you, thus you should, and could, walk this path with correct use of your will. I only inform you of the infinite number of previous embodiments because I want you to become aware of your great responsibility for the short path of earthly life. This knowledge is only intended to increase your effort, but you should not draw the wrong conclusion and neglect your endeavour in the hope of repeating your incarnation on this earth if you do not reach your goal. My spirit will definitely enlighten you, and if you ask Me faithfully I will let you know through My servants to what extent your thoughts are correct.

If you knew of the endless many opportunities to achieve maturity on the innumerable celestial bodies in the universe, you would never come to the conclusion that a soul will be returned again to earth. However, the immature soul has to go through many more embodiments indeed where it is able to prove itself and thereby make further progress. Thus the doctrine of re-incarnation is in fact based on truth but it does not mean that the soul will be born again in the flesh on this earth. It merely indicates the many opportunities of higher development on other creations, where the soul, either in physical or in spiritual form, is again presented with a task, the fulfilment of which will assure its ascent. It is an exception if a soul returns to **this** earth again to fulfil a spiritual mission, it cannot be generalised. Souls having passed away in a state of immaturity will also deem themselves living on earth. The areas they occupy make them believe that they were transported to extremely dreary, barren stretches of land, but they are actually on another planet which is suited to their souls' maturity and which is inhabited by the most primitive creations, resulting in a meagre, depressive stay for the souls This is an opportunity for purification of very materialistic minded people, who have to overcome their desire in order to be placed on another work of creation for the purpose of further ascent, depending on their will.

You still love this earth too much and therefore associate the word 're-incarnation' only with this earth as the dwelling place for a re-incarnated soul. But you should consider My love's incredibly extensive work of creation, which only came about for the countless spiritual beings who have to take the path to perfection, and who will take this path in some form or other in physical creations, as long as the soul is not yet spiritualised and receptive for light, and in spiritual creations, where the spiritual soul can constantly ascend too, where it purifies itself ever more and makes itself receptive for the emanation of Myself.

Imagine eternity, behold the starry sky whose countless stars are the creations of My will of love, destined to accept souls in need of development and you will realise that this earth is not the only carrier of beings who are supposed to ascend and that it is truly not necessary to return the failed souls to earth again, although it is the only place for achieving the childship to God, but it cannot be deliberately and repeatedly chosen as a place to mature.

And thus the doctrine of frequent re-incarnation on this earth will have to be declared as a misguided teaching, which needs to be opposed as being harmful

for souls, because it weakens people's will and endangers the being's sincere change in view of the expectation to be able to make up for any neglect in a repeated life until ultimate perfection

Amen

'In My Father's house are many mansions'

In My Father's house are many mansions Can you understand the meaning of My Words? That I promise you a dwelling in My Father's house but at the same time want you to know that a suitable abode is prepared to accommodate every one of My living creations that I want to tell you, that what you have not yet achieved on earth you can still strive to achieve in My kingdom, because I have countless possibilities to improve your development in the spiritual kingdom. I have not just the earth at My disposal, but all My creations are places to attain full maturity for the still imperfect soul until it has finally developed to the point that, in heavenly bliss, it will be able to take possession of the most magnificent spiritual creations, for wherever it stays is in 'My Father's house', in the sphere of My infinite love, and it will always stay where the Father has prepared a dwelling place which corresponds to its degree of love and its ability to reign and work in the realm to which it was assigned by Me.

In My Father's house are many mansions No being is homeless, the eternal home accepts all souls, yet this home has many different aspects it can exhibit the most magnificent flower gardens and wonderful palaces, but it can also include infinitely vast barren regions which take ages to wander through yet even in these barren regions paths branch off which lead to areas full of flowers, and it just depends on whether the ramblers pay attention to these paths, whether they attentively try to find a way out from this barren region and also take this way out Everyone will be accepted in My eternal home, and everyone has the right to take ownership of a dwelling. But what it consists of is entirely subject to their will.

And therefore I say: In My Father's house are many mansions For every human being, every being, prepares its own place of abode depending on the degree of its perfection. Yet no matter how poor his dwelling is through his will and his work it can really quickly be transformed, and the most delightful homesteads can arise if only the soul has the desire for it and diligently strives for fulfilment. In that case it will be supported by countless helpers who will create and work with the soul, and it can become a paradise-like dwelling place where previously was a barren and bleak region One day every soul will return to its true home, but as long as it is still imperfect it will feel homeless, although it will have already entered the kingdom from whence it once had come. However, I have many schoolhouses, and higher development will advance for sure, even if it often requires a long time One day the lost son will return home and reside in the mansion he once owned, he will stay in the Father's house where

all children are gathered around the Father, he will be lovingly received by the Eternal Love, Which will give him a seat next to Himself

Yet infinite times will still pass by until all My children have found home again, until they can take up residence in My house; infinite times will still pass by, yet I will not abandon any one of My children The Father's love attracts them, and not one of My children will be able to resist this love forever

Amen

Different kinds of creations correspond to the beings' fall

You inhabitants of earth are destined to become children of God, and therefore you have to overcome the lowest depths in order to be able to reach the highest heights. You will only understand this when you know that the beings' apostasy was insofar quite different as their resistance to Me was not equally strong either that, as a result of your maker's will, you were also quite differently natured yourselves, which only relates to your **degree** of resistance, when you were supposed to make your free decision for Me or for My adversary. You all were permeated by the light of realisation, and yet you turned away from Me and joined My adversary, because you were able to see him in all his beauty, whereas I was invisible to you. Nevertheless you knew that you had originated from Me. Hence your resistance was more or less strong with the result that you were also assigned to different creations where you were likewise meant to take the path of return to Me, only the conditions differed from those which the inhabitants of earth had to comply with.

Earth is the work of creation which essentially makes the greatest demands on the fallen being in order to ascend again, whereas other stars offer their inhabitants easier possibilities, nevertheless, the ultimate goal the childship to God can only be attained on earth, even though the beings on other stars are granted unimaginable beatitudes after they have concluded their higher development and their will is subsequently directed correctly

But in order to attain the childship to God the path across earth has to be travelled, and this can also be covered by a soul, if it so wishes, which has entered the spiritual kingdom from other heavenly bodies and which has reached the specific degree of maturity that it can be granted a life on earth for the purpose of a mission. Then they (such souls) are already enlightened, yet they are not 'non-fallen' beings but beings from other stars whose distance to Me has not been so great, so that they relinquished their resistance to Me sooner and endeavoured to reach Me again. And as soon as they are enlightened again they also realise the significance of the creation work Earth, and many souls also desire to attain the degree of childship to God and thus accept the extremely difficult conditions because their love for Me and for humanity impels them to do redeeming work.

And thus souls, which do not achieve the degree of maturity during their earthly life, will similarly be able to continue their development in the beyond, and corresponding to their degree of maturity they will be assigned to schoolhouses where they can steadily ascend For creations everywhere are prepared for

souls of all degrees of maturity, and since all creations are arranged differently and offer different living conditions they can already signify a state of joy for the souls having been transferred to them, for they are far more beautifully shaped than earth, since the creations therein delight the souls and inspire them to greater spiritual endeavour, for they so obviously testify of My love and might and wisdom, that it also intensifies these beings' love for Me. For when the apostasy of the beings took place an incredibly long time ago, which you would already consider an eternity, all beings indeed turned away from Me, but a countless number also separated from My adversary again soon after their apostasy, they did not follow him into the deepest abyss but left the large host

And My will did the same unto them as it did unto those who had fallen away furthest: From the strength which had been emanated by Me as a being It formed different kinds of heavenly bodies than earth, and the process through these works of creation was far easier and continued faster for the fallen spirits, so that the beings returned to Me sooner, since Jesus' act of Salvation was accomplished for these beings as well and it was possible to redeem their original sin, depending on each individual being's attitude towards its God and Creator, Whom they also recognised in Jesus. For they, too, received the knowledge of the act of Salvation through messengers of light who worked amongst them, whom I assigned as teachers to all beings so that they will find and take the path to Me.

Consequently, there are untold possibilities for the still imperfect soul departing from earth to mature spiritually, and My love and wisdom truly recognises the most beneficial opportunity to achieve maturity for every single soul. And thus all creations in the universe are populated by spiritual beings in most diverse degrees of maturity, and they offer unparalleled kinds of bliss and splendours to those who have already achieved a higher degree of light, yet they will always even for less mature beings exhibit better and easier living conditions than earth. For this truly is the most wretched work of creation, which requires a lot of effort and makes great demands on the fallen being up to the human being but which can lead to the most glorious fate: the childship to God, which makes up for all hardship a thousand fold and turns the being into the most blessed child which will be able to create and work with Me throughout the whole of eternity.

To what extent the creations in the universe are of a spiritual or still material consistency will only be recognised by you humans when you have attained a particular degree of maturity or light, but this much is certain, they all serve the once fallen spiritual beings as an abode and thus are also shaped in accordance with their state of maturity. Hence you should consider all heavenly bodies as schoolhouses which I established Myself in order to one day bestow upon My living creations the bliss again, which they once had voluntarily forfeited and which they will also have to voluntarily acquire again

Amen

Are the creations of a spiritual or material kind

Diversity of stars

You are requesting clarification about the creations in the universe, and I want to provide it for you as far as you are able to understand it. The creations are partly of a spiritual and partly of a material kind, but these cannot be regarded as earthly-material, for My creative will is incredibly versatile and you should never assume that other stars have the same composition as earth. However, you have to consider that it is not just earth which is sheltering solidified spiritual substance, that the innumerable stars visible to your eyes were called into being by Me to help the ascent of all human souls which have not yet reached the degree of maturity in order to continue their development in the creations of the beyond.

The whole of creation is My emanated strength, and the earth is the most miserable creation because it consists of coarse matter. Thus anyone covering the process through its creations would be able to completely spiritualise what as 'soul' gives life to the human being. Yet the attained degrees of maturity in which the soul departs from earth after the death of its body are very different And thus it will be received by other creations which, as far as it is concerned, certainly also exist in the 'beyond' but which by no means can be called purely spiritual creations, since their substances are likewise solidified spiritual essence strength, which once emerged from Me as a being and failed to become active in accordance with My will. However, this matter is far lighter and more compliant, so that the souls staying there are impelled into eager activity and mutual helpfulness, thus they continue to progress ever more. Thus it can be said that this matter is easily dissolvable and yet it also shelters spiritual substance which once had become unfaithful to Me but which does not suffer to the extent as is the case on earth which gladly is of service to facilitate the souls' further development, which (this matter) therefore will disintegrate again as soon as it has fulfilled its task.

The creations on these stars are inhabited by beings which can also be called human beings who likewise have a (the) task to support these souls' further development, consequently material creations have to exist as well, yet they should not be imagined such like those on earth. The beings (souls) are now in a world which offers them incredible things and yet it is a tangible world, because everything is permeated by My spiritual strength and it will remain a tangible world until the complete spiritualisation of all beings has taken place, which then will no longer require a material world.

But since this shall yet take eternities and the stars on the firmament are thus visible to you humans, you are instructed to the effect that all these worlds are My will having taken on shape, that I have emanated strength which more or less was deeply fallen spiritual essence, that this strength manifested itself, thus it is and remains visible for the respective inhabitants of these stars, who merely possess different degrees of realisation and are thus also able to admit inhabitants from earth in order to help them further their development. Then you humans will exist 'beyond' earth and yet in My kingdom, and depending on your maturity you will change your abode in order to enter ever more spiritualised creations.

Yet whatever your eyes behold as heavenly bodies in the firmament are creations which were brought into being by My will; and these creations are the original spirits which had once deserted Me, they were given a task by Me that they now fulfil, hence they more or less acknowledge Me again, consequently, they didn't descend quite so low but nevertheless require material creations in order to fulfil their task therein Yet it cannot be said that it is earthly matter, since this spiritual essence had fallen into the deepest abyss which the human being on earth has to overcome over an infinitely long period of time, rather, those material creations were given to people for their happiness and to delight in them For a visible star must also exhibit visible creations which should illustrate to the already more mature spirits their Creator's magnitude and might and also offer the spiritual substances still in need of maturing the opportunity to be of service. This problem is not easy to explain to you because you only understand what exists on your earth, and even here your knowledge is limited, but how other stars have an effect on your thoughts will remain hidden to you as long as you are incapable of seeing spiritually. Then, however, will this realm be open to you and you won't be able to stop marvelling at the creations on the individual stars. Yet all My works have their reason and demonstrate My love and wisdom and might And whatever seems inexplicable to you will become known to you the more your soul's maturity advances, then there will be no more questions which could not be answered to you And this wealth of knowledge will make you very happy, even if it is at the moment still concealed from you

The sleep of the soul

Misguided teaching

It is extremely wrong to deem the souls of the departed as being in an eternal sleep until the arrival of Judgment day This idea proves total ignorance of the soul's process of development, furthermore, it proves a wrong attitude towards Me or a person could not think so wrongly and it proves that there is no belief in the soul's life after death, for an eternal sleep of death, as presumed by people, cannot be described as 'life after death'.

But this misguided thought is also a great disadvantage for the departed souls, because prayers will not be offered for them and thus they will not receive the help which they need so badly. But people who adopted this doctrine and were taught wrongly will not accept being taught otherwise, and yet they hold on to the error as if it was gospel truth. Here, too, My adversary's work is obvious, who particularly wants to stop people from praying for the souls, because such prayer could help to set them free, which he tries to prevent. But even when these misguided teachings are confronted by the truth, people will not take the only path which could provide them with clarification They need only ask

Me for an explanation, if they do not want to believe those who would like to correct their error they need only approach Me Myself. But they won't take this path, and therefore they are beyond help and refuse to let go of their error.

However, these departed souls suffer immense hardship if they are not remembered in prayer. And people on earth cannot receive instructions for the better from the **spiritual** kingdom either, because they do not believe in a connection between the world of light and people on earth and therefore do not make themselves mentally available to the knowing powers. They are only concerned about their earthly life as human beings until death. Their idea of an 'eternal sleep of the soul' until 'Judgment day' only proves that they lack all knowledge about the spirits' process of redemption, about My fundamental nature, which is love, wisdom and omnipotence, and about Jesus' act of Salvation Their knowledge is very limited and does not correspond to the truth in the slightest, and when truth is brought to them they resist it. And yet they try to prove their point of view with the Word of God, with the Scriptures, but it is not their 'awakened spirit' that finds those references, rather, My adversary himself makes use of My Word when he wants to cause confusion But he is only successful when a person merely uses his intellect and does not ask **Me Myself** for enlightenment through the **spirit** when he asks for an explanation.

The letter kills, only the spirit gives life Anyone who does not entrust himself to Me first, so that I can guide his thoughts correctly, will truly be killed by the letter, since My adversary can use the letter too but will interpret its meaning completely differently and thereby make the biggest error seem acceptable to people The doctrine about the soul's sleep of death is a truly **dubious** teaching a teaching which also causes great indignation in the needy souls of the beyond, who 'live' and yet are so weak that they would be grateful for every gift of strength a loving prayer could impart on them. People should frequently remember those souls in their prayers, whose family members on earth believe this misguided teaching so that they can gather strength, ascend and mentally help them in turn. Although a life of love on earth will soon provide the souls with clear understanding, they first have to let go of erroneous teachings before they can be assigned to a field of activity themselves since every activity in the spiritual kingdom consists of spreading the pure truth.

Hence, a soul that lived a life of love on earth is blessed indeed, it will easily detach itself from misguided attitudes and wrong spiritual knowledge. The others, however, will find themselves in utmost adversity, because every misguided teaching has damaging effects on the soul, but especially the teaching about the eternal sleep of death, since it can actually lead to a kind of darkness similar to death, and at the same time reduce the opportunities for help due to the belief that prayers are futile However, anyone who sincerely turns to Me Myself will become clearly aware how misguided this teaching is

Amen

Appeals for a gift of strength for the souls of the deceased

Whenever you can't help but think of a departed person you should know it is always an appeal for help which you should provide since no one else is taking care of them. And when they see your light they, too, would like to gather around you and draw strength from this light, for they often don't know the meaning of this light, especially if they were caught up in error until now. Then it will suffice to send just one thought to the soul inviting it to join you and accept a lesson. For especially the souls which are not followed by loving intercession suffer much hardship and they, too, shall be helped to come into the possession of truth. Just one conscious invitation to take part in your instructions is already enough to attract the souls permanently, with the result that they will not leave you anymore, that they will join the large group of those whom I will then be able to address Myself. And you will be constantly surrounded by souls wanting to increase their knowledge in order to pass it on to those who are less knowledgeable and whom they want to help as well. And then it will be essential that you will inform them of My act of Salvation, for only when they have found Him and deliverance from their guilt will they accept profound knowledge. This first necessitates their activity of love, as they will only be able to understand it if they employ their will to love again in order to help souls which are suffering the same hardship. Only then will they themselves penetrate the truth ever more, and they will find it easy to hand themselves over to the divine Redeemer and appeal to Him for forgiveness of their guilt. Then, however, will the divine Word constantly flow to them and they will also accept it, irrespective of where and how it is offered to them. Yet especially the first step is very difficult for the soul until it has experienced the strength of intercession, which will express itself as a change of will and thus it is easier to influence, so that the soul will also comply when it receives its calling.

Therefore pay attention to every such request and offer assistance to the souls which desire help, which indeed remind many people on earth of themselves yet will only find intercession with those who are able to help them spiritually because they are in conscious contact with Me and I Am able to reveal Myself to them. And the fact that the strength of My Word is tremendously effective may be experienced by every soul once it has joined you, for its progress will be guaranteed

Once I Am offered the opportunity to reveal Myself to a person through the working of My spirit, this person will stand amid a gleam of light which attracts many souls willing to accept the same what you are offered, and due to you also all souls which you include in your intercession, which then will no longer be able to go astray. For then you will only be motivated by love for these souls, and for the sake for this love I will also give strength to those on whose behalf you pray. I also have to apply the laws in the beyond and these first and foremost include the being's free will which may not be infringed upon, neither by Myself nor by My adversary.

Therefore it matters that you who also have to respect free will, just lovingly remember the souls which are still weak-willed but unable to resist the strength of intercession and whose will you are therefore able to influence. Since it

was beneficially affected by the strength of love it will no longer resist and be irresistibly drawn to you so that you then will also be able to convey the Gospel of love to them.

If only you knew how ardently your adherents (the souls) accept My Word, how they constantly feel that they are progressing, and how grateful they are to you that you, due to your intercession, helped them to participate in your instructions, you would not stop praying for such souls and even be pleased with their progress, for they, too, will protect you whenever possible, to prevent the receiving the Word being interrupted you will also purify your surroundings, so that no one will become subject to the adversary's temptations as soon as they surround you. Precisely this makes your activity so important, since it enables you to contribute towards the redemption of many souls by offering them bread and wine, thus the delectable elixir of life and the most effective nourishment, and one day you will feel the inner joy of having been able to contribute towards the ascent of those who, without your help, would still have languished in darkness for a very long time

Therefore take notice of every thought which reminds you of a deceased, consider it a call for help which you must not reject, and then consciously call him close to you and the first step up will have been taken, for as soon as a person intercedes on behalf of such a soul, I will also be able to grant strength to the soul for the sake of this person which otherwise would **not** be possible for Me since it contradicts the law of eternity, as only free will can request strength, but which I now recognise in the loving intercession and thus grant My mercy to this soul and then will also be able to provide it with the grace of My Word through you.

People would be able to redeem all souls through loving intercession, but how few are aware of this and how great is therefore My adversary's power who will try anything to disrupt such contacts from the spiritual world to earth, but who will be **unable** to take effect if a human being hands himself over to Me with love and thus I will also protect him especially if I want to speak through him to the souls in the beyond, which My adversary will never be able to prevent Me from doing For where the **will** for redemption exists people will be delivered from the one who had held them captive long enough and whose only weapon is love which will defeat him and from which he takes flight because it is and will remain My share for eternity

Amen

State of twilight in the spiritual kingdom

State of twilight in the beyond

Souls passing over into the kingdom of the beyond without having found their Redeemer will find themselves engulfed by thick fog, providing they don't enter the kingdom of darkness due to their totally God-opposing way of life on earth. But there are people who have not become guilty of any explicit wrongdoing, whose offence generally consisted of failing to do good works, who can neither be called bad nor good and whose spirit is therefore not so dark as to be expected by profound darkness in the beyond. Nevertheless, they are not suitable for the kingdom of light either, for their souls are not yet receptive to light, their souls are still encased in thick twilight, they have absolute minimal realisation, depending on their deeds of love which a soul will be able to look back on.

And most souls called back from earth are in this kingdom of twilight people, who were apparently righteous in the world and yet have little faith because they lacked love on earth. And these souls are now facing a time of utter barrenness a time when they wander about lonely and alone with their thoughts. They are unable to recognise anything in their surroundings, they are spiritually blind and also incapable of perceiving anything but themselves, however, they have not lost their sense of identity, they also remember their past earthly life yet only rather indistinctly and occasionally They are in a permanent state of drifting about and searching, for they cannot find what they are looking for a place of peace and safety, since they failed to acquire it during their earthly life. They effectively had been parasites on earth, they had lived without having fulfilled their true purpose of life, they only ever have taken and given nothing in return irrespective of whether it is understood earthly or spiritually They had not acquired any spiritual possessions for themselves but utilized their earthly life in line with their demands. They had spent their earthly life without having seriously thought about its meaning and purpose and living their life accordingly And this is what they will receive in the kingdom of the beyond; they won't find anything because they didn't acquire anything that is of lasting value in the spiritual kingdom.

Only now will it show whether such a person will be lovingly remembered For every loving thought is like a firm foundation on which the soul is now able to move with a certain sense of confidence Every loving thought provides the soul with a glimmer of light wherein it is able to recognise its surroundings, if only for a brief moment, but it is stimulated to reflect on it, and its state can only change through deliberation, by experiencing the blissful relief of every loving thought, by starting to regret when it realises what it had failed to do on earth. And depending on its nature, its willingness and its resistance the state of such a soul can change equally soon, if it is not entirely obstinately-minded, in which case its blindness can last an extremely long time before the twilight will give way to a small wave of light And since only loving thoughts can provide this relief, much strength of intercession has to be bestowed upon the soul, it should not be left to its fate, which merely would infinitely prolong its lightless

state, for only love will be able to change it, love, which fellow human beings will forward to such a soul and which the soul itself lacked in earthly life, but which will be accepted by God on behalf of such a soul

But it is possible for all you humans on earth to render much help with your love, and you should therefore constantly stay in mental contact with the souls of the departed, time and again you should tell them about the Gospel of love and that they, even in the beyond, will still have to comply with these two commandments, to love God above all else and their neighbour as themselves For this is the only way by which they will be able to make contact with Jesus Christ, without Whom it will be impossible for any soul to enter the kingdom of light. The souls still wandering about in the twilight have not yet made any contact with Jesus Christ, they have not yet found salvation, which was the reason for their life on earth, but they absolutely have to attain it in the beyond if they don't want to descend into the abyss Souls wandering about in twilight have not yet been pushed into the abyss, they still have a slight opportunity to find their path into the kingdom of light, for after a long time of barrenness beings of light which, however, do not identify themselves as such will repeatedly direct them towards the right path leading to Jesus Christ.

And in order that they will follow the beings of light, in order that they will surrender their opposition, they will require much intercession which you should not deny to the souls. They will be eternally grateful to you if your love will prevent their fall into the abyss, if you will help them to find their way out of the twilight into the kingdom of light, for your loving intercession will prevent their regression, their souls will become softer and more yielding, and they will find Salvation through Jesus Christ, Who forgives everyone if only he remembers Him and calls upon Him

Amen

Remorse in the beyond
Ascent

Sooner or later you will bitterly regret the time you had lost in your earthly life when you will realise in the beyond what you had forfeited in your earthly life. And lost time during your earthly life is every day which was purely spent in an earthly way, when you gave no room to any spiritual thoughts which thus did not correspond to the actual purpose that is the reason for your embodiment as a human being. As long as you live on earth you don't take this knowledge seriously, even if you have it. Yet in the kingdom of the beyond it will burden you like a heavy stone which you will be unable to shift. You will remember these days time after time, and you will regret every pointless deed, just as you will bitterly regret every missed opportunity which you could have utilized for the benefit of your soul.

And still you can be called favoured if you come to this realisation in the spiritual realm, if you don't belong to those who are utterly immersed in darkness and don't even feel remorse, because they simply don't realise what they had inflicted on themselves who will still have to struggle for a long time in order to ever

get to the state when they can see a small glimmer of light and only then realise how futile their earthly life has been For once this glimmer of light exists the soul can still be motivated by bitter remorse to turn inwards and change its thoughts and will And then it can be given enough strength to enable it to actively help suffering souls, and after that it will certainly progress, even if the conditions are far more difficult than it would have been possible in earthly life.

Hence remorse first has to precede progress, for only a soul which begins to understand will try to change its situation, and any realisation will also reveal to the soul the futile path of earthly life, which will always result in bitter regret but also signify a turning point of its wretched state. But for this reason it is also for the human being of greatest significance that he will still arrive at some, if only minimal, knowledge while he is still living on earth, that he begins to recognise the purpose of earthly life and still tries to improve himself before he will pass away from this world. For to be able to pass over with even the smallest amount of knowledge will always signify a glimmer of light for this soul it will not be moved into total darkness after its physical death, it will be able to find its way about in the twilight, and in a flash it will understand and then also do everything in order to acquire light for itself.

It will also recognise that much work is waiting for it in the spiritual kingdom if only it is willing to work, and the small glimmer of light will guide it onto the right path, which it indeed will take with a feeling of remorse for not having used its earthly life correctly yet also in constant hope for help, which it surely will be granted as soon as it recognises Jesus Christ and appeals to Him for help. Then it will not be hopelessly lost, it will be able to ascend; it just will never be able to achieve the degree which results in unlimited beatitude at the Father's heart the childship to God, which is the fate of those who on earth endeavour to fulfil the task they were given who already on earth looked for and found unification with their Father of eternity

Transference of light in the beyond

A bright light shines for the souls in the beyond wherever I Am able to convey My Word to earth. These souls are often surrounded by such profound darkness that it is causing them overwhelming pain from which they would like to escape. And if their desire for light arises then I will also let them recognise sources of light because then the souls will go to them And this is the beginning of their ascent albeit at first it is almost imperceptible, but once a soul has visited a place where it has detected a ray of light it will keep returning to it, and then there is no further danger that it will descend into darkness again. But what is the nature of the light that makes them feel good and want increasingly more light?

Souls who apathetically stay in dark spheres are entirely devoid of strength and thus incapable of recognising anything in their environment. However, they are aware of being alive, of not being obliterated, and this awareness is

tremendously agonising for them, since they are able to think even though their earthly acquired information has become confused Nevertheless, they are able to contemplate their wretched state and thus start to question themselves whether and in what way they have caused this state themselves And if such questions arise in them I Am also prepared to answer these questions. But I cannot do so directly, instead I just have to offer them the opportunity to find someone willing to instruct them accordingly. And every such question and the desire for an answer is already a desire for **light** All lack of knowledge is the equivalent of darkness for the soul, all correct knowledge is light A soul which no longer occupies its body, which therefore is no longer able to see with its physical eyes, is blind as long as it is completely ignorant, and for this period of time it will be engulfed by night.

But it may be given light, it may receive clarification, and as soon as it willingly listens to these explanations it will also perceive that the night is becoming lighter At first it will enter into a twilight state, it will begin to formulate clear thoughts and thereby experience a sense of well-being, and then it will become increasingly more illuminated within; it will be able to see what it was previously unable to see however, its sense of well-being is not caused by earthly-material impressions, rather it is gladdened by a state of inner enlightenment because it also knows that it will be able to escape its dreadful situation and how it can achieve it. Besides, it is faced by a sphere of activity which it finds indescribably attractive after its former state of inactivity, for now it has the strength to work, since it is motivated to do so by an urge to love.

Hence, the places where My Word can be heard are such places of enlightenment which emanate a glow of bright light attracting innumerable souls but which will only be perceived by those who yearn to leave their darkness, who long for light. For there also exist souls which shy away from light, which have sunk so low that the light is painful to them since it reveals their depravity, and who therefore fight the light believing themselves able to extinguish it. However, such souls will be pushed aside, whereas every light-desiring soul will be attracted by or guided to it by helpful beings, and as soon as they merely listen without resistance to what is imparted to them, the state of darkness will change into a state of twilight. Now these souls will be stirred by an impulse for life and they will become hopeful they want to live in order to become active, and their resolve will also give them the strength

Light is knowledge, light is truth, and thus light is the only thing that needs to be transferred to the souls in darkness so that they, too, will awaken to life And this is why you will always be besieged by light-hungry souls which want to participate in the transference of light when My Word is conveyed to you, when I enlighten you humans, when I impart the pure truth to you through My spirit This is why there will always be a glowing light attracting countless souls as soon as you make contact with Me in order to receive My Word. For the concept of light in the spiritual kingdom only ever has to be understood as the transference of the pure truth from Me Light is realisation, light is knowledge which originates from Me, which is radiated by Me Myself to earth in order to penetrate the darkness, to enable you humans to become blessed, but which you only ever will be able to receive if you make contact with Me, with the light

of eternity

Amen

Kingdom of light

Jesus Christ

Anyone having entered through the gate into the kingdom of light will rejoice and be glad and eternally thankful to Me, Who had lead him such to reach his goal. Anyone who is able to enter the kingdom of light is thus redeemed from sin and death, for both signify darkness, and an unredeemed soul will never be able to enter the kingdom of light It first must have found the only One Who is the gate into the kingdom of light: Jesus Christ, the divine Redeemer. And holding on to His hand the soul will also enter this kingdom, for He will deliver it from its burden of sin, because He has died on the cross on behalf of all souls which were in darkness, thus in sin and death He has made amends for the burden of sin on behalf of you humans; He has made the sacrifice of atonement on your behalf to clear the path for you into the kingdom of light, so that you will be able to enter into eternal beatitude. Beatitude only exists where light can be found, and light can only be found where sin and death don't exist anymore. The sin, however, will be cancelled by Jesus Christ Himself as soon as He is asked to do so, as soon as you humans appeal to Him for forgiveness

Consequently, there is also salvation for the souls in the kingdom of the beyond, a change from darkness into light, because even the soul in the beyond may still call upon Him, for as soon as it calls upon Jesus Christ it will call upon Me Myself, and for the sake of Jesus Christ I will then be able to forgive its guilt of sin which had kept it separate from Me for an infinitely long time The sacrifice on the cross was made for all humankind, and any unredeemed soul only needs to take the path to the cross in order to be delivered from its guilt of sin. And to be delivered from sin means unity with Me and thus unlimited happiness.

But absolute truth is also part of it Hence a soul will not yet be able to enjoy supreme blissfulness as long as it is still far removed from the truth, for the truth and I are one, otherwise one could not speak of light. Light is realisation, the correct knowledge of everything, and as long as a soul is still ignorant in the kingdom of the beyond it is not yet staying in the kingdom of light, for as soon as it is permeated by light it will also instantly experience profound realisation.

If a soul therefore refuses to accept the truth when it is offered same, then its state of bliss will still be imperfect too, in that case it will not have recognised Jesus Christ properly as yet, and the whole redemption has not yet taken place which,

however, would have been the result of a heartfelt appeal to Jesus Christ And for this reason countless souls still exist in twilight, they are not wretched but they cannot be called blessed for a long time yet. Their attitude towards Jesus Christ is not how it should be to enable Him opening the gate into the kingdom of light for them, and these souls will still need many instructions as well as intercession in order to gain the right kind of understanding for it.

As long as they are unable to let go of wrong ideas, of all kinds of misguided teachings, they cannot expect to become completely permeated by light either; but their own will decides the state they are in. People who consistently rejected Him on earth will also time and again let their will of rejection come to the fore in the beyond, when it would simply suffice to sincerely appeal to Jesus Christ for help For this shall certainly be granted to them as soon as their appeal in spirit and in truth will reach Him Then all darkness will fade away, the light will so clearly and brightly set the soul aglow that all spiritual darkness will disappear, that the soul will experience brightest realisation and never ever be able to lose this knowledge of the most profound correlations again

The soul's entry into the kingdom of light

Every spiritual request shall be granted to you I have given you this promise because My love will fulfil everything that will benefit your soul. And thus you can also rest assured that you will enter the kingdom of light and bliss after your physical death if you have lived your life on earth in accordance with My will, if you have demonstrated your love for Me through your activity of unselfish neighbourly love if you have lived your life on earth with Me by having allowed Me to be your constant companion on earth

'He that believeth on Me hath everlasting life' And anyone who lives a life of love also believes in Me with a true, living faith, and he will therefore be granted a blissful life in the spiritual kingdom And realisation will indeed come to him in a flash, he will move within (true) truthful thinking and his (its) happiness is such that the soul with its light, by which it is permeated, will also be able to delight the souls which still linger in darkness and long for light by making others happy it will find its own happiness, and so it has to have a bright light shining within itself first

You humans cannot possibly imagine this beatitude nor the nature of the activity, but you may well believe that these souls will no longer desire to return to earth especially since they know that no human being will remain on earth and every soul will soon meet its loved ones again. Therefore they should not grieve either but only ever strive to achieve a high degree of love which will facilitate their spiritual vision, because this degree is necessary for souls to meet again immediately after their passing away from this world otherwise the souls will first have to strive for and attain this degree in the beyond.

Yet the fact that people will meet again one day is absolute truth, and it will be an exceptionally joyful moment when the union takes place in the spiritual kingdom. You humans, who are affected by harsh strokes of fate, should always

bear in mind that whatever happens to you in earthly life is only founded on My love and wisdom Stay mindful of the fact that I don't want to cause you suffering but greater beatitudes, which you often gain through suffering And you should not doubt it but humbly accept everything and, truly, the blessing will not fail to materialise itself. And if, one day, you look back on your earthly existence, you will be filled by profound gratitude and love for Me, Whom you recognise as your Father, Who only has His children's fate at heart, which will await them in the kingdom of the beyond

Be aware of the fact that you won't stay much longer on this earth, and that you therefore will have to accept a greater amount of suffering in order to reach the goal of voluntarily uniting yourselves with Me. And every prayer you send to Me will come from the bottom of your heart and therefore will also be answered by Me You will often send your thoughts into the kingdom which is your true home, and will also be allowed to receive currents of light and strength from this realm, you will keep in constant contact with those who merely went ahead of you and who if you possess a high degree of maturity and light will support you to also achieve your goal while you are still on earth For a soul which is already permitted to spread light will also be able to transmit the light to you humans, and that means that you will then live within utter truth, for where light exists no error will be able to sustain itself because it will be recognised as such, and the path of anyone living in truth must lead to the goal without fail.

And believe that I know every thought in your heart, and thus I also know what you still need and take care that it will be imparted to you And even if I occasionally use painful means they will nevertheless liberate the souls from their physical constraints and they will merely exchange earthly life with a far more beautiful life in the spiritual kingdom, where they will be of loving service to Me and therefore also enjoy beatitudes which earthly life cannot offer For they have entered the eternal truth from whence they once originated

Amen

Reunion in the beyond in the kingdom of light

It is an incomparably happy moment when the soul passes away from earth and enters the kingdom of light, the spheres where impurity no longer exists, where the soul is embraced by a flow of joy-inducing light, where it is approached by exceedingly beautiful beings who show the soul an extent of love which almost overwhelms it. The emanations of light correspond to the soul's state of maturity, thus always to a degree that they will indeed cause inconceivable bliss but not consume the soul, which could indeed be caused by an excess of light if a soul is not yet receptive to it In infinite expanse it sees the most marvellous creations, for now its spiritual eye is able to behold spiritual creations which no longer consist of matter and yet arise just as real and are by no means self-deception.

And amid the beauty it sees it will find its loved ones who had passed over before in the degree of maturity suitable to the kingdom of light People

cannot imagine the bliss of such reunion, yet in the spiritual kingdom the soul is able to take in profound impressions without fading away and can consciously experience the bliss it receives from God. In its heart it will sing His praises and give thanks, just as it will, if the kingdom of light has become its home, always come aglow with love for the Father, Who has prepared all these blessings for the soul

Its co-operation with souls who have the same degree of maturity increases its strength and willingness to be active, and it applies this to far less mature souls to help them attain the same bliss. In merciful love it takes care of those it knew well on earth, who still dwell in lower spheres, who neglected their spiritual development on earth due to their unbelief and unkindness, and who are therefore still wretched in darkness or twilight It certainly can identify these souls and also approach them and offer its help, yet it will not be recognised in turn, and thus its help is frequently rejected

Yet a light-soul's love and patience will constantly approach these souls and sooner or later gain influence. The bliss it receives through God's perpetual emission of love, the incomparable creations of the kingdom of light and its co-operation with beings to whom it is attached with joyful love provide it with the constant desire for redeeming activity. It finds its own happiness in giving what it receives itself; its longing for God finds constant fulfilment and it cannot but want to make others equally happy.

It is impossible to describe the splendours of the kingdom of light to people on earth, because only a fully matured soul can endure the abundance of light and therefore also understand the beatitude, which the as yet imperfect person does not appreciate. However, he can and should believe that there will be a reunion in the kingdom of the beyond, that death is not the end of the soul's actual life, and that these souls will recognise each other when they have attained a certain degree of maturity which, however, many souls still do not possess. And therefore it can take a long time for many a soul until it will experience the happiness of a reunion with its loved ones, yet the desire for this is frequently the reason to strive for ascent. The souls' strength of love is constantly at work to release the souls from the abyss and to help them achieve beatitude, to help them enter the kingdom where they are surrounded by radiating light, where they can behold God and every hardship has come to an end

Amen

Spiritual creations

Beatitude

'Eye hath not seen'

Everything that is visible to you testifies of My might and strength and love. Yet My strength of love also produced invisible creations which will delight you in the spiritual kingdom, but only when you have achieved the degree of maturity which allows for spiritual vision. Then you will indeed marvel at My love's works of wonder, they will enchant your eye, nevertheless they will also be comprehensible to you, for then you will recognise Me Myself as strength and love, then you will already be so pervaded by it that you will be able to understand that it is the primary cause of every creation, and then you will forever glorify the One Who employs His will for constant works of love.

The spiritual creations are inconceivable to people on earth, they are the epitome of proportion, perfection, beauty and versatility, they are exceptionally magnificent formations and their ever changing appearance makes them increasingly more wonderful to behold and they will never tire or oversaturate the onlooker's eye but forever cause immense happiness and gratitude towards Me, the Creator of heaven and earth. Indeed, earthly creations occasionally also appear lovely to a person and let his heart beat faster in the realisation that he is facing the eternal Creator, Who is almighty and full of love. However, the most beautiful creations on earth are but a pale reflection of the spiritual creations which are incomparable, since it is not possible for My love be so evidently visible on earth because people have not yet changed themselves into love.

But I can bestow the abundance of My love to souls which have become love, My creative love can reveal itself to them and I can show them and bestow on them what I have promised 'Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love Him ...' And the more profoundly a being is able to love the more glorious will the creations become Profound love gives them an insight into My reign and activity in the spiritual kingdom, they are no longer opposite Me as imperfect beings, but have become what I Am Myself love they are full of might and strength themselves, and in highest perfection are able to create and shape in harmony with My will through My strength.

No comparison can be given to people on earth about their activity in the spiritual kingdom since it is subject to completely different laws and spiritual activity has nothing in common with physical activity, with work on earth. Yet it is a blissful activity, an activity which signifies supreme happiness for the being which has become love, which can think, feel and want, which is able to see and hear, which feels like an individual being and yet is extremely happy in unity with other beings because it thereby increases its strength and love and intensifies its ability to be active. The inhabitants of the spiritual world exist in a state of utterly blissful harmony, a state which is constantly aspired to as soon as the soul has attained realisation on earth or in the spiritual kingdom.

I would like to place all beings into this state because I love them and would like them to behold the glories of My kingdom. For the activity of My love constantly applies to My living creations' happiness, My love is infinite and wants to give and delight, and thus I want to make My living creations worthy

of being allowed to stay in spiritual creations; yet they themselves have to want it, they must shape themselves into love of their own free will so that they can be made indescribably happy in the spiritual kingdom for all eternity

Amen

*Androgynous beings
Beyond*

I will give you what you need for the maturing of your souls And in the last days I will also give people the kind of knowledge which, although it is not absolutely essential, should also reveal My love and wisdom to you, which will explain much that is incomprehensible to you and could cause you to doubt Me I Am revealing to you My detailed plan of Salvation because the end is approaching and unbelieving humanity should still receive a slight opening which lets the light shine through if people do not refuse to accept this knowledge. I Am lifting a veil which was still enshrouding people, I Am revealing secrets to make it easier for people to believe in Me And therefore I Am also always willing to answer questions which are put to Me either openly or in thought on earth or in the spiritual kingdom. For I want to give light to everyone who wants to escape the darkness

Consequently, I have also occasionally given explanations which the human being on earth does not yet need but which will become self-evident to him in the spiritual kingdom if he has prepared himself for the spiritual kingdom Then he will receive the understanding in a flash as soon as he desires it. One of these questions concerns the 'gender' of the beings which I created, which already has been the cause of much deception but which is of little relevance to people during their earthly life.

There is no being that does not incorporate both principles of gender within itself They are merely distributed differently in each being, so that one is governed by the male and the other by the female aspect. But perfection requires the complete balance of both principles, neither shall be more or less Only then will the state of perfection have been achieved, hence a perfect being can either be called androgynous or male and female in one. The male principle must have aligned itself completely to the female and vice versa, only then will the being correspond to My nature it will have become My image This alignment will either already be achieved on earth or it will take place in the spiritual kingdom, where the being will be constantly subjected to tests in which the male and female principles have to prove themselves in turn

Hence it is entirely irrelevant whether the being is embodied on earth as a man or a woman, because the alignment with the opposite principle must irrevocably take place. However, this is not meant in an earthly-perceptible way in as much as the man or woman should acquire the characteristic features of the other, but the alignment is an entirely spiritual matter it is a person's integration with divine law, which therefore also requires different degrees of willpower and this can be easier for one and more difficult for another person.

And therefore it follows that there is indeed a division of the sexes on earth but in the spiritual kingdom the being's own earthly shape will merely surround it as an aura, thereby also identifying the individual. Consequently, one can speak about a closer relationship of spiritual beings who, having the same degree of maturity, feel attracted to each other. But one cannot speak of a union between different sexes, since every individual will be a perfectly androgynous being. However, where the alignment of the different principles has not yet taken place the characteristic features of the different sexual beings will also be more apparent, which is particularly noticeable in the spheres where the separation from the earthly-physical world is not entirely complete

But such sexual differences do not exist in higher spheres and therefore it is wrong to speak of relationships which resemble those between a man and a woman on earth, because the blissful unity of two beings is based on spiritual similarity, on the same degree of maturity and complete spiritual agreement. This will always be more prevalent amongst beings who have aligned both principles within themselves and whose bliss is therefore beyond imagination when they associate with similar beings to create and work together

But the being's earthly progress is neither an advantage nor disadvantage irrespective of whether the human being is a man or a woman Resistance to Me can be equally strong, and surrender to Me can be carried out by both The separation of the male and female principle is merely to make every being's acceptance of divine order easier, thus accepting the characteristics of perfection increasingly more. My wisdom is certainly able to make this assessment and therefore I gave every being the outward appearance which offers the guarantee of achieving its best possible alignment. But the beings' happiness in the spiritual kingdom is beyond measure when both principles within themselves have become orderly, and therefore they are also able to put themselves in the position of every yet unsaved being and support it in its fight against itself and its anti-divine characteristics, which first have to be put right.

And then again, the happiness in the kingdom of the beyond although it cannot be compared will match the happiness on earth which unites two people with heartfelt love when compatible beings find each other, whose deepest love for each other will give them the kind of happiness which is known by you humans as a marriage made in heaven. However, worldly standards or worldly concepts can no longer be applied in the kingdom of the blissful spirits, where the greatest happiness is triggered by deeply felt love for Me, which will always be reciprocated by Me again

Amen

Redeeming work in the beyond

And you will be able to participate in the work of salvation, for this will be your activity in the kingdom of the beyond when you are sufficiently mature enough to be assigned an activity. You will bring light into the darkness, because you have experienced yourselves how agonising it is to live in darkness and how much happiness the light has given you. No redeemed soul will be inactive, and therefore every soul will be integrated into the host of those who carry out redemption work For they all are motivated by their love to help those who are wretched in returning to God, for Whom they are now tirelessly active and work because they share His will and are full of love for Him. And thus the deliverance of all souls is guaranteed, even if infinitely long times will still pass by until all spirits have found their way back to God, from Whom they once separated of their own free will. But this free decision will also determine how long the salvation process will take for each individual soul The soul is also able to offer resistance and delay its return to God for an endless time, but already redeemed souls will always take care of them, therefore no human being on earth and no soul in the kingdom of the beyond will be completely without help, which also explains the fact that time and again they will be offered the opportunity to enter the path of return to God, because it will be shown to them.

If, however, a human being adamantly rejects every incentive to enter the spiritual path during his earthly life, then small openings of light will repeatedly be provided to the souls in the beyond which will make the path visible to them, because the soul of light takes pity on the souls which wander around in profound darkness And thus begins the redeemed beings' activity of helping these poor souls achieve salvation too. Hence no soul is without a sphere of activity, just as no dark soul is without guidance, only the free will of the latter determines the success. But once the work of redemption has been successfully achieved on just one soul, then another redeeming power will have been gained again to help the dark world, which in turn can and will accomplish inconceivable work, since it is now full of love and, due to its gratitude, willing to render the greatest possible help. And every soul has its adherents with whom it will work particularly diligently, even if it will meet with resistance for a long time But its love will not diminish, and love will always liberate, because no being will be able to resist love forever.

Indeed, it would be possible for complete salvation to take place on earth already, because Jesus Christ has suffered and died on the cross so that people are able to receive strength, that they are able to partake in the graces of the act of Salvation if they want to But Jesus Christ has not compelled people's will either, and it is up to the will to either make use of the act of Salvation or to ignore it But whatever was neglected on earth can be continued in the beyond, because redemption work is carried out there as well, and even then an appeal for His grace and mercy can still be sent to Jesus Christ And every soul having found Him itself, having been redeemed by Him from sin and death, will also draw attention to Him, it will inform every unredeemed soul of His love, it will direct their thoughts to the great act of compassion by the human being Jesus and thus try to lead every as yet unredeemed soul to

the divine Redeemer Jesus Christ And its steadily growing love will also be successful, for love will achieve everything, and love can't help but participate in the act of Salvation, which began with Jesus' crucifixion and will not end until all still unredeemed souls are delivered from every constraint and thus have also attained life and beatitude, until the complete return to God has been accomplished, until all spirits that have emerged from God have returned home into their Father's house

Amen

Union with God - The human being's goal

Your goal shall be the union with Me Do you know what it means to be as one with your Father of eternity? Being able to create and shape like Him in strength and wisdom and being able to constantly work for the still imperfect spirits? And to be eternally happy?

Your past life will appear like a bad dream to you which, however, will no longer frighten you but only let you realise the Creator's love for His living creations, which guided you through infinitely many stages of maturing. And in the realisation of what you are now in the kingdom of light, you will look up to Me full of gratitude and love, Who is close to you now and bestows upon you beatitudes without measure.

To be united with Me means to be perfect, just like you were in the beginning before you became sinful. To attain this perfection is the highest goal of the human being on earth, because it is a prerequisite for a blissful life in the light. And the only means to achieve it is love, which consumes everything imperfect and shapes a light-receptive and divine soul which will be able to accept My emanation and, once it is touched by it, will feel indescribable bliss. The transfer of My love onto the being is the epitome of blissfulness and thus a prerogative of the perfect being which is no longer separated from Me but has fully united with Me.

The transfer of strength, however, includes everything else realisation of truth, light and strength, so that the being will therefore move within wisdom and use the inflowing strength correctly, that it thus, in accordance with God's will, will be able to create and give life to what it has created. Hence the being comes into all rights of childship, it knows no boundary, it knows everything, and its strength enables it to work in accordance with My will, which now is its own will, so that every activity will delight the being because it works for Me and finds rich reward in My love. The being yearns for My love and I constantly fulfil its yearning, and its happiness knows no bounds.

The union with Me can only be achieved through love, since love is the most effective fire which melts all hardness, purifies everything impure and clarifies all ambiguity love is the agent which releases and bonds at the same time It releases the pressure of oppression, the shackle of sin, and it forms the bond between the living creation and Me, which remains insoluble for all eternity And once a person has formed the bond with Me he will remain connected to Me, for as soon as My strength of love has flowed through him he inevitably

becomes My possession which I will never abandon to My adversary. Anyone who succeeds in detaching himself from My adversary has already become My Own and proved himself as My child and is now always able to be constantly in the vicinity of the Father, Who will never banish it from His presence again
....

Return to God necessitates sincerity of will

Anyone having made it his goal to travel his earthly path in accordance with God's will, can also always be assured of assistance on the part of God, because God only allowed him to embody himself for the purpose of aligning his will to divine will. And since, during this time on earth, only the human being's will makes the decision, this very will has already passed its test and thus God can now take care of the person in every way without exerting any coercion of will. As long as the human being is still undecided or even still adheres to God's adversary, the human being's will is indeed fought over by God and the beings of light, that is, it will be just as influenced by Him as by the adversary's side, so that it should freely decide

But once the human being has freely decided to subordinate himself to God's will by living a way of life in divine order, then he will also have entered His sphere and God will no longer let him fall prey to His adversary. But his will has to be sincere The apparent fulfilment of God's will as a result of a church upbringing is not enough, nor will it suffice to carry out deeds of love which, again, are mere church requirements and are more or less fulfilled as obedience towards these demands Wanting to belong to God has to be an innermost endeavour, the inner fully-conscious surrender to Him must **voluntarily** have taken place thus he himself must have directed his will towards the One, Whom he has recognised as God and Father of eternity. And from this follows that the return to God is not a mass movement, that every individual person must have set out on the path by himself and therefore he also has to do everything necessary for it himself: to recognise God and to acknowledge Him and to appeal to Him for strength to be able to accomplish the return to Him. But he will not appeal to God in vain, for He knows of his will, of his sincerity and also of his weakness, He knows that it will not be possible for him alone, that he will need help But it is assured to him. He had lost his strength the moment his will had turned away from God, and he will receive it again when it turns back to Him.

And therefore an external formality alone cannot suffice, words alone cannot guarantee a truly God-devoted will, and belonging to a religious denomination cannot demonstrate this change of will, rather, it has to be proven by **action**, and this consists of unselfish loving activity without coercion and without law God certainly gave people the commandments of love, nevertheless love has to

be practiced voluntarily, for even what is done as fulfilment of a commandment can be accomplished **without the innermost will**, which then will lessen its value. Therefore the attainment of beatitude, the return to God, has to be every person's very own affair, which he cannot pass on to other people and which no-one else will be able to accomplish on his behalf either. And even the deed itself is not decisive, only the innermost will is important which truly is obvious to God but which is also supported in every way. And whatever will then happen to you humans in life is only due to the influence of God or the world of light, which make sure that your will shall aim into the right direction, that it shall voluntarily submit itself to God and that it shall regard its return to God as its only goal.

However, once this act has been accomplished, once the human being's innermost thoughts are turned towards God and he makes an effort to live on earth according to God's will, then his earthly life will not have been lived in vain, and it will, with certainty, also result in freedom for the human being's soul. It will be able to detach itself from its tormentor, it will be able to strip itself of the shackles which kept it imprisoned for an infinitely long time, it is now on its path of ascent and no longer needs to fear God's adversary, who has no further power over the soul because God Himself will seize it, and will safely guide it upwards, for the human being's will has turned towards Him, from Whom he once had emerged as a created original spirit

The path of return to God

I will always come to meet you when you take the path to Me. Believe Me that your distance from Me is giving Me little happiness, although you humans should not imagine a concept of sorrow on My part either, but I long for your love, and as long as you remain separate from Me I feel the absence of this love. Hence it will also be comprehensible to you that I watch your every step, that I see when you turn them into My direction and that I then will also come to meet you in order to shorten your path of return, so that you will arrive at your goal faster. Even so, I will have to stop in My track if you come to a standstill yourselves, if you change your mind again or look back to the region you want to leave. I don't want to determine your free will by any means, I can certainly lure you, which in fact I do, but I cannot compel you, for your return to Me must be and has to remain a completely free act of will. Yet you ought to know and believe that no thought of yours which applies to Me will fade away or fail to reach its goal. And every such thought will be assessed by Me as free will and appropriately rewarded by constantly staying near to you and doing everything in order to attract your attention time and again. You don't know how infinitely profound My love is for you, My living creations, you don't know that this love will only ever yearn for you and that I therefore will not write off any one of My living creations, even if it still keeps its distance from Me of its own free will Even then My love will still take care of it and try to approach it, but how much more so with a child which is and wants to remain My Own, which just keeps

looking sideways because it gets excited and attracted from all directions But I know how it thinks in its heart, I know that its love is intended for Me and that it is just too weak to resist all kinds of enticements. For time and again it will assuredly find its way back to Me, it will remain on the path to Me and will not divert from it either, since the longing of its heart applies to Me alone.

The path to Me is leading steeply upwards, it is arduous it just won't do that I should make it easy, that I should combine it with enticement, because this path should be taken for pure love of Me and not for the sake of other advantages which is only ever a hostile intention to attract people into taking other paths which will lead far away from Me. This is why you will quite often get tired during your excursion to the top and yet longingly look back to the world you want to leave. And I allow this to happen but only for your own sakes, for every voluntarily accomplished ascent will have the most glorious results I will come ever closer to him and he to Me, and in My presence the human being will then experience the bliss which will compensate him for everything he had relinquished for My sake. And this presence should be the goal which you should pursue with absolute determination, you should not rest until you have reached Me, but Who will assuredly shorten your path by coming to meet you Thus you will not be separated from Me for much longer, as long as you only desire My presence and steadfastly continue on the path you have taken even if you occasionally find it difficult because you can't see any obvious progress and believe not to have climbed up even one step If you were able to look back into the abyss you would also be able to assess the significant distances you had covered so far, and you would happily cover the last short stretch of the path which still separates you from Me. But you can rest assured that I will prevent you from falling back into the abyss I will invisibly hold on to you but continually pull you upwards, after all, My heart rejoices in the fact that a child is returning into the Father's house, and I will truly help on this last short path to reach it and imperceptibly walk beside it until it will see Me Myself at the goal and My arms will be able to embrace the child which has returned home to the Father, from Whom it once had originated

Duration of returning to God

And even if the work of return will continue for eternities one day I will achieve My goal that everything I once had created and which had fallen away from Me will return to Me of its own free will and thereby 'living creations' will have become 'children', as it had been My plan since eternity. The duration of the process of return entirely depends on the spiritual being which, during its last test of earthly life as a human being, has to prove its will. And since free will so often fails because it cannot pass the final test, one period of Salvation is not enough, and time and again new developmental eras are required. And therefore one can speak of eternities until this process will have been accomplished one day.

Yet the processes of development are times of adversity and torment And for this reason alone I aim to shorten them for you, and My constant concern is to influence you such that you will preferably reach your goal during **one** such developmental process, during one period of Salvation that you will improve your nature and sincerely look for unification with Me, because then you will also be close to your perfection and close to the goal. To Me a thousand years are like a day I personally don't mind how long you will take to return to Me, yet you are the ones who will suffer if you excessively prolong your time of return and thus also have to endure immeasurable agonies and adversities And since I love you I take pity on you, and only for this reason I try to win you over sooner, for only I know how much time lies behind you and subsequently also ahead of you, if you will fail in this earthly life I know your process of development and would like nothing better than that it should be finished when you leave your last form as a human being on this earth I don't want you to suffer even longer; I would like to make you all blissfully happy in My kingdom But I will only be able to do so if you have shaped yourselves such that you are close to your original state. If this transformation has not taken place during your earthly life I cannot spare you a repeated process through the creations, and then it will take eternities again until you have to make your decision of will again as a human being on this earth. For only free will can take you close to the goal, even if My love for you is infinite I nevertheless cannot ignore your will and provide you with a fate which you do not deserve as a result of your will, which is still against Me and therefore you cannot be called perfect either. And fate corresponds to maturity or, only the will determines the fate of the soul, the once fallen original spirit, who shall return to his source by himself to Me, Who is God and Creator to all of you, but also your Father. One day I will reach My goal, one day you will return to Me again

But how much time it will take is determined by you yourselves in the stage of a human being Hence you are burdened by a tremendous responsibility during the time of your earthly life, and you should always remember this and do what I ask of you through My Word. For in My Word I Myself come near to you in your earthly life and inform you of My will. If you comply with it, you will also be close to your perfection, and you will still reach your given goal before your earthly life comes to an end. And then the dreadful torments and adversities will be over for you, and you will enter into My kingdom, which is a kingdom of light and bliss and which you will recognise as your true home. And I only would like to call on all humans: Take care that you will reach your goal during this earthly life, use your will correctly, and then you will live in accordance with My will, then you will also change your nature and become once more what you had been in the beginning beings, which are allowed to take pleasure in light, strength and freedom close to the Father's heart beings, which are infinitely happy

Amen

Jesus Christ, leader on the right path

The right path will truly be pointed out to you if only you are willing to take it. In that case you just have to let yourselves be guided by Me and you will be urged onto the right path, because I Am only waiting for you to take stock of yourselves, so that you want to achieve what is your real task on earth and live a right and righteous life on earth. Then I will take over your guidance Myself, for your present will entitles Me to do so. As the man Jesus I walked this path as an example for you, as the man Jesus I showed you the goal which you, too, ought to pursue; as the man Jesus I demonstrated to you what a human being can achieve if he takes this path.

And therefore I keep making His earthly progress clear to you, I draw your attention to Him, Whom I sent to earth to help you take the same path, because this is the only path which will lead to Me, to your God and Father of eternity. He had achieved the goal on earth, He ascended to heaven as a perfected being, as the cover of Myself, and I enabled My disciples on earth to witness this process so that they would have a testimony of what a human being can achieve on earth, so that they were able to behold Me Myself in Jesus Christ, Who had entered into eternal unity with His heavenly Father and thus was united with Me for all eternity

And I want all of you to unite with Me, I want all of you to return to Me as My children, that all of you take the only path which leads into the Father's house from whence you once originated You, however, wander around and don't know this path, you cannot find it because you are not looking for it, you live on earth oblivious of your purpose, you walk on a broad road which will never lead to the goal because it is not the path which Jesus had taken. And therefore I have to keep sending you messengers to show you the right way, who want to guide you onto the right path.

I have to make the Word of Jesus Christ accessible to you humans, which He taught on My instruction on earth, the Word which I spoke through Him to people who listened because they believed in Me, Who spoke through Him. This Word of His will direct you to the right path again, and you have to listen to this Word because it gives evidence of Me, Who is the path Himself, the truth and the life. And if you listen to this Word the path to the goal will be shown to you and no-one will be able to say that he had been without guidance on earth if he just entrusts himself to Me, if he wants to reach Me and has the will, not to stand still, but to attain the goal which was given to him for his earthly life. References are made to you time and again because I will not abandon any human being to his fate but Am concerned that they all shall find the right path, however, I cannot take care of someone who lives without a sense of responsibility, for in order to be able to lead him he has to entrust himself to Me of his own free will. Where this will is missing I will keep Myself back

Yet it will always be made easy for him to enter the right path, no compulsion will ever be exercised I always demand his free will in order to be able to take his hand and lead him to ascent for I can certainly advise and help you yet I will never compel you

Amen

Love is the key to the spiritual kingdom

You will only be able to comprehend Me through love There is no other way you can win Me, no other way to recognise Me but through love. And thus you have the key which will open the door to My heart for you, the gate into the spiritual kingdom, to your Father's house. Without this key all access will remain blocked, everything My love, wisdom and omnipotence has created in the spiritual kingdom will remain hidden from you, without this key all knowledge of truth will remain concealed, you will lack all divine wisdom because without love you will be engulfed by darkness, since only love will give you light thus leading you into realisation. You would be incredibly mighty if you would heed My Words and live a life of love For love is also strength and nothing would be impossible for you if you would change your nature into love. Hence, with these Words I Am giving you the promise of an abundance of light and strength, of blissfulness, through the inflow of My Fatherly love, if you just unite yourselves with Me through deeds of love, if you just reciprocate My love for you Yet you don't believe My Words or you would all endeavour to live a life of love.

Why don't you put it to the test Let go off all selfish love, look around yourselves and wherever you see hardship try to bring help, wherever you find people suffering physical or psychological ailments try to heal them, give to them earthly and spiritually whatever they need, give them food and drink, and let go of your possessions if you thereby can ease the hardship of people in need. Try it and you will experience the truth of My Word, you will grow in strength and light, you will rise above your own earthly suffering, nothing will affect you which previously appeared to weigh you down, you will feel the strength of love in yourselves and the happiness of your union with Me, which you establish with every deed of love, will compensate you a thousand fold for what you have given away You will recognise Me and feel My hand holding you, you will feel the flow of My love's strength pour into you and, being spiritually brightly enlightened, you will be able to hear and behold what otherwise is hidden to you humans

Take the test and believe My Word, practise love and you will win Me and never ever lose Me again Believe Me, for I truly won't instruct you wrongly, I want you to become blessed, and since only love is able to turn you into happy beings I constantly just urge you to love

Yet then you will have to combat the spirit within you which is lacking all love and to which you owe your earthly existence He impels you to selfish love, he wants to extinguish the divine spark within you, he wants to prevent you from living a life of love. Hence you will have to fight it, that is, you have to fight your own cravings which only increase your selfish love and weaken the true love towards Me and your neighbour, so that you will be unable to experience the strength of love yourselves Fight against it and follow Me, accept these Words in your heart and act accordingly, and your fate will be the complete union with Me and infinite bliss

Amen

Jesus, the good shepherd

I will send people your way to whom you shall proclaim the Gospel, yet there will only ever be few who will listen to you and take your words to heart. It is just a small flock which will follow Me, their shepherd, and I will keep this small flock together and won't allow My sheep's pen to be broken into and My sheep stolen, for I Am a good shepherd, Who will sacrifice His life for His sheep. All of you who listen to My call as soon as it is voiced belong to My flock

And My call is always My Word by which I Myself speak to you from above My call is the coaxing call of a good shepherd Who does not want to lose even one small sheep from His flock, and Who speaks Words of love to you in order to hold on to you, in order to warn and admonish you that you will not get entangled in the snares of the one who wants to steal you from Me. I will indeed let you have free will, and if you roam over wide pastures you will be able to go wherever you want but a good shepherd will follow his flock and look for those who have gone astray, who have left the right path and got stuck in ravines or on heights. A good shepherd will coax and call to let them find their way back to him, so that they will take refuge by pushing close to him and return home with him, where peace and tranquillity will await them at the end of the day and after the long walks through the pastures.

The characteristic of a good shepherd rests in the fact that he will not leave his sheep to their fate when the night sets in For so many a small sheep will go astray, it will digress from the right path and get stuck on the heights, it will venture into unfamiliar fields where it can be caught and killed, it will leave the path and lose its flock and the shepherd And then a **good** shepherd will follow and call until he has found it And joyfully he will bend down lifting the small sheep onto his arms in order to carry it back to the flock and drive them towards the home enclosure. And thus I, too, will follow all people who had left Me as their good shepherd, who are taking their own paths, who have gone astray in the world and intend to go up in the world They are all small sheep who have gone astray, who are particularly close to My heart and whom I dearly want to win back for Myself again, whom I would like to count as My Own and whom I therefore continue to coax and call with My Word, that they will comply with it and lovingly approach Me again, from Whom they had distanced themselves. And therefore My Word will sound from above time and again, and whoever receives it shall pass it on in the world, for people urgently require My Word, My loving appeal which is intended to call them back home

And I truly know who will need My Word, and these are the ones I will send to you so that you will be able to carry out your vineyard work on them, so that you will be able to do labours of love for Me as the good shepherd and also be able to return the little sheep to Me again, which had left the flock and yet shall come back to Me once more because they will not be able to become blessed without Me.

There will not be many more who will be impressed by My Word, rather, most people will refuse listening to you, for My flock has scattered and has been driven away by the enemy who unlawfully takes what refuses to surrender of its

own free will And yet the good shepherd's coaxing call shall sound time and again, for as soon as they voluntarily turn to Me once more I will also be able to fetch them back and lead them to their home enclosure.

Therefore you, too, shall coax and call when you spread My Gospel throughout the world. Tell people about the good shepherd Who is continually searching for His sheep and wants to place them under His faithful protection Tell people that a God of love exists Who is only waiting for them to come to Him in every adversity, Who, like a good shepherd, wants to lift every small sheep onto His arms, Who is offering refuge and protection to it in His presence, so that all human beings will be safe and secure with Him

Amen

Who was Bertha Dudde?

Bertha Dudde was born on 1. April 1891, as the second oldest daughter of a painter, in Liegnitz, Silesia. She became a dressmaker and began to receive pronouncements from God through the 'Inner Word' on 15. June 1937.

"In a clear dream I was moved to write down my thoughts after devout prayer. Understandably this often gave way to doubt and inner conflicts until I was convinced that I was, myself, by no means the initiator of these exquisitely gracious words; but instead it was the spirit within me, in other words, the love of the Heavenly Father was obviously responsible for them and introduced me to the truth".

"I was given knowledge of the spiritual world which far exceeded my elementary school education. I received and receive this knowledge as a dictation in a state of complete consciousness; I write down everything I am told in shorthand, in order to then transfer it word for word to clean copy. The procedure does not take place in a state of compulsion, for example in a state of trance or ecstasy, but in an absolutely level-headed frame of mind. However, I have to want it to happen and then I can receive these dictations voluntarily; they are neither bound by time nor place.

"Now I only have one wish, which is to be able to make these gifts of grace accessible to many more people and in accordance with the will of God Himself to be allowed to do much more work in His vineyard."

(Quotations from an autobiography from 1959).

Bertha Dudde died on 18. September 1965 in Leverkusen, Germany.
