*Language of nature - Creation and Creator ....*

Let nature speak to you .... it illustrates indescribable works of wonder and constantly reveals My love and omnipotence to you .... Listen and behold .... Look at each creature and become aware of My creative will and My strength .... and of Myself in all My works of creation. See, how uniquely delightful and varied these creations are and how meaningful each one fulfils its intended purpose and how the purpose of every work of creation is the preservation of all creation .... Let Me speak to you Myself through nature and listen to My voice, then you will recognise My omnipotence, love and wisdom and bow before it, then you will know that you are the greatest work of creation on earth made by My hand and understand how infinitely much I care that you remain within Me .... Since each work of creation only came into being because of you, it is a mere preliminary stage from which you evolved into what you are now, into free, independent creations which can become infinitely more than they are now.

Observe nature and see its development, its progression, which can be recognised in all creations of nature. The tiniest being is My work, the tiniest blade of grass is My thought which took on shape. And every creature obeys My will, it does what I have assigned it to do and serves the human being again by ensuring his existence. Nothing is without purpose and aim, nothing happens without My will, everything is based on My wisdom and love. Should My wisdom not be evident to you because you don't know of the relationship between all works of creation then recognise My love, which consistently expresses itself in the wonders of nature.

See how everything around you grows and flourishes, how it matures and bears fruit, see, how the same process repeats itself over and over again .... for you .... to protect you human beings and to preserve everything that is alive on earth .... I shaped innumerable creations of most diverse proportions, of most diverse forms and purposes, and if you open your eyes and ears nothing escapes you and My infinite love and wisdom has to become evident to you .... Because I give so that you can receive, I create so that you can benefit from it, I maintain and care for the creation so that your heart can rejoice in it and you recognise Me .... Me, Who I Am since eternity and Whose existence you doubt .... Whose will and being you want to exclude and Whose creations you regard as having evolved by themselves.

You blindly pass by all wonders of creation and don't understand the language of nature, you see the creation but not the Creator within; indeed, you see the effect but not the cause, the will, which is the foundation of every creation. You believe yourselves to be full of wisdom and able to discover the origin of all things yet your knowledge is patchwork as long as you don't acknowledge Me as the primary origin of creation. I move close to you in every work of nature, it is the expression of Myself, it is a thought that took shape in accordance to My will; every natural creation is proof of My existence because nothing would exist without Me, because My will alone called into being what you see and

what surrounds you. And nothing can be or become without My will, nothing can exist if My will and My wisdom do not approve. But My will, My love, My wisdom and My power must also teach you to believe in an Entity, they must make you realise that they belong to a Being which also wants to speak to you through the wonders of nature, which wants to be closely united with you because you, also being His work of creation, are the sole reason for the origin of all creation ....

I want you to become aware but then you have to listen to the language of creation, to the voice which expresses itself in nature, you have to communicate with Me, the intrinsic Creator of all things, and I will answer your questions and give to you according to your will to seek the truth, providing you acknowledge Me as the provider of truth. I Am near to you at all times, as soon as you desire to hear Me, as soon as you send just one thought upwards to Me. And therefore you shall find Me wherever you are, but more likely if you look for Me in solitude, where everything around you reminds you of the Creator, Whose will created heaven and earth, because His love decided to give the essence, which formerly had separated from Him, the opportunity to come closer to Him once again. And the knowledge of this shall be given to you human beings, the knowledge of this you shall desire yourselves, and therefore you should listen to the language of nature because through it I speak to those of you who want to hear Me ....

Amen

## What happened before human existence?

*Question 'Why' (Anthroposophist Cologne) ....  
Fall of the angels .... Sin ....*

It remains perpetually unfathomable for human beings what moves God to rule and work as He does, because human intellect cannot comprehend what motives form the basis for God's expression of strength; neither can it comprehend the interactions because it can only see and feel the result of what primordially had happened in the spiritual realm, in a world, of which all visible creations are mere weak reflections that cannot even comparatively be referred to and which were only created as a result of what had taken place a long time ago in the realm of God's created spirits. These were the purest expression of His strength, consequently they too were powerful and strong, they were of the highest perfection. God's creative will had transferred itself to His created beings too, with the result that all His thoughts urged to express themselves in them as well and therefore a creative will of unimaginable extent inspired these beings which now became active without restriction. In other words, new creations were produced which surpassed themselves; however, these new creations were always inspired beings and of greatest perfection too, therefore also cognitive and in possession of free will.

The first entity which came forth out of God outshone everything with its light and strength because it had developed from God Himself and found its bliss in the constant use of its unlimited strength. Its creations increased and its bliss grew immeasurably, God had imposed on it no limitations. However, He put it to the test because He wanted the entity to become aware of itself as the carrier of God's outgoing strength .... This test required that the entity .... Lucifer .... should depict God to his creations as their origin, in order that he too would continue to always consciously accept the strength, which enabled him to be creatively active, from God. Thus he was meant to acknowledge God as his Creator and source of strength and his bliss would be unlimited for all eternity. He was not put to the test merely for the sake of this acknowledgment but he was expected to make a decision of his own free will that was intended to elevate him from the perfectly created being to a perfect being of his own volition, so that he too could use his power and strength as a truly divine being within the will of God ....

And he failed .... He did not want to be the recipient but the source of strength himself, and the amount of strength at his disposal seemed proof enough to him .... Therefore he volitionally separated himself from God, although a separation from Him was not possible since he couldn't exist without God. And since his will, with the use of God's strength, had created innumerable beings, he considered himself as their creator and of enormous strength and power; consequently he volitionally separated from God in arrogance and lust for power, thereby becoming sinful and pulling all of his creations into sin too. Although they themselves were still innocent they were completely under the influence of him who had given them life.

And these were now given the right of self-determination by God, they were permitted to see the light and in their perfection also recognised their origin, they could therefore also stay with God and participate in His glory. However, only few followed Him, that is, only few chose to stay with God of their own free will and, as His angels, were constantly with Him and worked for Him in the spiritual realm. The greater part, however, fell .... they followed their creator, freely chose to accept his will as their own and by doing so fell into a state of spiritual darkness .... His awareness was taken from him because the effect of the strength reduces as soon as the entity distances itself from God ....

But everything was and is strength out of God which eternally cannot be lost and therefore must return to Him in a way that God's wisdom has judged to be effective. And this way is the progression through the earthly physical creation, which God had brought into being for the purpose of leading the fallen spirit back to Him. The spirit moves through this creation with a bound will, that is, in a state of compulsion on the slow path of upward development until it reaches the stage when its free will is returned to it and it is once again confronted with the decision to choose the power it wants to adhere to.

The being is burdened with the sin of its past opposition to God but can release itself by using God's strength which it once had rejected; however, it has to acquire this through works of love and by consciously requesting it from God in prayer. It has to use its free will during its earthly life in the right manner .... it has to turn towards God again and acknowledge Him as eternal Father and Creator .... Then it returns once more to the state of light, it becomes a recipient

of strength and can work again in accordance to its will which now is also God's will .... and it shall be able to create and shape for its own happiness and thus be eternally blessed ....

Amen

*Purpose for creation ....*

*Process of evolution ....*

The world, with all its creations that are visible to you, only serves one purpose: the return of the spirit, which had once fallen away from God and which is bound in countless individual substances or tiny sparks of spiritual essence within these creations, in order to gradually evolve again by means of constant change of location, by means of constant transformation of its outer appearance, until it reaches a certain degree of maturity. This then enables this spirit to incarnate as the soul within the human being, from which the final return to God should now take place of its own volition .... The spirit has indeed walked an infinitely long way before its incarnation as human being, it is a journey which began with the immense torture of confinement and stayed in confinement for an endless long time until the bond began to loosen and eventually eased more and more but always being a state of bondage for the spiritual substance from which, however, the human being can release himself if he so wants ....

Hence your human soul has passed through all these creations which are visible to you and you have now arrived at the last stage of your evolution on earth. You only have to accomplish your last task on this earth and then you can, free of all earthly restrictions, once again live in the realm which you once had left of your own free will because of your rebellion against God .... And your last task on earth is .... to totally submit yourselves of your own free will to the eternal God because a long time ago you revolted against God .... to serve with love because in the past you wanted to rule with cruelty .... to become perfect again through love because you deprive yourselves of all divine qualities when you sin against God .... You shall become full of light and strong again, as you were in the beginning .... Because you came forth from God as perfect beings but who have no awareness of themselves because they are without love, because they had distanced themselves from God and therefore could no longer be enlightened by His love, since every resistance to God also renders His love ineffective although God's love for His living creations won't end eternally ....

The process of development from below to above takes place with everything and through everything you see. Thus the meaning and purpose of creation as well as the meaning and purpose of your life on earth has been briefly explained to you. You may and must know of this so that you can consciously strive towards the last goal on earth, just as you must know of Him Who is God and Creator to all of you. It is He Who wants to be recognised and loved by you as Father to give you the measure of love that enables you to return to your original state once more, so that you end your life on earth as His children and return home to Him to create and work with Him and in accordance with His will, as is your destiny since time immemorial ....

In order to give you human beings this knowledge, this awareness, He speaks to you Himself, He lets you hear His Word and teaches you by means of His Word, He informs you of His will, the compliance to which must inevitably result in that degree of maturity again which you had given away of your own free will. All He asks of you is to transform yourselves to love .... If you comply with His will then your upward development is also ensured, then you accomplish your task on earth, then the way from the deepest depth towards the height has successfully been travelled with the result that you are united again with God, from Whom you once separated and with Whom you now stay united forever  
....

Amen

*The magnitude of the original sin necessitates Salvation through Jesus Christ ....*

If the knowledge of the infinitely long path of development, which you had to travel before your last embodiment as a human being, is given to you and you think about it, then you will also become aware of the tremendous guilt you had burdened yourselves with by your former apostasy from Me .... Because My sense of justice would certainly not let you endure an excess of suffering if you had not brought it on yourselves. Yet it is not an act of punishment on My part but once again only an act of My eternal love, because I want you to be joyful; however, I cannot give you a blissful life which conflicts with My law of eternal order while your frame of mind opposes Me .... which is the case due to your past antagonism towards Me. However, as human beings you cannot assess the magnitude of your guilt because your thoughts are only limited. Yet the beings which previously had fallen away had no such limitation of knowledge as you have as human beings .... instead they were perfect living creations who were fully enlightened. For that reason their guilt is so tremendous that it requires an act of atonement which could not even be achieved with the infinitely long path through creation. Rather, the greatest act of love and compassion had to be accomplished first by the man Jesus in order to make a final redemption of guilt possible which, however, also necessitates the acknowledgement of Jesus as Son of God and Saviour of the world ....

When you return to the realm of light from where you came you can judge the magnitude of guilt that an opposition to Me had meant. You will also understand that only by following the path through creation can you once again obtain the degree of maturity with which you can also comprehend and accept Jesus' act of Salvation ....

As human beings, however, you cannot grasp the extent of the immense significance this act of Salvation has for you .... for each individual soul .... and you therefore have to 'believe' what you are told and accept the divine Saviour Jesus Christ without proof. Then you become free of your former guilt and once again place your trust in Me .... Who was incarnated in Jesus .... and at the same time voluntarily return to Him, Whom you once refused to acknowledge and Whom you resisted .... You humans certainly can be given complete clarification; however, you are not able to understand everything in your as yet

imperfect state. Therefore it will always be an act of faith when you follow the path to the cross but it is also your only and certain salvation because Jesus Christ will then accept the guilt on your behalf, because He died on the cross for the sake of people's sins, He took them upon Himself and redeemed them with His blood so that you would become free of sin .... And yet, this greatest and most important doctrine concerning the act of Salvation cannot be proven to you .... You have to believe it of your own free will and without any coercion .... And you are able to do so because I will never ask of you the impossible and because I will always help you to come to the right understanding.

However, one thing you should not omit or exclude: that you live a life of love .... because love is the strength which enables you to do everything, because through love you attain enlightenment, and because through love you unite with Me again and establish the condition prior to your fall into sin, when My light could continuously enlighten you. That way I can illuminate you as human beings, as soon as you practise love and voluntarily turn towards Me, no longer oppose Me and open up to Me so that the flow of My love can pour into you without restriction. But this is only possible after you have taken the way to the cross, so that you become free from the guilt of your sins, otherwise you will still suffer in the bonds of the adversary who will prevent you from doing actions of love and keep you in spiritual darkness because he does not want to lose you. Your guilt has been immense but it is redeemed by Jesus Christ Who now has become the visible God for you humans, providing you allow yourselves to be redeemed by Him, because you cannot ever remove your guilt yourselves. I, however, cannot admit you into My kingdom with your guilt because, although I Am in fact a God of love, I Am also a God of justice .... And this justice necessitates complete forgiveness of sins which you can only find in Jesus Christ, in Whom I Myself accomplished the act of Salvation ....

Amen

## What is the significance of life on earth?

BD 5750

*Earth - School for the spirit ....*

*Means to an end ....*

*An end in itself ....*

Consider the earth merely as a school for the spirit, as a place for your soul to mature, which still has to pass through a school before it can enter the spiritual kingdom. You cannot be forcefully shaped in a way that makes you suitable for the spiritual kingdom; you have to transform yourselves .... And for that reason life on earth was given to you .... But you humans don't recognise the purpose and goal of earthly life .... you misinterpret it, you only strive to benefit your body without thinking of your soul .... you look at the earth as an end in itself, whereas it is only the means to an end .... the means for the spirit to attain final maturity.

The real task is to pass the test of volition which you should accomplish during your life on earth and which must be taken in complete freedom. For that reason you will only receive enlightenment about the meaning and purpose of earthly life when you consider this question seriously yourselves. However, God gave you intelligence which allows you to pose the question as to why and for what reason you are on earth .... There are enough incentives around you which can cause you to ask this question but it has to come entirely and freely from within yourselves in order to be answered correctly as well. Even the worldly human being should occupy himself with this question, even he should occasionally think about the cause and purpose of earthly existence, providing he takes the time to occupy himself with such thoughts ....

He certainly should not see the purpose of his life in the satisfaction of his body's wishes and desires, but if he does then the thought of death will always frighten or unsettle him too .... or he will reject all thoughts of that nature by believing that he will cease to exist after death. Only someone who doesn't think much could have this opinion because he would find enough proof during his earthly life to teach him to think otherwise, if only he seriously investigated the problem of life after death. The human being was given intellect .... but if he does not use it he will exist from day to day like an animal because the correct use of intelligence will enable him to think and behave differently .... it will enable him to live consciously. However, the worldly human being who believes earthly life to be an end in itself has not used his intelligence correctly yet. He has only activated it into one direction, he has not yet thought about a spiritual world which also can be accepted to exist outside the physical world .... otherwise the human being would have the unrestricted right of determination over the whole of creation, therefore over the natural processes and his own destiny too ....

For as long as the human being himself is dependent on a higher power, on a higher will, which is proved to him by the course of his earthly life, he also has to acknowledge a world or a region where this higher power presides. Since he knows that he is at the mercy of this power, that this power determines the course of his life, he also has to ask himself why and for what purpose his earthly life happens as it does .... and whether he is achieving this purpose, which cannot be merely a physical life of pleasure but is more likely to be a spiritual development .... The human being can come to this mental conclusion as soon as he has the will to receive enlightenment about whether earthly life is an end in itself or only the means to an end .... The gift of intelligence should and must be considered because one day he will be held responsible for his will to oppose everything that God gave to him to attain his goal on earth ....

Amen

*Life on earth is but a passageway back home ....*

Just consider yourselves as passers-by on this earth, who merely live here temporarily but never permanently because your true home is the spiritual realm, which you can only reach in freedom by way of crossing this earth. That way you also experience your earthly life with different thoughts because when you are sure of a specific destination, you should also aspire to reach it. Consequently, everything you find on earth shall neither burden you nor tie you down, just think of everything on earth as transient, as if it was merely on loan to you or as if it only momentarily obstructed your way .... you should always remember that one day the hour will arrive when you have passed through this earthly vale and you must leave .... that now the return to your true home will take place ....

Now make sure that you return to that realm fully laden with treasures which you can use again. Then you won't enter your home poor and miserable but radiant with light and richly blessed with spiritual possessions .... Because you can acquire all these things during your earthly life. No matter how and where you walk on earth you can always increase your spiritual wealth with deeds of love if you don't allow yourselves to be tied to worldly possessions and always keep in mind that they are transient and that you cannot take them with you into the realm on the other side. But you can acquire many spiritual possessions during your time on earth because people are in great need and you can always ease their suffering, spiritually as well as materially .... What you give in earthly life you will regain as spiritual wealth .... and therefore you should give, help wherever your help is asked for .... And you should also ease suffering without being asked and where it is evident and you will be richly blessed after your physical death because 'as you give you will receive again ....'

However, anyone who believes himself to be master of the earth, who believes to be entitled to the possessions of this earth and who is sure of his ownership without considering the poverty of his fellow human beings, will appear at the threshold of death completely destitute; he will enter a realm where he will experience bitter poverty because he has to leave everything he owns behind and has no spiritual values to offer, as he did not consider himself a passer-by but a permanent master on this earth. He didn't consider his true home and therefore will find it in very poor condition ....

Amen

*The significance of life on earth as a human being ....*

Your life as a human being is the last stage in the development of the once fallen entity which is personified as the 'soul' within you and which, still enclosed in a physical external shape, can now overcome it and leave this form to enter the spiritual kingdom as a spiritual being. During this earthly existence the last transformation into the original entity can take place again if free will is used correctly, that is, if it consciously strives to return to Me again, Whom it had once left voluntarily .... And this transformation is certainly possible because the human being receives a multitude of blessings and with the right use of these blessings has enough strength available to cast off all impurities and to live wholly within the divine order; that is, to live a life of love through which he can spiritualise soul and body and thus the return to Me is accomplished .... However, the human being can also disregard all the blessings at his disposal and instead of ascending he can return into the abyss; this cannot be prevented because he has free will as a sign of his divine origin .... But then he places himself once again into the dreadful fate of bondage and it will take an infinitely long time until he finally can be released again ....

You do not want to believe how significant earthly existence is for you human beings and are therefore half-hearted in accomplishing your task on earth. But it concerns your own destiny, you yourselves have to bear the consequences, and the fate you prepare for yourselves cannot be taken away from you. You can choose between everlasting happiness and an infinitely long state of torment and you are doing little to acquire the first; instead you rather follow your earthly path indifferently .... And if fellow human beings, who know of the great significance of earthly life, draw your attention to this you listen with disbelief and remain unimpressed but believe them to be fantasists instead of thinking about the reasons for your earthly existence yourselves .... Yet time and again you will be confronted with events which could cause you to think .... Time and again your thoughts are pushed into that direction by means of conversations, the reading of books and your own experiences so that you should become mentally active and ask questions which concern you and your earthly existence.

If only you would believe that human earthly life is a most significant gift of grace which, if you make right use of it, can lead to unimaginable happiness .... if only you would believe that there is meaning and purpose to your earthly life, that you are not 'chance life forms' who are not responsible for their earthly progress and cease to exist when the body dies .... It is the soul .... the original spirit which once had fallen away .... who should achieve its final release from all physical external form and human earthly life is the last phase of an endless long process of development ....

You humans are self-aware and you are only 'self-aware' because your outer cover incorporates an original spirit who once came forth from Me as a self-aware entity .... Thus, not your body nor your intelligence triggers your consciousness of self but your soul, which is your real life and which ultimately turns the human being into a self-aware being. Without this soul the human being is only a physical outer shape without life, even when all internal organs are present

they cannot function without this soul .... The 'life' of this outer shape depends on that soul .... an original spirit .... who enlivens the body and enables it to function in all manners ....

You humans should always keep in mind that you live on earth for a specific purpose and should try to find this cause and purpose, then you will also receive explanations in the form of thoughts, which I Myself will send to you in order that you may come to understand it. And thus I will send you My messengers again and again and through these try to make you think, and it will certainly be a blessing for you if you don't walk through life in ignorance but also use the gift of intelligence. This can result in the right attitude towards your God and Creator and with this you will also find the right knowledge .... Because I truly care that every single human being should use the short time of grace as a human being in the right way and reach his final destination .... that his soul will return to Me again from Whom it once had come forth as created spirit ....

Amen

## Life in divine order

BD 1469

received 12.06.1940

*Perfect spiritual order ....*

*Disorder ....*

All imperfect spirit causes some disorder in the world because all order is perfected spirit, it behaves in accordance with divine will, and God's will is order and perfection. The disorderly condition can never be something divine, therefore, the beings who are in God's ordained state .... that is, who are within divine order, must carry the divine will within themselves, that is, they have to live in accordance with God's will first if they want to come closer to God. Immaturity, however, aspires towards God's opposite goal, it conforms to the will of the one who wants to destroy all divine order. However, this disorder can only be evoked when the imperfect spirit is in possession of free will, that is, when it is embodied in a human being, since prior to that divine will determines every activity of the being and therefore this activity has to be orderly too .... which is expressed throughout the entire work of creation which exists in God's ordained order and cannot arbitrarily be transformed by a God-opposing will. Earthly life, however, is at the mercy of the human being .... And thus the human being creates his own state of order or disorder, all depending on the attitude of his free will. A life in closeness to God with the surrender of one's own will must understandably proceed orderly, it must completely correspond to divine will. The human being obviously cannot violate God's will as long as he subordinates himself to it. Consequently his conduct also has to be in line with God's ordained order, he can't help himself but aspire to what God wants ....

Hence, whatever is directed against this order has to collapse as a result, as it signifies disorder. All order incorporates within itself the guarantee of continuation whilst it is in the greatest interest of the representative of disorder, the adversary, to destroy everything, and for that reason he provokes an enormous disorder. It is now also understandable that human thought becomes completely chaotic when it expresses itself in some destructive form or another during earthly life. The impulse of preservation will always be divine, the impulse of destruction always satanic. Whoever complies with the inner urge to destroy, consciously submits his will to God's adversary who wants to annihilate God's work of creation and who uses the immature spirit to triumph against God. He besets the spirit, he tries to weaken the human being's will to act in a God-opposing manner, i.e. to disregard and attempt to destroy what

God in His wisdom has created. And this is contrary to divine order. Everything in existence serves to mature the imperfect spirit. Every desire to destroy any kind of creation interferes with God's will, Who gave all spirit a certain length of time and will only release it from its form when the spirit within the form has matured, i.e. when it has become capable to live through the next stage of embodiment within God's ordained order.

A being which is prematurely disturbed in the process of higher development wants to escape its form or take its abode in an external form that is unsuitable for its state of mind and this, since it lacks the necessary maturity, would be the start of an unimaginable disorder which would have horrifying consequences on earth as well in the entire universe. Because everything would be at the mercy of the immature, God-opposing spirit. There would be an open contest against God which would rage against all divine wisdom if God didn't prevent it. For that reason, i.e. to maintain divine order, the will of the immature being prior to incarnation as a human being is constrained, whereas the danger in earthly life is that the opposing will results in an unparalleled chaos, a confusion of human thought which can cause the most incredible disorder.

And all virtuous spirits fight this disorder because God Himself uses no coercive measure as hindrance and allows the immature spirit complete freedom of will, nevertheless, it will always be a sin to oppose God's will. The being violates divine law .... which in itself is order .... when it enjoys changing this order into disorder. Because it then subordinates itself to the will of the adversary who longs to destroy everything that God has created .... He will not succeed, nevertheless merely the determination to do so is the greatest offence against God's love, wisdom and omnipotence, it is rebellion against God and therefore results in the most dire consequences. The spirit who rages against Him cannot enjoy freedom as long as it defies divine will and divine order. As long as it refuses to fit into God's ordained order it is not free ....

Amen

### *Destruction of works of creation and its consequences ....*

Everything visible to your eyes testifies to God's love, it was created to help the fallen substance, to elevate it from its sunken state again, and therefore every work of creation should be seen as an emanation of divine love and be respected and valued accordingly. None of God's creations may be wilfully destroyed, for then its function, its intended purpose, will be prevented. And neither may human work be destroyed which also has a function .... the function to be helpful. For every work of creation that originated from God's will was given this function, otherwise it could not result in higher development of the substance. And human creations are also assessed in relation to their function .... As long as they have the task of being useful, as long as they somehow serve other people or even other creations, they contribute towards the development of the substance and fulfil their purpose.

To destroy such creations results in the interruption of the spirit's progress of development and can never be justified before God .... as in fact all destruction of

matter has to be motivated by love to be justifiable before God .... Consequently, if destruction takes place for the purpose of producing objects which are helpful to people, which serve a useful purpose, the destruction is justified for the love of other people. However, any other destruction is sacrilege .... sacrilege against other people and against God, Whose power created things which truly have another purpose than to fall victim to the human will of destruction .... And this sacrilege avenges itself badly ....

When the driving force of hatred and unkindness between people destroys matter then people also have to pay for it .... materially, because they lose things that had fulfilled a useful purpose, as well as spiritually, and the latter in a particularly painful way .... Because spirit has been freed against its will and before its time, and this spirit disturbs all substances in its environment but especially the human being by permanently appearing before his soul's eyes, that is, by constantly occupying his thoughts with the lost objects. This is extremely harmful to the soul since it inhibits its development. It is held back from spiritual aspiration, its senses are constantly directed towards material things and therefore the creations can quietly torment a human being when they are unavailable to him, when they fall prey to the human will of destruction.

Every work of creation by God, or by a human being who just wants to work constructively, should be respected. The destructive principle denotes the actions of God's opponent .... And at this moment in time he is raging in the world .... He induces people to God-opposing behaviour against His creations, he has awakened the destructive urge in people because they lack love and no longer understand the meaning and purpose of creation. And this shall result in serious consequences. God will counteract the human work of destruction, which is the influence of the evil power, with a far greater work of destruction but which is entirely warranted in God' love ....

He shall liberate the spirit which is willing to walk the way of service on earth from endless long captivity .... He shall release the solid matter so that the human destructive will is stopped and human beings learn to see earthly creations for what they are: means for development as long as they can exercise their useful function. This divine destructive action will affect people even far more seriously; however, this is necessary so that they return to the right way of thinking, that they respect and appreciate every work of creation, that they understand its function and once again occupy themselves constructively. Because this and only this is divine order: that everything in existence shall progress and that every human work of creation shall also be a guarantee for the development of spirit as long as it fulfils its useful purpose, as long as the human will to be of help has produced it ....

Amen

*Pollution of air - water - food ....*

Every human being may expect from you what you expect from him. You should give justice to everyone just as you demand the same from them. You should not apply different sets of standards and believe that you have **greater** rights than your fellow human being in those instances where you are beneficiaries of what has freely been bestowed upon you by **Me**. .... what you have not acquired **yourselves** but what is at the disposal of all people equally .... meaning those spiritual and earthly riches which My love and My creative will always place at your disposal.

This includes all gifts which you receive from My hand .... which you cannot produce yourselves, which are present without your involvement and which contribute towards your continued existence .... which are necessary for your **natural** life and which may not be taken away from any human being if his life should not be endangered. These are the life preserving elements to which every human being is entitled and which may not be taken away from him by other people or the offence against My eternal order has far reaching consequences which not only affects the **guilty** people but also the creations and can even result in their termination.

You will understand this by merely asking yourselves what **elements of life** you require and imagine their **diversity** .... when you experience air and water and their composites and effect on yourselves, which give the human being complete health but which can also result in illness and destruction of the body's organs when, due to human will, contamination of air and water occurs that causes incalculable damage .... And the sinfulness of people already shows itself in the fact that they are not afraid to pollute these particularly important life preserving elements such that it brings about life threatening damage to their fellow human beings .... And just as every human being holds his own life dear he sins when he reduces his fellow human being's most essential necessities of life, when he plays a part in jeopardizing the life of other people .... In addition, 'endangering life' also includes when the soil, which produces nourishment for human and animal life, becomes deprived of its natural quality; when, by the use of artificial agents, the designated land for cultivation takes on a different quality, the products of which now also contain substances that are by no means beneficial for the human body. Human beings are interfering with natural law, what's more, they want to improve, that is, they portray My creations as imperfect, they want to increase the soil's yield and are using the **wrong** methods for that .... since they need only ask for My blessing to achieve truly blessed harvests as well ....

Another sin in this respect is the harvesting of fruit before it has ripened .... when, because of greed and materialistic thought, harvesting takes place in **advance** of the natural process of ripening and when, as a result, the human body is forced to fight against as yet immature substances .... which is not a merely physical but also a spiritual matter which is frequently unknown to you. But all this is integral to the disregard of My law of eternal order. The human being damages his fellow human, he does not treat him fairly and he contributes towards the steady increase of chaos on earth because only an earthly life lived within lawful order can have the right effect for body and soul.

Every human being has the right to have the order of nature upheld because I made creation for the **whole** of humanity and not just for **one** human being. Every person requires clean air, clean water and good food for his physical life and no human being is entitled to cause harm to another that he wouldn't want to be caused to himself.

But during the last period before the end there is no more consideration for the life of other people, all kinds of unscrupulous experiments take place, and always just because of ambition, greed or hunger for power, which endangers all healthy life. Thus he who wants to destroy all living creations to release the constrained spirit within in the mistaken assumption that it will then belong to him again, is triumphant .... All people who act in opposition to divine order have handed themselves over to him, they follow his suggestions and ignore My commandments which require love and justice ....

Everyone just thinks of himself and his own advantage, and the fate of other people leaves him untouched. The life of his fellow human being is no longer sacred to him, otherwise it couldn't come to what is to be expected with certainty: that the life of all human beings will be gambled with because the divine laws of nature will be overthrown .... because one day the elements will forcefully break through. Human beings themselves will be the cause of this because they sin against divine order, against My commandment to love God and their fellow human beings ....

Amen

*Relinquishing the world ....  
Fulfillment of earthly duties and the blessing of God ....*

What does the world offer you? If you really think about it, it only offers things which make your earthly life more pleasant for a short time but which have no lasting value. And if you consider that you could be called from this earth any day then you work, from a worldly point of view, just for one day, because tomorrow could already be your last day. But even a long earthly life cannot be compared to eternity and it is simply unwise to provide for oneself for this limited time and not to consider eternity. But not until you occupy yourselves with thoughts about life after death can you know that you are chasing after illusive possessions and then you will understand the spiritual aspirations of those who don't see the earth as an end in itself but as a means to an end. And then you too will strive for the truth, for enlightenment and for Me, Who can impart all that to you.

But one thing you should not fail to do: to appeal to Me to become your support and adviser, that I should take care of you and continue to guide you during the course of your life, that you choose Me and for My sake relinquish the world,

i.e. that you have no great expectations to live a life of external comfort but that you, deep inside of yourself, live your life with Me, away from the world. This detachment is imperative, just as it is imperative that you take notice of the pure truth which, when you receive it externally, worldly people cannot offer you. If you entrust yourselves to Me I will walk with you and also ease your earthly labour because no one who works for Me and My kingdom shall be harmed. You shall indeed do your duty, that is, take up your position that has been allocated to you but who blesses your worldly labour if I don't?

You cannot automatically enforce your success and if My will opposes it you are helpless even though you are laboriously and constantly working. Alternatively, I can favour your work and help you to accomplish it. I do, however, ask that you accept My gift from above, that you give it your whole attention and help to pass it on. Then you can live completely carefree because I will take care of every problem. First carry out your spiritual work and everything you do to accomplish your earthly allocated task will be blessed, because I truly provide better for you than the earthly world .... But I will not change My prerequisite that I as Father, will give you, My children, everything that you require spiritually and earthly ....

*Rebirth ....*

*Futile life on earth ....*

Your earthly life is futile if your soul does not progress spiritually .... if you cannot succeed to lift yourselves into spiritual spheres during this time .... to free yourselves from the tight bond with earth .... with material belongings .... if you don't accomplish spiritual rebirth on earth. Your soul is meant to step out of dark detention into a bright life, it is meant to free itself from all physical bondage because it is a spirit and only happy in the spiritual realm where it is free from all restrictions. The earthly body is a constraint for the soul and the body's desires are always of a physical nature .... If it allows itself to be controlled by the body then the soul will stay imprisoned, it will remain earthly-minded and all spiritual desire will be stifled. It has to free itself from physical longings; it should not give in to the demands of the body because the soul is the carrier of the will and has self-determination .... If it successfully overcomes the body or even persuades the body to follow its wishes or to do what it has identified as being 'better' then it will be given tremendous support by the spirit which is buried deep within itself, which pushes the soul ever further towards the spiritual kingdom, offering it the riches of the spiritual realm and portraying them as the only attraction worth striving for ....

As soon as the soul is open to spiritual instruction its fate in eternity will have been decided, its rise will be assured and earthly life will have brought success for eternity .... Yet the soul's preceding struggle is very hard when the body influences it in every way, when it is too weak to offer resistance, when the body remains dominant and clouds the soul so that it meekly gives itself to the body .... As soon as you humans are attracted to the world, as soon as you want to

gain everything you can from it, as soon as you dispel all spiritual thoughts as they emerge, you will be in great danger because you will not be aware of the purpose of your earthly life and strive towards entirely different goals than those for whose attainment you live on earth ....

Your earthly life soon passes and at the hour of death you have to leave behind all worldly material possessions which you have gained .... You will be miserable if you enter the next world without spiritual wealth .... Don't let your time on earth be in vain, strive to free yourselves from everything that only serves the body but is of no benefit to the soul. And strive for the kingdom which is your true home and which you will enter again without fail when your physical life comes to an end .... but which can be rather different, depending on the quality of your soul .... Therefore improve yourselves, work and achieve for the spiritual kingdom as long as your earthly life is left to you .... or you will bitterly regret when it is too late ....

Amen

### *Right assessment of life on earth ....*

You cannot comprehend the bliss the spiritual kingdom will give you if you transform your being during your life on earth in such a way that you can take possession of the realm of light. Nor can it be illustrated to you, because you would then live your life on earth to some extent with an attitude of coercion and thus the purpose of your life would be completely lost. And although it is presented to you as truth there is no proof because it would endanger your freedom of will. But this much can be said, that the most difficult life on earth in hardship and distress, in sickness and despair, will be compensated a thousand times by this state of happiness, and in retrospect you can't understand the difficulties you experienced when you had to make sacrifices. Because then the time on earth appears to you like a fleeting moment and the whole eternity of bliss is ahead of you ....

You humans place too much importance on your earthly life, in a worldly sense .... Spiritually it is indeed significant for you because a rightly lived earthly existence can result in said eternity of happiness. But what this earthly life gives you in a worldly sense it entirely useless and merely offers a temporary sense of well-being compared to eternity. You should always consider that one day you won't understand how you could have enjoyed things that were of no spiritual value .... and you will be grateful to every soul who showed you the worthlessness of such things and guided your vision towards other goals. But as long as you humans live on earth you don't appreciate such advice and therefore Jesus said 'the kingdom of heaven suffers violence, and only the violent take it for themselves ....'

If you would try to imagine the endless long time that your soul has already walked on this earth and that eternity is ahead of you then you could better evaluate the short lifetime on earth. You would know that it is really just a moment and gladly give up the pleasures of this moment in view of the blissful happiness which you acquire by making an effort. This is exactly your test of

will: that you don't strive after the share of God's opponent but that you strive towards God as your goal .... And when you humans receive such evident help by being given the knowledge about the purpose of your earthly life, when your eyes are being opened to enable you to see what the blind person doesn't see, then the goal should entice you too because earthly life won't last forever and for the individual it can even end tomorrow ....

Your earthly existence is questionable because you cannot be certain to enjoy it for long .... however, every one of you can be certain of the spiritual life, it just can turn out very differently. And that is something you determine yourselves with your attitude in earthly life. Yet you nevertheless have the right and the duty to take the place that was assigned to you in your earthly life. Consequently, the pleasures of life are not denied to you and God does not expect you to become hermits, no complete retreat from the world .... But you should not let the world dominate you, you should be master of the world, you should make the world serve you, as it is God's will .... but remember that the meaning and purpose of existence in this world is always spiritual development, which you can indeed achieve during your earthly life .... 'The world' should not completely occupy the human being's thoughts but spiritual thoughts should dominate, then the world is no longer a danger even though the human being is completely in the world. And the human being should always be aware that earthly life is not an end in itself but only the means to an end ....

Whoever accepts these thoughts for himself will not be satisfied with the offerings of the world .... He searches and strives for higher goals and the world is no longer a danger to him, he will no longer find fulfilment in the world because he has recognized its real worth, or worthlessness. More over, God gave the human being with his creation many gifts which the human being may safely enjoy, just as He leaves it to the human being to take rightful pleasure in all things as long as only God Himself is and remains the most important goal for the human being ....

Amen

*The commandment of love as life's guiding principle ....*

You are unfailingly doing My will if you learn to love .... Let My commandment of love be your guiding principle for everything you do, think and say .... Then you will gain My favour and will be blessed, spiritually as well as worldly, in a manner that benefits your soul. You should not exclude anyone from your love nor refuse to help those who need your help. Then you, too, will discover the secret of eternal love which forever fills all of infinity with its strength, thus it can fill you to excess too so that you become a likeness of Me, as it is your goal on earth. Love has to be practised and for that reason I allow the great hardship on earth because it motivates people's actions of love, because hardship leaves

countless people in need of help and gives other people the opportunity to help with compassion.

Therefore don't let your hearts become hardened, be aware of the hardship surrounding you and help where and as you can. Follow My example, Who eased spiritual and earthly suffering on earth, Who helped the weak and sick, Who lifted and healed their souls and bodies, Whose loving way of life has been an example to you and Who told you to follow it. Be merciful, peaceful, gentle and patient, humble with all your heart and righteous in thought and action. Practice these virtues since they are the result of love in your hearts .... thus you have to make an effort, you have to become aware of your faults and try to remove them, you have to banish all unkindness from your heart and strive towards the highest perfection. If you lack the strength to do this then you have the prayer at your disposal, the deeply felt connection with Me, which always guarantees you a supply of strength .... because I don't ignore any human being's distress, least of all his spiritual distress, I know every person's will and give his soul strength and help in accordance with this will.

Let My commandment of love be the guiding principle of your thoughts and actions and you shall fulfil My will on earth .... Don't harden your hearts as this is the greatest danger for you since then you will be entirely without strength from Me. But if you ask for My help you won't be asking in vain because My love for you is unchanging and takes hold of everyone who longs for it .... but as I do to you also do to other people, then your way of life will correspond to My will ....

Amen

*Selfless service in every walk of life ....*

*Poverty ....*

*Willingness to give ....*

Everything you do you should do in the knowledge that you are carrying out divine will. Therefore you have to entrust all your thoughts, words and actions to Him, you have to request His blessing for this and entirely commend yourselves to His divine guidance .... you have to put His will completely in charge of your daily life, that is, you only need want your way of life to be pleasing to Him and always do your best to attain His love. Then you can neither speak nor do anything which opposes God and your life on earth will not be unsuccessful for your souls. You fulfil God's will when the commandment of love becomes the guiding principle of your life, then you live up to the most important law and God will bless you, spiritually as well as worldly.

Your purpose on earth is to serve unselfishly and you can do so in every situation, irrespective of whether you are poor or wealthy, great or small, respected and powerful or inconspicuously weak .... You can always be of service providing you want to be of service. Every human being is offered ample opportunity to serve kindly and no one should believe to be in need of receiving help themselves and reduce their own resolve to give because he has nothing to give .... Even the poorest can give .... and if he has no material wealth then he can give love and

thereby awaken the love in others .... he can be willing to give and his will is then likened to a good deed. But at all times God only looks into the heart and no impulse remains hidden from Him therein.

An outwardly apparent great act of love can be worthless in the eyes of God if the heart does not feel the love which displays the deed; and even the smallest gift is pleasing to God if it is given with a loving heart. And anyone who honestly wants to give gladly will also give of the little he owns, he won't fearfully question but share instead .... And it will be returned to him many times over because the Lord says 'as you give so you shall receive ....' and His Word is truth. Thus no one should keep his possessions anxiously to himself when he endeavours to live in accordance with God's will, he should give gladly because his action of love will reward him with far greater blessings than his few possessions could ever offer. Because he will receive exceptionally more, both earthly and spiritually .... his soul will mature, he will always be correctly guided because God Himself takes care of those who want to live as it pleases Him, and because His guidance is the guarantee to reach the goal. Only one factor is required of you: that you live with love .... that your thoughts, words and actions will always be guided by the love of your heart and that you devoutly commend yourselves to Him, Who gave you your life so that your souls can mature .... With His grace and strength you are able to do everything, even during times of greatest physical and spiritual difficulties you can do deeds of kindness providing you unite with the Eternal Love Itself through prayer, which will give you unlimited strength and grace because you want to draw nearer to Him with deeds of love ....

*Information about the end ....*

In a short time an era ends and a new one begins .... You can believe these Words; because I say them so that you can live your life in a manner that you need not fear this end .... I have no other reason, I don't want to trouble you without cause, I don't want to throw you into confusion about the coming event, I simply want you to live in accordance with My will, then the end of this era will only be to your advantage, you won't need to fear it but can joyfully look forward to a blessed time. I don't have to inform you of this because no human being knows when his last day arrives and the knowledge that a period of deliverance ends would therefore be entirely unnecessary for many .... But this information can still be motivation for each human being to seriously consider his soul .... it can cause him to take a serious look at himself when he is reminded of the fleeting nature of earthly possessions and now strives to acquire spiritual wealth .... But he is not forced to believe ....

Nevertheless, I am calling ever more urgently: believe these Words and do whatever you can .... and it will be in your best interest .... Because you are all in a poor psychological state, you all still have to work on yourselves and not much time left to do so. Don't let yourselves be taken by surprise but acquaint yourselves with the thought that you are visitors on this earth for only a short time to come. This thought alone will make you live more consciously and

you will turn to Me for help if you believe in Me as your God and Creator ... Consider your way of life up to now and question yourselves whether your conduct was right in My eyes .... Because you all know My commandments and you all know that love is the first and most important requirement, that you can never achieve bliss without love, and if you now have to admit to yourselves that you have treated this commandment half-heartedly and with indifference then you can still change .... as you have many opportunities to act with love ....

You will see hardship around you everywhere and will be able to help, just be willing to live virtuously and just, and honour the commandments of love which I only gave to you for your salvation. Because you are given many opportunities to do kind deeds .... And always remember your Redeemer Jesus Christ .... Call on Him that He should guide your thoughts and give you strength to carry out the divine will .... Then you are calling Me Myself and demonstrate that you want to come close to Me. Then you walk the right path, the path that Jesus Christ had walked before you .... The end comes irrevocably and irrespective of the state of your souls ....

But there is still time to prepare yourselves and therefore the warning call comes from above time and again: Think of the end .... My love wants to save you from destruction but it will never force you and therefore speaks to you in a manner that you can believe if you want. If you are observant you would notice much which could make you believe .... One era comes to an end and a new one begins .... And it merely comes to pass what seers and prophets had always predicted .... Because they too spoke in accordance with My instructions and announced the same as I Am telling you now, but your will is free; and your fate shall be as your will is once your earthly life has come to an end .... You can live in blissful happiness .... or you can become subject to death, an endless long time of torment and darkness from which you cannot free yourselves ....

Amen

### *Faith ....*

You all have to acquire a much firmer faith and that means that you have to love even more, because love brings forth a living faith .... Performing labours of love creates a direct bond with Me, Who is eternal love .... It should be self-evident that you can no longer doubt or have a weak faith when you are connected to Me because then I Am the guarantee Myself that your faith won't be destroyed .... And although your will to believe can be strong .... but you must have an equally strong will to do works of love .... Love has to be the inner driving force of all your intentions and actions, then your faith will be firm and steadfast .... you simply will not be able to doubt anymore but will be sure of what you should believe. And this convinced faith will fill you with joy and give you inner peace because then I Am with you Myself, because your deeds of love draw Me closer to you without fail, because 'those who love are in Me and I Am in them ....' Love unites us permanently and love gives birth to an unwavering, living faith. And when you pray for a firm faith then you have to pray for a strong will to love at the same time and you will achieve a firm faith indeed.

I repeatedly give you this information because you are approaching the time when you need a firm, unwavering faith to remain resolved until the end .... If you have this faith nothing can upset you, no matter what happens, because then you know that I will help you and thus you are giving yourselves into My hands with blind faith .... And then I Am indeed always willing to help, I will not leave you at times of physical or spiritual distress because your willingness to love, your way of life, has made you My Own already, you have joined Me again and I Am now able to work in and through you.

A firm faith is the best guarantee you can have because it gives you inner peace and calmness during all earthly events which I can avert from you or reduce their effects because you have faith .... And thus you should always pray: 'Father, help me to do works of love and let my will to love become ever stronger ....' And the will to love will grow at the same rate because love guarantees My presence and My presence guarantees help at all times of distress .... Love also guarantees the recognition of all correlations and hence the understanding for everything which, in turn, contributes to the strengthening of faith. Love is everything .... and if you have love you are also filled with strength from Me and this strength enables you to do unusual things when necessary, when love is the driving force that makes you want to help .... Then you have the faith that moves mountains .... and then you won't fear whatever happens to you. Because then you are connected to Him, Who is Lord above all, Who can command the elements to spare you and Who wants to prove Himself as your Father .... Who loves His children and will not leave them to become victims of destruction .... Ask Me every day for the strengthening of your faith and the will to love, as this is a spiritual request which I certainly will fulfil because love and faith are necessary for your perfection ....

Amen

*The cause of hard living conditions ....*

You cannot expect changes for the better in your living conditions as long as you don't change your will as well as your conduct in life yourselves. Your perception of the purpose of your earthly life is completely wrong and you would never even think about it if you were given a carefree life of peaceful monotony or worldly pleasure. But you have to become aware of your true task on earth, and therefore you will be motivated by difficult conditions in life to think about it because only then can the knowing beings, who are responsible for your spiritual care, mentally suggest an answer to you. And these difficult conditions shall worsen if they don't succeed in stimulating your thinking because in that case you won't live consciously, i.e. you won't strive for spiritual development, which is the purpose and aim of your earthly life. And therefore you shall have to endure worldly hard times and should not expect improvements as long as you don't improve yourselves, i.e. as long as you don't accept divine will as

your guiding principle of conduct. Because God can only educate you such that your will becomes active by itself and you would only need a small amount of suffering if you thought of your own accord and shaped your life in accordance with its purpose. And you continue to be burdened by very hard conditions because you are not making any preparations for change.

The earth will see much suffering; hopelessness and anguish shall tire and exhaust the people, and yet they could provide themselves with an easier earthly life if they only recognised their suffering as a caution from God, who warns them in that manner to change their lives for their own sake. Because soul and body shall die on the path they are walking. God wants to save the soul and therefore puts the body under pressure, He wants to show you the right way if only you were willing to listen to Him, when you, because of a harder life, turn your thoughts to Him, when you question yourselves about the meaning and purpose of your existence and wish for a mental response ....

And if you listen to Him, if you heed His warnings and live accordingly, then He shall relieve you of your difficult living conditions .... He shall save you from all evil, spiritually as well as earthly, because He only asks you to consider Him and carry out your true purpose in life .... to strive for progress and not just concern yourselves with earthly life .... Then He shall take your worries from you where it benefits your soul, because God does not want you to suffer if you consider your spiritual well-being first. He must save you from eternal destruction by all means which, however, you shall suffer if you live a carefree earthly life and achieve worldly fulfilment .... then your soul will be lost and you won't achieve your goal on earth, you won't strive upwards and therefore will have lived your life in vain ....

*Pre-ordained course of life - Destiny corresponding to will ....*

Every path is pre-ordained even though you believe to have chosen it yourselves. Although you apparently determine your course of life yourselves because you can, at times, plan it in accordance with your will, but I have known of this will since eternity and have taken it into account, and therefore your destiny corresponds to your will; which means, that your life develops in a way that your will can turn towards Me and has ample opportunity to acknowledge Me. However, how your will decides is entirely up to you, I won't compel it or you would not need to live your life in the first place if I wanted perfect entities by means of force. My only goal is to enable the spirit to achieve the highest possible maturity of soul on earth but meet with all-round resistance.

Yet human beings cannot alter the course of their life and thus have to submit to everything if they want to achieve spiritual benefit. Every resistance, every complaint and grumble reduces your psychological success because it testifies of a will that is still in opposition to Me or has very little perception of Him, Who gave you your life. If you would know Me as the Eternal Love you would also know that I would not let you suffer unless it is necessary for the salvation of your soul.

This is why you should suffer and endure and place your earthly life into My hands, live each day without worry but do not exclude Me from your thoughts, then I will guide you and, truly, your life shall not be in vain. One day you will thank Me even for the difficult hours and days since they benefit your soul far more than quiet, carefree days. I know this, I know your soul's degree of maturity, I know your will, your weaknesses and your faith, and I let everything happen so that no day needs to be lived unsuccessfully, that you can mature in a short time and reach your goal while you are still on earth ....

Amen

### *Explanation and reason for an arduous destiny ....*

An arduous destiny on earth will profit the salvation of your souls. For every day brings you closer to the end and the end is near. And do you know whether you will experience the last days? Do you know that you won't be called back before the end and that your earthly life might only last a short time yet? Always consider that tomorrow could be your last day and that you will then be grateful to have reached that particular degree of maturity which entitles you to enter the realm of light. Consider that earthly life is only the means to an end and that it won't last forever. Everything is temporary, joy and sorrow, desire and pain. Only the soul is immortal and its suffering should be reduced. Therefore the body has to suffer as long as the soul lives on earth. Those who are spared suffering on earth cannot expect a painless hour of death because the soul will still have much ballast which it will take across into the spiritual realm. Yet the agonies in the beyond are considerably greater and can often last an endless time if a soul is hardened and thus will find little help.

People still have to endure much adversity because time is passing swiftly and rapidly bringing the end. Only the soul which has been purified by grief and suffering will have the strength to resist during the last days .... because such a soul can receive My strength, while a soul within a dense cover cannot be touched by My emanation. For this reason the human being should look at each day as a gift of grace and be grateful, he should use his time well since he does not know when it ends, because one day he will regret every day which has not brought him spiritual progress. Suffering and love mature the soul and therefore you human beings must patiently endure what is given to you as this is in your best interest; everything My will inflicts on you can lead you to perfection ....

Amen

*Life energy - Spiritual energy ....*

Never rely on your own strength. Although you have to activate your own will, i.e. you should not stay immobile and wait for help, you should always act in unity with Me and request My help and blessing and you will succeed. Your life energy entitles and enables you to be very busy indeed. But My will is in charge of everything and you cannot force My will; I, however, often find Myself compelled to oppose your will if this benefits your soul. Consequently your destiny also includes failures, futile plans and lack of success which you cannot avoid by using your own strength. Even your life energy is not of much use to you then and you frequently realise how little you can do by yourselves. All failures, all futile efforts, all sudden weaknesses are an indication that you should turn to the eternal Provider of strength, to appeal for His blessing and in recognition of your own inadequacy ask for an increase of strength and the success of every action.

Don't forget Me, that is why I often allow you to experience situations where your own strength fails; I have to show you that your own efforts are futile without My blessing, which you should request first so that you won't forget Me .... Cooperation with Me guarantees success; however, if you withhold yourselves from Me your efforts will be far more laborious and even then often unsuccessful. Nevertheless, you can enforce success but only with support of the strength from below which will always makes itself available to you in exchange for your soul .... Then you can be powerful on earth, then you will succeed in everything, then you can amaze your fellow human beings with supernatural works .... but then you will part with your freedom, then you are chained and completely in his, in Satan's, power ....

Don't ask for this strength from below even if it promises you an attractive earthly life .... Come to Me in heartfelt prayer, and call upon Me for strength and mercy and you will truly gain more than My opponent can offer you. But then you won't take possession of worldly goods, instead I will bless every earthly beginning you undertake. I will also bless you spiritually, which means, that your close bond with Me enables Me to endow you with spiritual strength which is far more valuable than your life energy, because working with spiritual strength is always successful even if you don't always know it. Don't ever exclude Me whatever you start because I always want to be your adviser, leader and helper, Who directs everything for the benefit of you souls ....

Amen

*Complete devotion to God ensures paternal care ....*

Consider yourselves My protégés and an inner calm will engulf you. All responsibility is taken from you when you faithfully give yourselves to Me and leave Me to rule your lives. And I will guide you well indeed .... You should call on Me in times of earthly as well as of spiritual need but then faithfully await My decision because you don't know what is good for you; I, however, do know and treat you like a loving Father who only wants the best for His children. Therefore let yourselves be guided by Me and don't be worried, because I will truly guide you well ....

An earthly child's complete surrender to its Heavenly Father is a monumental event since it will achieve everything due to its faith in Him. This faith is not yet present where doubt and anxious worries about the future still depress a human heart, the human being has not yet handed himself over to Me and is therefore still carrying a heavier burden than necessary. I know all your worries, no thought escapes Me, I know your innermost feelings and thus I also know what a person needs .... And that is what I want to give to him .... But I also want to give him the faith which is still absent and thus I will not take his worries away until He has found faith and entrusts all problems to Me. But then they will leave him, then he will have no more doubts and reservations, then he will be fully at peace and certain of My help ....

Therefore, as long as the future worries you, as long as you still have anxious thoughts, you are not yet sufficiently united with Me to feel as My protégés because this perception eliminates all fear and worry. You might as well be indifferent about earthly demands as you are unable to master them without My help. Therefore, trust in Me and everything will turn out for the best. And if you cannot see the best in something then trust Me anyway because I can see what is good or bad for you, I rule with love and wisdom and only want the best for you. But only total surrender to Me, complete surrender of your will to Mine, safeguards My paternal care and you can stop worrying. You should always remember that, no matter what happens, nothing can happen without My will or My permission. And whatever happens is good because I watch over every human being, but even more so over those who want to serve Me and who, as My workers, also enjoy the protection of the custodian of the house .... Whoever takes flight into My arms like a child will be accepted as a child and he will enjoy the Father's protection and all His love .... Your earthly lives could be easy if you heeded My Words and handed your problems over to Me, Who loves you and wants to help you achieve inner peace and a living faith, Who is with you whenever you call upon Him ....

Amen

*An hour of Christianity ....  
The way to God's heart ....*

Only few people find the way to My heart, and only few people are willing to walk that way even though they claim to be faithful Christians, even though they outwardly belong to those who have joined clerical organisations and are therefore called religious. All these have indeed followed this path but have stopped before they reached My heart. You humans can understand this when you take a closer look at your earthly life which gives priority to the world, to the physical welfare, and when you give serious account of how little time you spend thinking of Me and your actual purpose in life. And for the most part you only give Me the traditionally designated time .... a short morning, noon and evening prayer or the hour of the official church service. Only rarely do your thoughts search for Me of their own free will, only rarely do you speak to Me of your own accord, only rarely do you desire to come into heartfelt contact with Me .... your thinking will always be completely occupied with earthly worries, earthly plans and earthly pleasures.

I Am not the main subject of your thoughts, even if you believe in Me as your Creator and preserver you are still a long way from seeing the Father in Me to Whom you are drawn by your love .... And therefore you only rarely take the way to My heart, that you speak to Me like children to their Father, that you let Him be with you in every situation in life, that you more than less live your life in close contact with Me. Then you would also talk about Me more often, your conversations would take other directions in that case, because hardly anyone mentions Me in daily life and those who do are smiled at contemptuously, they are not taken seriously ....

This is how you humans are in reality, only seldom can I be present with you because you don't remember Me and even less often come together in My name .... Only seldom do you sacrifice Me an hour due to actual inner need .... and therefore I say, only few people walk the way to My heart, only few allow Me to be their constant companion on this earth. And their hour of Christianity cannot result in spiritual progress, as long as it only consists of the traditional visit to the church service and the performance of its rites it is not a voluntary relationship with Me .... Only the living relationship, the inner urge of your free will, can help you humans to perfection, and the desire to hear My Word and to offer food to the soul will be considered as longing for Me and will be fulfilled.

And the human being should give account to himself about his innermost feelings for Me and to what extent he simply observes the traditional requirements which he was taught, and whether he merely observes them traditionally too .... I look into the hearts and no one can deceive Me but I also long for those hearts and Am not satisfied to be only in second or third place. And as long as the world and its demands are still in first place you belong to the 'dead Christians' because living Christianity expresses itself differently .... It consists of an unceasing activity of love, i.e. an activity with Me. And the human being with whom I can be present because of love will always remember Me too, he puts Me before all worldly matters and starts nothing without sincerely uniting with Me first ....

But there are only few and yet, many people believe to live the right way because they live in accordance with clerical demands. And all these will not stand firm at the time of the last decision, for they will lack the strength which they have to receive directly from Me and therefore they need the heartfelt inner union with Me .... You should know that the time will come when the last decision will be demanded of you and you will then experience serious difficulties if you don't possess living faith which, however, requires that you have to find the way to My heart and proceed on it .... Because only I can give you strength but I have to be present with you, and therefore you have to unite with Me in love ....

Amen

### *The close bond with God ....*

Your life could be easy if only you would always remember Me and turn to Me with every worry and trouble. You only need to place every stress at My feet imploring me to take the burden from you or to help you carry it. But since you lack this total trust you have to carry your burden yourselves and thus often lead a hard earthly existence. Your belief in Me and My help is not very strong or you would not make every effort to dispose of your worries yourselves, instead you would rely far more on the One Who's love and power is so great that He always wants and can help. And again, earthly hardship should make you remember Me .... It should push you towards the Father, it should make you search for your God and Father Who then certainly also would allow Himself to be found.

People walk on earth, every one with his worry, his sorrow .... And I would be willing to help every one of you, but every one of you also has to approach Me for help. Because it would not be right if I would take all his suffering and his worry from him without this conscious appeal to Me for help .... It would not be right because then people would remember Me even less and because a carefree way of life would not result in any kind of spiritual success unless the human being is already so sincerely united with Me that he no longer needs the kind of worries which are intended to lead him to Me. But his course of life can be peaceful and calm when he has established this relationship with Me, when he comes to Me as soon as something disturbs him until he finally no longer undertakes anything without having communicated with Me first, that I Myself shall guide all his thoughts, words and actions ....

The earthly life could indeed be easy for you because the close bond with Me also protects you from all attacks by My opponent, who is your enemy and who would like to corrupt you by confusing your thoughts, and by means of constant unrest stops you from inner contemplation. Just imagine two extremely powerful Lords whose views and deeds are completely opposing each other .... One only gives love and His gifts bestow peace upon you, He is always willing to help and His power cannot be exceeded .... while the other only wants to hurt you and all his contributions will merely lead to destruction .... Do you still find it difficult to decide which Lord to follow?

I will always accept you, I will not close My ear to any call sent to Me in distress and worry because I Am only waiting for My living creations to turn

to Me and by doing so to acknowledge Me as loving power to Whom nothing is impossible. And don't remember Me only during times of hardship but always and constantly and you will be blessed and approach Me more and more trustingly as soon as you feel troubled ....

If you walk with Me your earthly life need not be difficult because then you have an ever helpful companion at your side Who carries your burden for you, Who guides you and removes every stone on your path, Who cares for you like a father cares for his children that they will not go astray or fall .... Who is always there for them when they need Him. But this companion must be consciously requested and even though I Am always standing by the wayside and know of everyone's burden and worry .... the person who doesn't remember Me has to continue to carry this burden until he has found Me ....

unless he is so distant from Me that My opponent remains his master, who then will take his burden too but also his soul .... And thus you can even be grateful if you experience worries and hardship at times because then you know that you are not lost yet and still guided by My love which wants to achieve that you turn to Me so that I can help you in every need ....

Amen

*Sincere longing for unification with God ....*

Take me into your heart, that is to say, sincerely long for unification with Me .... I will take care of anyone who harbours this genuine will and he will unite with Me forever because he has changed his will which once had turned away from Me, he has bonded with Me again just as he once had separated from Me. The greatest evil in the world is that people live with a certain indifference, an indifference towards Me, Whom perhaps they might still accept, but they barely know or grasp the connection with their God and Creator because they do not analyse themselves. By and large they walk their earthly path not without knowledge of Me but nevertheless without meaningful faith .... but mainly due to indifference .... except for people who clearly oppose Me .... But I mean those who are indifferent, who are the majority, who outwardly claim to believe in Me and yet hardly if ever involve themselves with Me .... They have not yet taken Me into their 'hearts', their will is not yet sincerely focussed on the union with Me, although they would deny this to their fellow human beings. But I know the degree of longing for Me and I want to be accepted in your hearts, I want your thoughts to involve themselves with Me so that you feel motivated to develop the close bond with Me .... so that you have that very will to unite with Me again, from Whom you once had voluntarily separated ....

It is precisely this honest will which can cause a complete change of your lifestyle and your inner being, but without this honest will you cannot even achieve a minor change of attitude, since your indifference will give My opponent the welcome opportunity to step between Me and you and truly successfully exercise his influence. I cannot walk with you because your heart is not sincerely searching for Me yet and therefore I cannot keep My opponent away either when he attaches himself to you. But without Me you will not have the strength to

resist him, you will only too gladly agree to his plans because he will promise you worldly goods in return .... However, if you have the sincere wish of heart that I should be close to you then your will applies to Me, and then I will be able to push him away and thus will be truly close to you .... then you will have accepted Me in your heart and walk the right path to Me. With other words, once I have taken possession of your heart you will never lose Me again in all eternity because you had truthfully desired it.

And you all should give account to yourselves of the direction of your innermost will. You all should ask yourselves what you love most on earth, whether you still prefer worldly things or whether My presence alone is so desirable that you are willing to give up everything for My sake. If you are able to do the latter you are truly on the right path and your sincere will shall be rewarded, because now you will not waste any time which you could spend in My company because your heart will increasingly long to receive Me and such longing shall always be granted. For I too long for My children and want that they will return to Me again one day, Whom they had left due to their wrongly directed will .... which they have to change again towards Me, towards their eternal Father ....

Amen

*Utilisation of the short life time ....*

You don't need much time for your souls to mature, you can develop your soul within a short period of time in a way that its certain fate is to enter the realm of light when it removes its earthly body .... But you must sincerely want your soul to mature and apply for God for help in order to achieve it since you are unable to do so by yourself. Your own will is too weak and you constantly return to the love for the world, you cannot overcome your love of self and are time and again pushed off the path which you want to walk for your salvation. However, if you turn to God for help He will guide your thoughts to Jesus Christ, the Divine Redeemer, because you receive your strength of will from Him. Although you are calling on the same God but in doing so you acknowledge the act of Salvation and thus the Divine Redeemer, Who has to be acknowledged if you want to share the graces of the act of Salvation. To call on Him guarantees strengthening of will even if you have to fight against the temptations of the world behind which God's enemy is hiding, who repeatedly tries to cause your fall. But you receive strength and each time again find the firm will to reach perfection on this earth, and then you can be certain to reach your goal.

The intensity and depth of feeling of your bond with Jesus Christ is the key to how much time you need for your souls to become fully mature. And this depth of feeling in turn depends on the degree of love you have for God and your fellow human beings. Love is everything. Love establishes the union with God in Jesus Christ, love fortifies the will, and love gives strength to accomplish the psychological task on oneself which, as a result, guarantees complete maturity of soul. But you should not make the big mistake to believe that you still have a lot of time for this psychological task, you should never delay your aspirations until later because you don't know how long your reprieve lasts, how long you

live on this earth .... You don't know when your last day arrives and should live as if you are called back tomorrow and have to give account to your God and Creator. You do not have a long time to live even if you are granted the time until the end.

But you even have to thank God should He not allow you to experience the end if, due to your own negligence, your maturity of soul is still imperfect .... You have to thank God if you are called away before and still get the mercy to mature in the beyond, that you won't fall victim to God's opponent and his intrigue .... There is not much time left and thus you should utilise it to the best of your ability and you can mature fully within a very short time if you are of good will ....

Amen

### *God's ceaseless help on the earthly path ....*

I forever want to bestow My gifts on you because My love knows no limits .... And if a person consent My direct action in himself then it is also his will to receive My gifts, then it does not amount to compulsory faith since he opens himself to My gift of grace because he believes in Me .... But I cannot work openly where this faith is absent, therefore no human being will hear My voice if he does not enter into conscious contact with Me due to his living faith as a result of love .... I want to give people whatever they need, be they spiritual or worldly possessions, for as long as My living creations are still imperfect they require constant support to accomplish perfection; and for as long as they live on earth as human beings they also need earthly support in every sense. But only I know to what extend ....

I know the state of the soul's maturity and thus I also know what it needs to mature .... But I also know of its earthly needs, I know what can be useful for the soul and what causes it harm and I give to everyone according to his nature .... because not all human beings have the same nature. Due to your pre-existence, due to your development through the creation, every soul had shaped itself differently, thus I have to take care of everyone individually in order to give him what he needs .... Even earthly I have to consider you differently since your soul's condition necessitates this. You all need My particular care, therefore you should believe that everyone's spiritual success, which I intend to advance by using the right means, is close to My heart .... My love wants to guide you into highest maturity because I want and can make you infinitely happy in My kingdom.

Since you voluntarily turned away from Me some time ago and thus your imperfect state is you own fault everything you receive is a means of grace. My love will not cease until you are united with Me again because you came from My love and irrevocably return to Me again one day. But you can be certain that My means of grace are successful, just don't resist them, you should not close yourselves to My love by opposing Me, by giving yourselves to My adversary who will use any means to prevent your return to Me .... I require of you a conscious change towards Me which simultaneously means a turning

away from My adversary .... But then My love takes hold of you and eternally will not let you fall again ....

However, if you have no room for thought of Me in your hearts then it belongs to My adversary, and then it is only filled with worldly thoughts, with earthly wishes, with all kinds of lust, and then he has taken complete ownership of your (hearts) soul and can only be cast out with great difficulty. Although My love will persistently attempt to bring about a change of your will with all manner of strokes of fate but you always have to fight yourselves to change the direction of your nature. And you cannot be forced to do so, thus I cannot talk to you directly, because such a communication would amount to a compulsion of faith and will. You have to take the path to Me voluntarily and truly, you will find helpers everywhere to ease your path and carry a light ahead of you so that you may know the way. And then I will accompany you Myself, I will offer Myself as your guide and you are blessed if you accept My guidance and completely surrender yourselves to Me .... Admittedly, I will guide you away from the world but you won't look back, you no longer desire the realm you have left voluntarily, instead your eyes will be directed upwards and only seek one goal, Myself....

And you worldly people can believe that I will fight for your souls and pursue you with the same care, that I will cross your path time and again because I don't want to lose you, I want to direct your mind towards spiritual possessions which are eternally unchanging, and therefore I want to open your eyes to the fleeting nature of the world .... You still have a short time during which My love and grace pursues you, as long as you don't resist Me you will be blessed with My love and grace .... And I will talk to you time and again through My servants, I will give you a most effective means of grace if you don't oppose Me and consciously accept My grace ....

Amen

## Strengthening the soul with the Word of God

BD 7327

*The blessing of spiritual work ....*

Active spiritual work increasingly releases you from the material world and you become its conqueror as well as its master. The more you occupy yourselves with spiritual work the more the soul releases itself from its physical form even though you live on earth, yet it raises itself into other spheres, it enters the path to its true home, it is just a guest on this earth which has not forgotten its true home but steadily strives towards it. But what does the 'spiritual work', which lifts you from the earth's sphere, consist of? ....

Every thought concerning the spiritual world initiates such spiritual work because as soon as the soul grasps the thoughts which come from that world the beings of light enter into contact with it and, as you might say, enter into conversation, i.e. one thought develops into another, the thoughts lead to God and in turn open the dialogue with God and the effect is that the human being

now talks to his fellow human beings about spiritual matters, that he is no longer content with worldly knowledge, that all his thoughts reach precisely into that spiritual sphere from where he is now taught, from where his soul now receives spiritual nourishment. In this manner the soul matures fully, it will persuade the body to conduct itself during earthly life in accordance to its spiritual insights, the human being will work on himself, he will live consciously, i.e. he will be conscious of the purpose of his existence and his goal and make an effort to achieve this goal. Although he continues to live his earthly life he won't consider it the most important issue but his thoughts will repeatedly lift themselves into the kingdom which is not of this world. And he cannot help himself but work on behalf of this kingdom by seeking to encourage his fellow human beings to take more notice of the spiritual kingdom than of worldly life, he will draw their attention to the emptiness of a worldly orientated life .... he will have conversations with other people about the cross of Golgotha .... he cannot help himself but mention the Divine Redeemer Jesus Christ time after time because the spiritual kingdom captivates him as well as Jesus Christ Himself, Who takes pleasure in His children who love and strive to follow Him.

You will learn to appreciate the value of an earthly life which enables you to be spiritually active and which offers spiritual success for your soul .... Because you are guided by beings of light to whom you are assigned for care during your earthly life. And their influence will not cease and only ever relate to your soul which can only profit from spiritual activity, which will mature fully during earthly life and also is a shining example to your fellow human beings. Because a spiritually striving soul is outwardly recognisable by constantly working for the kingdom of God and always performing labours of love in God's vineyard as it feels the inner urge to serve God and to lead other souls back to Him, because its inner love expresses itself at all times in work for God and His kingdom ....

*Guests at the table of the Lord ....*

Come to My table and you will receive food and drink as nourishment for your soul .... What more do you need than what serves to strengthen your soul? What can you be lacking when your soul is provided for .... when you first strive to benefit your soul .... Then you completely fulfil your purpose of earthly life and the body will also have what it needs as long as it is inhabited by the soul. And I surely know how long your soul needs its cover, how long you have to live on earth as a human being to achieve the necessary maturity for your soul. And for that time the body will be sustained too. Therefore, if you desire something from Me only for your soul you will receive plenty, your soul need not starve and the body will have in abundance too because you first make the effort to carry out My will, to receive My Word, to listen to Me, and therefore you are guests at the table of the Lord who are ready to receive. I forever want to give you food for your soul, I want you to feed yourselves with the bread of heaven, to accept My Word which provides strength for your soul to ascend.

And I want you to ask Me often for this, I want that you are always willing to listen to Me when I talk to you .... I constantly invite you to be My guests whom I want to refresh with bread and wine, with My flesh and My blood .... with everything that the soul needs to increase in light and strength .... And that is why I always send forth My servants to call people from the street into My welcoming house .... All are called to come to Me and be My guests if they want.

But My house is away from the broad road and thus they have to leave it if they want to find Me but they will never regret it because on the broad road they will never find the delicious refreshment they are offered at My table. And they always long for more, the more often they have been My guest. Yet they have to come to Me voluntarily because, although I send them messengers, I will not force anyone to come to My feast; however, those who refuse to follow My call will remain empty-handed since the world cannot offer what My love wants to give to them .... My Word, which is strength and light and life, to guide them into blissfulness ....

*Beneficial effect of God's Word ....  
Awakening - Life ....*

My Words are spirit and life for you .... You cannot remain in a dead state when you permit My Words to enter your heart, you must feel the strength of My Word and with this strength become active, hence alive .... When the Word touches your hearts then you have come into contact with Me because of My Words, or you would not hear My voice even though you hear the words. For that reason I ask that you allow My Word to enter your heart, don't let the ear just hear so that the Word won't merely pass you by without meaning. You must hear Me talk to you Myself and you can only do that when you give yourselves to Him, Who speaks to you .... when you open your hearts, when you consciously and attentively listen to what your God and Father wants to tell you. Then you truly receive strength in abundance and you find life. What you now receive because of My love will give you life because I feel sorry for you as long as you are still dead in spirit. For you are not in a perfect condition even if you believe that you are in full possession of strength on earth .... The life I want to give you is not comparable to earthly life .... You are supposed to achieve the life of the soul and this life is a gift that you all can receive if you desire it. But it can only be given to you by Him Who is life Himself .... The flow of life only comes from Me but it eternally flows to human beings by means of My Word which is the emission of My strength of love and therefore has to be revitalising as soon as it touches the dead. And you either consent to this touch or repel it .... Thus you yourselves decide over life and death of your soul.

Consequently you should understand that I, Who since eternity Am the Word Myself, only aim to give life to the hitherto dead by sending My Word to earth and that the acceptance of My Word thus has to be of the greatest significance for you .... because it saves you with certainty from a degrading and wretched

condition. Because no divine gift remains ineffective if only you humans would allow it to take effect. Thus My Word must also have an extremely beneficial effect on you in as much as you can feel its influence on yourselves, you must irrevocably feel urged to live in accordance to My Word, that is, to carry out My will which is made known to you by means of My Word .... But you should not resist it, you must hear it willingly and allow yourselves to be guided by it in order to live your life accordingly .... Then you will accomplish the greatest spiritual achievements, you will acquire the necessary maturity of soul and enter the realm of light after the death of your bodies. Thus you have a definite means, a means of undeniably beneficial effect for your soul .... Yet only few people make use of this beneficial means .... And My divine flow of strength cannot touch their souls who walk their earthly path ailing and miserable and depart from this world without success. As a result the most effective means is not or only rarely heeded and unusual spiritual experiences, which would be more noticed, cannot always be applied since they would compel to believe and therefore the success for the soul would scarcely be worth mentioning unless they internalise the person and make him receptive for My Word .... My wisdom perceives this in advance and therefore it may appear at times as if a human being was bestowed by Me with unusual gifts of grace which guarantee him an easier ascent .... I know the degree of a soul's maturity, I also know when the resistance of a soul has become so weak that it only requires a slight spiritual experience to break down this resistance .... And in that case the acceptance for My Word is present too, and now every soul has to perform the same work: to voluntarily live in accordance to My Word .... only then the unusual gift of grace has been utilised and subsequently My Word will have the same effect on him, because it is strength in itself and now raises the dead.

When I speak to a human being it has to have a healing effect on a fatally ill soul because it comes into direct contact with the energy of life .... but the same success cannot be expected where My Word is opposed because this opposition does not allow a favourable effect .... it is, after all, a repeated sin against My love and a sin never results in a positive effect .... But you humans could easily receive life and therefore strength too. Every human being has the opportunity to hear My Word, to read it or to speak to Me in thought himself. Even if he is fully in the world .... it would be possible for everyone to disassociate themselves from the world for a short period of time and to offer nourishment to the soul: to get engrossed with My Word and thus voluntarily make the connection with Him, Who has to be acknowledged as God and Creator. And I would truly bless his will, I would meet him and talk to him in such a way that he would time and again request to hear Me and My Word .... But the world replaces every thought of Me, My Word is carelessly ignored, the opportunities to hear My Word are even considered intrusive and the rejection of My gift of love comes so evidently to the forefront that it is not surprising that humanity is ever more overcome by weakness .... that the lowest spiritual level becomes ever more noticeable and that My opponent is winning authority over the human beings who themselves prevent every supply of strength. They would not even benefit from unusual gifts of grace as these would be ineffective because the people don't want to see the light brought forth to them. Thus humanity causes the end of this earth themselves because a significant ascent can no longer be made, human life

on this earth is not being utilised and therefore has become without purpose ... First an order has to be established that makes a progressive development possible again .... And I certainly will put this order in place as soon as the hour has arrived, as it is decided since eternity .... because human beings shall attain life and not remain in a dead state eternally ....

Amen

### *Scrutiny of spiritual values for divine origin ....*

You can only receive spiritual food directly from Me, therefore everything offered to you as 'spiritual nourishment' has to be scrutinised for its origin. Indeed all presenters of the divine Word claim to offer the pure truth from Me but in that case all presenters would also teach the same, there should be no different schools of thought or denominations all of which, however, differ from each other in their teachings. Consequently it is absolutely necessary to examine which teachings can be traced back to Me as the originator. And that requires thinking about .... which is not to say that thinking alone results into an undisputed judgment because that too might lead to different results of thought .... intelligence alone is therefore not decisive for the judgment of the claim of truth in spiritual values. But at least the desire for truth is a step forward, given that the human being actually thinks about whether he was offered the truth or a misleading notion.

Then the will for truth ensures his correct reasoning during the 'investigation' for truth, the person begins to critically review what is offered to him. And such a review is necessary because misguided spiritual values do not have the sanctifying strength to heal the soul so that it can fully mature and feed itself with the food it needs. A misguided doctrine is not the right food for the soul, on the contrary, it can even contribute that the soul remains ailing and weak and yet does nothing to recover .... because the human being simply fails to notice that he is given unsuitable nourishment. Hence spiritual food has to originate from the kingdom to which the soul should return one day because it is only a guest on this earth to become suitable for the spiritual kingdom. Therefore it has to become suitable by way of food and drink, by way of nourishment which helps it to achieve a certain maturity of soul. And this maturity in turn is necessary to enter the realm of light, which is the soul's true home but which requires the soul to be in a state which it must first accomplish on earth.

And now I Am offering the right food, and blessed are those who accept the heavenly bread directly from My hands, blessed are those, who do not look elsewhere for nourishment, blessed are those, who drink from the source and refresh themselves for their pilgrim's journey across the earth. Their souls will mature with certainty and become suitable for the spiritual kingdom .... but not the souls of those who accept misguided values, whose nourishment is impure and can no longer claim to have been given by My hand. They will not derive much healing power from the food they accept and would do well to retrace the river's flow to discover whether it leads to the right source .... whether I Myself Am the provider of what they are offered. And now they much rather take their

nourishment from the source. Now the human being is no longer satisfied with a diluted teaching, now he can also judge for himself what is beneficial for the development of his soul because he can sense the truth when he is given strengthening food and stimulating drink, the truth which he previously could barely feel.

The soul which is ailing and wants to get well needs healthy and strengthening nourishment. And no soul walking across the earth is fully mature; each one needs support, it needs food and drink which enlivens and restores it, which returns it to the state it once was but which can only be guaranteed by My hand .... when the human being takes the direct path to Me and now allows himself to accept food and drink from Me. Then the soul will recover, it will approach its perfection because what is given by Me can only be a blessing for the soul .... because My love wants to help the soul to get the life which it will never lose again ....

Amen

*Feeding the soul is a priority ....  
Communion ....*

I repeatedly have to impress on you the distress you soul experiences if it does not receive the right kind of nourishment. After all, the most important thing in earthly life is to provide your soul with everything it requires to reach the goal which is its reason for living on earth. It is supposed to mature fully and needs the right nourishment, it needs appropriate food and drink that directs it to a life which guarantees it the greatest happiness .... An immature soul cannot enter My kingdom of light, it must have matured fully on earth and is living on earth for this purpose .... You take the greatest care to maintain the life of its physical cover, the human body, everything is done that it stays preserved and feels as comfortable as possible ....

Yet you do little for your soul .... even though it needs good, healthy nourishment for its eternal continuation far more, whereas the body is transient and its lifespan might well be quite short .... At the beginning of its incarnation as human being the soul is mainly weak and ailing and should be helped to overcome its helpless condition. It should receive the right food and drink to become purified during earthly life and be handed the right medicine so that it can recover and leave its earthly body fully matured when the hour has come to exchange its life on earth with the spiritual kingdom to be infinitely happy. And the right food can only be offered by means of My Word because then it receives its strength and support directly from Me and I will indeed only offer what serves the soul to achieve perfection .... But I need your free will to do so and therefore you have to come to My table yourselves and accept the nourishment for your soul from Me directly.

Time and again I invite you to be My guests, to refresh and strengthen yourselves at My table and to receive the right food and drink from Me because they are necessary for your soul's successful earthly progress. After all, the human being only lives on earth to achieve the soul's full maturity .... His body is merely the

physical cover for the spirit which has almost completed the process of return and just needs to pass its test of volition to be finally admitted into the spiritual kingdom. Of course the body also needs its due to exist and to carry out its task to serve the soul, but taking care of the soul should be priority and you should offer the soul everything it needs to mature completely. And since the soul is the spirit within the human being it can only be given spiritual food and drink. Therefore My Word is and remains its right nourishment which I offer you in all fullness if only you give Me the opportunity to speak to you and after that live in accordance with My Word. Then the soul cannot fail, it will irrevocably shape itself to constantly come closer to Me; since every contribution of My strength, which it receives through My Word, helps to transform itself into its original nature .... because it reforms itself and can now also get consistently more enlightened by the light of My love ....

You humans have to hear My Word many times, then you give your soul the right nourishment which won't remain unsuccessful. For this reason you should constantly come to My table and hold communion with Me and indeed, your soul will be grateful that you nourish it first. Then your earthly progress is not in vain as your soul will constantly come closer to Me until one day the ultimate unity is achieved and the soul can create and work in light and liberty with Me in My kingdom again ....

Amen

## Thoughts about death

**BD 1798**

received 31.01.1941

*Hour of death ....*

The hour of death has become the subject of insurmountable fear for many people, they are anxious and afraid of every thought of it, and this is always a sign of insufficient maturity of soul. The soul unconsciously recognises its deficient condition and perceives that the death of the body is the end of its earthly existence .... it intuitively senses that it has not made the best use of its earthly life, hence the human being finds the thought of death frightening. The uncertainty after death disturbs him, he is full of doubt about life after death yet he is not entirely convinced that his life is finally over either. And precisely this uncertainty about the 'afterwards' makes him anxious about the hour of separation from this world. The more mature a human being is the less he is affected by the thought of death, the reason for this rests in the realisation that the real life does not start until after the death of the body. Prerequisite for entering the spheres of light is the ability to surrender the earthly life with an easy heart as then the human being is no longer attached to earthly possession, he has overcome matter ....

Everything the human being leaves behind on earth are earthly possessions which should no longer be desired but gladly and joyfully abandoned. Everything the human being holds dear on earth he should be able to give up with

an easy heart, then his departure from the world is easy. There should be nothing to hold a person back or the release from earth would always be a fight. Consequently every desire should be overcome at an early stage so that death can approach the human being at any hour and never take him by surprise. Equally decisive for the physical ending of the human being is the will for God because anyone who longs for God is happy when his earthly life comes to an end. Spiritually he is already in those spheres and just yearns for the hour which finally takes him where the spirit wants to go, to his true home. Hence the hour of death can mean anxiety, fear and horror for one person, while for the other it can be the granting of what he had long dreamt of and hoped for. It is the release from every form for him, it denotes his entrance into the eternal kingdom, into everlasting glory ....

What the human being regards as death can be his entrance into eternal life if he has lived life consciously, i.e. with God, and is therefore mature for life in eternity .... However, it can also really signify death, the soul senses this and fears the hour that will inevitably come when the time of earthly life, which God has designated for the human being, is concluded. Every human being should therefore think of the hour of his death and in view of it live his earthly life consciously, i.e. to improve his soul that it may achieve the degree of maturity which guarantees an easy and painless passing over from earth into the eternal kingdom ....

Amen

### *Keep death in mind ....*

Imagine the hour of your death and ask yourselves whether you are well prepared for eternity .... Consider your relationship with God and how you have used the pound He has given you for your time on earth .... Ask yourselves whether you could stand before God's judgment seat, whether your earthly life is right with God, whether you have shown love, and whether you are ready to depart from earth at any hour without fear of having to give account to God .... Consider that your strength will also come to an end with death and that you cannot do anything by yourselves if you depart from this earth with an immature soul. Ask yourselves whether you are satisfied with yourselves and can depart from this world in peace .... And exercise the strictest self criticism, and after that make an effort to perfect yourselves ....

Make use of every day that is given to you, as long as you are on earth you can still achieve a lot. You have the opportunity to purify yourselves even now, because you have the strength to do so and can increase it with actions of love .... Keep death in mind and recognise yourselves as a weak creature who cannot delay for an hour once God has determined your hour of death. And with deeply felt sincerity ask God for His mercy, for His grace, for His support, that He will give you His love and with His love also the strength which guarantees your ascent. Keep only this goal in mind, that you may awaken to eternal life when your earthly life is over, and then live in accord with this goal, carry out God's will and always think that every day could be your last day on earth .... Then you

will prepare yourselves, you will live consciously and without fear pass across into the kingdom of peace, your true home ....

*Conclusion of earthly progress only with Jesus Christ ....*

You have come a long way already but the fact that you are still walking on earth is proof that you have not yet concluded your path of development .... with exception of those who incarnated on earth for the purpose of a spiritual mission and whose souls thus had previously covered this progress of development and had found admission in the realm of light .... But I speak to you humans who are not yet perfect, who once had deserted Me and had to walk this long path of development so that you can now, at the human stage, voluntarily take the last test of will, the passing of which ensures your entry into the realm of light. Hence you are not yet perfect but you have ascended from the deepest depth to the height, if only by law of compulsion .... The depth had to release you because My will had intended this long path for you which pulled you away from the force of My adversary, or your ascent would have been impossible .... But now he is given his rights once again because you are still his property since you formerly had followed him into the depths voluntarily and this free will has not yet made the new decision: for him or against Me, Who longs for your return but will not force you if you willingly want to stay with him.

Thus, at the human stage My adversary once again applies his power by influencing your will but he is unable to force it as you have to decide of your own accord which Lord you choose. However, I cannot stop him using all his persuasions to chain you to himself .... I cannot stop him from using ploys and to tempt you, only to keep your soul or to regain it if he has already lost it .... You now have to face him voluntarily yourselves and fight against him if you want to free yourselves from him. And you really need not fear his strength because you have a strong Helper by your side Whom you only need to ask to win the battle with Him: Jesus Christ, your Redeemer from sin and death .... Even though you, as human being, have already overcome the deepest abyss, even though you, due to My help, have also come considerably closer to Me during the infinitely long period of development .... yet the burden of your original sin due to your desertion from Me constantly pushes you down again and you would never be able to resist the will of My adversary if Jesus Christ would not help you, if He would not give you an intensified will which He Himself had acquired for you by His death on the cross.

My adversary's power over you is too great that you could resist it with your own strength .... But you are guaranteed a supply of strength by just giving yourselves to Jesus Christ and requesting Him to take upon Himself the guilt of which you are not yet released and which therefore inescapably chains you to My adversary .... Jesus Christ, in Whom I manifested Myself, will now take on the guilt because with His death on the cross He has paid the purchase price for all souls to the adversary who now has to release the souls, if they themselves want it .... And with His help you can conclude the path of your earthly life, with His

help you can become free of all guilt and enter through the gate into the realm of light, which otherwise is closed to you, but which will be opened by Jesus Christ for all souls who voluntarily have decided to take the way to the cross to liberate themselves from the burden of sin. As human being on earth you only have a short time at your disposal but it is sufficient to completely release yourselves from every form, however, this always depends on the human being's attitude towards the Divine Redeemer Jesus Christ .... because your former sin consisted of your rejection of Me and in the resistance of My strength of love .... In Jesus Christ, however, you shall know and acknowledge Me Myself, then you will also consciously accept My strength of love again and then nothing stands in the way of your unity with Me .... Then the infinite long walk through the creations of earth and as earthly human being has led to the right goal .... it resulted in your liberation and you are once again candidates for My kingdom which will admit you and offer you blessings as it was in the beginning ....

Amen

*Gathering spiritual treasures on earth ....  
Regret in the beyond ....*

Anyone who has not gathered spiritual treasures for himself on earth and thus enters the gates of the beyond empty handed is one of the poorest in the spiritual kingdom. I would like to spare you this fate because you will experience bitter regret when you look back and see the many missed opportunities. Poverty in the spiritual kingdom is so depressing and hopeless that it will torment you and completely paralyse your will, as a result you will hardly be able to deliver yourselves from this painful state. And yet it is so easy to acquire spiritual possessions on earth if only you thought of Me and desired to speak to Me. Merely this desire guarantees receipt of My Word in different ways .... You will always be shown where you can receive My Word if you do not accept it from Me in your thoughts, that is, if you cannot recognise My voice in your thoughts.

However, it is certain that you will feel the inner motivation to do kind deeds as soon as you contact Me in thought and thus intend to get in touch with Me. I announce Myself by prompting you to love because only then can I enter into complete union with you. Thus, first of all I inspire you to actions of love, and this directly through the inner voice or through external advice and reminders by the deliverers of My Word who only preach love. If you listen to them and follow the Word then you will also gather spiritual possessions and acquire riches which will remain with you eternally, which cannot be taken from you on earth or in the beyond and which will increase in the same way, even when you constantly share them. To enter the kingdom on the other side blessed with such possessions is truly most desirable as it assures your eternal life in the spiritual kingdom, a life of activity which can only be called enjoyable and will be felt by you as a great blessing.

But those who enter completely empty handed will find it very difficult to acquire spiritual wealth even though it is not entirely hopeless. Even there the gospel will be taught to the soul but, like on earth, it is not forced to accept it; like on earth, acceptance depends on its will which, however, is extraordinarily weakened and cannot make the right decision without the help of additional strength. And this input of strength in turn depends on the will of the soul to use it for deeds of love .... or on the loving intercession of a human being. For that reason you cannot have enough compassion for these poor souls who urgently require your help because they neglected to gather spiritual treasures on earth to make their state in the beyond a happy one. Their poverty is great but people do not listen to My Word, they do not believe and therefore enter the kingdom on the other side poor and with darkened spirit ....

*Fate in the beyond corresponds to thoughts and wishes on earth ....*

Your thoughts and wishes on this earth will be your fate in the spiritual kingdom after the death of your body. If you searched for light and truth on this earth, light will be waiting for you over there .... if you preferred the darkness because earthly matter had deluded you, then you will stay in dark surroundings over there too, in a realm where you feel unhappy for lack of light. Yet it will happen in accordance with your will .... Light is constantly made available to you on earth and the path to eternal life is clearly and brightly illuminated, you need only enter it to find the kingdom of light after the death of your body .... If, however, you escape the light, if you walk the dark path, then you can only arrive in dark regions too ....

You humans occupy yourselves very little indeed with what happens to you after your physical death .... You dismiss such thoughts from your mind when they occur to you, you constantly turn towards the world and its matter, and since this is transient you cannot take it with you into the spiritual realm. If material goods are your only riches on earth you will indeed arrive poor and naked in the spiritual kingdom .... Why do you not gather possessions on earth which are long-lasting, which accompany you on your way into the beyond ....why do you only lust after the transient possessions of this world?

The consequences of your way of life are presented to you time after time, your attention is drawn to your fate after your departure from this earth .... yet you pay little attention to the warnings and reprimands, you scrupulously carry on living from day to day even though you could be called to your final resting place tomorrow .... And then you will receive what you desired on earth .... light or darkness .... you can't be given anything else but what you acquired during your life on earth. Consequently, as long as you live on earth think of the time after your death, think of your soul which is immortal and whose fate in the beyond you prepare while you live on earth .... strive towards the light on earth and create your soul's happiness in the spiritual realm ....

Amen

*In the Father's house are many mansions ....*

In the Father's house are many mansions .... The mansions I have prepared for all souls correspond to their maturity at the time of their earthly departure. Accordingly they are very different and are abodes for the souls for as long as they are content with them, although they can be changed, which is the soul's own responsibility. The soul's surrounding in the spiritual kingdom depends on its character at the time of its physical death .... radiant, bright, offering the spiritual eye a magnificent vision of breathtaking harmony which fills it with happiness beyond description .... or bleak and cold, squalid and disturbing, turbulent, dreary and depressing, causing the soul unhappiness and wishing itself to leave this environment. And yet it can only be offered what it had acquired for itself on earth, it cannot be moved into blissful realms to which it had never aspired nor can it be given light because this would consume the soul due to its immature state. Nevertheless, every soul has the option whether it wants to improve its environment.

And to awaken this wish is the work of innumerable spiritual beings of light which descend into poorly lit mansions to inspire their inhabitants to improve their fate and their surroundings. Yet even this has to happen such that it does not force the soul's will but results in its own desire. Hence they do not perceive the beings of light as such, instead the beings of light join them by using the same cover as the souls and request to be admitted, then they will seek to guide the souls' thoughts to change their present situation .... The souls' will has to be motivated to improve their fate; and as soon as the will is motivated the soul will suddenly find itself amongst needy souls who request its help, and now it depends on whether it listens to their appeals, whether it is willing and attempts to help them ....

The stronger its impulse to help the more alive it will feel and darkness will give way to a faint twilight which gladdens the soul immensely and increases its will to love. Imperceptibly its environment assumes another shape as the twilight shines through until everything appears clearly to the soul's eyes and its state seems to have improved considerably .... Yet it is always up to the soul's will whether it continues to be helpful or whether it contents itself with its present situation .... which, however, worsens again if it stops making an effort.

Every soul will find what it wants; and if it longs for light, for love and supreme happiness it will certainly achieve its goal and arrive in extremely charming regions where everything is enlightened and where it can settle for as long as it wishes .... Because it also gives what it requests for itself, and this love changes the soul's nature, the love which it receives from the beings of light if it is not entirely obstinate in refusing to ascend from the poorly lit depth and resists all assistance and indignantly rejects every suggestion. Then it also has what it wants .... darkness, which will become incessantly more agonising in order to motivate the souls to change their will.

And for that reason I spoke the Words: 'In My Father's house are many mansions ....' Although the condition of every soul is taken into account no soul is forced to remain where it is sent after its physical death .... it will be admitted wherever its will takes it .... it is able to arrange its own surroundings according to its

will and thus it can elevate itself from the lowest realms into radiant heights .... providing it takes notice of those whom it encounters as messengers from above, although not recognised by the soul as long as it is without light itself but so touched by their will to love that its own love gets kindled and therefore the path upwards becomes clear .... Eternal love Itself descends into the abyss to elevate what will not resist .... I also redeem the souls from the darkness and countless beings of light take part in this work .... They all help to build those mansions to improve the fate of the souls; they all radiate light and love and entice countless souls from the darkness into their region .... where there is light and strength and bliss ....

Amen

### *Reunion in the beyond ....*

There will be a reunion in the spiritual world, you humans can be certain of that .... But whether a reunion with your loved ones can be granted right after your departure from this earth depends on your soul's degree of maturity as well as on your loved ones souls; if this maturity is not yet sufficiently developed to enable spiritual vision it has to be acquired first, which could take a long time. Not until the soul has achieved a certain degree of maturity can it assimilate spiritual impressions. Hence the soul has to be enlightened to see who is approaching and although a less mature soul also knows itself to be surrounded by beings, it cannot recognise them as long as it lacks spiritual vision. After all, the beings' happiness consists of their ability to communicate with those who were close to them on earth .... The souls which are already enlightened as a result of their maturity will therefore always approach their loved ones, either to interact with equally mature spiritual beings or to assist the weaker souls to achieve maturity too ....

Consequently, the **more mature** souls have the ability to recognise the weaker souls but not vice versa .... because weaker souls should be inspired to strive and not be compelled on account of proof .... since it would always be proof if they were approached by a soul of light which it recognises as one with whom it had been linked on earth .... And thus the joy of reunion once again is a gift of mercy and the share of the mature spirit, who feels unspeakably happy as a result and in turn does everything to help the immature souls to the same happiness .... They support them in the most loving way and never tire to encourage them .... yet always unknown by them because they approach them in the same cover, in the same garment. The longing for the souls who were near to them on earth draws them closer indeed and can be an enormous advance, and when the moment of recognition comes the souls are infinitely grateful and happy .... And only then do they realize the care which had been given to them and in turn attend in the same manner to the souls which still languish in darkness .... they now help them to ascend because every soul longs for those who were once close to them on earth.

There will be a reunion, but the time when this is possible is up to you .... If you have already gained this certain knowledge on earth you will do whatever

it takes to at least achieve the degree of maturity on earth which allows you to enter the realms of light where you will be welcomed by those you love and who can instantly recognise you; or where you can, without being known, begin your work of deliverance on these souls .... Just take care that you don't pass to the other side without knowledge .... take care, that you have already found God in Jesus Christ so that you .... redeemed by Him .... can enter the spiritual realm .... Then this entry will give you much happiness because of the joy of reunion .... However, if you have not attained maturity on earth you may have to wait a long time .... because everything can only take place in accordance with law, your freedom of will has to be observed even in the spiritual realm so that you too may be greatly blessed one day ....

Amen

*Unification ....*

*Blissfulness of the images of God ....*

The final aim of your earthly life is the union with Me .... You should have found unification with Me by the time the hour of your death approaches, you should pass over into the other realm without fear and dread, you should only change your abode and move into your parental home which you had left eternities ago .... You should have found your way home to Me and be happy again, as you were in the beginning. This is the purpose and goal of your earthly life, and to arrive at this goal should be your constant ambition, since it is achievable for you. I Am not demanding the impossible from you. You are My children, you came from Me and it has to be your natural ambition to return to the Father, because your Father's love draws you and because, after all, you were originally created in My image .... The unity with Me, therefore, has to be more in accordance with your whole being than the distance .... For this reason you have never been happy being so far away, and you cannot be happy again until we have been united, because being united with Me also means being enlightened by My love again, which is equal to unimaginable bliss. You are My creations and belong irrevocably to Me ....

You deserted Me due to your misguided will and misguided thinking .... But as soon as your will and thought are in the right order once more you will also look for unification with Me, you will do everything to decrease the previous distance and indeed succeed during your earthly life because I long for this unification Myself and therefore will help you too .... because My love pulls you and you cannot resist this love when you have accepted the right order again ....

And you can expect a truly marvellous fate indeed when you have united with Me .... The realm of light is once again open to you, you can work in strength, light and freedom in accordance with your will which, however, is also My will .... You will be able to enjoy the kind of pleasures you have never dreamt of .... you will see and hear what your eyes and ears have never seen and heard on earth for I have prepared immeasurable happiness for those who are Mine, who love Me and therefore have united with Me forever. Because love embraces Father and child with a heartfelt bond .... love, which should be kindled within

you during your earthly life and which then radiates through the human heart, establishes a connection with Me as Eternal love .... the human being can then accept his original essence again and becomes what I Myself have eternally been: love ....

And thus the human being who has transformed himself into love once again has to be inseparably joined to Me, he has to be enlightened by My love as he was in the beginning, he has to be so close to Me that we are completely merged by love, and therefore his return to Me must have occurred, which was always the purpose and goal of his earthly life .... And this relationship can no longer lead to a return to the abyss .... The being has passed its test of volition, it has transformed itself from 'God's living creation' into 'God's child', it has achieved perfection on earth, it has regained all qualities and abilities which it once had renounced due to its desertion from Me .... And I have achieved My goal .... My eternal plan of salvation has been successfully completed by that being, i.e. what I could not 'create' has nevertheless been achieved by this plan of salvation: God-like beings .... Children, whose own free will and not My omnipotence, has turned them into perfected beings .... Only now have I proper 'children' who are My images in every way .... who can create and work by My side and within My will and yet use their own will which, however, completely corresponds to Mine because this is intrinsic to perfection.

You humans can achieve this goal because I Myself long for the unification with you and truly will do everything to guide you to the goal if your will submits to mine .... if you willingly accept My guidance, if you fully and consciously strive for unification with Me and live in love on earth .... Then every gesture of love shall bring you closer to Me, then you will allow My presence within you, and then union has to follow because 'whoever lives in love lives in Me and I in him ....' Consequently, love is the bond that locks us together and then is eternally inseparable ....

Amen

*The correct use of time on earth ....*

Earthly life is but short yet time in the beyond is infinitely long .... Hence you humans should use this earthly time well, you should accept every difficulty and utilise all your strength for the salvation of your soul. You should renounce all comforts of life and, with your rejection, ensure your claim for spiritual wealth which will determine your fate in eternity after the death of your body, which is the only beneficiary of earthly possession but may not keep them forever. Compared to eternity, earthly life is but a moment and you should not consider this moment so important .... instead, consider it extremely important for your soul .... thus constantly evaluate it spiritually. Although during your time on earth you have a concept of time by which your days and years appear to be long .... but consider that infinite periods have already preceded this earthly life

and eternity will follow .... You, however, are only conscious of your lifetime on earth and therefore it means everything to you.

Nevertheless you know that your body has to die .... you know that everything earthly is transient, you know that everything your body had found indispensable and gave it a sense of well-being cannot be of any use to you after your death. Therefore consider this first and consider what to expect after the death of your body .... You can prepare an extremely wonderful existence for your soul during your earthly life but also a state of agony and darkness .... Time and again you are told that you will live on .... You are not without knowledge of this even if you don't want to believe it .... Consequently consider the possibility and make provision for it .... Live virtuously on earth and don't set your heart on material things which, after all, will be taken from you again .... Don't consider the body at the expense of your soul .... First care for your soul then your body won't go short either, but don't let your thoughts move into the wrong direction and let the soul go short because of the body. For your soul is your true Self, the Self which is immortal and one day can be blessed if you work for and accomplish this bliss on earth ....

The happiest hours on earth pass like intoxication, earthly pleasures don't make you happy forever, earthly life slips by fast .... but you cannot avoid your fate in eternity and that will correspond to your life on earth .... Eternal life or spiritual death .... you alone choose the conditions for yourselves in eternity because it is up to you what kind of life you live on earth. Evaluate your earthly life correctly .... so that it leads to the maturity of your soul and is not just used for the well-being of the body .... because you only stay briefly on this earth yet eternity is infinitely long ....

Amen

*Guests on earth ....*

*Right custodians ....*

Always remember that you are only guests on this earth, that the transient realm is not your true home, that you are only temporarily here so that you can fully matured return to your home, which you had voluntarily left some time ago, but that one day you have to return to where you came from. If you were more conscious of your task on earth, if you would really only feel like guests on this earth, you would not attempt to settle down in this world of illusion either. You would always only remember to return home richly blessed, you would only want to acquire on earth what you may take across with you and all other accomplishments would appear useless and worthless to you, and then your maturity would be guaranteed, you would fulfil the purpose of your earthly life and need never fear to waste your time .... because as 'guests' you would not want to acquire what you would have to leave behind and thus aspire towards other things ....

However, as long as you don't feel as guests but as masters of this earth you fail to understand your true purpose of earthly life and all your intentions, thoughts and actions will be wrong, they will not correspond to the goal of improving your

soul's maturity. And even if you possess earthly wealth, if you are richly blessed with earthly goods .... as long as you merely regard yourselves as custodians you will make correct use of your possessions and by doing so acquire spiritual wealth too. You should always handle borrowed wealth correctly, that is, you should not want to be the sole beneficiary but also allow other people to benefit from it .... Then it will be a blessing to you and you will gain everlasting spiritual wealth.

As you receive you shall also give .... because the Lord, Who serves His guests abundantly, wants to give everyone what they need, and He Himself will invite His guests to share their gifts with anyone who requires them. Therefore you, too, should remember that every human being has the same right to the things he needs for living, that every human being is a guest on this earth, just as you are, and that the Lord does not want that any one of His guests should go without and that you therefore do His will when you give your fellow human beings gifts of love .... One day you will have to surrender everything anyway. Therefore try to dispose of it voluntarily in advance because such an action will not reap a loss but a double blessing for you which you can only understand when you leave this earth and find a treasure in the beyond .... when you understand that with your action on earth you have acquired many people's love which will follow you into eternity ....

How blind are those people who accumulate possessions, who enjoy their earthly possessions and don't allow anyone to partake in them .... and how deprived will be their fate after the death of their body. You humans know that your earthly life is temporary and yet your life shows no preparations for your real life in the kingdom which truly exists but which can be of rather diverse quality since it is up to you how you prepare it. If you have given love to other people on earth you will find much loving assistance there, you will receive as you yourselves have given and, indeed, you truly will not lose but every gift you share with a loving heart will bring a thousand-fold return. Just consider yourselves as guest on this earth and look at everything you own as property on loan which you may use as you wish .... And accordingly manage these possessions in the spirit of God Who gave them to you; use them with love .... and you will experience a blessing which you cannot appreciate as long as you live on earth .... Then you will return to your true home richly laden and shaped as you were when you once left ....

Amen

## Who was Bertha Dudde?

Bertha Dudde was born on 1. April 1891, as the second oldest daughter of a painter, in Liegnitz, Silesia. She became a dressmaker and began to receive pronouncements from God through the 'Inner Word' on 15. June 1937.

“In a clear dream I was moved to write down my thoughts after devout prayer. Understandably this often gave way to doubt and inner conflicts until I was convinced that I was, myself, by no means the initiator of these exquisitely gracious words; but instead it was the spirit within me, in other words, the love of the Heavenly Father was obviously responsible for them and introduced me to the truth”.

“I was given knowledge of the spiritual world which far exceeded my elementary school education. I received and receive this knowledge as a dictation in a state of complete consciousness; I write down everything I am told in shorthand, in order to then transfer it word for word to clean copy. The procedure does not take place in a state of compulsion, for example in a state of trance or ecstasy, but in an absolutely level-headed frame of mind. However, I have to want it to happen and then I can receive these dictations voluntarily; they are neither bound by time nor place.

“Now I only have one wish, which is to be able to make these gifts of grace accessible to many more people and in accordance with the will of God Himself to be allowed to do much more work in His vineyard.”

(Quotations from an autobiography from 1959).

Bertha Dudde died on 18. September 1965 in Leverkusen, Germany.
