Reason for divine revelations

Let My grace be sufficient for you and patiently bear all burden imposed on you to serve your soul's state of maturity and grant Me your ear so that you can hear My voice open your heart to let My ray of love enter and penetrate you with My spirit: Time and again I convey My revelations to you humans, time and again I speak to people through the mouth of a servant who is devoted to Me and I truly don't do so without reason I know that it is necessary to provide people with a light where darkness exists in their hearts. And I know that the darkness will get worse the closer it gets to the end. I also know who still seeks to escape the night, who strives towards the light of dawn, who is grateful to Me for a light which illuminates the path for him. And these are the ones I seek to address through you, who want to serve Me. I also know how they think where they err and therefore where their faith in Me is at risk because they have no clear concept of Me and yet deliberate on it I want to help them and clarify those things which appear doubtful to them, because I want to help them gain a convinced faith in Me as the most perfect being Which is love, wisdom and power within Itself And thus I manifest Myself, I Myself address people and convey purest truth to them, which they can and indeed will accept if only they are of good will. Every thinking person is occupied with a different problem and if they receive a light they will immerse themselves increasingly deeper into spiritual knowledge, which is always beneficial both for the person himself as well as for Me, Who only ever wants people to reach the goal they were given for their life on earth. Some problems needing clarification are especially important: People must be given the right knowledge about Jesus Christ and His act of Salvation, because they must acknowledge Him without fail in order to free themselves from the opposing power They must be informed of this adversary and what he signifies for people and they must know that their time on earth as a human being was caused by him in the first place Hence they must also learn about the spiritual correlations, about their very first beginning and their goal They must know what they are, what they had been and what they shall become again This knowledge makes people live more responsibly and precisely this knowledge was distorted time and again through the adversary's influence, and thus people are often misguided And since My adversary also has great power at his disposal, which manifests itself particularly strongly at the end of a period of Salvation, he has also succeeded time and again in interspersing My pure truth with errors thus motivating Me time and again to counter it with the pure truth, because I want to help people to fulfil their last short task in life.

If therefore a person knows the truth, then he will own a brightly radiating light which the adversary avoids Error, however, permits the adversary's continued influence and is a danger for the person Thus you can understand that I will repeatedly transmit the pure truth to earth but that it will not stay that

way for long, that it will not remain as pure as it was when it originated from Me As soon as the light is clouded its radiance is no longer as clear as to guarantee a correct understanding. And the fact that the light became clouded through human will is disclosed again by the fact that I reveal Myself anew, which would not be necessary if people lived in the light of truth. I truly know why I speak to people again with all urgency I know that they have no clear understanding of their existence as human beings either and I know why I must give them precisely this information if I want them to acknowledge the divine Redeemer Jesus Christ and recognise Me Myself in Him People shall acquire a clear idea about it, consequently I Myself instruct them in the most understandable way and everyone will be delighted about knowledge he recognises as purest truth, because it originated from Me directly. Even thinking people will accept this information, for I do not demand blind faith. It is My will that a person shall think about it, otherwise he will be unable to distinguish between truth and error. And because the darkness constantly increases, the light, too, will shine extraordinarily bright, and it only requires the **desire** for light in order to become enlightened. For truly, I Am determined by My love, wisdom and power to confront both Mine and your enemy of life, so that you will find your way out of the darkness and be able to escape his control **Wisdom** knows your state of peril, **love** wants to help you and **power** will truly use the right means for it And I will bless you, who voluntarily serve Me, for I do not forcibly influence people and neither can My adversary do so The Eternal Light reveals Itself to all those of you who want to flee the spiritual night

Amen

Duty of distributing the divine revelations

It is indescribably commendable to spread the Word of God. That which is conveyed to people through God's grace shall not remain the sole property of the individual but shall be passed on to the many people who require it for their soul's salvation. Humanity is in serious trouble, it is so distant from God that it does not even recognise His will anymore and goes through earthly life in complete ignorance. However, the human being needs to know what God expects of people, consequently the information has to be imparted to them. And for this reason earthly children who are willing to be of service to Him are chosen by God with the task of making His will known to people. He Himself instructs them first so that they can subsequently pass on their knowledge to fellow human beings. The human race would perish without active help, and active help can only be found in the Word of God. But at the moment everything is rejected by people if it admonishes them to remember God or if they are taught about God in the usual traditional way. This is why God gives His Word to people again He provides them with an explanation about their purpose and their task He wants to come closer to them through His Word, He wants to familiarise them with everything pertaining to the creation; He reveals to them the correlation of all things and gives them the commandments, which are the basic conditions for their ascent to God. And willing people shall

help to distribute the divine gift; they shall diligently strive to make the divine revelations accessible to the human race; as God's eager servants they shall always and forever make His activity known; they shall let their fellow human beings partake in the delectable gift of grace, so that the divine Word will find acceptance among people, that it will strengthen their faith and motivate them to do whatever it takes in order to live in a God-pleasing way thus to fulfil the commandments of love for God and their neighbour. Only when a person has knowledge of God's will can he be held to account if he does not live up to them. Admittedly, uninformed people cannot be held to account but neither can they utilise their life on earth and attain a higher degree of spiritual maturity, for they would have to be extraordinarily lovingly active of their own accord, that is, love must be within them, but in that case they will also know the meaning and purpose of earthly life and their task. For God imparts His Word to everyone who desires it, it is just not always outwardly noticeable except in the shape of mental transmissions. But those who receive the Word such that they are able to write it down are particularly responsible for the distribution of this Word, for they receive much grace and shall therefore also share it. They shall proclaim the Gospel to all those who do not reject it

Amen

*Working for the kingdom of God
Mission*

People who are permeated by the spirit of truth are chosen to spread this truth, and this is a responsible mission on earth, for receiving the truth is also a commitment to pass it on. Constant activity is expected of them, activity for the kingdom of God which conveys the truth to earth through these people. Yet the hearts of those chosen to do so are able to love, otherwise the spirit of God would be unable to take effect in them. And this ability to love lets the work of spreading the divine truth become a joyful task which they gladly and readily comply with. As soon as a person is imbued by divine truth he also loses the sense for the pleasures and goods of the world; he only derives joy from spiritual knowledge and therefore the spiritual work becomes his purpose in life. And yet it is a responsible task if he bears in mind that he has the opportunity to lead untold souls onto the right path, onto the path of realisation, and that he must make the most of this opportunity in every way As a representative of God he is placed into a field of activity where he can work exceedingly successfully; however, it requires a firm will, great love, patience and perseverance, it requires the keen activity of body and soul, both have to yield to the urging of the spirit, which constantly spurs them to do this work. Thus the human being must place himself entirely at God's disposal Who informs the human being through His spirit about what his work consists of. As long as the soul is still in two minds it cannot hear the voice of the spirit clearly enough and must try to banish this state by unreservedly handing itself over to God and appealing to Him for his correct guidance in every way It must not anxiously speculate and think but must completely and trustingly hand itself over to the spirit's guidance and it

will always take the right path Then all events in life will approach a person so that he can accomplish his spiritual work, so that he can work for the kingdom of God.

This work is not obvious at first, for the time has not yet come for the working of the labourer's of the Lord As yet His labourers are prepared in silence, and their activity, too, is limited; however, they shall even be active in silence until the time comes when great activity will start for the salvation of the souls which will suffer great adversity. But the spirit in the human being will guide him to where his work is needed. For time and again souls will be prepared who will likewise be responsible for working for the kingdom of God, for many labourers will be required in the vineyard of the Lord. Prior to this the divine truth will be conveyed to them, so that they will become competent labourers and be able to work for God in the coming time. For they will be needed by countless souls who still linger in spiritual darkness and will not be able to find the path to the light but where divine truth exists that is where light is shining, and if the light is given to people in the right way, if the truth is offered to them with love, many a heart will open up and allow itself to become enlightened. Being able to save souls for eternity is a happiness-inducing mission, it is a mission which is constantly accompanied by God's blessing, and every labourer in the vineyard of the Lord can be assured of divine help by merely eagerly striving to speak on behalf of the kingdom of God on earth, for then he will always be supported by spiritual forces and his work will be blessed

Amen

Passing on the divine Word

A word-for-word rendition of the information you receive through the inner voice will always have the greatest impact, even if you are also capable of educating your fellow human beings yourselves people will nevertheless be less able to close themselves to the direct Word from above, for this reason written distribution is a blessing. And therefore I will bless every work which concerns the distribution of My Word and help you in every way, for it is particularly necessary that people take notice of My extraordinary working, which they can ascertain through the written Words if they are of good will. Anyone who wants to reject it will reject it in any form. But in the written rendition people will recognise My spirit, My voice, and open themselves to its effect, for My Word speaks for itself, no explanation needs to be added, it will always be understandable to people because I speak to every individual person Myself if he attentively and, with a desire for truth, accepts it in his heart, thinks it through and pays attention to the feelings he experiences as a result. You humans have so many means of help at your disposal, all of which are gifts of grace from Me to make the path of ascent easier for you However, My Word offered to you from above is the greatest and most effective means of grace which will guide you upwards for sure, for it is blessed by My strength, it is a direct emanation of Me Myself which must always have an extraordinary effect on you, it just depends on your will to let it take effect on you. And this is why many people

shall receive knowledge of it, many people shall experience the blessing of My Word on themselves, they shall be born again, they shall live again and forfeit everything lifeless, all formalities for My Word. They shall recognise Me Myself in the Word, believe in Me and learn to love Me, they shall accept Words of wisdom which they can never ever be offered elsewhere if they did not originate from Me. They shall know that I, as the Creator of eternity, do not forget My living creations, that I as the Father do not leave My children on their own, that I want to help everyone to return to the Father's house, and that they desperately need My help and that they therefore should approach Me in prayer and appeal to Me for grace and strength in order to be able to shape themselves into love ... that they must know My will in order to fulfil it. Every work concerning this endeavour is blessed, for the time is rapidly approaching the end

Words of wisdom

Teaching ministry

Criticism on publishing

In realising your task in life, which consists of distributing the pure Word of God, everything will cause your rejection that has not come forth from the primary source of truth. But they can nevertheless be Words of love with no indwelling God-opposing spirit, and everything that is not in favour of Me is good if it inspires love. In the spiritual kingdom the beings which are permitted to teach recognise each other by their radiance, it is therefore impossible for a still spiritually unenlightened being to intervene. The earthly child which willingly opens itself to the spiritual influx will be lovingly grasped and protected by the beings of light ... I, your God and Father of eternity, Am present in spirit to all those who want to be in contact with Me. I do not abandon these people, for they are My children who have already informed Me of their will. Hence they also sense My presence, they hear Words of encouragement and of comfort from Me, they hear Words of love, which I have on hand for all people who want to listen to Me. It is also My will that they speak to their fellow human beings of My love, I want them to actively stand up for Me, that they motivate their fellow human beings to establish contact with Me as well, that they therefore guide all those into a living faith who allow themselves to be led, thus who are willing to recognise Me. I also give them the ability to speak on My behalf so that they can be successful when they vividly describe My working in them by filling their hearts with profound love for Me and their subsequent hearing of divine Words of love. This has to be said to all those who can hear Me speak in spirit, to whom I reveal Myself so that they will learn to recognise and love Me. They shall proclaim that they themselves experienced My working in them.

However, not all are assigned the task of instructing their fellow human beings, the task of imparting the divine wisdom, the eternal truth to them. For this teaching ministry requires more, only the chosen ones among those I have called shall hold such a teaching ministry and it is them who must therefore

first be instructed by Me for the teaching ministry before they can work on My instructions. Anyone who wants to proclaim wisdom must be wise himself and accept his wisdom from Me, for that which should address a person's heart must also be acceptable to the intellect. Wisdom must be recognised as wisdom, for although it requires good will to do so first it must nevertheless also stand up to serious scrutiny, which can only be expected from truthful knowledge. The intellect must not be excluded where it concern the acceptance of My pure teachings of faith. Since I gave the human being the ability to think I must also provide him with knowledge which his intellect is **unable** to reject if the heart is open to My instructions. Consider this, then you will understand that not everyone can be a teacher for his fellow human beings, that a person must first have penetrated the wisdom himself before he can instruct other people. Furthermore, consider that all instructions spread through print or in writing are intended to be a blessing that you should therefore proceed very judiciously if you don't want to endanger the pure truth, which cannot be taught by **everyone** who is not called to do so. For you **endanger** the truth if a serious seeker of good will discovers flaws which make My nature seem implausible or imperfect to him, because his intellect also wants to form an opinion. I, your God and Father of eternity, certainly recognise your will to be of service to Me and bless you for it, yet you should not step into the public domain without My specific instruction, since you have plenty of opportunities to work in privacy, that is, in the circle I Myself bring close to you. For I look into the human hearts and know whom I bring together so that they can find Me. Yet I also know what causes deliberate rejection if it is not offered to people in the right way. I certainly give evidence of My love to all those who desire it, yet not all of them have attained the degree of maturity in order to hear My Word **audibly**, just as not every soul is capable of repeating what My love conveys to it **mentally**. For this reason such souls are not called for teaching work, although they can be very beneficial by communicating their thoughts to people in their vicinity since, if they love Me, their thoughts cannot be wrong as soon as they speak on behalf of Me and My kingdom.

On the other hand, it is quite a different situation where it concerns the public distribution of spiritual information to the human race, which lays claim to having emerged from Me directly and which should be accepted as purest truth. Then those who seriously and with good will scrutinise it intellectually must also be able to accept it, because the pure truth, having originated from Me, can certainly stand up to any test, since it speaks for itself. **Even** the pure truth will meet with more rejection than acceptance, but the reason for this cannot be found in the fact that it is unacceptable for a person, but that the person, due to his God-opposing relationship, is no longer capable of recognising it. But even the person most incapable of recognising relentlessly uncovers what prevents him from accepting spiritual knowledge and is delighted if he encounters a target in order to doubt the pure truth. And you should not provide him with these targets if you want to work for Me and My kingdom. You can certainly be of service to Me and constantly present Me to your fellow human beings as a God of love and mercy; you should, wherever possible, influence your fellow human beings to practise love, by living a way of life according to My will you should be an example to them, you should strive spiritually and also strive to

encourage your fellow human beings to do the same, you should sincerely unite with Me and pray to Me in spirit and in truth, and you will feel My emanation of love increasingly more, you will think, act and speak correctly and thus be My faithful fighters in the battle against the one whose aim it is to ruin all those who don't resist him. And thus you should wait until you hear My call to carry out specific work in My vineyard, for the time is not far away when I will need those of you who want to be of service to Me, and when I will assign a task to everyone according to his ability and blessed will be the one who serves Me

Amen

Awakening spiritual hunger

Spiritual hunger shall be awakened among people. This requires the offer of tasty morsels which precisely contain that knowledge which was ambiguous to the human being. Every person can be touched somewhere, every person has a specific question which occupies him and if he can receive an explanation to it he will also open his heart for further knowledge, and then it will be most successful if the teacher does not deny him an answer, if all concepts are known to him and clear enough so that he can pass his knowledge on to another person so that he can satisfy the hunger of someone who desires the truth. The desire for truth has not yet been awakened in the human race, people casually dismiss what is incomprehensible to them, they don't desire clarification and therefore it cannot be offered to them either. But the reason for this can always be found in the fact that their thinking was not stimulated, that no samples were offered to them, that they were not impelled to express themselves, to clearly state their own thoughts; a question can be extremely interesting to them if it is asked at the right time and in the right way and the answer can be extremely satisfying if it is given by an authorised teacher who represents the pure truth and can pass it on. Then the desire for more knowledge will arise by itself in them, and only then can a famished person be nourished with the bread from heaven. An answer which betrays ignorance does not satisfy and can prevent people from wanting to find some kind of clarification; the pure truth, however, speaks for itself and therefore also to every person who wants to know it. And this person will always be offered the heavenly bread which is conveyed to him from above, he will no longer need to starve and live in want, he will always receive according to requirement and worthiness For enjoying the bread from heaven only requires the will to correctly revive the soul, it requires being receptive for what God's love offers him. Therefore you should, as true representatives of God and His kingdom, always proclaim His Word, even if there is no desire for it as yet, for He Himself will bless you if you speak and you will experience this blessing, because the listeners will want to know more themselves, they will look for every opportunity where the divine Word is proclaimed to them. What you received through God's great love yourselves must be distributed by you with love Then it will not fail to make an impression on your fellow human beings Then you will be promoting God and His kingdom and will render

faithful vineyard work, for you are His servants, you should show the table of the Lord to those who want to eat and thus bestow good gifts; you should always proclaim the Word of God wherever the spiritually famished are sent to you, you should offer the bread of heaven to them and keep their spiritual hunger alive, so that time and again new nourishment will be requested for the souls who once have tasted the heavenly bread

Amen

Misguided overzealousness

The size of field you shall cultivate will always correspond to your will to be active and your suitability It may be very large if you wholly support this cause, and it may only be a small area, depending on your will and your eagerness to serve, for I do not exert any pressure or coercion, I give as you desire But often My vineyard labourers expect too much of themselves insofar as that they take on tasks beyond their abilities for which I have not appointed them that they want to arbitrarily handle areas due to a certain ambition somewhat ambitiously, with the intention of distinguishing themselves. In that case they will cause more damage than blessing, for due to their ambition they leave My sphere and this signifies a welcome opportunity for My adversary to give his instructions, which are also frequently listened to. And this is a danger which threatens every vineyard labourer who does not strictly adhere to My instructions, who is impelled by overzealousness because he has lost his inner humility because he wants to achieve much but does not want to help many. It is just a fine difference but all My vineyards labourers should sincerely check what motives impel them to work in My vineyard. They should not fail to approach Me in silent prayer for My instructions and then always carry out what impels them from within. But they should not engage in tasks which I have not allocated to them and which therefore must be more described as worldly work although they apparently pursue spiritual goals You humans have no idea what methods My adversary works with and how easily he can draw you into his nets of lies; but you need not fall prey to him as long as you submit yourselves to Me with profound humility and desire only to be guided by Me. But I will not entrust you with work in an area as long as you are not proficient in this area. If, however, you enter it without My instruction then you will be influenced by the opposition, because he knows your weakness of wanting to distinguish yourselves. And then he will serve you according to your wishes

People have often taken this path before, they had been willing to serve Me but didn't want to work in a small circle, instead they looked for an area of activity which enabled them to become more publicly known without, however, having received My instructions to do so And then they often carried out tasks without realising who had prompted them to do so And thus it was possible that initially good servants became unsuitable for the work in My vineyard because too many worldly instincts still laid dormant in them which came to the fore and justified their misguided overzealousness On the other

hand, however, not everyone wanting to be of service to Me needs to fear this danger if they regard Me Myself as higher, if they also entrust their weaknesses and imperfections to Me and pray to Me for protection from their own failure and always wait for My instructions before they embark on a task. Temptations certainly approach all My servants as well, because each one still has weaknesses and imperfections to show which he knows and tries to take advantage of. But the human being's close bond with Me protects him from falling prey to him ... whereas the bond with the world weakens a person's resistance and puts him subsequently at risk of succumbing to him. Therefore you should always look within, do not pay too much attention to global affairs but more to the spiritual development in the world, in your surroundings and in yourselves Then you will also diligently render detailed work, you will work at improving yourselves, you will always helpfully stand by your fellow human beings' side, you will provide them with the spiritual nourishment they are lacking And this field of activity will be as large as you are capable of working on. However, you should not venture further afield if you don't want to work for the one who is My and your adversary

Amen

Selfless distribution of the Word

Thus step into the circuit of My flow of love and let yourselves be instructed by Me: It is a tremendous gift of grace which you may receive from Me, and this gift of grace flows to you undeservedly. It is, so to speak, the evidence of My infinite love for you, who became sinful of your own will and shall return to Me voluntarily. And in view of the near end I truly try everything in order to make this return possible for you, to change your will and to provide you with the strength to take the path of ascent, which will lead you back to Me. You humans have not deserved this grace as long as are you still deliberately turned away from Me. And yet I convey it to you because I love you. I choose a suitable instrument for Myself which is willing to accept My Word directly and to forward it to its fellow human beings This, therefore, happens from My side in order to still gain all of you who defected from Me and to a large extent still are But now your **task** starts by making the right use of this great gift of grace And this involves first of all the unselfish distribution of that which is granted to you by My love. Thus you should do the same as I do: let My flow of grace pour into the vessels which open themselves You shall give what you receive, just as I give to you out of love. Most of all you should remember that it is **spiritual** knowledge that is imparted to you from Me, and that this spiritual knowledge must never be utilised in a material sense. It is self-evident to anyone who **recognises** Me and My love in this unusual gift of grace that it is only possible on a spiritual level to convey My Word to its destination, to the souls which require nourishment, which shall be addressed by Me so that they will obtain the blessing of My Words so that they will find and take the path back to Me into their Father's house. And thus you will also understand that no earthly interests of any kind may devalue this gift of grace. You have a Father

Who is wealthy and can also share His wealth with you Who can and will also provide you with earthly blessings if only you serve Him selflessly.

As long as you have not understood this truth, you are not suited to distribute a divine gift of grace, and then you should keep your hands off it because you will only desecrate what your God and Father gives to you in His love and because it will not be a blessing for you either, because I don't support what contradicts My will I will never give My blessing to such an undertaking as soon as it entails an earthly desire for the goods of this world. It is My will that you should be of selfless service to Me and have given you the promise that I will take both earthly and spiritual care of you providing you only ever consider your salvation of soul the most important issue. You merely prove your unbelief if you worry too much about your earthly life, for then you will not primarily consider your soul's salvation for I have said to you 'Seek ye first the kingdom of God and all these things shall be added unto you' And if you now even receive a gift from heaven, which should truly demonstrate My love as well as My presence to you, then you should also forego all earthly considerations you should let yourselves be guided by Me and only ever try to fulfil My will However, the distribution of My Word from above is necessary, and for this reason I convey to you this serious Word of Mine which you should heed Entrust yourselves to Me entirely and believe that I will not let you, who are willing to help Me selflessly, get into difficulties but also know that you reduce the value of My gift yourselves if you associate it with earthly expectations which I will never fulfil but which might impair the spreading of My Word with the result that the blessing from above will fail to materialise. And thus you should first realise what an unusual gift of grace you receive from Me Then love and gratitude will overwhelm you and only then will you be true vineyard labourers for Me, for you will also know that My blessing will accompany every work you do and that you will work successfully for Me and My kingdom And then you will experience an abundance of blessings, for My love will have seized you and escort you until the end And then you will serve Me forever and be blissfully happy

Amen

Vineyard work according to divine will

I will bless every effort that applies to the distribution of My Word. You cannot imagine how necessary it is for people to be informed of their purpose of earthly life, for they only consider it to be the maintenance of their body and live a life which can be called everything else but spiritual. The dark of night prevails everywhere and nothing else will help but to spread sparks of light which tear the darkness apart and can stimulate people into following the right path they recognise in the glow of the light, and I will truly see to it that the illumination of light will increase I will still make My Word from above available to all those who can yet be affected by it such that they will listen to the One Who is addressing them and accept His admonitions, so that they will finally allow themselves to be led and will no longer be able to go astray. I know the means

and ways and will truly employ them. I leave no opportunity unused and you, My servants, shall only ever willingly carry out what you are urged to do from within, for this urging comes from Me, to Whom you have offered your service. So let Me tell you that you need not fear the weakness of your body either, that I will give you strength to work for Me, because I need diligent labourers in My vineyard and recognise full well who serves Me with complete dedication Yet don't tear yourselves apart by zealously embarking on things which I did not assign to you You should always pay attention to My instructions and do what I ask of you For you can believe Me that true success will be achieved in silent activity, that I Myself will only powerfully manifest Myself when otherwise nothing else can be accomplished anymore and the end is near But if you want to win over the 'world', if you want to teach the masses, much of your work will be done in vain, for there will only be a few more and you will not manage to change the 'human race', you will not succeed in bringing many people to their senses, instead, only individual ones would reward such overzealous efforts Then you will have employed your strength in vain, for these few will because they mean well also still be won over through silent activity, because they are known to Me and I will make My Word accessible to them too

However, My paths are different than yours, hence you should pay attention to the inner voice and comply with it as My instructions. This inner voice will never induce you into drawing particular attention to yourselves or into embarking on great campaigns which I know will not be very successful. I will therefore exclude My co-workers from the world time and again, because then the work for Me and My kingdom can be carried out more intensively and because My vineyard labourers should also increasingly perfect themselves, which heartfelt dedication to Me will achieve and is more likely to happen in seclusion than in the flurry of the world, for everything you expect to be very successful requires worldly preparations which, in turn, are not suitable for internalising the person. For this reason I repeatedly advise you to carry out silent vineyard work, which consists of lovingly influencing your fellow human beings into shaping themselves into love and of informing them of My Word hence of contributing the most important thing towards distributing My Word which is conveyed to you directly from above Believe Me that the effect of My Words will yet achieve the greatest blessing and spiritual progress Believe Me, that you will gain extraordinary merits if you utilise all opportunities to inform your fellow human being of My Word, for it will affect everyone who is still of good will whilst people will only accept all other efforts to teach them spiritual knowledge with their intellect without involving their heart apart from a few, who, however, I will also win over for Me by other means, because I know the human hearts. Consider the fact that it takes intellectual thought to present My divine revelations to people such that they will be gripped by them but that only the intellect is addressed and that it will rarely lead to spiritual success but that the direct conveyance of My Word or the passing on of My direct revelations will be far more successful because My Word is blessed with My strength and because those people who shall contribute towards inducing spiritual advancement among people had to already possess a certain degree of maturity prior to it Believe Me that I will bless all silent work for Me and

My kingdom, and make every effort to be diligent labourers for Me who will only every follow their Lord and Caretaker's instructions and lovingly look after their fellow human beings I will do everything else for you and also guide you such that you will offer My Word to those who will gratefully accept it as an unusual gift of grace which will truly have the desired effect

Amen

Vineyard work according to God's will

Every one of My co-workers is blessed by Me and given the silent assurance of My support as soon as he works for Me. For I need his cooperation, even though it is truly within My power to shape everything according to My will, and thus also to perfect you humans through My will. However, My plan for bringing you to perfection requires the human being's free will, for this reason the redemptive work must also be carried out by people, so that everything takes place within the framework of natural progression and no unusual activity compels a person to believe Time and again I give you the assurance that I will guide your every thought and that you then will also undertake the vineyard work according to My will. Yet I keep reminding you to work diligently and take pleasure in your willingness to help. However, in the final analysis, a blessed vineyard work will always consist of industrious detailed work the distribution of My Gospel will always take place on a small scale, for even if masses congregated in order to hear the proclamation of My Word, My Word would nevertheless only take root in a few hearts where the seed would grow. The success will decrease ever more during the last days, for the majority of people will turn away, they will close their ears because they no longer believe. But I know the individual human hearts and it is to these that I will convey the gifts of grace; I will bring them together with My vineyard labourers in order to speak through them directly

You can believe that I will not leave out one soul where there is still hope that it will gladly listen to Me. And you, My servants on earth, will truly achieve more with diligent detailed work than with major campaigns which will not yield the success you hope for. But if I Myself foresee a success, then I will also guide your thoughts correctly and put the means at your disposal so that you can work again according to My will. Yet you should not rush into things nor worry, just grant Me your will and let yourselves be guided, and leave everything else to Me. How few people are open to spiritual knowledge because only a few have an awakened spirit You must bear in mind that most people don't understand it even if it is conveyed to them because they live without love and are spiritually entirely unenlightened. This is why the spiritual knowledge that originates from Me directly cannot be distributed to the same extent as any other writing which is and can be offered to the broad mass of population, because the world only appreciates worldly goods. But I know what will be successful, and from My side everything will be done in order to increase the number of those who will be saved, and you should only ever do what is within your power, and always lovingly help your fellow human beings in their adversity. And I will bless every

effort regarding this rescue work. I Myself will support them in every way but I also foresee the achievement and therefore also know which work is fruitless, thus I will prevent it so that you won't use your strength and effort ineffectively. Yet the achievements of silently rendered vineyard work cannot be estimated by you, where the souls pick up and observe every thought that moves you, and therefore your redemptive work will never be in vain, for I want to address all souls, which you will always enable Me to do if you unselfishly work for Me

Amen

Reply to Habermann (Time of printing) (Print and distribution of the messages)

You have already been told several times that the spreading of the truth is extremely important, because people's eternal life depends on their attitude towards the truth, and therefore everything should be done to present them with the truth. But I know every human heart, I know who is receptive, and I also know the ways to reach those human beings who are still able to receive, whose heart is willing to love and who thus can also understand the Word which is given to them from above. And I let them have this knowledge by making the most unusual connections and sending My Word to wherever it will be received with a grateful heart. And there it will be passed on again, although only infrequently because worldly people have no desire for it and there are only few who can be approached. But do not forget that My Word needs to be offered with love in order to become effective, and that it requires a loving heart to receive it. Therefore any work which is performed to this end is blessed

And now you can understand that every small effort pleases Me if I can speak to the heart of every person Myself and My direct communication is also felt as such, just as I bless every contributor who unselfishly adds towards the circulation of My Word Because I truly care for everyone who works for Me, I look after him like a good caretaker so that he can pass on My Word in the same way as he has received it himself: as a gift of love Moreover, My Word is not merchandise, but which it will always become when unenlightened people handle it, who can neither appreciate its value nor muster the necessary understanding for it and turn it into a mass-produced commodity which only devalues the Word and again only reaches those who similarly do not appreciate it as My message. The circle of those who can still be impressed by it is very small and will certainly be reached by Me. Every now and then you will find a few souls but then they are also completely convinced of My love and mercy. But intending to appeal to the crowds with it is a pointless undertaking since people will be ever more captivated by the world and will prefer to listen to the voice of the world

Every spiritually enlightened human being knows how difficult it is to persuade other people to accept Words from above he knows that the adversary's actions are so clearly obvious that they have no desire for a gift of love offered by My hand And you should also consider that it merely adds to the many publications, which are also of a spiritual nature but do not originate from Me

Myself, which requires spiritual awakening in order to recognise it as 'My Word', but this awakening is hardly ever found any longer I Myself, however, know the souls to whom I can send My Word. It would not benefit your souls to know the length of time you still have at your disposal but you would be horrified to know how close you are to the end. For that reason I constantly urge the workers in My vineyard to work diligently each one should do his utmost, he should not tire, because everything which was and shall still be offered to people will one day follow him into eternity as rich treasure or give him comfort and strength in times of severe spiritual hardship, which is yet to come. But I Myself will be with all those who serve Me and bless their work, for it is extremely important and intended for all of those who are caught up in misleading notions and desire the truth with all their heart

Amen

God Himself substantiates the revelations with the near end

You received the knowledge about the reasons for creating the spirit world, you were taught about all events as far as you were able to understand them which gave you a clear idea about the apostasy of the spirits I have explained Mine and your fundamental nature which, in itself, is the same All knowledge was given to you so comprehensibly that, with good will, you can truly recognise My infinite love. I gave you a bright light so that you may now live in its radiance, so that you brightly and clearly recognise your actual existence, your beginning and your goal. Anyone who adopts this knowledge, who accepts it with a will which strives towards Me, can also be certain that he will reach the last goal on earth I want to instruct you in all clarity, knowledge which is unknown to millions of people shall be easily comprehensible to you, because they don't wish to know what is revealed to you, who desire truth. I was able to transmit it to earth in such detail because I made use of a vessel which did not allow its intellect to interfere, which did not offer Me the slightest resistance, to which I was therefore able to impart the truth in the most understandable way, so that all correlations could be explained by Me and your most important questions were answered This is necessary during the last days before the end, because people shall be informed once more of all processes relating to My reign and activity in the whole of the universe because they shall form a right concept of My Nature and also let go of all errors which, due to intellectual thoughts, were time and again also able to creep into My revelations, if thereby My spirit was prevented from working. However, I know that error is dangerous, I also know who wants to release himself from it and therefore convey to him My pure Word again and give to him according to his desire. For this reason I will also send the knowledge of it to wherever it is willingly and gratefully accepted I know how to prevent that spiritual knowledge, which originated from Me in all purity, gets into the wrong hands, for there is only a short time left until the end and I Myself determine which route the spiritual knowledge takes, and I will also always choose the right workers who will leave it unchanged and whose sacred awe prevents them from implementing changes which are not My

will. This is why My constant protection is assured you, My servants on earth, so that you can unimpededly accomplish your task of spreading My Word in all its purity, of passing it on to those who desire it Nevertheless, you should not distribute it arbitrarily but always take care that they willingly listen to it or don't reject it if you offer it to them. For the world is not interested in the pure truth, and to offer it to worldly people will yield little success, even though you should also mention it to them, but the determination to reject it will always be stronger than the resolve to accept it

Each person must make his own decision, yet the consequences of this choice will differ considerably it can grant people a glorious life in eternity but also lead to renewed banishment. The fact that I repeatedly send the pure truth to earth is an act of grace of momentous significance; it shall be the evidence of My presence for My Own, so that they will not doubt its truth but advocate it wholeheartedly even if they are confronted by the harshest objections I truly know why I must reveal Myself once more before the end, I know that My adversary's influence will continue until the end and I want to protect those people from him who want to be My Own but this is only possible if the full truth is conveyed to them. Therefore, don't be afraid if people want to hold you to account What you receive from above can be rightfully endorsed by you, for then you will only ever state what I put into your mouth. Yet even then you will still win, for people won't know how to respond to you. As yet you can still pass on the spiritual knowledge you possess without being prevented from doing so and you should use this time well, for one day you will have to bow to the power and be unable to speak publicly when My adversary the Antichrist comes to power and fights against everything of a spiritual nature By that time you shall have scattered many seeds which can take root in silence and will truly give you the strength to persevere until the end

Amen

Fatherly Words of blessing

You, My children, have My blessing. A bond of love shall embrace you, now and forever. No matter what earthly hardship still approaches you, submissively endure it in My will. Lift your eyes up to Me, from where help will always come. And let the spirit speak in you, it will always convey Words of love and solace from Me and you will sense that you are never alone, that I spread My hands upon you, that I take hold of you in love and lead you to the goal Yet also speak to your fellow human beings in favour of Me Remember that they suffer great hardship as long as they don't possess Me Myself and help them to attain Me, help them to gain faith in Me, so that they, too, will trustingly look up to Me in every adversity. For I want to help all people, I want to pull all of them to My heart, I want to be the good Father Who guides and protects everyone, Who draws close to them as soon as a mere silent appeal penetrates through to Him. Promote Me and My kingdom amongst your fellow human beings, impart to them the Words you receive from Me and establish a faithful community together, become members of the church which I Myself founded

on Earth, which is based on a firm and unwavering faith. Such a community will bring about many blessings because I Myself dwell in the midst of you if you remember Me with love, if you, by calling upon My name, let Me stay among you, as I have promised you with the Words: Where two or three are gathered together in My name, there Am I in the midst of them. And My Word is truth and therefore always assures you of My presence when your thoughts are with Me, when you speak to Me or about Me, when you long for Me with a loving heart. Then I will be with you and will place My hands upon your heads with a blessing My blessing follows you wherever you may go and My love grants you strength and grace

Amen
